## WEEKLY NEW ERA.

ONE DOLLAR A YEAR.

HOPKINSVILLE, CHRISTIAN COUNTY, KENTUCKY, FRIDAY, JUNE 21, 1917

VOLUME XXVI, NO. 22

## READY FOR HARVEST

ARE THE WHEAT FIELDS OF CHRISTIAN COUNTY

Yield Will be About 75 Per Cent. of Average But Quality Promises To Be Unusually Good.

The busy hum of the binder will probably be heard on every hand this week for the wheat crop is rapidly taking on that golden hue which makes it so beautiful to the eye of the passerby and so comforting to the heart of the farmer.

The crop in Christian county this year will be short of the usual yield in quantity on account of the cold weather which seriously damaged it. It will be far beyond expectations of the winter though, the yield being estimated at about 75 per cent. In quality all indications point to one of the best crops in the history of the county. The heads are all large and are filled with big fat grains which promise so much to everybody. The ravages of the army worms, where these pests entered the wheat fields, seemed to have benefited rather than injured the wheat. The army worms ate the blades off the wheat stalks but did not attack the head and therefore all the strength from the earth went to the grain and produced a finer and better grade than it would have had the leaves remained. Farmers say they have never known a wheat crop to prove a failure when the army worms were in the country.

Christian county is the most beautiful in Kentucky and there is no section of the entire nation which is prettier to the eye than is the southern portion just now with the broad fields covered with the golden wheat and stretching in some places as far as the eye can see. Weather conditions have been admirable, and no reports have come in of wheat being blown down by wind or beaten down by rain.

## He Fired the Stick.

"I have fired the walking stick I've carried over 40 years, on account of a sore that resisted every kind of treatment, until I tried Bucklen's Arnica Salve; that has healed the sore and made me a happy man," writes John Garrett, of North Mills, N. C. Guaranteed for Piles, Burns, etc., by Cook & Higgins and Cook's Pharmacy. Price 25 cents.

## Pond Disappears.

The large pond on W. A. Radford's farm, near the city, known all over this section of the state for its size, beauty and fine trout, is a thing of the past, says the Pembroke Journal. The water began to sink Wednesday afternoon of last week, and by Friday morning only a mere puddle hole remained.

## Baseball Players and Foot Racers

Louis J. Kruger, ex-champion long distance foot racer of Germany and Holland, writes: "During my training of eight weeks' foot races at Salt Lake City, in April last, I used Ballard's Snow Liniment to my greatest satisfaction. Therefore, I highly recommend Snow Liniment to all who are troubled with sprains, bruises or rheumatism." 25c, 50c and \$1.00. Sold by L. A. Johnson & Co.

## Fall on Floor.

Catherine, the three-year-old daughter of Walter Henderson, of Sinking Fork, tripped while walking across the floor and fell, sustaining injuries which caused her death in two hours.

## A Happy Mother

will see that her baby is properly cared for—to do this a good purgative is necessary. Many babies suffer from worms and their mothers don't know it—if your baby is feverish and doesn't sleep at nights, it is troubled with worms. White's Cream Vermifuge will clean out these worms in a mild pleasant way. Once tried always used. Give it a trial. Price 25 cents. Sold by L. A. Johnson & Co.

## REGULAR MEETING

OF PLANTERS ASSOCIATION WAS HELD THIS MORNING

Reports Show 11,073 Acres In This County Already Pledged.—Plans For Next Meeting.

(From Monday's Daily)

The Christian county executive committee of the Planters Protective association held their regular meeting at the city courtroom this morning. There was a goodly number present and much interest was manifested. Chairman W. W. Radford presided and in his address to the assembly pointed out what had been accomplished by the association and predicted that when the selling season arrived next fall that the association would so far control the situation that if any of the trusts sent out buyers they would be forced to report back that there was no tobacco for sale except through association channels.

The reports of the committeemen from the several districts of this county were very enthusiastic and showed that new members were rapidly being secured. In answer to a question, Secretary W. A. Glass stated that the records in his hands showed a total of 11,073 acres in this county already pledged to the association. He also stated that the total acreage this year would be about 13,000 acres.

The question of how best to create an interest among the citizens and business men of Hopkinsville in the association and its work, was discussed at length and it was decided that the members should personally invite everyone they met to attend the next meeting of the executive committee which will be held at the courthouse on the third Monday in July. At this time it is hoped that the courtroom will be filled with citizens of the town and by this method the association methods and objects can be more thoroughly explained and the results already attained pointed out.

When you feel the need of a pill take a DeWitt's Little Early Riser. Small pill, safe pill, sure pill. Easy to take—pleasant and effective. Drives away headache. Sold by R. C. Hardwick.

Bert Barber, of Elton, Wis., says: "I have only taken four doses of your Kidney and Bladder Pills and they have done for me more than any other medicine has ever done. I am still taking the pills as I want a perfect cure." Mr. Barber refers to DeWitt's Kidney and Bladder Pills, which are unequalled for backache, weak kidneys, inflammation of the bladder and all urinary troubles. A week's treatment for 25c. Sold by R. C. Hardwick.

## BANKHEAD APPOINTED

MONTGOMERY, Ala., June 17.—Governor Comer this morning appointed congressman Bankhead to the vacancy caused by the death of Senator Morgan.

## HOT WEATHER

DOES NOT DEPRESS THE LOCAL TOBACCO MARKET

Good Prices Ruled and All Offerings Found Ready Buyers.—Crop is About Planted

With the advent of hot weather the local tobacco seems to become stronger and more active rather than weaker. The reported scarcity of plants showed not to have been overestimated when the setting out season came, for now every plant available had been set out and there are yet many fields which have not received their share. The season was perfect and all plants set out lived from the very first, all farmers uniting in saying that never in their history had they as little replanting to do. Those plants which are yet too small to be transplanted are being carefully watched and many fields will be set out as late as July 1.

The local salesman for the Planters Protective association reports a most satisfactory business, and a ready demand for all offerings. Low to medium grades this week sold as high as \$10 to \$13 and the lower grades in proportion.

On the general market the offerings were heavy and sales in proportion. The inspector again did not issue his regular weekly report. Prices ruled: Lugs—low to good, 6.00 to 8.50; leaf—low to medium, 7.50 to 8.50; low to common leaf, 5.00 to 10.00; medium to good leaf, 11.00 to 12.50.

The badge of honesty is on every wrapper of Dr. Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its worth as an alternative and tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principal of native roots such as Golden Seal, Queen's root, Stone and Mandrake root, Bloodroot and Black cherry bark are extracted and preserved by the use of chemically pure, tripple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which tells of well-organized medical authorities such as Drs. Bartlow, King, Scudder, Coe and Ellingwood that these roots can be depended upon for their curative action in all weak states of the stomach accompanied indigestion or Dyspepsia as well as all "wasting Diseases" where is loss of flesh and gradual running down of the system.

## Pembroke Postoffice.

Postmaster Charles E. Mann has received notice from the postoffice department that the business of the Pembroke office has been such as to justify its advancement to the third class and the salary of the postmaster will be increased to \$1,200 per year on July 1.

## Beware of Ointments for Catarrh that Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price, 75c. per bottle. Take Hall's Family Pills for constipation.

## J. H. ANDERSON

WILL LEAVE HOPKINSVILLE WITH HIS FAMILY.

Will Go to Another City Where He Will Be In Charge Of a Big Mercantile House.

(From Monday's Daily)

Mr. J. H. Anderson this morning confirmed the report that he had purchased one of the largest mercantile establishments in one of the leading southern cities and that he would leave Hopkinsville with his family about July 15 or August 1 and personally take charge and manage the business. This news will come as a most unwelcome surprise to the many friends of Mr. Anderson and his family here.

The effect of Mr. Anderson's new venture will be the temporary holding up of the plans for the new building on Main street. These plans have by no means been permanently abandoned but the new business which has been secured is of such magnitude that it was thought best to devote all attention to it for the present.

The new acquisition will greatly benefit the store here. The Hopkinsville house will be left under the management of Mr. John H. Bell, Jr., who has been associated with Mr. Anderson in its management for the past several years. The new store will be link number five in the chain of stores controlled by the Anderson combination and as it is much larger and does more business than any store in the present circuit, it will benefit all these by allowing goods to be bought in greatly increased quantities and thereby closer prices secured. The old rule of making the purchases for all the stores in the circuit will be followed in the future as in the past and Mr. Anderson states that rather than cause the local business to decrease it will afford it much greater opportunities for expansion and development by reason of the prices which will be secured by the buyers.

Mr. Anderson stated this morning that he was loathe to leave Hopkinsville and it was until the proposition to transfer was put to him in such a flattering manner that he felt it would be doing himself an injustice not to accept it, did he even seriously consider it. He referred to Hopkinsville as "the best town on earth" and said that for his own sake and the sake of his family he was very sorry indeed to leave it.

A prompt, pleasant, good remedy for coughs and colds, is Kennedy's Laxative Cough Syrup. It is especially recommended for babies and children, but good for every member of the family. It contains no opiates and does not constipate. Contains honey and tar and tastes nearly as good as maple syrup. Children like it. Sold by R. C. Hardwick.

## Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When home of Swamp-Root, writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

### VAGRANT LAW.

WILL BE RIGIDLY ENFORCED IN HOPKINSVILLE.

"Vagrants Take Warning" is the heading of hundreds of bills which have been distributed about the city by the police force. This bill says further:

"The ordinances against vagrancy will be strictly enforced. There is work in the city for all who want work and the farmers are clamoring for help in the harvest fields. Any able-bodied person, male or female, who has no visible means of support and who habitually loiters on the streets or in public places is defined as a vagrant. The penalty is a fine of \$10, or imprisonment in the work house 30 days. If previously convicted the penalty is 60 days. Citizens will please report all loafers who refuse work when it is offered them."

As usual, at this season of the year there is a considerable number of a certain class who will not work under any circumstances, preferring to live in idleness and purloin a living from others. The city authorities have now decided that these shall be made to work. Wages in every class of work are high and the farmers are now in the height of the wheat cutting and all are raising the cry that they cannot get sufficient help in the fields.

**Kodol Dyspepsia Cure**  
Dissolve what you eat.

### TRENTON TOPICS.

Trenton is all aglow now, the carnival and street fair has arrived for a ten days' stay. There is fun for all, and peanuts for the kids, also monkeys, snakes, porcupines, etc.

Wheat cutting is in full blast now and would progress very nicely were it not for the scarcity of labor, and high prices which are being demanded by the negroes who will work.

S. D. Chestnut shipped quite a nice lot of short horn cattle from here last Saturday.

W. W. Williams, who broke his leg on June 10, we are glad to say is getting along nicely.

Trenton will soon have an up-to-date undertaking and furniture store in the Dycus building. Mr. E. E. Bodkin, of Milan, Tenn., will manage the concern.

The price of hay has begun to soar high early. New hay is selling in bulk at 70¢ per hundred. This is equal to \$1.00 cured and baled.

Hogs are scarcer in this section than ever known before. They are high, in fact the farmers are in their glory. Farmers should take advantage of these good times and use the same economy they did when times were hard and before long they would be handsomely fixed.

The ladies of the C. P. church are serving ice cream and cake in the grove this week for the benefit of the C. P. church.

Clyde Paine, who has been down

sick for some time, is able to be out again.

Malcolm Crutchfield, who was operated on three weeks ago at Nashville, Tenn., for appendicitis, is able to be up again.

The Dark Tobacco Growers association will soon have a free-for-all old-fashioned Kentucky barbecue and all true blue members are invited.

Mr. Jim Wiles, one of Fairview's councilmen, spent Monday in our town looking after the tobacco worm killer.

C. G. McCheney, the coal king of our town, has broken the record in the buggy line. He has sold since April 1st four carloads of these vehicles.

John W. Wooley, of this place, was in Hopkinsville last Sunday and Monday.

Farmers report the wheat crop very good this season, something like 65 per cent of a crop. That is very good considering the cold spring weather.

R. A. Williams' hotel seems to be the center of attraction this week judging from the number of people that is in attendance. Twenty-three are registered for the week. Bob is likely to get his share of the hungry people.

### DOGWOOD HAPPENINGS.

Mrs. Dora West, the wife of Mr. Warner West, of this place, died last Thursday morning of consumption, from which she had suffered quite a long while. She leaves four

small children. The remains were buried at Barren Spring grave yard.

Mr. and Mrs. Arkley Yancey, of Kelly, visited Mr. Howard Duvall's family Saturday night.

Dr. O. E. Wright and family spent Sunday at Mr. Jim Underwood's.

Miss Hallie Clark, who has been attending school at South Kentucky college, has returned home to spend vacation.

Several of the young people from here attended the meeting at Rock Bridge last Sunday.

Mrs. Jennie West has purchased a handsome piano.

Mr. Rowan Crabtree, of the Old Soldiers' home at Pewee Valley, was in this community last week.

Mr. Charles White's family visited Mr. Walter White and wife near Hopkinsville Sunday.

Messrs. Wm. and E. M. Barnes were in Hopkinsville one day last week.

Ida Henderson, of Hopkinsville, is spending this week with Stella and Georgia West.

Mr. H. T. Fruit was in Hopkinsville one day last week on business.

### ST. ELMO NOTES

Farmers are busy harvesting wheat.

Tobacco is looking well and there's quite a nice crop of peaches after all.

Mr. Ohas. Moore was in the neighborhood calling some days ago.

Miss Maye Vaughn has just re-

turned from a week's visit to Mrs. R. L. Moore's family in Hopkinsville.

Misses Eva and Ellie McIntire, of Hopkinsville, are the guests of Miss Vaughn this week.

On June 7th, Miss May Anne Garrett celebrated her 83rd birthday. A party of friends and relatives were present, and all enjoyed the good dinner that was prepared for the occasion.

The many friends of Mrs. Dolphus McColpin are sorry to learn that she must have her right limb amputated at the knee in order to save her life.

### JAUNITA.

#### INDIGESTION A CRIME.

#### Goes to Illinois.

Will Summers has resigned his position with the Troendle Coal Co., here and has gone to Cartersville, Ill., where he has accepted a position as agent for the Big Muddy River Consolidated Coal Co.

### 116 INDICTMENTS

RETURNED BY THE GRAND JURY AT THIS COURT

The grand jury returned a batch of forty-four indictments Tuesday afternoon making a total of one hundred and sixteen for the term. They announced that they had completed all business brought before them and Judge Cook finally discharged them. The indictments returned in the main charge only minor offenses.

The circuit court is disposing of much business but it is of a nature which is not very interesting to the outsider. In one thing however this term will probably come near breaking the record and that is in the number of indictments which are removed from the records. Some of these were dismissed for first one reason or another but in most of the cases fines were assessed or prison sentences given. Deputy Circuit Clerk Feland Clark was at work filing these disposed of indictments away this morning and he already has a file box about as full as it will hold.

#### Teacher's Examination.

The June examination of applicants for certificates to teach in the public schools of the county, will be held at the West Side school building on next Friday and Saturday. The examination of colored teachers will be held on June 28 and 29.

FOR FACTORY BURNED BY NIGHT RIDERS.

Important Decision is Rendered in the Circuit Court at Princeton.—Will Take Appeal.

PRINCETON, Ky., June 14.—Under a decision handed down in the circuit court here the Imperial Tobacco company and not John Orr, becomes the loser by the destruction of the Orr tobacco stemmy in this city on Dec. 1. A judgment was given in favor of Orr and against the Imperial company for \$18,000, the purchase price of the property. Orr sold the stemmy to the Imperial company on Nov. 14, and made a deed to the property, but it was not accepted at once, and before it could be put on record a band of masked men invaded Princeton, setting fire to the stemmy. The plant was burned and the Imperial company declined to pay Orr the price agreed upon, claiming that he had not made delivery of the property. The court held today that the delivery and sale was a good one, and that the Imperial company was the owner at the time of the fire. The case will be appealed.

FARMER AND TWO SONS WERE SEVERELY BEATEN

Warned Not To Raise Any More Tobacco.—Man Was an Independent Grower.

PRINCETON, Ky., June 13.—A raid by masked men occurred last night at Lamaseo, a small town ten miles from here, in Lyon county.

Between thirty and forty men, all hooded so as to be unrecognizable, went to the home of Edward Hall, who lives at Lamaseo and runs the Vincent farm near that place.

The sound of a gun fired several shots into the house and then took Hall and his two sons out and severely whipped them.

After ordering the victims not to raise any more tobacco the gang left. Mr. Hall is an independent grower.

### HIGHLANDS JOINTINGS.

The musical exercises held by the young people, at the chapel last Thursday night proved to be a very enjoyable affair.

Prof. J. M. Coyner, left Friday morning for Terre Haute Ind., Rockford and Galesburg, Ill., where he will spend the summer visiting relatives and friends. He will also visit Waveland Ind., where 52 years ago he founded "Waveland Academy" his first charge.

Henderson Denton, and George Phillips, whose parents reside here received \$200 and \$400 respectively, from the Southern railroad for injuries received in the recent railroad accident near Lebanon Tenn.

Master Culpepper McGee, son of Mr. and W. M. McGee, left last Tuesday for Mobile, Ala., where he will spend his vacation with his aunt.

Rev. W. T. Miller, will preach at the chapel Sunday night June 16th at 7:45. Everybody invited.

Our Sunday school, which meets at 3:30 p. m. is in a very flourishing condition. Mr. J. H. Cate, is the popular and efficient superintendent.

Messrs W. W. Bradley and Archie Higgins have greatly improved their residence properties. They certainly have as beautiful suburban homes as can be found anywhere near the city.

Mr. Ed Walker and Mr. W. A. Willson, each lost a valuable cow during the past week.

Mr. Wainwright Lewis, who has been quite ill for some time is no better.

Highland chapel Sunday school will hold its annual picnic next Tuesday June 18th in Ritter's grove on Clarksville pike

Mrs. W. A. Bailey and son Fentress, spent several days this week visiting her parents at Sinking Fork.

Mrs. Emma Malony of Hawkins returned home this week from visiting her mother Mrs. Mary F. Wade.

Misses Annie Lee Wade and Ida Allen, returned home Friday from visiting friends near Macedonia.

Mrs. S. A. Wade has been quite sick for several days, but is better now.

AGATE.

### CONTRACT LET

For the Remodeling of the Christian Church.

The contract for the remodeling of the Christian church building was let Friday afternoon to the Forbes Manufacturing company. This morning several men were put to work tearing away the iron fence surrounding the lot, cutting down the shade trees which are in the way of the additions to the building and this afternoon the stone wall in front and the terrace formed thereby are being removed.

The work of remodeling will begin right away, the present structure being changed as little as possible, as the additions will be made to it.

It is expected that four months will be required to complete the work and during this time the congregation will hold their usual services in the courthouse, having already closed a contract for the courtroom. The services tomorrow will be held in the church building as usual but it is probable that these will be the last until the rebuilt church is ready for occupancy. The digging of the new foundations, which will be flush with the sidewalk in front and on the Liberty street side, will be begun Monday morning and all the work will be rushed through as rapidly as possible. The remodeling of the church will cost about \$18,000, in which is figured a new pipe organ. When completed the church will be one of the handsomest, most commodious and conveniently arranged in this region.

### Dividend No. 43.

### IN MEMORIAM

Martha Elizabeth Fort, younger child of Mr. and Mrs. R. D. Fort, after an illness of about two weeks, passed from this earth to her home in Heaven, on the seventh of June. She was only a baby, being a little over two years of age, but old enough to have completely filled the hearts of father and mother, two brother and two sisters and all who knew her.

## CASE IS DISMISSED MISTAKE IS FATAL

PEREMPTORY INSTRUCTIONS IN STANDARD OIL SUIT.

Oil Lost Its Identity When Mixed In Tank.—\$400 Judgment Against Railroad.

(From Friday's Daily)

The suit of the Commonwealth of Kentucky against the Standard oil company for \$100 in which it was alleged the oil company had sold oil which had been condemned as being unfit for illuminating purposes, the jury returned a verdict of not guilty upon peremptory instructions from the court.

This case had attracted considerable attention, presenting as it did quite a nice point. Last November the Standard oil company shipped a tank containing 8,000 gallons of oil to Cadiz where it was inspected by Official Inspector John S. Lawrence and pronounced unsafe. C. O. Prowse, the official inspector for this county, then went to Cadiz and tested the oil and he also condemned it. The tank was then shipped here and was emptied into the big storage tank here which at that time is said to have contained about 18,000 gallons of oil which tested several degrees above the requirements of the law. Mr. Prowse then took samples from the mixed oil and tested them and pronounced it safe and testing a fraction over 132 degrees. He therefore gave the company his official permission to go ahead and sell the oil as usual.

The law states that no oil must be sold after it has been condemned officially and this is the grounds on which commonwealth's attorney Smith brought the action. In rendering his decision Judge Cook took the position that after the oils had been mixed the condemned oil lost its identity as such and took on the proportionate higher grade made possible by the mixing and that therefore as it had passed the required test in that form that the company had the same right to sell it as if they had shipped it back to the refinery and there brought it up to requirements.

The jury in the case of Nannie Radford against the Louisville & Nashville railroad company returned a verdict in favor of the plaintiff yesterday afternoon in the sum of \$400. The original suit prayed for \$2,000 damages.

The plaintiff claimed that she was a passenger on the train running from Gracey to Clarksville and that when she started down the steps, she got off at Newstead, she having her hands full of bundles and two little children with her, the train was suddenly jerked forward throwing her heavily to the ground and badly injuring her.

The grand jury made its first report for this term of court yesterday afternoon, returning a small batch of indictments. Reporting further business before them they were continued.

The case of Talbot Garrett against the Louisville & Nashville Railroad company was dismissed this morning upon peremptory instructions. Garrett claimed that while working with a track crew on the defendant's line of track just beyond Pembroke, a lump of coal fell off a passing train and badly injured him, for which he prayed damage.

MISS BESSIE JACKSON SWALLOWED CARBOLIC ACID

Thought She Was Taking Medicine.—Had Many Friends and Admirers in This City

PRINCETON, Ky., June 14.—Miss Bessie Jackson, aged twenty-three years, one of the most popular and attractive young women in Caldwell county, drank carbolie acid at her home near this city yesterday and died in a short time. She had not been well for several days and made a mistake in the medicine she took, getting the poison instead of the drug she had been taking.

Miss Jackson had many friends and admirers in Hopkinsville, where she was educated, and the news of the fatal accident has caused deep distress. She was graduated a few years ago from Bethel Female college and was a bright and lovely girl.

### GOOD PRICE

The Owensboro Messenger says: A pretty large sale of Green river tobacco the 1907 crop has been made by the Louisville Warehouse company. About 500 hogsheads were sold at prices ranging from \$8.50 to \$12 a hundred. The names of the purchaser has not been given out.

Most of the tobacco sold was trash. A considerable number of hogsheads, however, was leaf and lugs pooled at Whitesville, Livermore, Hawesville and Hartford. On all grades sold the prices realized were in excess of those fixed by the society. The leaf was sold for \$12, which is an advance of \$2 over the fixed price. About one-third of the trash was sold for \$7.25 and the remainder for about \$6.75.

Equity men are well pleased with the sale and particularly with the good prices obtained. A leading equity man said yesterday:

"The price for each class sold was on an average about seventy-five cents on the hundred higher than the prices set on it by the executive committee. This has proven highly gratifying to the committee and has been pointed out as convincing proof of the correctness of our claim that the interests of the growers were being looked after by the committee and also that the Louisville Warehouse company can be trusted to do the right thing at the right time. The committee has always claimed that this is true."

## TWENTY-ONE YEARS

IS THE PUNISHMENT OF HERVIE DAVIE, CHARGED WITH MURDER

Putman Case Has Been Continued Until September Term.—Many Witnesses Were Here.

Hervie Davie, colored, was tried on the charge of willful murder Monday afternoon in circuit court for the shooting and killing of Jack Tandy, colored, on the farm of Elbridge Cayce several months ago. The jury returned a verdict finding him guilty of voluntary manslaughter and sentencing him to twenty-one years in the penitentiary. The defense was that the men were playfully scuffling and that the shooting was accidental.

This was one of the quickest tried murder cases ever presented in this court. The case was not called until the afternoon session and the taking of testimony and argument of the attorneys were completed before adjournment. The verdict was rendered this morning when court assembled.

The case against George Putman, charged with the willful murder of Prof. J. G. Wright last fall, was set for Monday also but was postponed until today, when upon motion of the commonwealth, it was continued until the September term of court. There were nearly a hundred witnesses present who had been summoned to testify upon one side or the other.

## KENTUCKY TEACHERS

WINCHESTER, Ky., June 13.—The annual meeting of the Kentucky Educational association was called to order by President Barksdale Hamlett in the chapel of the Kentucky Wesleyan college here yesterday. The Rev. C. E. Crafton, of the Second Presbyterian church, delivered the opening prayer. Ex-Mayor John E. Garner delivered the welcome address on behalf of the county of Clark, and President Taylor, of the Kentucky Wesleyan college, on behalf of Winchester and its schools. President Hamlett responded to these. The first paper on the program, "Evolution of Popular Education," was passed because of the sickness of the Hon. J. M. Stevenson, who was to have delivered it. Prof. E. H. Crawford's paper on the new and old in education was an appeal for the inspiring with particular reference to the necessity of thorough foundation in the English language. The morning session was taken up with the discussion of the various papers. About 320 teachers are enrolled, and a few more are in attendance who will be enrolled today.

President W. G. Frost, of Berea college, made a strong speech on educational progress in Kentucky. At the afternoon session the tenure of the teachers position was spoken of by Superintendent J. C. Cheek, of Fulton, and discussed by Superintendent J. W. Ireland, of Stanford, and M. B. Hifner, of Versailles.

The question of the juvenile court aroused much interest, and was spoken of by Supt. McCartney, of Henderson; E. H. Mark, of Louisville; A. J. Morris, of Covington, and Mrs. Desha Breckinridge, of Lexington.

President Hamlett named the following committee on resolutions: E. H. Crawford, of Richmond; George J. Ramsey, of Danville; M. O. Winfrey, of Middlesboro; Irene T. Mayers, of Lexington, and H. C. Miller, of Elizabethtown.

The Committee on Auditing Accounts is C. L. Cherry, of Bowling Green; Wickliffe Lockett, of Henderson, and W. C. Bell, of Owensboro.

Committee on necrology: M. A. Cassaday, of Lexington; Mrs. Bettie C. Muncaster, of Henderson, and H. C. McKee, of Frankfort.

MADISONVILLE, Ky., June 13.—T. E. Finley, a prominent real estate man, is a candidate for the republican nomination for Representative. The convention will be held Saturday and he will probably be nominated without opposition.

## ON ENCOURAGEMENT

CONSTRUCTION OF NEW RAILROAD DEPENDS.

Long Talked Of Survey Is In Progress.—Col. Wheatcroft To Interview Farmers and Others.

The Providence Enterprise says: Col. Irving H. Wheatcroft started the latter part of last week to make the long talked of survey of the new railroad from Henderson south toward Hopkinsville. We understand the road will probably run near Cairo, Tunnell Hill and Poole, running up the valley of Deer Creek, a little east of Dixon and in a general southerly direction towards Hopkinsville. It is not yet known whether the line will cross the L. & N. railroad at Manito or Nebo, or whether it will cross the Dawson, or whether it will cross the Carbondale, but it is the object of the survey to find a route on which a trunk line road can be built on a very low grade, and on a curvature of not exceeding four degrees.

We are assured that if such a line can be secured that Col. Wheatcroft will make the citizens of Henderson and along the line a proposition for the construction of the road, and it is entirely dependent upon what encouragement is given the enterprise whether or not the line will be constructed.

MADISONVILLE WORRIED. A few days ago we picked up a Henderson paper and the first item that caught our eye was, "A new railroad from Henderson to Hopkinsville." This made us almost leap for joy. We read a little farther and reading, we discovered that the proposed line would miss Madisonville several miles.

We had never supposed any one could get from Henderson to Hopkinsville without coming through the best town on earth. In fact we have regarded Madisonville as just about the center of the universe and we hardly understand why Mr. Wheatcroft should even think of this road and at the same time not think of Madisonville.

The one great mistake that was made in building the Illinois Central railroad was that it did not come through Madisonville, instead of missing the town about 11 miles. We hope the proposed railroad will not make this blunder. We suggest to Mr. Wheatcroft and Col. Seymour that they veer a little to the left when they start out on the location of their road.—Glenn's Graphic.

### PERSONALS.

(From Tuesday's Daily)

Mrs. John Prinn, of Evansville, is visiting her brother, Mr. Stonewall Morris.

J. E. Chappell and Ira D. Smith, who have been attending school in Nashville, are expected home tonight.

S. R. Boyd and J. T. Woosley left today for Dawson.

Ross Guthrie, an employee of H. C. McGehee at Gracey, is the proud father of a girl baby which he says will win the prize in McGehee's baby contest.

Miss Ethyle Renshaw has gone to Statesbury, Mo., to visit relatives.

Mr. John King, a pupil of Fox's Business college, left last night for Earlinton, Ky., to accept a position as stenographer for Mr. L. H. O'Brien in the office of the L. & N. railroad.

Mrs. Ed Thompson, of Madisonville, is visiting Mrs. M. J. Underwood.

Page Blakemore, James Brethitt, Churchill Blakey, George Peach, Henry Stites, Sam Hardwick, Ernest Cravens left this morning for a camping trip on Little river in Trigg county.

### Harmful Stomach Dosing.

The best physicians believe that the less medicine one swallows the better.

Do not try to cure catarrh of the head by dosing the stomach; this is neither common-sense nor scientific. Breathe Hyomei, and its medication will go right to the spot where the catarrhal germs are present and free the system from all catarrhal poison.

L. L. Elgin has seen so many cures of catarrh made by Hyomei, some of them chronic and complicated cases, that he has given an absolute guarantee of cure or money will be refunded with every outfit he sells. The complete Hyomei outfit costs but \$1.00.

### Another Saloon.

Tony Datillo has rented that part of his store room which fronts on Virginia street to Pencil & Co., of Greenville, who have posted notice that on June 26th., they will apply for saloon license.

Tony has moved his stock of fruits and confectioneries into the back part of the building which opens on to Sixth street where he will continue his business.

## EVERYTHING BEHIND

FRANKFORT, Ky., June 13.—The report of Commissioner of Agriculture Vreeland issued June 15 says: "Crops of all kinds are far behind, and in most cases anything but promising. And to add to the damage done by frosts and cool, damp weather, the outcrops were never more plentiful and destructive, doing great damage to young corn, tobacco and garden truck. The army-worm has also gotten in destructive work in a large part of the state. They first made their appearance in the western end of the state and gradually showed up, until many counties in the central part are affected by them. The low condition of meadows, pastures and clover is largely accounted for by these invaders."

"Much of the corn land has not yet been planted on account of too much cold and wet, and many fields of the early planted had to be planted over."

"The acreage, compared with a five-year average is a little short, being 96 per cent. Condition is 77 per cent., which is fairly good, considering the weather and worms."

"The acreage of wheat is 90 per cent. of a five-year average. Condition is 82, a falling off of several points since our May report. The oat crop is a little short in acreage and has fallen off in condition from 83 in May to 79 at this time. Rye is some better in acreage and condition. Hemp is 83 per cent. of a five-year average and 90 in condition."

"There is a general complaint of a scarcity of tobacco plants and late news for being ready for transplanting. It looks now that it will be impossible to plant a full crop, and much of that will be late. Only a small per cent. of the crop was planted June 1. This is applicable to both burley and dark."

"The scarcity and high price of stock peas has cut the acreage of that crop."

"Apples promise only about a third of a crop and peaches nearly a failure. The berry crop promises a fair yield."

"Gardens are backward, and the cold weather gave tender vegetation quite a setback."

## THIRD REUNION

Dr. J. W. Dunn, J. B. Jackson and Polk Prince, composing the advisory committee of the Planters Protective association of Kentucky, Tennessee and Virginia, have issued the official call for the third anniversary celebration of the formation of the association at Guthrie, on Thursday, September 28. All previous meetings of the kind have been held on Saturday and the change to Thursday is quite an important one.

### FREE OF CHARGE.

"Not only will I sell a 50 cent bottle of Dr. Howard's Dyspepsia specific at half price, but I will agree to refund the money if my customer is not satisfied with the remedy," said L. L. Elgin, the popular druggist, to a Hopkinsville man. "In other words," he continued, "the specific is free if it does not cure."

Mr. Elgin has sold hundreds of bottles on his special half price introductory offer, and has a few left for those who are fortunate enough to call at his store before they are all gone. It is the regular 50 cent size, containing sixty doses, and is the one remedy for constipation and dyspepsia that makes permanent cures.

Dr. Howard's specific for the cure of constipation and dyspepsia is not an ordinary tablet or powder that simply relieves. This remarkable discovery makes complete and permanent cures. d19w21

## JUDGE J. F. GORDON

Judge J. F. Gordon, of the fourth circuit court district, is not going to resign his place, as has been expected and announced as a strong probability. Judge Gordon settled this Monday at Princeton when he stated that he would serve out the term for which the people of his district composed of the four counties of Crittenden, Hopkins, Caldwell and Livingston, elected him. He will therefore not go to Paducah to reside and take the presidency of a new trust company about organized, and of which it was said he was to be the president.

# "Happy Week"

## We Announce the Merriest, Jolliest, Most Enjoyable Occasion of All the Year

If there is anyone within a hundred miles of this store who feels blue---they should come here---to be made happy.

We're going to hold a happy week---a sale that is pleasantly unlike any sale event you've ever known. You smile at the name and at the idea---already.

You'll smile for a very different reason within thirty seconds from the time

you enter our doors. And here is the "why and wherefore." The weather man has given us all a very bad deal these past few weeks---sent clouds instead of sunshine---cool weather instead of warm. Inevitably the selling of Spring merchandise has been retarded. But we are optimists. Instead of repining we are going to laugh in the face of the surely "Weather Man"---and make you laugh.

We have cheerfully accepted what couldn't be avoided---made sharp reductions on the best of the new season's merchandise---and stocks will march out to a lively low-price tune, which will make glad the hearts of all the shoppers hereabout.

Come---let's all have a good time---a saving time---during this solid week of bargains; we promise you that you will smile as broadly as will every friend you will meet here, and every single member of our salesforce who will wait on you.

"HAPPY WEEK" SALE BEGINS AT 8 O'CLOCK ON THE MORNING OF FRIDAY, JUNE 21. IT WILL END AT 6 O'CLOCK THURSDAY, 27th

## Court Directory.

CIRCUIT COURT—First Monday in June and fourth Monday in February and September.

QUARTERLY COURT—Second Mondays in January, April, July and October.

FISCAL COURT—First Tuesday in April and October.

COUNTY COURT—First Monday in every month.

## CHRISTIAN COUNTY ROADS

Now that the fiscal court has sold the \$100,000 worth of road bonds and the money will within a few days be in the hands of the officials for distribution as they see best, it stands every citizen of the county in hand to help the magistrates in every way they can in apportioning out this sum. Already the citizens of several communities have made up money, agreed to furnish teams or labor or rock and in other ways testified to their desire to assist in securing new roads and helping out in making the amount on hand go as far as possible. It has already been decided that \$50,000 shall be spent in the northern portion of the county and \$50,000 in the southern section, so each half of the county will get its share.

Not only should those people who live on the roads which are not piked at present, be interested in the good road proposition, but those who have pikes leading to their places should have the welfare of the roads equally as much at heart. The pikes which have already been built have been kept in very good condition but if the people who live on these pikes would exercise a little more care and go to a little more trouble when anything happens which threatens to damage the roads, the condition could be made much better. For instance they should keep a watch on the drainage, and when ever the ditches become filled up they should see to it that they are opened and the water carried off in some other direction than along or across the pike.

Many times a small branch of a tree will fall into a ditch, a stone will become lodged in it or some other slight obstruction will be formed which in time will cause the ditch to fill entirely and overflow on to the pike and perhaps cause much damage and expense and trouble to everyone connected with the road department. If some one, when ever these little things are noticed, would take the trouble to remove the slight obstruction from the ditch, all danger of an overflow would be done away with. The county already has about one hundred and twenty miles of pike in use and it is sometimes days and weeks after a break is reported before the repair crew can be sent to the scene. Therefore everybody should help in keeping the roads in repair to the same extent that they do in getting the county to make an appropriation for piking some certain section of the highways.

Christian county has a magnificent system of pikes, one which reaches in every direction and which should be a source of pride to every citizen, both in the town and country. These pikes not only contribute to the pleasure of the person traveling but are the greatest incentive to business which we could have and there is nothing in which money and labor can be spent to better advantage by both town and country people than in good roads.

## BOND SALE RATIFIED

The fiscal court met Monday in called session and voted unanimously in ratifying the sale of the \$100,000 worth of road bonds to E. H. Rollins & Sons, of Chicago, for \$7,750 premium. This is the normality in the sale of bonds and the bonds can all be melted.

## BADLY INJURED

WAS LUCIEN JONES, WHO FELL ON A PAIR OF SHEEP SHEARS

One Blade Entered His Right Chest But Physicians Say He Will Recover.

Lucien, the fourteen-year-old son of Mr. and Mrs. E. D. Jones, of the Church Hill neighborhood, was seriously injured Monday by falling on a pair of sheep shears, one of the blades of which entered his chest on the right side just below the collar bone, making a deep and very painful wound.

The boy had been shearing a dog and had completed his work. He was sitting on the ground and as he started to get up the dog ran against him and tripped him and he fell with the shears still in his hand. It was at first thought that he was fatally wounded but when the physicians arrived and closely examined the injury they stated that unless some complications set up that he would in all probability recover.

## WALKER-MORRISON.

(From Wednesday's Daily)

Miss Elizabeth Finch Walker and Mr. Will Morrison will be married this afternoon at 4:30 o'clock at the home of the bride's parents, Mr. and Mrs. E. W. Walker on East Seventh street. The ceremony will be pronounced by Rev. A. P. Lyon, of the Methodist church, and only a limited number of friends and relatives will be present. Immediately after the ceremony the couple will leave for an extensive bridal tour.

## SMOTHERED TO DEATH

A. R. Sherman, a colored painter, fell into a wheat bin at the elevator of the Pembroke mills Wednesday of last week and was smothered to death in the wheat, his body not being found until Saturday. In falling, one of Sherman's feet became entangled in the feeder.

Coroner Allensworth held an inquest and the verdict of the jury was that death was accidental.

## Another Fire.

Much smoke and excitement was caused this afternoon by a fire which gutted the room in the rear of J. K. Hooser's tailoring establishment, where he keeps the stove on which his pressing irons are heated. The bucket brigade attempted to put out the blaze but the fire department had to be called on to put it out entirely.

## BARN BURNED

A large barn belonging to Lee Hancock in the Fairview vicinity was burned. It is thought by incendiaries. Sunday night, Mr. Hancock had sold and delivered his tobacco and the barn was empty. No one had been about the building, from which the suspicion is held that the barn was set on fire.

# NEW TIPPLE

IS BEING ERECTED BY THE TERRY COAL & COKE CO.

Spur Track From L. & N. to be Built and Company Will Soon Be Able to Ship in Large Quantities

There is no coal company in the Western Coal Basin that has made as quick work in developing their coal property as the Terry Coal & Coke Company, Incorporated. This company commenced work in opening up their new railroad mine last August. They have sunk an air-shaft, opened a slope down to the coal, driven entries, mined and shipped several car loads of coal, and about thirty days ago, they commenced erecting a new tipple for the purpose of pulling coal from the mines and loading it on the cars. This tipple is constructed of the best white-oak and in every way up-to-date in construction for handling the largest quantity of coal in the quickest time at the least cost. Coal from this mine is loaded on the mine cars, and passes up an incline to the tipple, where it is dumped from the mine cars into shaker screens. After passing from the screens, the slack coal and passes into the railroad cars. The civil engineers of the L. & N. R. R. company are now making a survey and permanent location for a spur track from the main line of the L. & N. railroad to this new coal mine. There is comparatively little grading to be done to build this track. This company will soon be able to supply the trade with the best quality of coal, on short notice. This will be welcome news to the many stockholders in the company in Hopkinsville and Christian county, for by an arrangement with the company when stock is bought the holders of the certificates secure their coal at a considerable saving.

## TRIALS CONTINUED

BEATTYVILLE, Ky., June 18.—The cases against B. F. French, John Smith and John Abner, charged with the killing of James B. Marcum, were called with Judge J. L. Dorsey as special judge. All the defendants were present and represented by Will A. Young as chief counsel.

The time set for calling the special term did not suit the attorneys for the commonwealth and defendants and by agreement the cases were set for November 18, the second week of the Lee circuit court. Commonwealth's Attorney James P. Adams is now confined in a hospital.

Special Judge Dorsey gave both sides warning that they must be ready for trial at the next term. Judge Dorsey, Will A. Young, B. F. French, Judge James Hargis and the defendants all left for their homes.

## STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it. Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

**Kodol Dyspepsia Cure**  
enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour stomach, belching, heartburn and all stomach disorders.

## OFFICERS, ELECTED

By The Woman's Foreign Missionary Society.

The Methodist Woman's Foreign Missionary Society of the Louisville district has closed a three-days' conference in Louisville after the annual election of officers. Next year's session will be held in Franklin, Simpson county.

The following officers were elected for the ensuing year: Honorary life president, Miss Mary Helm, Elizabethtown; president, Mrs. Geo. E. Foskett, Elkton; first vice president, Mrs. W. F. Loyd, Louisville; second vice president, Mrs. Minnie Whitehead, Pine Grove; corresponding secretary, Miss Tula C. Daniel, Hardinsburg; superintendent of Juvenile work, Miss Elizabeth L. Olmstead; agent for Blossoms, Mrs. S. M. Patterson, Franklin; recording secretary, Miss Katie McDaniel, Hopkinsville; treasurer, Mrs. M. K. Carter, Louisville; auditor, George P. Hendrick, Louisville.

District superintendents were elected as follows: Louisville district, Mrs. E. B. Dye, Louisville; Elizabethtown district, Mrs. S. T. Shelley; Bowling Green district, Mrs. E. O. Penner, Bowling Green; Hopkinsville district, Mrs. Ida C. Chappell, Hopkinsville; Henderson district, Miss Olivia Orr, Henderson; Owensboro district, Mrs. Virgil Babbage, Cloverport; Columbia District, Mrs. G. Y. Wilson, Gradyville.

## NEGRESS MURDERED

Last Tuesday morning Phineas Shanklin, a young colored man, shot and fatally wounded Margaret Shank, also colored, at the woman's home, three miles northeast of this city, says the Fairview Review.

It seems, from the best information we can get, that Phineas Shanklin on Sunday night was at the colored people's church, and created a disturbance. Monday the pastor went to Elkton and got out a warrant for him.

The woman, Margaret, was a witness in the matter, which so enraged Shanklin that he went to her house and raised a row with her. He first hit her over the head with a gun and then shot her in the pit of the stomach. A doctor from this city was called in, but saw there was no hope for her. She died Wednesday evening.

As soon as he did the shooting Shanklin took to his heels and up to the time we go to press is still at large.

## BOX CAR BURNED

Last Night Together With a Lot of Harness and Tools.

(From Tuesday's Daily)

A box car loaded with harness, graders, plows etc., belonging to R. B. Hamilton, the railroad contractor, was almost entirely destroyed by fire last midnight. The car was standing on a siding at the Illinois Central depot, and the fire is said to have caught from the inside. Mr. Hamilton states that the car had been nailed up for two weeks awaiting shipment and that it must have been set on fire. The loss will amount to probably \$400 on which there was no insurance.

## STIVERS-SHANKLIN.

Mr. Lawrence Shanklin and Miss Lena Emerson Stivers will be united in marriage this afternoon at four o'clock at the home of the bride in Blackwell, Oklahoma. The groom is well remembered here by a host of friends. He now holds a responsible position with the Simmons Hardware Co., and has recently received a nice promotion, his territory being in California and Arizona. Immediately after the ceremony the couple will leave for St. Louis, where they will stay a few days before coming here where they will visit Mr. Shanklin's mother, Mrs. Sue Shanklin.

## FINE LOT OF COLTS

Will be Shipped to New York Next Saturday.

The annual shipment of blooded colts will be made by Dr. M. W. Williams and Walter Radford next Saturday. There will be twenty-four colts in the shipment, fifteen of which belong to Williams and Radford, eight to W. A. Radford and one to Ward Claggett. After arriving at New York the colts will be taken to Sheephead Bay where they will be sold at auction. The colts this year are unusually promising ones and fancy prices are expected on most of them.

## SCHMITZ IS GUILTY FORMER RESIDENT

CONVICTED ON INDICTMENT OF CHRISTIAN COUNTY DIES IN  
CHARGING EXTORTION. BLOOMINGTON, ILL.

SAN FRANCISCO, June 14.—A jury of twelve of his peers has declared Mayor Eugene Schmitz guilty of the crime of extortion as charged against him by the grand jury.

The jury was out just one hour and thirty-five minutes. It elected Chas. E. Capp foreman and proceeded at once to an informal ballot. This was cast verbally and stood eleven for conviction and one for acquittal, Juror Burns, shoemaker, casting the dissenting vote. Then the twelve men began a discussion of the evidence which lasted for nearly an hour. At the end of that time the first formal ballot was cast. It was a written ballot and was unanimous for conviction.

"The judgment of the court will be pronounced on Wednesday, June 27," said Judge Dunne. "The court will at this time listen to any motion that may suggest itself to the prosecution."

District Attorney Langdon arose. "We will ask that the usual way be pursued," he said.

"You mean," questioned Judge Dunne, "that you desire that the defendant be taken into custody pending the pronouncement of sentence?"

"Yes, your honor; we think that should be done," responded the state.

"The sheriff will take the defendant into custody, pending the further order of the court," said the Judge, who arose abruptly and quit the bench.

## COLD BLOODED CASE

Dudley Fields, col., was shot and instantly killed by Joseph Woodridge, col., at O'Hara late yesterday evening about 6 o'clock. The killing, which is said to be a cold-blooded murder, took place at the colored boarding house of Riley Scott.

Fields, the murdered negro hailed from Hopkinsville, and Woodridge, his slayer from Clarksville, and both were employed at the Katterjohn Construction works.

After the shooting Woodridge made his escape.

Sheriff Urey Lamb and his deputies went out to the scene of the murder and made a diligent search of that place and section for Woodridge but were unable to locate him and at the hour of going to press he had not been apprehended.—Princeton Leader.

Fields was well known here and had been before the police court a number of times. All of his offenses were of a petty nature, however, there never having been a really serious charge brought against him.

Born in Hopkinsville Eighty-One Years  
Ago.—Was Wife of a Prominent Physician.

John H. Bell, Sr., has received from I. F. Ellis a copy of the Bloomington, Ill., Bulletin containing the following death notice:

Sunday morning, Mary L. Foster sank to her last earthly sleep. It was a gentle transposition of a weary body to the better land. Mrs. Foster had been a woman in delicate health for many years but she lived and retained her faculties to the last. She fell and broke her hip in February and had been confined to her bed ever since. Her husband, the aged and lovable Dr. Daniel M. Foster, died March 17, at 90 years of age, and she gradually faded away until death came Sunday.

Mrs. Foster was a woman of sweet disposition, Christian charitableness, and was in every way an ideal woman. She was educated and intelligent and grew gracefully into old age.

Mrs. Foster was the last of her family, having neither brothers or sisters living and few close relatives. Mary Lewis Hawkins was a daughter of Judge Thomas J. Hawkins and she was born in Hopkinsville, Ky., on July 2, 1826. Her girlhood was spent in the same town and there she was married. The house in which the Hawkins family lived at the time the daughter became the wife of Dr. Foster was one of the landmarks of that vicinity. It was a big log house, weatherboarded, two stories high and across the front rose a porch with columns extending clear to the roof line.

Sixty-four years ago, on November 3, 1842, at Hopkinsville, Ky., Dr. Daniel Matthews Foster and Miss Mary Lewis Hawkins were joined in the bonds of matrimony the ceremony taking place in the historic old home where resided the father of the bride, Judge Hawkins. Both Dr. Foster and his wife were Presbyterians, but as there was no minister of that denomination residing in Hopkinsville, the ceremony was performed by Rev. Robert Anderson pastor of the Hopkinsville Baptist church.

The married life of this estimable couple began way back in the early time has come down even to this late date and in the little cottage at 107 East Mulberry street, the life story of both has been ended.

Dr. Foster was a young practicing physician at Oak Grove, Christian county, Ky.

## ATTACKED BY BULL

MARION MEACHAM SUFFERED PAINFUL INJURIES WEDNESDAY.

Fought the Animal Off With a Hoe Until Handle Broke.—Injuries Not Regarded as Serious.

Marion Meacham, who lives near this city on the Cadiz road, was badly injured Wednesday morning by being attacked by a bull. Mr. Meacham, who is seventy three years of age, went into the pasture where the bull was grazing. He carried a hoe in his hand and when the animal made at him Mr. Meacham fought him off until the handle of the hoe broke. The bull then knocked him down and ran over him. Had it not been that the bull had been dehorned Mr. Meacham would in all probability have been fatally injured if not killed outright.

Fortunately no bones were broken and Mr. Meacham is resting very well and it is hoped that he will recover without further trouble.

### WALKER-MORRISON

Lives and Destinies of a Popular Young Couple United.

(From Thursday's Daily)

By words most impressively pronounced yesterday afternoon by Rev. A. P. Lyon, of the Methodist church, were linked the lives and destinies of Miss Elizabeth Finch Walker, of this city, and Mr. William Lacy Morrison, of Nashville. The ceremony was performed at 4:30 o'clock at the residence of the bride's parents, Mr. and Mrs. Edmund Winston Walker in the Highlands on East Seventh street. The wedding was witnessed by a number of the relatives and intimate friends of the contracting parties, quite a number of these being from Pembroke. The happy couple were the recipients of many beautiful and valuable presents. The bride was attired in a handsome brown traveling suit while the groom wore the conventional black. There were no attendants.

As soon as congratulations had been extended, Mr. and Mrs. Morrison were driven to the Louisville & Nashville depot where they took 5:18 train for an extended bridal tour through the east. They will be at home in Nashville after July 1.

The bride is a most popular and talented young lady. For some time past she has spent most of her time in Pembroke where she was a teacher in the graded public school. The groom is a native of this county having been reared near Pembroke. He now holds the responsible position of dispatcher on the main line of the L. & N. from Louisville to Nashville.

## CUMBERLAND FINED

In circuit court Wednesday the Cumberland Telephone company acknowledged a fine of \$100 in one of the five suits brought against them by county attorney Duffy at the instance of commonwealth's attorney Smith for the alleged violation of the law requiring the word "incorporated" to appear in newspaper advertising after the firm name. The other four suits were dismissed.

When the suits were filed they attracted much attention. In the advertisements complained of the abbreviation "inc" was used, but under a recent decision of the court of appeals in the case of the American Snuff company which went up from Todd county, this was held not to be sufficient and the word should have been spelled out in full.

NEW YORK, June 20.—The threatened strike of Western Union and Postal telegraph operators will not be called. An adjustment of the differences was reached today through the efforts of Commissioner Neill.

## IMPORTANT DECISION

FRANKFORT, Ky., June 20.—The court of appeals this morning reversed the Laurel county circuit court in the case where an express company was found guilty of violation of the county unit law in carrying liquor into a local option district. The appellate court holds that the lower court cannot convict the express company for this offense when the shipment is of interstate character.

For Superintendent of Public Institution—J. G. Grabbe, Ashland.  
For Clerk of Court of Appeals—Napier Adams, Somerset.

LOUISVILLE, June 20.—Following a spirited contest in committee between the Taft and Anti-Taft forces, resolutions were adopted by the Republican state convention which are somewhat in the nature of a compromise.

Before the result could be announced Lockett moved that the vote of Henderson county be changed from Lockett to Breathitt and that the nomination of Breathitt be made unanimous. The chair put the motion, which was carried.

The platform adopted contains the usual censure for the Democratic administration and makes a number of "demands." It was expected that some positive action would be taken on the temperance question, but further than endorsing the unit law the Republicans were silent, Sunday closing not even being mentioned. In his speech before the convention Judge W. H. Holt, temporary chairman, so warmly urged positive action that many of the delegates took exceptions, thinking that the party was too much obligated by its utterances.

The convention was not as harmonious as was expected, this being shown when in the nominations for the minor offices the delegates took the bit and nominated their own candidates, refusing to vote for those put up by the machine. A special instance of this was the nomination of Judge Breathitt over John F. Lockett, who was backed by the ring.

## NEGRO WHIPPED

The Clarksville Leaf-Chronicle says: Night riders visited several farmers of the First district this week, creating much excitement among laborers employed by non-association farmers. There were between twelve and twenty persons in the party, and they came, so it is reported, from towards Port Royal and Guthrie. The colored laborers on the farm of D. W. Wynn were first visited and Rip Tyler was called from his home, blindfolded and led away to the woods, where it is claimed that he was horsewhipped and told that if he didn't leave the country within three days his house would be blown up and he would be killed. The negro was scared almost to death and the day following moved away. It is said that the miscreants then fired fifteen or twenty shots into two tenement houses occupied by a man named Cook, who is a share-cropper, and a hired man named Jeffries. The members of the two families were badly frightened, but nobody was hurt.

The following night the hands on the farms of Ike Arbor, S. H. Morgan and A. R. Powers were visited and ordered to find new homes.

Yesterday the farmers mentioned above signed the association pledge and the laborers have all returned to work.

The postmaster at Hampton Station stated to a reporter that he had been requested to give out notice of the farmers mentioned above having signed the association pledges. It is understood that they had been members of the association, but had refused to sign the three-year pledge.

### Our Great Phonograph Offer!

# Free to You!

A GREAT OPPORTUNITY TO GET A SELF PLAYING MUSICAL INSTRUMENT WITHOUT COST TO YOU!

## EVERY SUBSCRIBER, NEW OR OLD, CAN GET A PHONOGRAPH FREE!

The Kentucky New Era has made a special arrangement with Edwin A. Deham & Co., of London, Berlin and New York, through their local representative, L. L. Elgin, the well known druggist, by which for a limited time only the New Era is able to present to its subscribers a \$5 Phonograph complete with nickel brass horn and an extra loud reproducer.

### THE REASON WHY WE MAKE THIS GREAT OFFER

This offer is made for the purpose of increasing the present subscription list of both the Daily and Weekly Kentucky New Era, and old subscribers can take advantage of it the same as new ones.

Below we give the conditions by which we give you the phonograph.

## Our Offer:

Any person who is now taking the New Era and who will subscribe to the Daily for three months at \$1.25 or the Weekly for one year at \$1, we will give absolutely free one of the \$50 Phonographs described above.

Old subscribers to either the Daily or the Weekly New Era can get a Phonograph by paying up all arrearages, if there be any, and three months or one year in advance, as the case may be. Most papers in making this offer require a deposit of \$1 for packing and expressage but the New Era will even forfeit this much and the machine can be secured at Mr. Elgin's store with all such charges paid.

The person taking advantage of this offer will also be required to purchase from Mr. Elgin 20 Columbia Records at 25c each or 15 Edison Records at 35c each, these being the regular prices on these Records the world over. Any person who owns a Phonograph will want at least this many Records and as Mr. Elgin will carry a complete line and even order those which may be wanted and which he hasn't in stock, this feature will not be objectionable to any one. Under this offer you get the paper, the machine and a nice lot of Records all for less money than is usually paid for a Phonograph alone.

### The Phonograph Which the New Era Offers Gives Just As Great a Volume of Sound and is Just as Distinct as Any \$20 or \$25 Machine On the Market,

The reproducer is what does the work and has the added advantage of a permanent needle which does not have to be changed every time the record is changed. The Phonograph plays any standard cylinder record and will play them just as well as the larger and higher priced machines. It is light and compactly built, and is in every way especially adapted for the home. Records for it do not cost any more, and many times not as much, as sheet music, and by buying the records and owning one of these machines, you have the music played in faultless style in your home without going to the heavy expense of buying a piano or other musical instrument and taking a long music course. The Phonograph is so simple in its mechanism that a child can operate it as successfully as a grown person. Even should your machine suffer an accident the repairs are very low priced and Mr. Elgin will carry a complete line.

### These phonographs and Records are Now on Display at Elgin's Store

and if you will call and let him play a record or two for you you will be convinced of the exceptional value of the offer which the New Era now makes to their subscribers. By taking the New Era you get the very latest news, both local and foreign every afternoon in the Daily which is sent to your gate by carrier or through the mail as you prefer, or every Friday in the Weekly which contains from twelve to twenty pages each issue. By having the Phonograph you have a machine which is a constant source of pleasure and something which makes home more attractive and enjoyable to every member of the family.

## Kentucky New Era, - Hopkinsville, Ky.

If you live at a distance send in your remittance either by registered letter, postoffice or money order (do not send stamps) and the paper will be sent to you promptly and the machine pressed or sent in such manner as you may order.

### Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliancy, the bloom from a peach which is rarely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and form will witness the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

For nursing mothers, or for those broken-down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nerve tonic adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments.

### NOT GUILTY

SPRINGFIELD, Tenn., June 14.—The jury in the case of the state against John H. Roney, Cave Benton, Sam Hornberger and Jim Cummings, charged with going armed and intimidating returned a verdict of not guilty.

### A Fortunate Texan.

Mr. E. W. Goodloe, of 107 St. Louis St., Dallas, Texas, says: "In the past year I have become acquainted with Dr. King's New Life Pills, and no laxative I ever before tried so effectually disposes of malaria and biliousness." They don't grind nor gripe. 25c at Cook & Higgins and Cooks Pharmacy.

### Death at Cadiz.

(From Friday's Daily)

Litor John S. Lawrence, of the Cadiz Record, who is visiting in Hopkinsville, received word today that Dr. W. C. Cunningham, a dentist and prominent citizen of Cadiz, died last night. He was fifty years of age and leaves a family. Consumption was the cause of death. The funeral will take place tomorrow under the auspices of the Masonic lodge.

All stomach troubles are quickly relieved by taking a little Kodol after each meal. Kodol goes directly to the seat of the trouble, strengthens the digestive organs, supplies the natural digestive juices and digests what you eat. It is a simple, clean, pure, harmless remedy. Don't neglect your stomach. Take a little Kodol after each meal and see how good it makes you feel. Money back if it fails. Sold by R. C. Hardwick.

### A WOMAN'S BACK.

The Aches and Pains Will Disappear if the Advice of this Hopkinsville Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache. That's why Doan's Kidney Pills are it. Many Hopkinsville women know this. Read what one has to say: Mrs. Jno. Coombs, 1226 South Virginia street, Hopkinsville, Ky., says: "For a great many years I suffered from a persistent aching across my ins and through the kidneys. At times my back was so bad I could hardly turn in bed; I could not lie on my back without putting my hand under it, for in this way it seemed to relieve the pain. A friend of Mr. Coombs told him about Doan's Kidney Pills and he got a box for me at L. A. Johnson's & Co's. drug store. On using them, I steadily improved until the dreadful aching was relieved and I could attend to my household duties without inconvenience. Doan's Kidney Pills did more for me than any other medicine I ever used, and I heartily recommend them."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

### ANKLE SPRAINED

BY A FALL DOWN A HOTEL STAIRWAY

John W. Yerkes Victim of Accident and Will Be Confined For Several Days.

CINCINNATI, June 17.—John W. Yerkes, of Kentucky, former United States commissioner of internal revenue, was severely injured yesterday by falling down a stairway at the Sinton Hotel, where he was a guest over Sunday. The ex-commissioner had started down the stairway to the breakfast room when his foot slipped on the top step, and he lost his balance. He clutched at the side railings, but did not come to a stop until he had reached the bottom of the flight.

At first it was thought his left ankle was broken by the fall, but after a careful examination by the hotel physician it was stated that he had only sustained a severe sprain that will keep him confined to his room for several days. He also received numerous painful bruises.

### Remarkable Rescue.

That truth is stranger than fiction, has once more been demonstrated in the little town of Fedora, Tenn., the residence of C. V. Pepper. He writes: "I was in bed, entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr. King's New Discovery. The coughing ceased; the bleeding diminished rapidly; and in three weeks I was able to go to work." Guaranteed cure for coughs and colds. 50c and \$1.00 at Cook & Higgins, and Cooks Pharmacy. Trial bottle free.

### FIRE AT PEMBROKE.

This Morning Destroyed Two Small Business Houses.

(From Monday's Daily.)

Fire broke out this morning about 1 o'clock in the butcher shop of Ed Browning at Pembroke and destroyed two small buildings in the rear of the Morris block and so badly damaged the Cumberland Telephone exchange that communication was cut off for several hours. It is not known how the blaze originated and only by the most strenuous efforts did the volunteer bucket brigade managed to keep the fire from spreading to the stores in the business section. One of the destroyed buildings belonged to M. L. Levy and the other to W. W. Garnett. They were both small, but the loss will amount to several hundred dollars. The plate glass show windows of Wool Brothers and other stores across the street were broken by the heat.

There is no case of indigestion, no matter how irritable or how obstinate that will not be speedily relieved by the use of Kodol. The main factor in curing the stomach of any disorder is rest, and the only way to get rest is to actually digest the food for the stomach itself. Kodol will do it. It is a scientific preparation of vegetable acids containing the very same juices found in a healthy stomach. It conforms to the pure food and drugs law. Sold by R. C. Hardwick.

### Mrs. Thompson's Death.

(From Saturday's Daily)

Mrs. A. F. Thompson, after an illness of long duration, died last night at her home on Twelfth street of cancer of the stomach. She was about twenty-two years of age and was formerly Miss Dodson, of St. Louis. Since her residence in this city she had made many devoted friends and her death causes them deep sorrow. Funeral services will be held this afternoon at the late residence, conducted by the Rev. A. P. Lyon, pastor of the Methodist church, and the remains will be interred in Riverside cemetery. The sympathy of the community is extended to her bereaved husband.

### The Magic No. 3.

Number three is a wonderful mascot for Geo. H. Parrie, of Cedar Grove, Mo., according to a letter which reads: "After suffering much with liver and kidney trouble, and becoming greatly discouraged by the failure to find relief, I tried Electric Bitters, and as a result I am a well man to-day. The first bottle relieved and three bottles completed the cure." Guaranteed best on earth for stomach, liver and kidney troubles. By Cook & Higgins and Cooks Pharmacy. Price 50 cents.

### SCALY SORES AS BIG AS PENNIES

Covered Whole Head and Neck After an Attack of Measles—Hair All Came Out—Doctor's Treatment Had No Effect—Suffered Five Months

CURED IN 3 WEEKS BY CUTICURA COSTING \$1.50

"After having the measles my whole head and neck were covered with scaly sores about as large as a penny. They were just as thick as they could be. My hair all came out. I let the trouble run along, taking the doctor's blood remedies and rubbing on salve, but it did not seem to get any better. It stayed that way for about six months; then I got a set of the Cuticura Remedies, and in about a week I noticed a big difference, and in three weeks it was well entirely and I have not had the trouble any more, and as this was seven years ago, I consider myself cured. I used one bottle of Cuticura Resolvent, one box of Cuticura Soap, and two cakes of Cuticura Soap. I think it a splendid medicine, and I recommend it whenever I can. Mrs. Henry Porter, Albion, Neb., Aug. 25, 1906."

### FACIAL HUMORS

### BIG SUNSPOT

HAS BEEN DISCOVERED BY REV IRL R. HICKS

He Predicts Terrific Electric And Wind Storms Between Wednesday and Friday.

ST. LOUIS, June 17.—A sunspot announced to be the largest discovered in many years has been found on the east lobe of Old Sol by the Rev. Irl R. Hicks, the famous astronomer of this city, who predicted the Galveston tidal wave, St. Louis cyclone and the recent tornado and hailstorms.

The spot was first discovered last Saturday morning by Rev. Hicks and was then some distance from the east line, from which he calculates it first appeared on Friday morning, when the clouds hid the sun. When it was discovered the following day Old Sol seemed to be in a state of terrific eruption, the lines showing an area which seems to be under a tornado-like whirl.

According to Mr. Hicks the United States may look for terrific electric storms accompanied by high winds. This will reach the country between Wednesday and Friday, just at the time the sunspot crosses the meridian of the sun.

### Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence, every man must, from necessity, be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.

Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.

Chamberlain's Stomach and Liver Tablets, for constipation, biliousness and stomach troubles.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs but \$1.25. For sale by Anderson-Fowler Drug Co., Incorporated, the leading druggists.

PARKER'S HAIR BALM  
Cleanses and beautifies the hair. Promotes a luxuriant growth. Never Fails to Restore Gray Hair to its Youthful Color. Cures scalp diseases & hair falling. 25c and \$1.00 at Druggists.

### S.S.S. RIDES THE SYSTEM OF MALARIA

Malaria is an atmospheric poison which we unconsciously breathe into our system. The blood in its constant passage through the lungs absorbs the germs, and they destroy the rich, red corpuscles of this vital fluid and reduce it to such a weak, watery condition that it is unable to properly nourish the system, and disease gets a foothold. Then the symptoms of Malaria, such as pale, sallow complexions, weak vitality, poor appetite, deranged digestion, and perhaps chills and fever show that the trouble is affecting every part of the body. Malaria also affects the liver, producing a chronic state of biliousness, and often a long spell of fever follows when the blood becomes fully contaminated with the poison. Chronic Sores and Ulcers, boils, aches and pains, and skin affections of various kinds often result from this insidious disease if the poison is allowed to accumulate in the blood in sufficient quantities. Malaria must be removed from the system through the circulation, and for this purpose nothing equals S. S. S. This great remedy goes down into the blood and drives out all germs, microbes and poisons, and permanently cures Malaria. S. S. S. not only cleanses the blood of the cause, but furnishes it with the healthful properties it needs, so that instead of a weak, germ-infected stream, spreading disease throughout the system, it becomes a rich, red fluid, nourishing the body and enabling it to resist disease. S. S. S. is also the greatest of all tonics, and builds up and invigorates the entire system while ridding the blood of the germs of Malaria. Persons who are suffering from Malaria will be pleased with the prompt and pleasant results produced by the use of S. S. S., and can take it with confidence because it is an absolutely safe medicine, being free from harmful minerals of any kind. Book on the blood and any medical advice desired sent free to all who write.
