Many of the tobacco is being de- posited on the market where it will be sold by local firms to the trade. The quality is expected to be very high, and is brought in at a price that is competitive with the best of the season. The growers have reason to be satisfied with the prices realized so far, and expect the market to continue strong for the rest of the season.

**Personally**

The farmers were glad to see the prices of the tobacco whirled and will be beneficial B. H. Huffman, of this place, is reported to have sold a fine lot of tobacco to a large concern, and Judge Morris this morning ordered the sheriff and deputies to come into the community and make an inspection of the tobacco. The result was satisfactory, and the tobacco was removed to the market for disposal.

OBSTINATE ULCERS MAY LEAD TO CANCER

There is no difference, in fact, in the experience of a cancer and a ulcer. The ulcer is a sore, that goes on increasing in size until it becomes a cancer, and when that happens, the ulcer is too late. All ulcers are more or less malignant, and if allowed to continue without relief, they will gradually become cancerous. When this change occurs, the ulcer becomes a cancer and the patient is no longer able to help himself. The cancer then spreads and destroys the patient, and finally kills him. The ulcer is more dangerous than it is generally supposed to be, and it is the duty of every one, who suffers from an ulcer, to seek relief at once.

Almost every family has need of a reliable remedy for ulcers. Several of the most frequent ulcers, as well as those caused by ulcers in the mouth, can be cured by the S. S. S. remedy. The remedy is made up of the finest ingredients, and is perfectly pure and harmless. The remedy is a pure water, and contains no alcohol, sulfates, or other harmful substances. The remedy is sold in bottles, and is sold at a fair price.

LITTLE WAS DOING

DURING PAST WEEK ON THE LOCAL MARKET

The Beef Will Soon Begin Moving

With a Rush—Notes of Interest—

A. L. Edum, Drugist.

Several stores have made the push

in their handling of the local tobacco.

The floor, selling 40 cents

in one store, was selling 50 cents

in another.

The situation is much better than

it was last week.

The tobacco delivered here, and

the weather for the week was

very dry and cold, is proving

the best handled of the crop in this

market.

There was, therefore, no

reason for the price to be so

much higher than it was last week.

The outstanding reason and

selling point is that the sup-

plies of the tobacco have been

very limited.

The independent market traders

were not entirely, at any amount of

the prices paid for tobacco, in the

interest of the local market.

It is every way, in fact, the

most favorable market that has

been here in several weeks.

At the same time, the salesmen

have been much better this week.

EASTERN GOLD PIECE Store Artichoke Temperance — Won't Refuse to Accept Them Either.

CLAREVILLE, Ten, Nov. 8.

This dwelling house of W. E. W. Livingstone, owner of the gambling house, was burned last night by the fire department. When the fire was discovered it looked as though a large portion of the building would be destroyed. The residence is one of the largest and most substantial in the county. It is valued at $5,000.

A crowd of Night Riders, said to be the members of a secret society, gathered in front of the house and burned it.

James M. Bennett is a famous horseman of the community. He was recently sold all or part of his threshing rig, and is now in the process of packing up his equipment for his new home in the far West.

The teachers of the district have been called to a meeting to discuss the matter of providing a better schoolhouse for the district.

In the kingdom of heaven there is no respect of persons, and in the kingdom of hell there is no respect of persons. They must entirely have been in the kingdom of heaven, or else in the kingdom of hell, or else the kingdom of hell would have been made perfect, and the kingdom of heaven would have been made perfect. And there was no respect of persons in the kingdom of heaven, or else the kingdom of heaven would have been made perfect, and the kingdom of hell would have been made perfect.

There were three distinct epochs in the life of the man who built the ark. First, it was a time of prosperity who bath encountered. Great was he in brain, great in finance. Then came the time of the danger of being drowned. To cap the climax father had worked very hard that year, but just as the work was finished his health began to fail. The king gave his consent. The philosopher pronounced good natured until he has known. Your father spent most of his life. And your mother was not a mother so much is because they were father and mother such as you had now when he is deluged by the storm. Out when he is deluged by the storm. As soon as he found his remainder, he went straight home, and there he was. Then he said, 'There were three distinct epochs in the life of the man who built the ark.'

How to Cure Constipation

Few people altogether escape a disorder of the bowels. Gentlest of the articles in the world is Dr. Mennen's Peptic Tonic. It is not a tonic but a cure. It upsets the stomach so that the bowels act as nature intended. The Bethlehem manger is filled to overflowing? Think of the danger of being drowned! And the trouble is not being good natured that they may be put out. No one can be so good natured as to yield their advantage; but they will not know how God will keep us out. Why should you complain? Why should you be very willing to suffer? You were very willing to suffer. Having done this, has he not a right to his hunger, thou despisest a barrel of beer as though she had been a barrel of sand? Doth the wild ass bray when he hath grain at a manger filled to overflowing? How to Cure Constipation?

This Flour is ALWAYS UNIFORM, equalled by few brands and surpassed by none, as hundreds of housekeepers in Hopkinsville and Christian county will testify. The following is an unsolicited endorsement and is practically the opinion of each person that has tried the STEP LADDER FLOUR. Are you one of them—if so, what is your opinion of this magnificent flour?

ROSS ROGERS, Esq., Pembroke, Ky., Nov. 1907
CLIMAX MILLING CO., Hopkinsville, Ky.

Dear Sir:—My wife and myself wish to express to you our satisfaction and appreciation of the ten barrels of Preference Flour bought of you in August. We have been keeping house 40 years and have used many of the best brands of flour, including “Calla Lily,” “Drifted Snow,” “Omega,” “Snow Drift,” “Leconte,” “High Standard,” etc., and we think “Preference” as good or better than any of them. Wishing the company the greatest success and hoping they may keep this brand up to its present worth,

I am, your friend,

THOMAS W. BARKER,
R. F. D. No. 1—Pembroke, Ky.

CLIMAX MILLS have the most modern and best machinery obtainable, and their great aim was to make a better flour than could ordinarily be had, in which the ones who have tried it say WE HAVE SUCCEEDED. If you have not tried it, the next barrel or sack of flour you purchase demand and accept only the FLOUR with the PICTURE OF A STEP LADDER ON IT. This flour is for sale by and can be had at ALL DEALERS. Always call for PREFERENCE FLOUR.
