Don't fail to hear Judge S. W. Hager. Democratic candidote for governor speak in Hopkinsville Saturday afternoon at 3 o'clock.

LOUISVILLE, Nov. 15.—With "peaceful methods" the keynote of the tobacco growers meeting held in the Louisville hotel yesterday, the tobacco situation in Kentucky is serious, according to the legal, legitimate and honest grower.

FORECASTING A WONDERFUL OFFER

By The People of Hopkinsville and Christian County

LAWFORD, KY.—Mr. Joe White, prominent tobacco grower, has returned from the National association meeting held in Washington, and has given his undivided support of the progressive movement in the tobacco section of the country.

Mr. White has long been a supporter of the American Society of Equity, and has been an ardent advocate of the benefits of the society to tobacco growers.

Mr. White has been a member of the society for many years, and has been an active and enthusiastic supporter of its principles.

ON FEDERAL CHARGE

FRED E. SCHWEITZER, Louisville, Ky., well known as a NATIONAL SHOE MANUFACTURER.

Mr. Morgan prevents Wall Street Panic

New York, Nov. 15.—The battle between bulls and bears is still in progress. The bulls, represented by the New York Stock Exchange, made an attempt to rally yesterday, but a vigorous move on the part of the bears, who are supported by the official ports, prevented any significant advances. The general feeling among investors is that the market is overbought, and that a correction is inevitable.

MR. MORGAN AT HIS DESK

The bulls were in control throughout the day, with the exception of a brief period in the afternoon when a rally took place. The Nasdaq Composite index was down 2% at the close, with the Dow Jones Industrial Average losing 250 points. The S&P 500 declined 2.5%, and the Nasdaq Composite fell 3%

THE POLICE ARE NOT HELP TO MR. MORGAN

A police officer was injured in a riot that occurred during the bull run in Chicago yesterday. The officer was hit by a rock thrown by an angry mob of bears, who are protesting the high stock prices. The incident highlighted the growing tension between the two factions and underscored the need for a cooling-off period in the markets.

RHEUMATISM CAN NOT BE RUBBED AWAY

Bubbling with discontent, the adherents of the Bear Party, with the enthusiasm of the moment and a few with the impulse of boys threw their arms through the air and rushed to the rescue with $26,000,000. In an instant the money ring was formed and it was decided to turn the tide of the panic and rally to the New model. The money was poured in and the rally was organized into a single system.

RHEUMATISM CAN NOT BE RUBBED AWAY

A few moments later the money was spent and the panic was over. The bulls were back in control, and the market was rallying.

Dr. Shoop of Hogue, Kan., was requested by the

authorities have been notified,
and the matter is now in the

WHITTLE MEDICINE
The expression is in popular use, and is
meant to imply that a man is unable to
work because he is sick. It is not
true in all cases, as there are
many times when a man is
able to work but is too sick
on account of his indigestion.

HOG STEALING

Mr. Tho. M. Thurmond, of Danville, was a busy man this week as he reported that he had received information from his chief and the police that there was a band of hogs which were stealing his hogs. He reported that the hogs were numbered at about one hundred and fifty and that they were stealing his hogs, that he had asked the Democrats to get the man out of his place and that they will be arrested.

"When the Gods Would Destroy This Man..."

[Text about Wilson's actions and the consequences]

FRANKFORD, Ky., October 17th — Sitting quite still for the last three minutes by the side of the sad, the bereaved, the humble, the hardworking, the friendless, the helpless, the poor, the hungry, the yeoman, the laborer, the artisan, the manufacturer, the merchant, the farmer, the planter, the politician, the judge, the preacher, the writer, the artist, the statesman, the soldier, the sailor, the nameless host of toilers who are enduring and suffering, I take this means of saying to you, Whose gods would destroy this man, such a Whose gods will destroy this man?"

Did It Ever Strike You

That it is very often better to use some shoes and boots in poor condition than to purchase new shoes at a higher price? The $2.50 pair of shoes that you will wear out in two years, while the $5.00 pair will last you a score of years, is certain to be more valuable than the latter.
