County Band, Local Individuals Take Part In Inauguration Tuesday

Members of the Fulton County High School Band, along with several individuals from Fulton and Fulton County were in Frankfort this week to take part in the inaugural parade and other activities.

The local county band led the First District in the giant parade.

Among the individuals attending from here were Mr. and Mrs. Al Owens, Mrs. Paul Westpheling, Mrs. Hendon Wright, Mr. and Mrs. Dewey Johnson and Mrs. Frances Jones. Dr. and Mrs. Ward Bushart also attended the inauguration. At the formal reception at 7:30 p. m. Tuesday, Miss Doris Owens, clerk of the Court of Appeals, was joined in the line by her brother, Al T. Owens of Fulton.

Mrs. Westpheling, who served as Woman's Co-Chairman in the Combs-Wyatt campaign, rode in an official car in the big parade, just behind the state officials.

A number of those attending from here attended the inaugural ball Tuesday evening and other parties given in Frankfort during the inaugural festivities.

Mrs. Westpheling and Mrs. Wright left for Frankfort Monday and plan to return home Thursday.

The inaugural parade was staged at 10 a. m. Tuesday and the Oath of office was at 1 p. m.

The official reception was held at 7:30 in the Governor's conference room and the inaugural balls, at 9 to 1 a. m. were held at the Capitol Building, the National

Guard Armory, Capital Hotel, and the Stag Clubhouse.

The grand march at 11 p. m. was at the State Capitol Building grand staircase.

Gov. Bert T. Combs Wednesday was to set aside the state employee merit system A. B. (Happy) Chandler created after his candidacy, Harry Lee Waterfield, lost out in the 1959 race for governor of Kentucky.

The system will be killed the same way it came into being — by executive order.

Combs, in a press conference that quickly followed the ceremony in which he took the oath of office, made no bones about his action.

He simply said he would wipe out the system and ask the next Legislature to enact a "sound, comprehensive system which cannot be set aside by the governor."

Bulldogs Win Over Fulton County High

Fulton's Bulldogs fought off a desperation rally by Fulton County in the closing minutes to hold onto a 36-35 victory here Tuesday night.

Coach Charlie Thomas' crew led by a single point at every stop. They held a 9-8 first quarter advantage and were on top 19-18 at intermission. The Bulldogs led 25-24 after three periods.

Bill Burnett and Roy Morrow led the way for Fulton with 12 points each.

Jim Tipton paced the losers with 11.

J. W. Fenwick Dies Tuesday

J. W. Fenwick of 910 Arch Street, Fulton, a retired I. C. Railroad trainman, died at 8:30 p. m. Tuesday at the Wood River Township Hospital at Wood River, Ill., after a month's illness. He was 78.

Mr. Fenwick, a widower, was born July 13, 1883. He had lived here for many years. He was a member of the St. Edwards Catholic Church of Fulton, the Knights of Columbus and the Brotherhood of Railway Trainmen.

Mr. Fenwick leaves three sons: Phillip R. Fenwick of Sacramento, Calif.; J. W. Fenwick, Jr., of Memphis and Charles J. Fenwick of Fulton; a daughter, Mrs. Mary E. Dauderman of Wood River, Ill.; and two brothers, Tom Fenwick of Hope, Ark., and Charlie Fenwick of Fulton; four sisters, Mrs. Mary Stephens of Mayfield, Mrs. Sadie Coleman of Mayfield, Mrs. Annie Belle Matthews of Chicago and Miss Katie Fenwick of Chicago; and four grandchildren.

Services will be held Thursday morning at 10 at the St. Edwards Catholic Church in Fulton. The Rosary was said Wednesday night at 7:30 at the Hornbeak Funeral Home chapel. Father Carroll officiated. Burial will be in the Mayfield Catholic Cemetery.

Mrs. Jones, 78, Dies At Fulton

Mrs. Effie Lena Jones, 78, of Clinton, died at 10:25 a. m. Monday at Fulton. She had been making her home with a son, Elmer Jones, Hazel.

Funeral services were held at 2 p. m. Wednesday. Burial was in Arlington Cemetery.

She is survived by two daughters, Mrs. Burla Beasley, Plymouth, Mich., and Mrs. Myra Wadlington, Denver; three other sons, Jesse Jones, Dublin, Texas; Bobby Jones, Clinton, Rt. 1, and Wiley Jones, Wood River, Ill.; three sisters, Mrs. Mag Patterson and Mrs. Burla Jones, Burlingame, Calif.; 20 grandchildren and 23 great grandchildren.

Fire Truck Called To Two Flue Fires

The South Fulton Fire Department was called out at 7 a. m. Wednesday to put out a flue fire at 119 Craig Street. This is the home of a colored family. There was small damage reported.

The truck was called out to another flue fire at a tenement house belonging to Abe Jolley Monday morning at 8:30. There was only small damage.

Commissioning Service For Missionaries Held Wednesday

A large crowd was present Wednesday morning at the First Methodist Church here, when Dr. and Mrs. Fred O. Sherill, Jr., missionaries to Bolivia, were commissioned at 11 o'clock.

This was the first service of its kind ever held in the local church. Bishop Marvin A. Franklin officiated at the service. The Rev. Paul T. Lyles, district superintendent of the Paris District, presided, assisted by the pastor, the Rev. Joseph L. Leggett.

Mrs. Rodney Miller sang a solo, "There's a Voice in the Wilderness Crying."

The presentation of the missionaries followed the Bishop's address.

Following the special service a large group from the church attended a luncheon in the Terrace Room of the Park Terrace Restaurant.

Licenses Of K. P. Dalton Suspended For 25 Days In January By ABC

The State Department of Alcoholic Beverage Control, following a hearing in Frankfort, has ordered a 25-day suspension of the retail liquor and beer licenses of K. P. Dalton to begin January 3, 1960 and end on January 28th, 1960.

The hearing was conducted December 2 as a result of a citation dated November 10th issued by W. L. Lyons, Jr., Distilled Spirits Administrator, and Morton Jett, Malt Beverage Administrator, wherein they cited K. P. Dalton, Sr., doing business as KP's Liquor Store to show cause why his licenses should not be suspended or revoked for failing to list the name of his business partner in applying for his licenses.

The ABC Order No. A-613, reported the following findings of fact:

1. That the licensee, K. P. Dalton, Sr., pleaded nolo contendere to the charges set out in the citation under date of November 18, 1959 issued by the Honorable W. L. Lyons, Jr., and the Honorable Morton Jett.
2. That the licensee, K. P. Dalton, Sr., entered in the records of the Alcoholic Beverage Control Board an agreement for dissolution and termination of partnership between him and Robert White under date of December 2, 1959.

Fulton County Jailer Wins Suit, Has Resigned

A bitter jailer-county feud came to a head at Hickman Saturday when former Fulton County Jailer, Earl Tibbs, won his suit against the county and city of Fulton. The suit, heard by Judge E. J. Stahr, called for payment of \$1,136.25 for boarding of county prisoners and interest on this amount since July of 1959.

Tibbs quit his post as jailer recently, apologizing to voters and saying he could not make a living in the office. He has been succeeded by Buster Shuck of Fulton.

Earlier this year, Tibbs won a suit against Judge J. C. Bondurant and Fulton County for payment of a disinfectant to clean the jail.

The suits grew from a July, 1958 order by County Judge Bondurant noting he would approve no more bills for boarding prisoners in the county jail unless they had come through his office. However, Judge Stahr ruled that Tibbs was an elected officer of the county and had the right to make certain purchases without going through Judge Bondurant's office.

The former jailer said he and Judge Bondurant also had a disagreement about the courthouse custodian's job. Tibbs claims he has a right to appoint a person of his choice to this job. But he said Judge Bondurant has argued he wanted a custodian on the premises fulltime.

The house which formerly served the custodian has been put up for sale and removal from the courthouse yard.

Contest Winners Announced Here

The top five winners in the Soil Conservation theme contest at Fulton High School are Hal Warren, Ronnie Winston, John Cunningham, Bill Leneave, and Wayne Anderson, it was announced today.

Each year the Louisville Courier-Journal and Times, and WHAS, sponsor a Soil Conservation Contest, and the local winners will now compete with others in the country.

The county and state winners will be announced in the Courier-Journal after February.

James R. Jolley Is Vice-President Of Large Company

James R. Jolley of St. Louis, a member of an old Fulton family, has been elected vice-president in charge of sales of United Van Lines, Inc., a household goods carrier.

Mr. Jolley is the son of the late Thomas D. and Beatrice Jolley. He spent his youth in Fulton and graduated from the Fulton High school. Since leaving Fulton he has lived at various times in Dallas, Cleveland, St. Paul and St. Louis.

First WCMES-TVA Bills Arrive In South Fulton; "About Half", Some Say

Several residents of South Fulton, who received their first TVA electricity bills from Weakley County Municipal Electric System, Martin, last Thursday were contacted by The News this week to learn how much less their bills were from those received from Kentucky Utilities for prior service.

All those contacted were pleased with the new TVA service and some of their bills were only about half of their previous KU bills.

(It must be borne in mind, however, that the WCMES bills covered the fall months of October and November, and the previous KU bills were for the hotter months of August and September, when air conditioners, fans, refrigerators and other appliances probably provided a heavier usage of electricity. Be that as it may, the following will nevertheless be of interest):

The bill of one family of three, living in a seven-room house, was \$7.28 from Oct. 6 to Nov. 18. Their last KU bill for two months was \$28.81.

The TVA bill was for six weeks and for part of that time the family was running their air conditioner.

The electrical appliances used in this home are a cook stove, refrigerator, automatic washing machine, television, and an air conditioner.

Another person contacted said that her family saved half on their electric bill with the switch to TVA power.

Another family of three, who thinks TVA power is "just wonderful", received a bill Thursday from WCMES for \$5.60, for the period of Oct. 6 to Nov. 18. Their final KU bill for two months was \$13.26.

This family lives in an old house with five extra large rooms and a bath. The electrical appliances used are a deep freeze, a refrigerator, a washing machine, a radio and a TV set.

Another family contacted by The News consists of five people. They live in a six-room house and are well satisfied with the TVA service, so far, they told The News. Their WCMES bill Thursday was \$7.85, while their KU bills ran from \$20 to \$22 every two months.

The electrical appliances they use are a stove, refrigerator, television, and washer. They have gas heat with an electrical thermostat.

Work is continuing in South Fulton by WCMES in converting the city to TVA from KU power. The first section to be hooked up was the Burcham-Oliver Sub-Division in the southeast part of town.

Next, to be hooked up was the Connaughton Sub-Division, then workers moved to the Covington Sub-Division.

WCMES hopes that every home in South Fulton will be hooked up for TVA service by the middle of next summer.

WCMES electrical bills are being paid at the South Fulton city clerk's office.

New Mayor And Council Take Over Duties At South Fulton

The South Fulton City Council met in regular monthly session Monday night at the city hall, following the regular routine business, the council passed an ordinance amending the ordinance pertaining to the building permits. From now on the fee will be \$5.00 on new structures and \$2.00 for adding to existing buildings in the city.

The council also passed an ordinance governing the operation of locomotives passing through the City of South Fulton. The ordinance provides a penalty for violation of the ordinance, which is to promote and protect the safety and welfare of the residents of South Fulton, where the railroad tracks cross streets or avenues.

Each locomotive shall be manned by a crew of not less than one qualified engineer or operator and one qualified fireman or helper, according to the ordinance.

Dr. H. W. Connaughton, a member of the old council, resigned from his office at 9:45 p. m. Monday night. This was done so that he could enter into a contract, authorizing the mayor and recorder to institute a contract between him and the City of South Fulton to repay Dr. Connaughton for all necessary sewer lines, water mains, fire hydrants, store

sewers, and all connections and fittings to be used in connection with the aforesaid materials and for all gravel placed upon streets in the Circle Drive Sub-Division, owned by Dr. Connaughton.

Mayor Milton Counce, who was re-elected to his office, expressed to the old council how much he had enjoyed working with them for the past two years. He said that everyone had exerted every effort to fulfill their duties as council members and asked them to feel free to advise with him at any time or on any matter.

After all the old business had been taken care of the meeting was turned over to the new council members.

Mayor Counce and the new council pledged themselves to work for a better South Fulton and to administer the affairs of the city economically, fairly and impartially to all people.

The new council consists of Ed Neeley, R. D. Matthews, Henry Bethel, M. M. Matlock, Bob McKnight and O. L. Bushart.

The outgoing members were Gene Copeland, Dr. H. W. Connaughton, Arthur Matheny and Floyd Dedmon.

The new council will meet in a called meeting soon to organize and hire city employees.

Fulton Council Turns Down Two Recommendations Of Commission

At the regular monthly meeting of the Fulton City Council Monday night, the Council voted to turn down a recommendation by the Planning and Zoning Commission to re-zone the vacant Carr lot on Park Avenue, back of the Carr home, as "Neighborhood Business", instead of "Residential."

Leslie Weeks, administrator for the Carr Estate, appeared before the council speaking in favor of the change, and a group of citizens in the neighborhood appeared protesting the change.

Mr. Weeks said that he had been contacted on more than one occasion by a super market concern, who wanted to purchase the lot.

The council also turned down a recommendation of the Planning and Zoning Commission to re-zone property owned by David Homra in Highlands near Fred Sawyer's property, to "Neighborhood Business." At present it is zoned as residential.

The council also voted to purchase two one-half ton Chevrolet pick-up trucks from Taylor Chevrolet-Buck Co. One truck will be for the Street Department and the other for the Water Department.

Included in the other business was the approval of a deed to the Highway Department for the widening of Fairview Avenue.

Christmas Presents Arrive Early At Graham Household

If you should happen to pass by Robert Graham's home out in Highlands and observe the lord of the manor sitting in the garage with a club, don't let it worry you.

Last month a stray — but rather pretty — Collie dog took up residence at the Graham's garage, and last weekend presented her adopted masters with a litter of eight pups.

Undaunted, the Graham's moved dog and pups to a playhouse in the side yard and made them comfortable.

The feed was good and the residence quite comfortable. In dog-dome circles, the word got around.

Last Tuesday another stray, finding the garage available, delivered a litter of seven more pups to the Graham estate. That now makes a total of fifteen.

As we said before, if you happen to pass by the home and see the lord and master sitting in the garage with a club, he's concluded that 15 is the capacity of the household.

Cab Driver Is Robbed By Negro Passenger Here

Bill Ams, a driver for the Ace Cab Co. of Depot Street, was robbed by a Negro passenger, armed with a knife, Friday morning about 2:20.

Mr. Ams said that the Negro man asked that Ams take him home. He said he lived out in the country off Highway 51. When they had just passed the Zippy Cafe in Riceville, the Negro pulled out a knife. Ams said he swiftly stopped his cab and rolled out the door.

The Negro man ran after him and they fought, with the Negro, armed with his knife, getting the best of the cab driver.

The Negro demanded Ams money, which came to over \$11.00. Ams was then ordered to drive the Negro man back to Missionary Bottom.

After Ams had let the Negro, out, who was a stranger to him, he notified the local police.

The Negro, before leaving, had threatened Ams if he called the police.

South Fulton Team Rated 20th In State

Three Obion county teams, while not rated among the top 10 in the first Associated Press poll of the year, were mentioned today and might be worth watching.

South Fulton was rated 20th in the state with 16 points, Union City 23rd with 10 points, and Obion 28th with 8 points.

Leading the first rating was Kingsport Dobyns-Bennett with 120 points followed by Hampton and Selmer.

The teams are determined by sports writers over the state. Other teams in this vicinity named in the first poll were Jackson, 11th; Humboldt, 15th, and Dyersburg 32nd.

Vet Representative To Be In Fulton

B. D. Nisbet, a contact representative of the Kentucky Disabled Ex-Servicemen's Board, will be present on Dec. 18, at the American Legion Hall in Fulton, to assist veterans and their dependents with claims for benefits due them as a result of their military service.

He will be present from 9 a. m. until 3 p. m.

GRASS FIRE WEDNESDAY

The Fulton Fire Department was called out at noon Wednesday to a grass fire on Theford Street.

Journalism Education Wanted

(Editor's Note: This article, entitled "Why I Want A Journalism Education," was submitted by Glenn C. Graber, Ashland high school senior, as a partial requirement in competition for the selection of the Kentucky delegate to the Ford Teenage Conference by KPA this fall. Glenn also submitted numerous articles which he had written for the Ashland Independent. He was selected to represent KPA and the Independent on the merits of his essay and press stories.)

Some desires are born in us, others are installed by our parents, and still others are implanted by our relationships with others. The most admirable desires, I feel, are those inspired by all three means; and that is my interpretation of my aspiration for an education in journalism.

Both my parents have an interest in writing. My father has published a book of poetry and is working on another, and my mother has long been interested in short story writing. My writing desire was nurtured by my parents in my early years.

Since my parents enjoyed writing, they had many friends who shared this interest and who had great influence on me. One of my favorite subjects in school has always been English, and the teachers imbued me with a desire and some knowledge toward writing. Of all these influences the greatest was a grade school teacher who could weave history into an interesting narrative. It was she who persuaded me to read parts of newspapers and magazines other than the comics and advertisements. This was the step that first brought me in contact with the field of journalism, and I have loved it since.

Prose writing has always appealed to me. To express one's thoughts in verse and meter always seemed too involved a way to get the message across. This new form of writing, journalism, appealed to me even more. The realization that one is able to interest and educate a reader at the same time seemed impossible. However, I soon learned the possibility of it.

After entering high school, I was chosen to represent my school as a reporter for the "Ashland Daily Independent." In that relationship I began to realize how much there is to

know about journalism. As I began the slow process of learning by experience, I realized the many requirements of a journalist. They can best be described by a story I heard at Camp Miniwance, a camp of the American Youth Foundation located in Michigan:

"The chief of an Indian tribe was choosing a successor to lead the tribe after his death. As their test, he sent all the eligible braves toward the distant mountains as far as they dared go. The last brave to return had gone past the mountains and seen the 'shining sea', a sight never before seen by anyone in that tribe."

This brave was evidently a curious person, but not blindly curious. He reasoned, upon reaching the mountains, that there must be something beyond. He didn't settle merely for a new sight; he wanted to reach a newer horizon. Even so, a reporter must be intellectually curious. He must be able to think through puzzling situations which are new to him; he must ask questions and arrive at conclusions. I want to develop intellectual curiosity through a journalism education.

Our Indian friend was a leader. Having seen something no one else in the tribe had seen, it was his duty to report it to them. He should have learned enough to answer the many questions his people would ask him. If he could not describe the shining sea, his visit to it was worthless. His account of the sea would be the picture his tribesmen would see. If he called it green water, they would picture it as green. The modern journalist has the same duty. His writing must consist of a true picture of the events he describes, events which his readers probably know nothing about.

He must go a bit further, though, in that he should make his readers think the situation through for themselves. He must present the facts in such a way as to be a stimulus for thought and to make a conclusion possible. If, by skills learned in a journalism education, I could make one reader see the true facts of a situation, and form these facts, draw a logical conclusion, my dream will have been fulfilled.

This is why I want a journalism education.

SERMONETTE OF THE WEEK

What To Say To God

Since God is everywhere, since therefore we are never out of His presence for so much as an instant, it would be strange not to talk to Him. Probably no believer would ignore Him totally; but it is not sufficient to throw an occasional remark in His direction. The more we fall into the habit of conversation with Him, the closer we approach normality.

WHAT does one say to Him? Whatever is in one's mind. That He already knows our mind more intimately than we know it ourselves makes no difference — or, at least, it makes one difference, it means that we must not omit things for fear that He might not like them. He knows all that is in our minds. Yet we should tell Him all the same. He wishes it that way — because we are men and speech is utterly normal to us. In daily life some of the most satisfying things we say are said to one who already knows them; it delights the other to hear them, it delights ourselves to say them.

There is no need to prepare a speech for Him: He is not a critical audience, sitting in judgment upon our eloquence. Indeed it is not strictly necessary to put our prayer into words at all. We may simply concentrate our whole mind on some particular idea or feeling. But words belong to our nature.

But certain things we must say. Not all of them need be in every prayer, but they will form the framework of our prayer as a whole. Our conversation with God will involve our telling Him of our adoration, our gratitude and our sorrow. He will involve telling Him our needs and the needs of others and asking Him to grant them.

ADORATION is the awareness and utterance of His perfection. That He loves us and wants us to love Him does not diminish His infinity or the gap between it and our creatureliness. We cannot live continuously in a state of stricken awe, but the heart that has never missed a beat at all at the thought of God's majesty and beauty lives a miserably impoverished life.

The necessity of saying thank you to God hardly needs explaining. Neither, alas, does the necessity of uttering our sorrow for the countless ways in which mind and heart have followed their own devices in preference to His will. We cannot converse with anyone to whom we have failed in duty without telling him our sorrow and there is no one we have failed as we have failed God.

Adoration, gratitude, and repentance are of the very essence of prayer.

K. P. Dalton, president of the Fulton Baseball Association, attended a baseball meeting in Cincinnati last week and was assured that the Detroit club will sponsor Fulton's team in the Kitty League again next year. He was also given assurance of a better financial arrangement and a better team.

The Fulton High Bulldogs and Pups split two games with the Beelerton basketball teams in the first game of the season Friday night at the Science Hall. The Pups won the first game 22-12 while the Bulldogs lost, 35-28.

The home of W. L. Carter, about four miles east of town, was com-

pletely destroyed by fire about 11 o'clock Saturday morning. A broom which had been used to beat out a grass fire, was laid on the porch and caused the fire.

Only a small amount of furniture was saved.

The South Fulton Red Devils Angels lost a doubleheader in Martin Tuesday night. The girls lost 56-10 and the score of the boys' game was 33-22. Hastings, in the girls' game, and McKinney in the boys' game, were stars for South Fulton.

The Fulton High Bulldogs were defeated in Mayfield Tuesday night by a score of 25-10, while the B team, playing a team from Hickman, lost 24-12.

We were talking to Mrs. Hunter Whitesell this week and she said that her daughter, Betsy, had a wonderful time on her four-months tour of Europe.

Betsy, a teacher, made the trip with a girl-friend whom she taught with in St. Louis. Before the tour was over Betsy's friend had to return home because of the death of her father, but Betsy stayed on in Europe.

The Fulton girl had an exciting time and many unusual experiences. She visited in Holland, Belgium, Germany, Portugal, Spain, Italy, Austria, Monaco, France and England.

When Betsy comes home for the Christmas holidays, we would like to hear all about her experiences.

Mrs. Ethel Byrd, who will be 105 on Dec. 19, will celebrate her birthday with open house, after all. Everyone, including all local ministers, are invited to attend.

That Hugh Rushton can sell anything, it seems, but he doesn't always get away with it. A lady went to the Western Auto Store recently and purchased a gift for a child in the hospital. It was gift wrapped, as I recall, and delivered to the child. When the gift box was opened, it was as empty as could be. Seems like Hugh, or someone, sorta got mixed up. The lady who purchased the gift, got a big kick out of it all, though.

A group of Beta Club members from Fulton County High School attended the Beta Club convention at the Kentucky Hotel in

Louisville over the weekend and report a wonderful time. Their chaperons were Mrs. W. E. Owens and Mrs. Chester Wade.

Members making the trip were Jane Kemp, Mary Beth Glasser, Dianne Holly, Martha Dean McKelvy, Brenda Owens, Ann Rogers, Judy Kelly, Sue Wade, Kenneth Wade and Bobby Shuff. The Hickman club is under the sponsorship of Mrs. Ples Fields and co-sponsor, Mrs. Joe Barnett.

Dr. J. O. Hancock and Elvis Babb are today announcing the birth of eleven boxer puppies, born to their dog, Nancy, on Dec. 5.

Sunday Mr. Babb and Bill Hancock kept busy trying to keep the new pups warm and Monday morning, Dr. Hancock reported that the mother and her pups were doing fine. Dr. Hancock said that the father, James Warren's Topper, had not been notified as yet.

The Fulton City Clerk's office is all gaily decorated for the holidays. There is a Christmas tree and on the wall a large bell decoration, made by the girls and Fire Chief Nemo Williams.

The Mayor, council, city employees, their wives and husbands, will have a big Christmas dinner-party at the Rose Room of Smith's Cafe on Dec. 21, at 7 p.m. Gifts will be exchanged and there will be a delightful Christmas program presented.

This is the first year for such a party. Money was taken from the coke and candy concessions to pay for the get-together.

Nashville-Purchase Super-Road Called 'Sure' By U. S. Official

Despite the long delay a defense superhighway between Nashville and the Purchase area is a certainty.

That was the word from Bertam D. Tallamy, federal highway administrator, in an interview with a Nashville Tennessean correspondent Sunday.

One of the things delaying the highway, said Tallamy, is a current negotiation by highway departments of Illinois and Indiana about a St. Louis-Louisville route.

If that route is settled on, said Tallamy, it might provide a better point of departure than the tentative one now in the mill which would take off from the

St. Louis-Memphis route.

The route is still referred to as a Cairo-to-Nashville route, although the precise route is still in doubt, said Tallamy.

There is little likelihood, said Tallamy, that the proposed Nashville-Cairo route would be significantly changed within Tennessee. The major change in routing, he said, would be in Kentucky, starting at about the Tennessee state line.

It could mean that Cairo would be by-passed by this particular route. It may be, he suggested, that it will swing farther east than present plans provide—in the

direction of Paducah.

The Tennessean's interview with Tallamy was prompted by a rather offhand remark by Tennessee Gov. Buford Ellington.

During a question-and-answer session with newsmen, Ellington said recently that he is ready and willing to "trade" the Cairo-Nashville route for a different one.

Tallamy, however, said he had not been approached by any representative of Tennessee seeking any sort of trade.

"You may rest assured," said Tallamy, "that two factors, and those alone, will decide where any highway in the interstate and defense system is to be located. Those factors are engineering and economics."

At another point he said: "This route was added to the interstate and defense system because it filled an obvious gap in the system. Our main reason for adding it was to provide the shortest 'possible' route from the northwestern section of the nation to the southeastern seaboard."

"As our system was originally planned, the route from northwestern points like Kansas City

South Fulton Wins Two Games

South Fulton swept two basketball victories from Obion Friday night, winning both the girls' and boys' games.

to the southeastern United States became circuitous at St. Louis. To reach the seaboard and important southeastern centers, highway traffic would have had to travel either down the Mississippi to Memphis or across to Louisville and back down to Nashville.

"A straighter route between St. Louis and Nashville was logical to fill this obvious gap in our planning."

Linking the atomic energy facilities at Paducah and at Oak Ridge was only a minor consideration, said Tallamy.

Farm News, Meetings, Events

(Ed's note: the following information, supplied THE NEWS by the USDA, ASC, nearby County Agents and agricultural agencies will be of special interest to progressive farmers in the Ken-Tenn area):

OBION COUNTY AGRICULTURAL COMMENTS AND EVENTS

Harvest almost completed in Obion County. About 95 per cent of the corn, cotton and soybeans have been harvested.

Local prices are \$1.00 per bushel for corn, both yellow and white and \$1.95 per bushel for soybeans.

County soybean producers planting the new "Hood" variety are well pleased with results. Many more acres of Hood will be planted in 1960. The new early variety "Hill", developed by the same station that developed Lee and Hood looks good for many county growers. This bean matures 2 to 5 days earlier than Dorman and yields compare favorably with Lee. Hill beans are reported to stand up good and are resistant to several soybean diseases. Farmers that follow soybeans with small grain showed especially like Hill variety. Some foundation seed will be available for 1960.

Fall sown crops looking good. Many more acres will be green during the winter here in Obion County than in previous years.

The county wide soil testing program is rapidly getting underway. When weather permits farmers are taking samples. We expect to double the number of samples sent in for 1959 this year. A goal of 800 samples is set for 1960.

The Obion County Livestock Association now has 80 paid members. The goal of 100 members by January 1 will be reached and exceeded.

LEGISLATION

How recent legislation affects the determination of farm cotton allotments for future years was explained today by C. C. Vaughn, Chairman, Obion County Agricultural Stabilization and Conservation Committee.

For 1961 and future years, according to the chairman, the new law requires that, in determining farm cotton allotments, the farm cotton allotment for the preceding year shall be used as the "base" if at least 75 percent of the farm allotment for that year was planted to cotton or regarded as planted to cotton. Therefore, the acreage planted to cotton or regarded as planted to cotton on a farm for 1960 must be at least 75 percent of the regular (Choice A) farm allotment to preserve the entire allotment as a base for 1961.

Acreage may be "regarded as planted to cotton" if it was included in the previous year's Conservation Reserve Program. If the allotment acreage was released to the County ASC Committee for or if the county committee determines that planting was prevented by a natural disaster or illness of a farm operator or producer.

"ELIGIBLE VOTERS" ON COTTON QUOTAS EXPLAINED

Just what is meant by "eligible voters" in the upcoming referendum on 1960-crop upland cotton marketing quotas was explained today by Roy Bard, Chairman, Fulton County Agricultural Stabilization and Conservation Committee.

"Generally speaking, anyone

who engaged in the production of upland cotton in 1959 is eligible to vote in the Dec. 15 referendum," the Chairman declared. "This would include all persons — whether owner-operator, cash tenant, share tenant, or sharecropper — who had an interest in the 1959 upland cotton crop."

"It would also include a farmer whose cotton-allotment acreage was included in the Soil Bank's Conservation Reserve program, or a person whose 1959 farm cotton allotment was regarded as planted under program provisions."

COTTON ALLOTMENT NOTICE BEING MAILED

Official notices of 1960 cotton farm allotments are now being mailed to Fulton County growers, according to Roy Bard Chairman, County Agricultural Stabilization and Conservation Committee. The notices should reach all operators of "old" cotton farms within the next few days, the Chairman said.

As in 1959, two allotments for 1960-crop upland cotton will be established for each farm, and if marketing quotas are in effect for the crop each farm operator will have an opportunity to choose the one he wants to comply with. If he elects and complies with the "regular" — Choice (A) — allotment, he will be eligible for price support at not less than 75 percent of parity; if he elects and complies with the Choice (B) allotment (which is 40 percent larger than the "A" allotment), his crop will be eligible for price support at not less than 80 percent of parity.

If marketing quotas are not in effect for the 1960 crop of upland cotton, only the "regular" allotments will be available at 50 percent of parity, as directed by law.

COTTON REFERENDUM COMMITTEES, POLLING PLACES NAMED

Committees of farmers who will be responsible for conducting the cotton marketing quota referendum throughout the county on December were announced today by the Fulton County Agricultural Stabilization and Conservation Committee. All committee members are farmers eligible to vote in the referendum.

Arrangements have also been completed for establishing polling places in all of Fulton County's cotton-growing communities. Notices showing the date of the referendum, the rules governing eligibility to vote, and the location

of polling places have been posted in conspicuous places in the county.

Roy Bard, Chairman of the Fulton County ASC Committee, points out that "eligible" voters in the December 15 referendum are all persons who, as landlords, tenants, or sharecroppers, engaged in the production of upland cotton in 1959. Any questions about eligibility should be checked in advance with the County Office.

The community polling places and the referendum committees serving in the December 15 poll are as follows: Vaughan's Grocery: A. L. Hancock, Richard Jeffers and Harold Hewitt; Fowler's Grocery, Cayce: T. R. Williamson, M. O. Champion and Charles A. Everett; Hickman Hardware Store: Raymond Everett, Charles E. Lattus and T. B. Toombs; Hickman Gin Company, Western: Travis Nipp, L. B. Abernathy and George Helm.

TOBACCO MARKET CARD

Roy Bard, Chairman of the Fulton County Agricultural Stabilization and Conservation Committee today reminded tobacco growers of their responsibilities in the handling and use of their marketing cards during the current tobacco marketing season.

The growers' chief responsibilities, Mr. Bard said, are as follows: 1. The marketing card must be used to identify all tobacco marketed from the farm for which it was issued.

2. The marketing card must not be left in the possession of the buyer.

3. The marketing card must be returned to the ASC county office when all tobacco from the farm has been marketed or when all memorandums in the card have been used.

4. All farmers must return their marketing cards to the county ASC office within 30 days after the close of the markets in their area.

By observing these responsibilities, Mr. Bard points out, farmers help to assure fair treatment for all in the marketing of tobacco under the acreage allotment and marketing quota program.

TOBACCO NOTES

On one of the recent Burley sales Lawrence Morton, Demonstration Supervisor of the U. S. Grading Service, and Josiah Fort, retiring chairman of the Dark Tobacco Quality Improvement Com-

mittee, was discussing 1959 crop Burley prices. Fort remarked that there was a much wider variation between the prices of good Burley and common Burley than has been the case for the past two years. He added that the extreme variation in the quality of the 1959 Dark crops may also cause more price differential in these types too.

Morton, who is in charge of the Dark stripping demonstration work, said he had closely studied this aspect of Dark tobacco marketing, and his department's statistics showed that growers of Type 22, lost a lot of money by mixing their crops last season. There were a total of 4,742,000 lbs., of Type 22 grading "M" or mixed, which averaged \$36.00 per hundred pounds. He estimated 60 percent of this could have been more carefully sorted, and would not have carried the "M" grade. Figured at the market average of \$44.00 for "T" (brown) or "D" (dark) grades, this represented a loss to growers of about \$228,000.

In addition, 6,625,000 lbs., was graded "G" (green) and averaged \$34.17. Properly sorted, he estimated that about half of this would have been graded in colors other than green, probably resulting in \$325,000 more for the growers. Finally, he continued, 1,950,000 lbs were graded "FV" or greenish tinged. Many thousands of pounds of clear-colored tobacco

Miracle Whip SALAD DRESSING

could have been sorted out of the "FV" grades, and sold at the market average of \$44.00 for brown or dark colored tobaccos. A total of 13,317,000 lbs. were graded in colors other than brown or dark, much of it due to faulty stripping.

Fort pointed out that in addition to losses to the growers, this mixed tobacco caused the buyers a lot of unnecessary work and expense.

FARM CENSUS HALF COMPLETED IN AREA

The 1959 Census of Agriculture is about 50 percent completed in this area, it was announced today by Field Director Robert A. Yerkey of the Census Bureau's regional office at Cincinnati.

The Census official stated that he was well pleased with the cooperation the census takers are receiving from farmers in the area and has high hopes of completing the canvass within the next ten days. He pointed out that the field canvass of farms is one of the larger costs of the census and that cooperation of farmers in completing questionnaires promptly will be a vital factor in keeping down the final cost of the undertaking.

Quick completion of the census will not only help in keeping costs down but will aid in prompt publication of the results, the field director said. He urged local farmers who have not already done so to complete the census questionnaire and have it ready when the census taker calls.

Diary of Doin's

(Items gathered along Fulton's merryway for your pleasure and your scrapbook)

Mrs. Leon Fields, Mrs. Aubrey Taylor and Miss Nellie Gray were hostesses at a lovely birthday dinner-party for Mark Fields and Tommy Taylor on their sixth birthdays Tuesday at noon.

The party was held in the Terrace Room of the Park Terrace Restaurant, which was gaily decorated for the Yuletide season.

The thirty young people attending were members of the Kindergarten, where Mark and Tommy attend. Centerpieces for the long table, draped in a white cloth, were beautifully decorated birthday cakes.

At one end of the room was a lighted Christmas tree. Under the tree were favors of Christmas stockings, dolls and guns, for the guests.

Christmas carols were played on a phonograph, and the children enjoyed the game of "Stop that Tune", with several winning prizes.

The honorees received many nice gifts.

The golden wedding anniversary of Mr. and Mrs. Joe A. McGaugh was celebrated Thanksgiving day at an open house at their home in the Mt. Zion community with their son and daughter-in-law, Mr. and Mrs. J. W. McGaugh, as hosts.

Approximately 175 friends and relatives registered between the hours of two and five in the afternoon. Mrs. James Kendall, a niece of Mr. McGaugh, kept the register.

The golden anniversary motif was used throughout the decorations centering around the serving table which was centered with a brass compote filled with golden chrysanthemums topped with a gold lettered fifty and holding golden spiral candles. Gold wedding bells were suspended from the chandelier over the table and other baskets of dried arrangements of gold flowers and magnolia leaves were placed at vantage points throughout the home.

Miss Ruth McGaugh and Miss Shirley McGaugh, granddaughters of the honorees served. They were assisted by Mrs. Al Sexton of Tampa, Fla., and Mrs. David Speed, nieces of the couple. Mrs. Charles Roberts and Mrs. Buddy Roberts.

Out-of-town guests registering during the afternoon were Mr. and Mrs. J. W. Alexander and Mr. and Mrs. Al Sexton of Tampa, Fla., Mr. and Mrs. Curtis Stacy and Mr. and Mrs. Gerald Caldwell, Nashville, Mr. and Mrs. A. B. Hale, Metairie, La., Mr. and Mrs. Roy Grooms and Mr. and Mrs. Hal Aldridge, Jackson, Miss Annie Laurie Turner, Lawrenceburg, Ill., and Edd Roberts, Water Valley, Ky.

Mrs. C. L. Maddox was returned home last Wednesday from Memphis, where she recently underwent major surgery.

Mr. and Mrs. Beeler Mullins of Wingo will celebrate their 50th wedding anniversary Saturday, December 12, with an open house from 2 until 4 in the afternoon at their home, Wingo Rt. 1.

Mr. and Mrs. Beeler were married at South Fulton, Tenn., by Squire Futrell with Caron Owen

and Eula Mullins as wedding attendants.

The Beelers have nine children: Miss Lola Mullins of Wingo; Mrs. Milton Taylor of Wingo; Mrs. J. B. Byrd of Lone Oak; Mrs. Larry Smith of LaPorte, Ind.; Mrs. Ethel Vance of LaPorte; Charles Mullins of Benton; J. B. Mullins of Flint, Mich.; Mrs. Don Keeling of Flint, Mich.; and Kenneth Mullins of LaPorte.

All friends and relatives of the couple are invited to attend the open house, golden wedding celebration.

Mr. and Mrs. Herbert Morris, Jr. entertained the Obion County Hammond Organ society at their new home in Obion Monday evening for its regular monthly meeting.

The center of attraction in the living room was a beautifully decorated blue and white Christmas tree carrying out the Yuletide theme of the program.

Mrs. Page Oliver of Union City presided at the business meeting during which time the club voted to have the Hammond Times magazine sent to the Obion County Public Library and also to invite members from the Gibson County Organ society to the next meeting of the group.

A program of Christmas music was presented as follows: A Christmas medley, Mary Ann Roberts; "Winter Wonderland" and "Mele-kalema," Herbert Morris, Jr.; "Joy to the World," Mrs. Oliver; "Silver Bells," Mrs. J. W. Roberts; "I'll Be Home for Christmas," Neil Ethridge; "White Christmas," Maynie Bess Morris; "Hard the Herald Angels," Mrs. Oliver; and special selections by Billy Joe King of Jackson.

Following the program a delicious party plate was served by the hostess.

The history of organs will be discussed at the January meeting and two gifted artists will be featured.

Mr. and Mrs. Arnell Klapp entertained the Hi-Lo bridge club Friday night, November 20, at their home on East Clay Street in Clinton.

Players included Mrs. Roy Berry and Mrs. K. E. Austin, guests; Miss Hannah Singletary, Mrs. H. Harpole, Mr. and Mrs. Ralph Bugg, Mr. and Mrs. Edward Bugg, Dr. and Mrs. Jack Creason, Tony Harpole, Arnell Klapp, Mr. and Mrs. Wayne Hurd, and Mr. and Mrs. P. M. Ringo, Jr., members.

Prize winners were Mrs. Harpole, ladies high, Ralph Bugg, men's high and Mrs. Berry, bingo. Mrs. Klapp served refreshments following the games.

The Music Department of the Woman's Club presented Christmas music Sunday afternoon at 5 at the First Christian Church. The public was invited.

Mrs. Steve Wiley and Mrs. H. L. Bushart were the program chairmen and hostesses were Mrs. Lonnie Roper, Mrs. Charles R. Bennett, Mrs. Bob Hyland and Mrs. Maxwell McDade.

The Beethoven Club carolers were featured on the program. Mrs. Steve Wiley, Miss Andy DeMyer and James Reed were accompanists.

Mr. and Mrs. Byran Kearby of Crutchfield and Mrs. D. J. Mur-chison and daughters, Janie and Vicki, returned home Monday night after spending the Thanksgiving holidays in Frankfort and Lexington. They visited their son and family. Mr. and Mrs. Jennings Kearby and daughter, Cynthia at Frankfort, and their daughter and son-in-law, Mr. and Mrs. William Eblen and son, Tommy, at Lexington.

Miss Peggy Sue Wilhaucks of South Fulton, who will exchange her marriage vows with Bobby Wade McConnell of Troy, December 12, was the inspiration for a recent gift tea given by Mrs. O-dell McConnell at the McConnell home on the Kenton highway.

Miss Wilhaucks received in a peacock blue wool sheath encircled at the waist by a wide belt and complemented with black accessories. Mrs. McConnell was attired in a moss green velvet model worn with brown kid accessories.

A pink, silver and white arrangement of miniature Christmas ornaments flanked by silver branched candelabra centered the serving table which was overlaid with pink linen veiled with white lace.

A bridal scene was reflected in a large mirror over the mantle and another bridal arrangement stood on the coffee table. The color scheme was used in the refreshments of punch, nuts, mints and cake served to the large number of guests who called during the evening.

Mrs. James Wilhaucks, mother of the honoree, chose a silk sheath printed in fall hues and Mrs. Raymond McConnell, the bridegroom-elect's mother, wore a Dior blue silk designed with an extremely full skirt.

Miss Barbara Mason, in a light blue wool sheath, and Miss Linda Hastings, in a brown wool ensemble, presided at the serving table. Mrs. Leon Forrester kept the guest register and others assisting at the beautifully-planned event were Mrs. Bernard Forrester, Mrs. Ed Sanders and Mrs. Walter Forrester, all of Union City.

Members of the Fulton-South Fulton Business and Professional Woman's Club met December 1 for their regular monthly meeting and Christmas dinner-party.

The meeting was held in the Rose Room of Smith's Cafe at 6:30 p. m. Following the dinner, a business meeting was conducted by Mrs. Nelle Lowe, president, and Christmas gifts were exchanged. The club members presented Mrs. Lowe with a gift.

Following the gift exchange, the group joined in the singing of Christmas carols, with Mrs. Nelson Tripp at the piano. During the business meeting Mrs. Auzie Phelps spoke on International Relations and members were asked to contribute a dollar each to CARE.

The various committee chairmen gave reports, and Mrs. Lowe reported on the Clothes Bank project, asking each member to contribute one dollar each. The Cumberland Presbyterian Church has contributed \$10.00 to the fund. It was voted to let the Hostess Committee, composed of Mrs. Ann Whitnel and Miss Gertrude Murphy, decide on the location of each meeting in the future.

It was reported that the Cook Books, now being published by an out-of-town concern, will not arrive for sale before Christmas.

Mrs. Ival Aslinger, state president of Delta Kappa Gamma, honorary teacher's society, was the guest speaker at the initiation dinner meeting of the Alpha Eta chapter of the organization Saturday at the Park Terrace motel in South Fulton. Mrs. Patty May Fields and Mrs. Mildred Anderson, teachers in the South Fulton school, were hostesses for the occasion.

Mrs. Allie D. Pentecost of Union City, Mrs. Donna Darnall of Dresden and Mrs. Lurline Golden of Ridgely were the initiates introduced by Mrs. Jack Burchard, local president. Mrs. Burchard also introduced the speaker who is a teacher of mathematics in a Knox county high school.

Mrs. Aslinger spoke on "Education, a Continuing Process" and quoted statistics on the number of people who drop out of school

each year. She said that people who are adequately equipped for their work are incentives to the economy and that those who are not are a danger.

She pointed out that adult education is the big field needing attention in the United States and concluded with the remark that people who have finished high school or college should go on with their education as it is a continuing process.

The group was seated at a U-shaped table overlaid with white linen and artistic arrangements of holly and red roses flanked by red tapers at intervals down each side and at the head table.

A beautifully-planned bridal tea, another in the series of pre-nuptial events honoring Miss Peggy Sue Wilhaucks whose wedding to Bobby Wade McConnell of Troy will be solemnized December 12 at the McConnell Baptist church, was given recently by Miss Beverly Laceywell and Miss Alma Green.

Tall pink tapers burned in silver branched candelabra flanking the low, cutglass container filled with pink carnations which centered the white linen draped table. Other arrangements of pink carnations and candles were placed in the living room. The pink theme was used in the refreshments of punch, mints, nuts and cake which were served to the guests.

Miss Laceywell received in a wool ensemble in shades of brown complemented with matching accessories. Miss Green was attired in a charcoal grey ensemble worn with a white silk tailored blouse.

The honoree chose a tailored green wool frock encircled at the waist with a wide matching sash. She complemented her attire with black accessories and pinned a corsage of pink carnations at her shoulder. Her mother, Mrs. James Wilhaucks, wore a black and red sheath. Mrs. Raymond McConnell, the bridegroom-elect's mother, was wearing a black sheath featuring a shawl collar.

Mrs. Dorris Laceywell, in a blue printed jersey frock, assisted in serving.

Mrs. Leland Jewell entertained her weekly club at her home on Carr Street Thursday evening.

Those winning prizes were Mrs. Buddy Carver, Mrs. Harry Bloodworth, Mrs. Nita Boaz and Mrs. Pete Green.

Mrs. Marion Matheny was a visitor. Others attending were Mrs. Vernon McAlister, Mrs. Eph Dawes, Mrs. Lucy Day Bennett, Mrs. Jewell McClain, Mrs. Emma Jean Brown, Mrs. Ernestine Holt, and Mrs. Louise Buckingham.

Late in the evening the hostess served delicious refreshments of strawberry shortcake, coffee and milk.

Mrs. Dean Killebrew and young son, Michael, of Louisville are spending two weeks in Fulton and Dresden visiting friends and relatives.

Members of the Garden Department of the Fulton Woman's Club are looking forward with keen anticipation to the annual Christmas meeting which will be held Friday afternoon at 2:30 at the K. U. auditorium. The program will be presented by Mrs. Robert Holland.

South Fulton P-TA will meet at 2 p. m. Thursday at the school. The children will present the program and a good attendance is urged.

A program of Christmas music by the students of Terry-Norman will be featured on the program of the Terry-Norman P-TA meeting Thursday at 2:30. All members are urged to attend.

Mr. and Mrs. J. E. McNatt, owners of the Mac and Faye Flower Shop, were hosts at a dinner party Tuesday evening at 6:30 at the Park Terrace Restaurant.

Christmas gifts were exchanged. The employees and guests attending were Mr. and Mrs. Bob Harris, Mr. and Mrs. I. M. Jones, Mrs. Neuman Croft, Mrs. Joe Johnston, and Mr. and Mrs. Raymond Gambill.

Mrs. Charles Ray Brown was honored with a Pink and Blue Shower on Thursday, Dec. 3, at the home of Mrs. Glenn Faulkner on Frankie Street.

The Pink and Blue color scheme was carried out with a Pink Stork hovering over a Blue cradle holding many lovely gifts. A Pink and Blue cloth with gaily arrayed baby scenes draped the refreshment table. The honoree was presented with a corsage of Pink and Blue bows holding miniature babies and tiny diaper pins by the hostesses, Mrs. Faulkner, Mrs. Charles Ray, Mrs. Glenn Owensby, Mrs. James C. Newton, Mrs. Ward Bushart, and Mrs. Ray Jackson. Two games were played with Mrs. M. E. Dawes receiving the first prize. Each guest participated in the second prize of a sip of orange juice.

In keeping with the approaching

holiday season, open face sandwiches of chicken salad and pimento cheese were served on Santa and Christmas tree shaped pieces of bread. Potato chips, pink and blue paper cups holding colored mints, and cokes were served also. A Christmas tree made of toothpicks stuck in sweetgum balls and sprayed with White Snow was used as a center piece.

Those attending and sending gifts besides the honoree and hostesses were Mrs. Lila Hastings, Mrs. M. E. Dawes, Mrs. Richard Edwards, Misses Mary Anderson and Treasa Pennington, Mrs. Ronald Mack Fields, Mrs. Raymond Brown, Mrs. Burns Crider, Mrs. Harry Barber, Mrs. Lucile Wright, Mrs. Frances McCollum, Mrs. Wayne Grissom, Mrs. C. F. Pennington, Mrs. J. H. Hale, Mrs. Jaes Hale, Mrs. James Butts, and Mrs. Charles Gregory.

The employees of the telephone office presented Mrs. Brown with a high chair matching her dinette furniture.

Miss Mary Anderson received the doorprize.

Beverly Cursey Becomes Bride Of William Kenton Adams Nov. 26

The First Methodist Church in Martin, Tennessee provided a beautiful and impressive setting on Thursday afternoon the twenty-sixth of November, nineteen hundred and fifty-nine, when Miss Beverly Ann Cursey, daughter of Mr. and Mrs. Thomas Fletcher Cursey, of Fulton, Kentucky became the bride of William Kenton Adams, son of Reverend and Mrs. William Glenn Adams of Martin. The Reverend Adams officiated at the double ring ceremony which was solemnized at two-thirty o'clock.

As the guests assembled and preceding the exchanging of the nuptial vows a program of organ music was given by Mrs. Elene Counce. Mrs. Godfrey Binford and Miss Nancy Adams were vocalists.

Arnett Hendrix Buried Dec. 9th

Funeral services for Arnett Hendrix, 66, were held at 10:30 a. m. Wednesday at Hopkins, Brown and Buck Funeral Home at Clinton with the Rev. N. T. Patton officiating. Burial was in Clinton Cemetery.

Mr. Hendrix, a resident of Hickman, died Friday in a veterans hospital at Battle Creek, Mich.

He is survived by his widow, Mrs. Mildred Hendrix, Hickman;

Gateway Holdup Suspect Arrested

Orville Jones of Latham, wanted by Weakley county authorities for robbery, was picked up in Chicago recently by Federal authorities. Jones was brought to Dresden and is now in jail. His case is scheduled to come before the December term of circuit court.

The F. B. I. notified Sheriff Cooper of the arrest, and the sheriff, accompanied by Deputy Clyde Miles, went to Chicago and returned Jones to the county jail. Sheriff Cooper stated that Jones is being held on charges of armed robbery. Bail was set at \$1500; however, Jones, the sheriff stated, is not eligible for bail as he had violated the terms of his parole by committing the robbery. Jones had previously been given a life sentence for armed robbery at Winchester, but had been paroled from Fort Pillow penitentiary in June.

Sheriff Harold Cooper stated Tuesday that he had asked F.B.I. officials to pick-up Jones on a federal warrant charging unlawful flight to avoid prosecution. The sheriff stated that the F.B.I. agents in Chicago arrested Jones on the Chicago Southside Friday, November 27.

Jones is charged with robbing the Gateway Restaurant at Martin of about \$150 the night of Oct. 18. He fled to Chicago, where he was picked up several weeks ago by Chicago police only to be released by them before Sheriff Cooper could take him into custody.

TO TRANSPORTATION

FORT EUSTIS, VA. (AHTNC)—Army Sergeant First Class Billie J. Williams, son of Mrs. Mattie Harrison, Route 1, Hickman, Ky., recently was assigned to the 48th Transportation Group at Fort Eustis, Va.

Sergeant Williams, group reenlistment non-commissioned officer, entered the Army in 1946. He attended Hickman High School.

Tilghman Wins Over Bulldogs

Tilghman rallied in the fourth period to defeat a determined Fulton City team 43-39 before an enthusiastic crowd here Saturday night.

The Bluemen, for the second straight night, found themselves on the short end of the score late in the last quarter.

The Tornado finally tied the score against the Bulldogs at 37-all with 3:27 remaining in the game on a foul shot by Richard Holland.

Tilghman never trailed the rest of the way, although Fulton City made a couple of strong threats. Sophomore Gary Overton banged in a fielder to give Tilghman the lead and added a free toss for a 40-37 margin.

Tilghman controlled the ball until the final seconds of the game when Bill Burnette hit two foul

shots to narrow the gap to 40-39 with 20 seconds showing on the clock. The hustling Overton came through again hitting a foul shot with 15 seconds left for a 4-39 edge. Fulton lost the ball on its trip downcourt and Tilghman got another foul shot in the waning seconds to account for the final score.

The two teams were tied at 6-all after a slow first period. The score was still deadlocked 15-15 at the halftime intermission.

Fulton City took the lead at the start of the third period and held a 26-19 lead late in the quarter before the Bluemen started to press that cut the deficit to 27-24 at the quarter horn.

Jim English finished with scoring honors for Tilghman with 13 points. No other player hit in double figures.

Roy Morrow as the big gun for Fulton City with 16 points, getting most of his points in the big third period outburst.

Forrest Gets U-T Knoxville Grant-In-Aid

Charlie Forrest, Union City High school's all-state gridiron stalwart, Monday morning cast his football and educational lot with the University of Tennessee. Before a small group of friends, relatives, high school personnel and U-T officials and alumni, the talented tailback and halfback signed an athletic grant-in-aid with the Knoxville university.

The signing of the athletic agreement took place at a breakfast get-together at the Biltmore. Under Southeastern conference rules Monday was the first day that such a scholarship could be signed.

"The University of Tennessee is proud to have Charlie Forrest as a football prospect," Tom Elam of Union City said at the breakfast. Mr. Elam is a member of the university's board of trustees and is trustee chairman of the university's athletic committee.

Forrest is a former Fulton boy.

You judge yourself by what you feel able to do; Others judge you by what you have done.

Figures on 4-H enrollment for 1959 again show an upward trend. If the increase is reflected in all 50 states and Puerto Rico, this year's final score could well be with a touching distance of the two-and-one half million mark, predicts the National Committee on Boys and Girls Club Work.

While the number of 4-H's is steadily increasing, the annual crop of winners remains about the same, the National Committee points out, because the number of award programs is limited. Thus individual qualifications become higher and competition keener. At the present time the ratio for state and national winners is one member out of 2,000.

The national award programs in which 4-H's participate include clothing, frozen foods, entomology, safety, public speaking, and tractor. There are nearly 50 others, according to the National Committee.

All 4-H projects and activities endeavor to show how to improve the individual, the family, the home, farm and community.

Every 4-H member pledges "... my head to

clearer thinking ... my heart to greater loyalty ... my hands to larger service ... my health to better living, for my club, my community, and my country."

Besides the personal satisfaction of "learning by doing," 4-H's take great pride in their accomplishments, and outstanding records are rewarded, the National Committee reports.

Awards are provided annually by individuals and business firms among which are: Mrs. Charles E. Walgreen, Standard Brands, Coats & Clark, Carnation Co., Simplicity Pattern Co., Hercules Powder Co., Betty Crocker of General Mills, Whirlpool Corp., Montgomery Ward, General Motors, Firestone Tire & Rubber Co.

Also John Deere, Singer Sewing Machine Co., Colgate-Palmolive, Homelite, Armour & Co., the Burlington, Milwaukee, and Illinois Central railways, Wilson & Co., and Standard Oil (Ky.).

All 4-H programs are directed by the Cooperative Extension Service, USDA. Arrangements for the national award programs are made by the National Committee.

Christmas Tree, Well Watered, Cuts Fire Hazard

Don't let your Christmas tree be a fire hazard!

When an evergreen dries out, oils remain. The result is a highly inflammable object, no matter how pretty it is decorated.

You can make the Christmas tree fairly safe with little trouble, according to J. B. Sharp, U-T Extension forester. How? Well, here are some pointers:

Select a fresh green tree (if needles are turning brown the tree has already dried out and will be a fire hazard). Before purchasing a tree test the flexibility of the small branches and retention of needles.

Saw off the butt end of the tree at least 1 inch above the original cut. Place the freshly cut trunk in water and keep level of water above the cut the entire time the tree is indoors (check the water level daily for absorption and evaporation).

Support the tree well. Keep it away from sources of heat such as fireplaces, radiators or television sets.

Investigations conducted at the U. S. Forest Products Laboratory in Madison, Wisconsin, indicate that the use of fire retarded chemicals sometimes do more harm than good. Since trees do not absorb chemicals as quickly as they absorb water they become fire hazards much more readily. Also, some of the chemical solutions will cause needles to discolor and fall off within two to five days.

Other simple precautionary measures involve using strings of lights with the wiring in good condition, and certainly don't forget to turn the lights off at bedtime or when leaving the house.

In 1958, the United States Department of Wild Life reported 20,177,605 fishing licenses and 14,764,124 hunting licenses were issued! Weigh the figures — the scale tips to almost one in every five American citizens who spend an estimated \$3 billion a year with rod and gun. Being primarily cold weather activities, comfort is important; most essential is a good breakfast. Because of the rush to get out into the early dawn, consider getting off to a good start with a meal which can be cooked in a jiffy.

Condensed tomato soup diluted with milk is an excellent beverage choice for the "hunter's breakfast"—its creamy warmth has comforting qualities that will last through the morning and it takes only 4 minutes to heat. Grated orange rind stirred into honey provides a tasty treat for toaster-baked waffles; 1/2-inch slivers of ham browned in butter and orange slices complete a nutritious and delicious menu, sure to keep you happy on the marsh, trail or stream.

A NEW MEN'S DORMITORY to be built at Murray State College. The \$683,000 building has been approved by the Federal Housing and Home Finance Agency, and bids for its construction will soon be asked by the College. To house 242 men, the dormitory will be built in the Orchard Heights

area of the campus, north of Carlisle Cutchin Stadium. It is scheduled for completion during the 19-60-61 school year.

Lee Potter Smith and Associates, Paducah architectural firm, designed the building.

John Deere New 4-H Awards Donor

The 4-H Recreation program is not new, but the donor of some 12,000 incentive awards is. Next year John Deere of Moline, Illinois, takes over the role of national sponsor of awards in this popular activity. The announcement was made by the National Committee on Boys and Girls Club Work.

During a recent meeting at the committee's headquarters in Chicago, Bruce Louie, (left) vice president of John Deere, and 4-H recreation specialist Arden M. Peterson of Michigan State University, discussed the program's objectives as set forth in the official leaflet that will soon be in the hands of state and volunteer local club leaders.

"Every 4-H boy and girl can participate in a recreation activity," Mr. Peterson said. "When young people learn to plan their own fun and entertain themselves as this program encourages them to do, they are improving their club, while they also develop their own abilities."

The best part is that while having fun, club members may win a \$400 college scholarship, an all-expense trip to the National 4-H Club Congress in Chicago, or a distinctive gold-filled medal of honor.

At the close of the club year, members enrolled in the recreation program submit their 4-H records for consideration for one or more of these awards. Winners are named by the Cooperative Extension Service which conducts the program.

Boys and girls between the ages of 10 and 21 are eligible to join a 4-H Club. Additional information can be obtained from the state or county Extension office.

If you're miserable from the "hot flashes," and accompanying irritable, restless feelings of "change of life"—you may be suffering unnecessarily!
For...in tests by doctors...Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action...has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of mid-life "change!"
So...get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)

It sets through a woman's sympathetic nervous system to relieve distress of those awful "hot waves!"

HOW fallout shelters would protect occupants after nuclear attack is shown in this drawing of a modern American home. Fallout—mostly tiny particles of matter charged with radioactivity—is carried downward from a nuclear blast, and settles on the roof and grounds. From these fallout particles, radiation rays (arrow-like figures) shoot out which can penetrate most substances. Enough rays can cause radiation sickness to people without their realizing it, since radiation cannot be detected

by the senses. But the materials of a fallout shelter are dense enough to absorb most radiation and prevent it from reaching the occupants. The Office of Civil and Defense Mobilization has declared December 7 as National Civil Defense Day to remind Americans that millions might be saved after a nuclear attack by such relatively simple precautions. A booklet on building fallout shelters is available through civil defense offices, or from Box Shelter, OCDM, Battle Creek, Michigan.

NEW HOPE NEWS

By Mrs. Elmer Walston

Mrs. Wayne Vaughn of South Bend, Ind., spent Thanksgiving week with her father, Walter Kimbro and with her brother, William Kimbro, and their families.

Mrs. Wayne Vaughn was a Sunday dinner guest in the home of her aunt, Mrs. Porter Lewis and Mr. Lewis. Other relatives present were Mr. and Mrs. Walter Kimbro, Mr. and Mrs. William Kimbro and daughter, Sandra.

Miss Maude Stevens has moved to the Nursing Home in Clinton. Mrs. Ina Everett and son, J. A., were Monday night supper guests in the home of Mr. Earl Williams. Others present were Mrs. Hattie Nall and Miss Maude Stevens.

Mr. and Mrs. Fred Hudson left for Los Angeles, Calif. Wednesday where they will spend the winter months with his sister, Mrs. Jack Fleming and Mr. Fleming. Mr. and Mrs. Robert Cooley accompanied them.

Mr. and Mrs. Elmer Walston enjoyed a Fish supper Friday night at the home of Mr. and Mrs. Lewis Davis.

We are glad to hear that Dr. Glenn Bushart is improving at the Baptist Hospital in Memphis. We hope he will soon be able to come back home.

Saturday night dinner guests in the Walston home were Mr. and Mrs. William Pittman; Mr. and Mrs. Denton Pittman and daughters, Sue Ann and Deneese; Mr. and Mrs. Clois Latta and Mr. Earl Williams.

Mr. and Mrs. Elmer Walston visited Mr. and Mrs. Porter Lewis Sunday night.

Band Of Indians 'Sets Up Camp' On U-T's Campus

A band of 40 Indians has "set up camp" on the University of Tennessee campus in Knoxville.

Actually, the redskins, resembling the tribesmen who roamed the campus site hundreds of years ago, are museum pieces. They are lurking about the University's gloomy storerooms and anthropo-

logy laboratories, awaiting completion of the new Frank H. McClung Museum where they will find a permanent home.

Prof. T. M. N. Lewis and Prof. Madeline Kneberg of the U-T anthropology department are busy adding lifelike features to the plaster of Paris Indian figures recently given the University's projected museum by the Bernheim Foundation at Louisville, Ky.

Twenty-five of the Indians will get "war paint" and ceremonial feathers and robes for roles in a giant diorama which will be a permanent feature of the new museum's exhibition hall. This diorama, to be 54 feet long, will represent some 36 hours of an ancient eight-day Indian ceremony, with Indian chiefs, braves, squaws and children taking part in the festivities. An intricate lighting system will denote the passage of time from dawn to early evening.

"Smaller dioramas including more Indian figures will be added to help give the museum a like-like quality in the presentation of Tennessee's prehistory," said Miss Kneberg.

The plain white plaster figures were brought to the U-T campus, wrapped like mummies in burlap and old newspapers, from their storage place in Bernheim Forest near Louisville. Miss Kneberg has

MODEL FALLOUT shelter of concrete blocks shows some of the equipment, supplies and living facilities that would be needed to remain under cover for up to 14 days. This is a basement type shelter adaptable to either rural or suburban homes. The 8-inch solid concrete block walls shown would give the same fallout protection as 12 inches of earth. Details on how to build and equip such a shelter are available by writing Box Home Shelter, Battle Creek, Mich. (OCDK Photo.)

Girl Scout Drive Is Ended; \$962 Received

A check for \$962.98 has been turned over to the Bear Creek Council of the Girl Scouts by the Fulton Rotary Club, representing funds collected in the annual drive just ended.

For the past three years the Fulton Rotary Club has sponsored the fund drive in Fulton, assisted by a number of interested ladies who have done house-to-house canvassing while the Rotarians called on business firms and offices.

The 1959 total represents an increase of over \$220 in comparison with the 1958 total of 740.47 raised here. President Al T. Owens, in thanking Rotarians for their support, also extended the thanks of the Club to the many ladies who gave of their time in canvassing the various neighbor-

hoods, and to those who contributed funds. Any amount, however small, was appreciated.

The final tally:

21 teams in West Fulton	\$121.45
2 teams in Riceville	8.00
12 teams in East Fulton	74.20
10 teams, South Fulton	41.61
2 teams in Highlands	13.05
15 Rotary teams (including Ferry-Morse)	644.02
American Legion	25.00
Amalgamated Clothing Workers	12.50
Miscellaneous	23.15
TOTAL	\$962.98

UK Journalism Students Earn College Expenses

If there's any truth in the Scottish proverb that elbow grease is the best polish, a sizable portion of journalism students at the University of Kentucky will be ready to shine by graduation day.

Under a self-help plan being developed by the School of Journalism, the students are paying a substantial portion of their college expenses from their own earnings, chiefly in jobs connected with their field of study.

Eighteen of them hold paying positions with the Kentucky Kernel, student newspaper which last year went from weekly to four-times-a-week publication. Key staff members are paid up to \$600 per year from newspaper revenues.

PCA Directors Are Named

There were 80 present at the Jackson Purchase PCA annual meeting at Cayce on Friday night, Nov. 20. It was a door-prize meeting.

Travis Nipp, chairman, presided over the meeting. Richard Bellew gave the nominating committee's report and two directors were elected. They were Joe L. Payne of Route 3, Mayfield for Graves County and H. D. Hilliard of Clinton Route 3, for Hickman County.

The door prizes were won by Forrest McMurray, a toaster, W. L. Fowler, tarpoulin, Mrs. Jimmy Shaw, garden hose, Charles Roberts, trouble light, Charles Edgington, electric mixer, Hugh Gar-

rigan, electric drill, A. A. Amberg, adjustable wrench, Thomas Hemp, Leon Jones and Mrs. C. G. McMurray, each, one flash light.

Refreshments were served after the meeting. This was the final meeting of several meetings in the area.

Fulton High School News

By Janice Davis

(Last Week)

At a special assembly last week, twenty-five boys received letters for football. They were: seniors, Merrill Davis, Tommy Allen, Philip Andrews, Tommy Fields, Jerry House, Roy Morrow, Duncan Bushart, Gary Williamson, and Roland Carter, manager. The junior letter winners were: Bill Burnette, Jimmy Cheatum, Joe Bennette, Mike Walker, Carl Hurst, Jim Bushart, Jimmy Green, Tom Bowden, Berry Bondurant, Hal Warren, Lynn Newton, Mike Callahan, and Charlie Rice.

Ronnie Winston, Tommy Powell, sophomores, and Ladd Stokes, a junior and also manager, received their letters.

The senior boys all received tiny gold footballs, which they have been wearing on chains around their necks. All these boys did a great job this year, having lost only one game and tied one.

yesterday for their monthly meeting. Being a member of these or any other clubs or organizations adds to a person's character and tends to make a better all-around student.

Tuesday of this week all forest conservation themes were turned in much to the relief of all the students, and probably to the helpless protests of Mrs. Catherine Bennett who has the task of correcting and evaluating them. Some lucky and hardworking student may have his or her paper entered in the county, then regional, then possibly state finals, if his theme is good enough.

Wednesday, December 9, is the day of the biggest show in Fulton High... the F. H. A. Variety Show. The program will be at 9:00 a.m. in the study hall; admission will be one thin dime and anyone wishing to attend, may do so... a invitation is extended to everyone.

A few of the students participating in the program will be Patsy Brown, Nancy Bushart, Joyce Owens, Freida Yates, our majorettes and our cheerleaders, and yours truly. Some of the girls who have been working very hard to make this a success are Judy Wolberton, Maridell Wells, Linda Sandling, Scarlett Turner, and Mrs. DeMyer, the club sponsor. (In case anyone is wondering, there will be boys in the program, but they are being kept as a surprise!)

Twelve girls took the Nation Betty Crocker test last Tuesday in possible hopes of winning a scholarship. A scholarship may be won on the state level, and for some lucky girl, on the national level. The girl who ranks highest in our school will receive

Old Fashioned Corn Bread Stuffing

As the holiday season approaches, many people think longingly of "plain old-fashioned" corn meal stuffing for the turkey. For the die-hards who want no part of the fancy variety, this stuffing may well be the answer. The day before, make corn bread the very easiest way by using only three ingredients:

3 cups self-rising corn meal
1 1/2 cups milk
1/2 cup melted shortening

After placing self-rising corn meal in bowl, stir in milk, then mix in melted shortening. Bake in greased pan for 20 minutes in 425°F. oven.

Now for the stuffing itself, you'll need

4 cups corn bread cubes
3 tablespoons chopped onion
1/2 teaspoon pepper
1/2 teaspoon poultry seasoning

Sage to taste
1/2 cup melted butter or margarine
Hot water or broth to moisten

Combine bread, onion, and seasonings. Add butter and liquid. Toss gently to mix. Allow 1 cup stuffing for each pound poultry or game. Stuff turkey IMMEDIATELY before placing in oven and fill the cavity LIGHTLY, allowing space for expansion during baking. (Over packing makes the stuffing compact and may cause the turkey to burst.) Cook turkey for about 18 to 20 minutes per pound at 300 to 325°F. After removing from oven, let it stand 20 minutes before carving.

a certificate of honor and a lovely pin made by Tiffany of New York.

The senior girls who took the test were: Judy Harrison, Judy Wolberton, Sandra Latham, Maridell Wells, Linda Sandling, Linda Roddie, Judy Burton, Kay French, Gladys Worley, Patsy Stallins, and Mattie and Louella Wolberton.

If any of these girls rank high enough on their tests, they will be able to enter the regional test.

The Bulldogs first basketball game was played last Tuesday evening at Wingo. Saturday is our first home game when we will play Paducah. Tighman here. The first game is at 7:00 and we want lots of team support. The three returning basketball lettermen are Bill Burnette, Merrell Davis, and Roy Morrow.

During a few interesting class discussions lately, several unusual and reflective happenings have been brought to light. In the last couple of years there have been official hangings in this country; a man withstood three electrical shocks during an electrocution; another man survived seven hangings; and an American boy whose requests to our government for soil samples for his scientific research were ignored by our government, was sent samples promptly from Russia on request!

Covered Steel Garbage Cans Protect Health

In urging homemakers to help promote better sanitation practices in the city, Health Officer, Leo R. Evans, M. D. today asked residents to check their home's garbage storage facilities and eliminate insanitary containers that attract rats and flies.

"Proper wrapping and storage of garbage in approved galvanized steel containers between regular collection periods is an important health safeguard," he added.

Even homes which have sing disposers and incinerators need one or more galvanized steel garbage cans, with close-fitting covers and convenient side handles, according to the health officer.

Food wrappings, bottles and cans are just a few of the things which cannot be disposed of automatically.

One metal garbage can is seldom adequate for a family. Mr. Harry Barry said, and he emphasized that overloaded garbage cans attract flies and rats.

The durable zinc finish on a metal garbage can will not scratch, while food particles can accumulate in crevices of substitute containers. Imbedded particles also start unpleasant odors, and they cannot be washed out of makeshift containers. Zinc-coated steel cans, however, have a smooth interior and can be rinsed out easily.

Galvanized steel garbage cans also are heavy enough to withstand high winds and severe weather. Lighter and less durable containers often are blown away or crack during extreme hot or cold weather.

Guill-McClure Engagement Told

The approaching marriage of Miss Vida Marie Guill, daughter of Mrs. Nell Guill and the late Rev. B. L. Guill, to Philip Wray McClure, son of Mr. and Mrs. B. C. McClure, is being announced today by her mother.

Miss Guill is a Fulton High graduate and is presently employed by the Pure Milk Company. Mr. McClure is a Fulgham High graduate and is now attending Lambuth College in Jackson, Tennessee where he is studying for ministry.

The marriage will be solemnized at Jackson Chapel Methodist Church on December 27, 1959 at 3:00 p. m. No formal invitations are being sent. All friends and relatives of the couple are invited.

Red Devils Win Over Obion Friday

South Fulton's fast-firing Red Devils continued their victory trail with a 52-42 win over the Obion Indians here Friday night. The Red Devils jumped out in front early in the game and never relinquished their lead, although several times in the final period, the Indians got to within four points of a tie. It was a fast game and hard fought all the way.

BIERKÄSE AND CRACKERS

Yes, it's Austrian "beer cheese." An uncommon blend of common cheeses gives you this delightful party snack or appetizer. Bierkase is a tangy mixture of cheddar and roquefort cheeses, spices and beer—perfect with crackers or pumpernickel. Of course, the old chefs who created this and many other Old-World dishes like Leber Klose and Bierkarpen knew that the light, bright taste of good beer would accompany their dishes to the table. To enjoy each to the utmost, be sure to include its natural partner—a sparkling glass of your favorite brand of beer.

Goodbye to the dog in the doorway! Leave it to Ford to sweep that annoying windshield pillar forward, out of your way. No more bumped knees or snagged hose!

Oh, say can you see, with 55% greater sky-to-road vision. That sleek, sloping hood reveals more road than you've ever seen before. New Wide Angle windshield gives you up to 17% greater glass area. Wider angle of vision through rear window, too.

Even 3 padded shoulders have plenty of move-around space! You get up to 5 inches more shoulder room, inches more hip room in the 1960 Fords. Posture-perfect seating makes long-distance fatigue a thing of the past. The man in the middle has as much comfort as the rest, thanks to full-width seat padding.

Even a child can load the trunk, thanks to its low level! The trunk sill is perfectly placed... just 27" above the street. Trunk holds 3 weeks' supply of luggage! Ford is built for people!

Nothing fits you like a Ford!

From any point of view—from every point of value—The Finest Fords of a Lifetime. No other cars for '60 are so completely, wonderfully new! More news! There'll be three completely new kinds of Ford cars—a Ford to fit every family—all under our roof. Come in and make your choice!

Fulton High School News

By Janice Davis

Our biggest student participation event other than sports came off yesterday. With practically the whole student body and a few visitors in attendance, the show proved to be quite a success.

The program was as follows:

Nancy Bushart, Judy Moore, Chan Covington, Wanda Cash, and Carol Shrader did a dance (!) to the "Battle of New Orleans"; Kay Morris, Joyce Owens, and Susan Stokes sang "Silver Bells", they were accompanied by Judy Moore;

and James Reed, our illustrious pianist, played Ebb Tide.

Cathy Campbell did a tap and sang "Winterwonder Land". Judy again accompanying; Patsy Brown sang the lovely Irish song, "A Little Bit of Heaven", Judy accom.; Janice Davis performed a modern jazz to "Bangtail"; Tommy Carney did a cut-up on the Constitution; Elaine Beggs, Ophelia Speight, Sandra Williamson, and Martha DeMyer twirled to "Sleighbells"; and Nancy Bushart read a Beatnik's version of "The Night Before Christmas."

At intervals throughout the program, Kenneth Leggett and Mike Walker gave three satirical commercials; Judy Burton and Carol McNeilly also had words from the cosmetic sponsor. Tommy Fields was the Master of Ceremonies.

The Nurses Club met yesterday with their sponsor Mrs. Blankenship and the county health nurse, Mrs. Braswell. A guest speaker talked about a career in nursing.

The seniors thank you cards and name cards have arrived in time for Christmas use. Too bad we can't have our pictures also (this is the opinion of many seniors.)

The FHS Bulldogs have had a slow start in their basketball season, but they are improving. It may be because they are slightly confused. In the Fulton-Wingo game, one bewildered player had to look at his shirt to see if he was the number just called!

The Junior High team had a happy victory last Monday, beating Fulham 51-40. Coach Joe Cowell has high hopes for several members of the team.

The basketball roster seems to be quite full for the Bulldogs; they met Fulton County here Tuesday, tomorrow they face South Fulton there, and next Tuesday they travel to Benton.

There are only fifteen days until Christmas - and there are only EIGHT days until Christmas vacation.

Boyd Is Country Club President

Paul Boyd was elected president of the Fulton County Club at the annual stock-holders meeting Monday night at the clubhouse. Arch Huddleston was named first vice president; C. D. (Spud) Edwards, secretary and J. D. Hales, treasurer.

The slate of officers was accepted by acclamation by the group. Warren Anderson read the report of the nominating committee.

Named to the Board of Directors were: Charles Thomas, W. C. Hale of Hickman, Dr. E. F. Crockett.

Suit Filed To Oust Turner From Board

A suit was filed by the Commonwealth of Kentucky against C. A. Turner, member of the Fulton County Board of Education on Saturday, Dec. 5.

The suit brought by Attorney General Jo M. Ferguson for the Commonwealth of Kentucky, asks that the office on the Board of Education held by Turner be declared vacant as of Oct. 3, 1959.

The defendant moved from Fulton the school district and from Fulton County, Ky., to the State of Tennessee and since October has been and is now a resident of Tennessee and is no longer eligible to hold his elected office.

Dr. R. W. Bushart, Jimmy Weeks, Rodney Miller and Dr. R. V. Putnam. Also serving on the board are the officers, Mrs. W. M. Blankenship, the Ladies Day chairman, who is automatically the second vice president, and the retiring president, Bob White.

The budget for 1960 prepared by Frank Beadles and Paul Boyd, was read.

Bob White, president, presided over the business session, and C. D. Edwards read the minutes of the last meeting and also gave the financial report.

SHERIFF'S SALE

By virtue of an order directed to me which issued from the Fulton Circuit court in favor of Venetta Worley, Plaintiff, vs. John Worley, Defendant, I, M. E. Garrison, Sheriff of Fulton County, or one of my deputies, will on Monday, December 14, 1959, at 2:30 o'clock P. M., at the Court-house in Fulton, Kentucky, expose to the highest and best bidder at public auction the following property:

Lot No. 5, 6, 7, and 8 in Block E in C. E. Rice's Addition to the City of Fulton, Kentucky, and being the same property conveyed to the said Paul M. Hornbeak by T. L. Murray et al, by Deed dated September 7, 1939, recorded in Deed Book 55, Page 376. And further being the same property conveyed to John E. Worley and his wife, Venetta Worley by Deed dated October 30, 1939, from Paul M. Hornbeak and wife, Ann W. Hornbeak and recorded in Deed Book 55, Page 487 in the Clerk's office of Fulton County Court, Kentucky.

Parcel No. 1 — Beginning at the southwest corner of this lot on the east side of Rice Avenue, runs thence north to the southwest corner of Lot No. 3; thence east 150 feet along the south line of Lot No. 3 to an alley; thence south 50 feet to a stake at the southeast corner of this lot; thence west 150 feet to the beginning corner.

Parcel No. 2 — A certain town lot in what is known as Riceville, a subdivision of, but not a part of, the town of Fulton, Fulton County, Kentucky. But Lots No. 2 and No. 3 in Block E of C. E. Rice's Addition to the town of Fulton, Kentucky. (See former Deed to D. F. Merryman and to Mrs. Wheatley, Deed Book 35 and 37). Said lots front on Rice Avenue and on the east side of said avenue and are the 3rd and 4th lots on the east side of said Rice Avenue from Earl Street. Said lots are 100 feet wide and 150 feet long.

Parcel No. 3 — This is what is known as the Blacksmith Lot of the L. B. Reeds Estate and is situated in Riceville, a subdivision of the town of Fulton, Kentucky as shown by a plat of C. E. Rice and is known as Rice's Addition to the town of Fulton, Kentucky and it is here described as part of Lot No. 1 in Block F Rice's Addition to the town of Fulton, Kentucky. This lot fronts west 50 feet on Rice Avenue and runs back 84 feet

and 4 inches to the Reed-Birmingham line.

Said sale will be for cash or on a credit of 6 months with interest at 6 percent per annum, giving good and approved security therefor.

New Restaurant And Big Fountain Being Constructed In Highlands

Work was begun recently on a new drive-in restaurant on the By-Pass in Highlands across from the Pipeline Service Station.

The drive-in, which is being built by Howard Adams, will be operated by him and his wife, Lucille.

Mr. Adams is trying to sell Smith's Cafe on Lake Street in downtown Fulton, which he and his wife have owned and operated for a number of years. If he succeeds in selling Smith's he will call his new place of business, "Smith's No. Two", but if he con-

tinues to operate the downtown place, his new drive-in may be named "Howard's."

Mr. Adams said that he hopes to have his new drive-in completed by the first of February. He plans to sell soft ice cream and hickory-smoked barbecue.

Jack Foy, owner of Foy's Motor Court, has started work on a large multi-colored fountain, which will be located next door to the drive-in. The fountain will be lighted up and will be a thing of beauty. Foy is constructing the fountain from an old well.

Two Local Men Bound Over Grand Jury

Two Riceville men were bound over to the action of the Grand Jury in Fulton police court last week.

Raymond Gardner and Jesse Smith were both arrested Nov. 29, by Deputy Sheriff Billy Westmoreland and Constable Billy Hagan. Gardner was charged with burglary and Smith was charged with being an accessory to the crime.

According to Deputy Sheriff Westmoreland, Gardner was arrested on a charge of stealing a TV set and clock from Mrs. Myrtle Burruss of Riceville. Smith was charged with helping Gardner carry the TV set to the home of a colored person at Oakton, where it was stored.

Gardner's bond was set at \$300. Being unable to make bond, he is being held in the county jail at Hickman. Smith made his bond of \$200 and was released from jail.

Fall Festival Supper

Treat your family to this very pleasant and enticing fall dinner combination—savory pork chops and Apple Muffins.

Fall Festival Supper stars Pork Chops au Lait and nut-topped Apple Muffins. To round out the menu, serve baked potatoes, green beans, your family's favorite beverage and pudding or ice cream with cookies for dessert.

The flavors of pork and apples go together so well you'll enjoy trying them this new way. First brown the pork chops, then simmer slowly in buttermilk sauce. Add dried apricots at the last minute to give both bright color and flavor.

Apple Muffins, baked with enriched self-rising flour, will be so fragrant and appealing fresh from the oven. Because self-rising flour already contains just the right amount of baking powder and salt, you save time whenever you use this convenient, reliable flour. Enriched self-rising flour provides plenty of nourishment, too. It's a good source of calcium, food iron and three essential B-vitamins.

PORK CHOPS AU LAIT

6 lean pork chops
Enriched self-rising flour
3 tablespoons butter or margarine
1 teaspoon salt
1/4 cup water
1/4 cup dried apricots, cut in quarters

Cost chops in flour. Melt butter or margarine in heavy skillet. Add chops and brown on both sides. Add salt, pepper, buttermilk and bay leaf. Cover and simmer for about 1 hour. To make gravy, combine 2 tablespoons flour and water to form paste. Remove chops from skillet. Add paste to meat liquid. Cook over low heat, stirring constantly, until gravy is thickened. Stir in apricots, return chops to gravy and simmer about 5 minutes.

APPLE MUFFINS

1/4 cup chopped pecans
1/4 cup brown sugar
1/4 teaspoon cinnamon
2 cups sifted enriched self-rising flour
2 1/2 teaspoons cinnamon

Combine pecans, brown sugar and 1/4 teaspoon cinnamon. Mix well. Sift together flour, 1 1/2 teaspoons cinnamon and sugar. Combine egg, milk, shortening and apple. Add to dry ingredients. Stir only until flour is moistened. Fill greased muffin cups 3/4 full. Sprinkle pecan mixture over muffins. Bake in hot oven (425°F.) 25 to 30 minutes. Makes 12 medium-sized muffins.

Civil Defense Day Is Anniversary Of Pearl Harbor

Civil Defense Day, Dec. 7, the 18th anniversary of the sneak attack on Pearl Harbor, offered an appropriate time to take inventory of our ability to meet an atomic attack, Kentucky Civil Defense officials say. They add:

We know our powerful military force is alert and ready. We know it is determined that we will not be caught with our guard down as we were at Pearl Harbor. But what about our people? Are they prepared for atomic attack?

Survival in the wake of a nuclear attack could be a starkly, personal matter. You won't be able to count on your local police or firemen for help. You can't look at your doctor, or neighbors or friends for aid. You'll be strictly on your own. Your life, and the lives of your family, might well depend on the preparations you make today.

To be prepared, you must know:

Warning signals and what they mean.

Your community plans for emergency action.

First aid and home emergency preparedness.

How to use Conelrad - 640 or 1240 on the radio dial - to obtain official directions and instructions.

How to protect yourself and your family from radioactive fallout.

The best protection is a family fallout shelter. To obtain a new publication "The Family Fallout Shelter," ask your local civil defense office, or write "Box Shelter, OCDM, Battle Creek, Mich." The booklet contains building plans for five basic shelters, including a do-it-yourself project with concrete blocks that can be put together on your basement for as little as \$150.

Care Crusade To Deliver Packages To Needy

CARE'S 1959-60 Food Crusade, now underway, will deliver 4 million packages in 15 countries abroad. Mrs. Mary H. Van Kirk, Regional CARE Director, announced today.

A gift of \$1 will cover packing, handling and distribution of a package of milk powder, flour, cornmeal from U. S. Department of Agriculture stockpiles, placed at the disposal of CARE for overseas relief, after all qualified welfare program needs in the U. S. have been met. To make CARE's help more effective, CARE has purchased other items to match nutrition needs of people.

Selection of those to receive food will be based on need only. Distribution is through schools, orphanages, refugee centers — or directly to poor families. Packages will be distributed in Colombia, Ecuador, Haiti, West Germany, Greece, Guatemala, Hong Kong, India, Italy, Iran, Korea, Pakistan, Poland, Turkey, and Yugoslavia.

These gifts can be sent to CARE Food Crusade, 8 East Chestnut St., Columbus, Ohio. The name and address of the donor is placed on the package.

Down on the Farm

With JIM PRYOR
Agricultural Agent, Illinois Central Railroad

The build up on beef herds has caused a lot of comment and some worry. The beef cycle is a slow one and is likely to bring several years of depressed prices if production gets too far out of hand. This is a prediction that has been made by a number of our well known and responsible economists who have placed much study on the question.

Most all of the forecasts that we read say that cattle prices are due to tumble and that cattle feeders will be on slim rations for a while, if and when it does arrive. It looks as though some of the

best advice that a cattle feeder could take would be that he should give some consideration to reducing the size of his operation provided there are reasons that he should reduce it, such as labor shortage or probably a feed problem in some cases. It would pay to wait for lower prices to replace any sold now.

The American National Cattle-men's Association has recently conducted a poll among its members in an attempt to get its finger on the pulse of the future. It is found from their inquiry that some cattlemen are actually showing a desire to decrease rather than to increase their holdings as far as cattle numbers are concerned.

It was found that 62 per cent of the ranchers are keeping their breeding herds at what they call a normal level. 1 per cent are cutting down on their breeding herds, and only 20 per cent are planning to increase herd size. Most of the increase was found among the ranchers of the southwest where they are showing some gradual interest in restock after several years of drought. It was interest-

ing to note that 16 per cent of those planning to cut their herds say they are reducing to avoid future over-production.

It is a fact that the farmer has less control over his production plant than used to be the case. Greater specialization in farming makes it harder to shift from low price lines to more profitable ones as the market ebbs and flows. It is also a fact that the high, fixed overhead of modern farming makes it much harder to cut back production when the health of farming calls for a cut. Machinery payments, gas, oil, electricity, interest and taxes, as well as higher living costs for the family, all push hard in the direction of keeping the farm plant going at top operating capacity.

On the other hand, we know that we can make no money by glutting our markets. We hope agriculture can always remain in relatively strong hands.

Today, we have excellent sources of market information and total production figures. It takes a lot of courage to sometimes heed the advice that lies before us. To disregard such advice is often costly.

FARM CENSUS — IMPORTANT

Although all farm problems cannot be covered in the space we limit ourselves to each week, some of our farm problems can be presented.

Many rapid changes have and are taking place in our farm program. These changes quite naturally are presenting problems for someone to work out. These problems have not always been with us, nor have they come upon us all at one time.

We are about to have a census taken of our farms and the folks who reside there. This census comes at a time that there are many changes immediately upon us and some are most serious ones. This time, the census takers are going to find a different situation when the final tabulations are made. Back in 1949, the Bureau of the Census reported almost five and one half million farms. At that same time, the average gross income was a little over four thousand dollars. Then — in 1954, we had over a half million less farms than in 1949. The average gross sale had increased over one thousand dollars.

No doubt, the Census that is to be taken this fall will show that we have fewer farms than we did in 1954 and most probably the income percentage wise will be on the increase in about the same ratio as it was at that time.

We are going through a real transformation in agriculture and we certainly are experiencing many new and varied changes. We have fewer and fewer people engaged in farming, yet many part time farmers hold on to the idea that it is best to divide their time between farming in a limited way and working off the farm part of the time. In this way, they continue to own their home and a small amount of land, thereby claiming to be farming and rightly so. Non-farm jobs have been fairly easy to find and have provided a good source of income for many small farmers. It looks as though there will be no changes in this method of farming for many years.

This indicates one outstanding factor in farming, and that is to be more efficient. It is not at all necessary to get big or get out. I have seen many big operations recently that are just about to go out of business whereas, if the plan of efficiency had been a part of the operation, there would be no great problem. Regardless of the size of farm, efficiency is the

J. N. Rogers

John Nathaniel Rogers, 83, died at his home at Hickman at 10 a.m. Monday.

Funeral services were held at 3 p.m. Wednesday at St. Paul's Episcopal Church with the Rev. Alfred A. Maloney officiating. Burial was in City Cemetery.

Mr. Rogers was a retired farmer and for many years was bookkeeper for the former Kentucky Cotton and Grain Company at Hickman. He was a member of the Episcopal Church.

He is survived by his widow, Mrs. Fannie Dale Brasfield Rogers, a daughter, Mrs. Kathryn Lannom, Fulton County Court clerk; a son, Frank Miller Rogers, and a sister, Mrs. Louise Clark, all of Hickman and five grandchildren.

key to success.

Your cooperation will be appreciated in this important venture of the Bureau of Census. An accurate forecast and report can be made only if everyone reports his farming operation. I understand this has nothing to do with your income tax report and will not be used as such by the Bureau of Census.

Mrs. Vertis Lowe

Mrs. Vertis Mae Johnson Lowe died of a heart attack at 4:20 a. m. Sunday at her home on West State Line. She was 62.

Mrs. Lowe was the wife of Herbert Lowe, who is night desk clerk at the Fulton Police Station.

Mrs. Lowe was born in Obion County, Tenn., March 31, 1897, daughter of Mince and Vera Lackey Johnson. She was a member of the Walnut Grove Methodist Church.

Mrs. Lowe leaves besides her husband, four daughters, Mrs. Larry Latham of Fulton, Mrs. John F. Hall of Central City, Mrs. Forrest Gilbert of Jasper, Tenn., and Miss Sue Carol Lowe of Fulton; four sons, Bobby Lowe of Murray, Herbert "Sonny" Lowe of Dalton, Texas, Billy and Michael Lowe, both of Fulton; two sisters, Mrs. Rupert Stille of Fulton and Mrs. Roy Hamlet of Washington, D. C.; a brother, J. Ward Johnson of Fulton; and 11 grandchildren.

Services were held Monday afternoon at 2, at the Walnut Grove Methodist Church. The Rev. Keith Smith officiated. Burial, under direction of Whitel Funeral Home, was in Obion County Memorial Gardens.
