CATARRH A SEEN DISEASE.

We have received from Dr. John Scott, of Hopkinsville, Ky., the following report of the results of the use of Catarrh's Remedy for Catarrhal Tonsilitis, which, we think, will be of interest to our readers, and will serve to show the value of this remedy in the treatment of the malady with which it is especially adapted:—

"I have on hand at this time a large number of cases of Catarrhal Tonsilitis, and have found Catarrh's Remedy to be most excellent. It is a perfectly safe, reliable, and certain cure for Catarrh of the Throat. It is a great blessing when a patient is suffering from a sore throat, and can be depended upon to give relief in every case. Catarrh's Remedy is a wonderful discovery, and I strongly recommend its use to all who are troubled with Catarrh of the Throat."

**An Offer Especially for The Ladies**

A law which went into effect on Jan. 1st, 1908, requires newspapers to collect all back subscriptions and one year in advance by April 1st. Now we have hundreds of dollars owing to us on subscription and to all delinquents we have sent statements, but these may be laid aside or neglected, and as it is impossible for us to travel all over the country and see every person individually, we want some lady in each neighborhood to undertake the work of collecting the amounts already owing to us and also to solicit new subscriptions to either the Daily or Weekly New Era or both.

We are willing to pay you in cash for this work or if you prefer we will give you a premium anything you may want, such as a New Dress, a Cooking Stove, Suit of Furniture, Set of China or Odd Pieces, Kitchen Ware, Carpets, Rugs, Pictures, Boy's or Men's Clothing, Buggy and Harness, a Farm Wagon or anything else which you may want and we have not named.

If you are interested, write us at once giving full information as to what you want and we will furnish you full particulars by return mail as to how you may get it absolutely free.

Just as a sample of how this offer is made, we will give you a brand new five drawer Singer Sewing Machine if you collect as much as $150 for us, or any $10 Dress Pattern which you may select if your collections amount to $40. In case you start out to get a certain premium and fall short of this amount in your collections, we will give you credit for what you do get and either pay you in cash or give you some other article.

Now isn't that a fair proposition?

We mean just exactly what we say in the above and we do not want any one to answer this through idle curiosity. We have got to make these collections by April 1st and we have no time to waste with those who do not mean business.
