WORST ECZEMA

I bought twenty-four cakes of Cuticura Soap and a box of Cuticura Remedies, which entirely cured them all. I mailed free, Cuticura Book on Skin Diseases and Remedies for all Skin Disorders. For the past three years I have been a devoted member of the Christian Endeavor Society at the First Methodist church, Hopkinsville, Ky., and am now in the Church of Christ. My only claim to prominence is that of having been a member of the United States Army during the Civil War.

R. L. Boulware, a highly esteemed citizen and retired business man, 70 years old, and a widower at the time of his death, although he had made his home in the county for many years, he had lived in the county for 50 years, and was a resident of the town of Elmore's headquarters at Mitchelville. He was the son of Mr. and Mrs. Richard Talley, who were married in the county on the 26th of July, 1853, and were the parents of six children, five sons and one daughter.

The body of Mr. Talley was taken to the apartment of Mr. Talley's residence, where it was received by the remains of Mr. Talley's family, who had been notified of the death of their father by a telegram from the undertaker in *.

The family and friends of Mr. Talley are deeply grieved at the loss of their dear father, and ask that their sorrow be shared by the friends of the family.

**FELAND LANDS THE REPUBLICAN NOMINATION FOR REPRESENTATIVE**

Dr. W. H. Feland, a Republican state senator from Woodstock, Kentucky, was the unanimous choice of the convention after the second ballot this afternoon for a nomination to the United States Senate, which he will tender to the convention in behalf of the Republican party.

Mr. Feland entered upon his work yesterday for Madisonville, where he lived as a boy, and has long maintained a strong hold on the heart of the people.

**Society**

Mr. David J. Murphy, of the National Council of the Republic, says:--

"The following invitation has been issued by relatives and friends in the city of New York to Mr. John D. Rockefeller, the superb capitalist:--

"Mr. Rockefeller, you have made a great fortune. You have spent a large part of it for the benefit of your fellow men. You have wisely chosen to use the remainder to increase the education and comfort of posterity. But now, while your friends look eagerly to the completion of your great work, you are absent from the city. Will you not now take some personal interest in the settlement of the great question of education among the children of the poor? Will you not, perhaps, take the lead, in conjunction with some of your friends, in advancing the cause of the people?"

**Accidents**

Will happen in the best regulated families. Many disastrous fires are started by some trifling accident. It is useless to expect to save a house or barn by quick action, so it is necessary to have the fireman ready at hand. Take a hint and insure. It costs little and may save you much.

By Rev.
Frank C. Talmage, D.D.
It was a shock to hear the news that the great preacher, Dr. Frank C. Talmage, has been removed from the pulpit. Dr. Talmage was a great favorite with the people of this town and his sermons were always well received. He has been a great loss to the church and the community. His memory will long be cherished.
