"ARMY OF PEACEFUL INVASION" PARADES ON THE PUBLIC STREETS OF HOPKINSVILLE

Meeting Held at Courthouse and Railroad Station: Requesting Tobacco Men in Day or Residence to Wear Wood Badge Either in American, Kentucky, or Local Special Order of Price's Insetation

From Thursday's Daily:

A study of history might lead to the conclusion that the present condition of Christian County is nothing new. We are thus far in the course of a movement that has been going on for the past 200 years, and it is not improbable that we are on the verge of another great conflict. The various causes that have agitated the mind of the people for so long have been the result of a multitude of circumstances, and the present condition of the county is the culmination of all these.

The meeting was called to order by the President, and the following officers were elected: Chairman, H. C. Pursley; Secretary, J. T. Idle; Treasurer, M. H. Tandy, and Secretary-Treasurer, W. H. Cummins. The meeting was thenadjourned.

In conclusion, the President said that he felt it his duty to express the appreciation of the members of the Christian County Agricultural Society for the excellent manner in which the meeting was conducted. He said that he was confident that the work of the society would be carried on in the future with the same energy and zeal as in the past.

W. H. Cummins, Secretary-Treasurer, said that he was glad to report that the society had made a gain in membership during the past year. He said that the society had sold a large number of copies of the society's bulletin and that the sale of the society's goods was increasing daily.

The meeting adjourned at 10 o'clock A.M.

BRUTAL OUTRAGE

By masked men. He was severely wounded. He was later transferred to the hospital, where he died the next day. He was 25 years of age and a resident of Hopkinsville.

(Continued from Thursday's Daily)

The death of Mr. Wicks was a great blow to the county, and the people are in a state of shock and sorrow. The funeral was held on Monday, and the body was brought to the county and laid to rest in the county cemetery. The services were held at the Church of the Holy Spirit, and the body was taken to the county.

Mr. Wicks was a man of great integrity and uprightness. He was a member of the church, and he was mourned by many friends and neighbors. He was a man of great strength and energy, and he was loved by all who knew him. He was a man of great industry and energy, and he was a great help to his family.

The funeral services were held at the Church of the Holy Spirit, and the body was taken to the county cemetery. The services were held at the Church of the Holy Spirit, and the body was taken to the county.

The new pony is the talk of the town, and lively and interesting as the Children's Contest has been from the first, there is every reason to believe it will now be more intense and general than ever.

**Our Surprise**
Several days ago we promised the children a surprise in regard to the gold watch and pony contest and now here it is. At the beginning of the contest, we offered as our prize a new pony, the smallest of equestrian blood, and one we hope will be a jewel. The contest has run its course, and now we are ready to show the children just what we have been doing. This pony was bought for the purpose of making the children happy, and we hope to prove that we have succeeded.

**There Is A Reason**
One pony was enough to make the young folks eager but two of them, to say nothing of the eleven GOLD WATCHES, means that from one end of the county to the other the children will be hard at work and busy as bees from now until the close, which is not far off.

**Same Conditions**
Any winning plan or code can only parts of a magazine to receive. Contest leaders are to be paid as follows: $1.50 for first prize, $1.00 for second prize, and $0.50 for third prize. The contest ends on November 1st, and the prizes will be awarded at a meeting to be held on November 2nd. Contest leaders are to keep a careful record of the votes received and to mail them to the Daily News office. The contest is open to all children, and the winners will be announced at the meeting on November 2nd.

**Come and Talk the Details Over With Us. We Can Help You, Maybe.**

BY W. W. WOOD

AUGUST 15, 1868

Every year this time is the warm season of the year. As the days grow longer and warmer, the fields and pastures are filled with the sound of farm animals. The farmers are busy gathering crops, and the children are looking forward to spending the summer months playing in the fields.

One of the busiest places in Hopewell, a town in Virginia, is the store occupied by Keegan & Co. The Rural Retreat (Va.) Times reported that the store is well-stocked with the newest and newest subscriptions possible so as to get the benefit of these new arrivals.

Rev. T. T. Powell officiated at the wedding of Mr. and Mrs. S. Sloan, 615 Albany street, Boston. The ceremony was performed in a way that presages great success for the couple. The wedding took place in the court house, and it is a model. The bride and groom were dressed in their best, and the guests were well-dressed and present.

The nicest to be had and the pony which really count for 100 votes being added in a way that presages great success. The pony "Bonnie Boy," free. This book tells how to treat horses, cattle, hogs and poultry.

The safest and most practical on the market today. In the first place, the farmer tells how to treat horses, cattle, hogs and poultry.

The Rural Retreat (Va.) Times reported that the store is well-stocked with the newest and newest subscriptions possible so as to get the benefit of these new arrivals.

The Cedar Valley farm, four miles East from Key. Come and watch to the one receiving the highest vote in the contest, irrespective of the fact that the farmer tells how to treat horses, cattle, hogs and poultry.

There is no more commodious farm, which is already under way, to conduct the work of piking the county roads, which is now being done.

Mrs. John Webb, of Trenton, and Mrs. W. R. Dorris, the popular and experienced proprietors, are related.

Talmage Sermon

By Rev.
Frank De Witt Talmage, D. D.

Los Angeles, CAL., Dec. 30—It is sometimes a
pleasure to do duty after the
usual work, with that little mod-
fication of tone of voice which
a day's rest and sleep or a day's
menial work or a day's excite-
ment have been physically the
cause of. The piece of work I
have done this morning has been
the same as any other day's work,
with the fact that the voice is
keener and more sustained by a
night's sleep on it. Your Lordship
is familiar with the effect of the
rest of the body on the voice. This
is a question that is often raised
in connection with the strange
complaint that a man's voice is
French in that it is better after
a sleep than it is in the morn-
ing. What is the cause of this?
Now, while I am not able to
answer that question, I am sure
that the same discussion, the same
inquiry, is made with reference
to the voice of the Lord Jesus
Christ, which is represented to
us in the Bible as being as pure
as the difference of man and
god. We have one who is pre-
sent upon the earth, and we
have one who is absent, and we
are inclined to say, "Now, what
is to be done? Shall we try to
converse with the eternal Lord
Jesus Christ?" And there is the
question of the voice. Now, I am
not able to answer the question
as to how much of this voice is
French, but I am sure that the
voice of Jesus is as pure as that
of a thousand men. And in
connection with this, I would ask
you to pay attention to the voice
of the Lord Jesus Christ as it is
spoken by the men who heard
him, how much better it was
than that of the ordinary men of
his time. And I would ask you to
think of the voice of Jesus as it
is heard by the men who were
with him at his death. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his resurrection. And think of
the voice of Jesus as it is heard
by the men who were with him
at his ascension. And I would
ask you to think of the voice of
Jesus as it is heard by the men
who were with him at his second
coming. And I would ask you to
think of the voice of Jesus as it is
heard by the men who were with
him at his present coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his coming on the earth for the
second time. And I would ask
you to think of the voice of Jesus
as it is heard by the men who
were with him at his second
coming. And I would ask you to
think of the voice of Jesus as it
is heard by the men who were
with him at his third coming. And
I would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his fourth coming. And I would
ask you to think of the voice of
Jesus as it is heard by the men
who were with him at his fifth
coming. And I would ask you to
think of the voice of Jesus as it
is heard by the men who were
with him at his sixth coming. And
I would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his seventh coming. And I would
ask you to think of the voice of
Jesus as it is heard by the men
who were with him at his eighth
coming. And I would ask you to
think of the voice of Jesus as it
is heard by the men who were
with him at his ninth coming. And
I would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his tenth coming. And I would
ask you to think of the voice of
Jesus as it is heard by the men
who were with him at his eleventh
coming. And I would ask you to
think of the voice of Jesus as it
is heard by the men who were
with him at his twelfth coming.
And I would ask you to think of
the voice of Jesus as it is heard by
the men who were with him at
his thirteenth coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his fourteenth coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his fifteenth coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his sixteenth coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his seventeenth coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his eighteenth coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his nineteenth coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his twentieth coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his twenty-first coming. And I
would ask you to think of the
voice of Jesus as it is heard by
the men who were with him at
his twenty-second coming.
