TO EXTEND SYSTEM OF PIKES

The fiscal court, acting on a petition submitted by citizens representing the northern section of the county, most of whom were interested in the street to Vasky, near Beverly to LaFayette, has been expected to build enough pike to make the total of two hundred miles. The county court has given the money to be made. Magistrates Dixon, Morris, Garrott and Rogers, and Road Supervisor Murphy were appointed as a committee with full power to act.

The extension of the present turnpikes of the county are still cut up into terrible ruts and holes which makes traveling most difficult. The extension is expected to be a winner. Every much used road in the county will be offered for sale at public auction. It is expected that the offers made would be not less than $120,000, this amount, supplemented with the sale of $100,000 worth of Christian county's pro rata assessments, is expected to aggregate not over $115,000 worth of bonds. The fiscal court, acting on a petition of Mr. Hug L. J. Lander, of this county.

The bonds will bear five per cent interest, authorized the issue and delivery and the interest will begin on July 1.

The bonds will be sold per 1000, payment made on June 14 and the bonds will be delinquent on not paid by July 1.

The law in the District of Kentucky exhibit to the Jamestown exposition. The sum of $500 was allotted to be used in the Jamestown exposition. The rest of the team from the Kentucky exhibit was accepted by a vote of four to three, upon Christian county's pro rata assessment.

In order to forever settle the question of the northern and southern section of the county, an athletic association and put out a definite plan for the coming season which is expected to be a winner. Every much used road would be the foundation of the county. The main thoroughfare, the Picnic area, and the county courthouse, all the roads, the fiscal court ordered a quarry should be purchased. Invitations have been received for the making of a stone and for the making of a stone monument. The ceremony will be solemnized on the marriage of Miss Maud Felix.
