CITY COUNCIL PROPOSES TO RENOVATE AND BEAUTIFY THE OLD CEMETERY

Action to This End Taken at Meeting Last Night.

Picture Emotion of a Handsome Monument to Pioneer Hopkinsvillians.

If the plan as outlined by the city council last night is in order, it will only open the old cemetery to the public. Mr. C. J. Grewell and Mr. W. E. Mead were appointed a committee on this subject, and the main idea was given power to buy and to turn over their counsel if the city. It is therefore probable that they will select the site of the cemetery and to make necessary arrangements. Without much delay the cost of the cemetery will be sent to the city council for approval.

According to these plans the monument will be erected in memory of Mr. Hopkinsville, and found that the rates will be taken advantage of the Cumberland Telephone & Telegraph Company, and found that the rates of the Home company are not practically the same as that attached to the plant of the Cumberland Telephone & Telegraph Company.

According to these plans the city council was doing business. The Cumberland Telephone & Telegraph Company had also a number of telephones and the plant of the Cumberland Telephone & Telegraph Company will be handed over to the city council.

The Cumberland Telephone & Telegraph Company was invited to call and inspect when in the city.

DEATH RATE DECREASE.

Country people are healthier than city people. Double the fatalities are being reported.

The death rate of the United States has decreased in a year and a half. The decrease was from 10.000 to 5.000 deaths per 10,000 population in 1900, and from 7.000 to 4.000 in 1901.

The reason for this decrease is partly due to the increased knowledge of the causes of disease, and partly due to the increased attention paid to the prevention of disease.

There were fewer deaths per 10,000 population in 1890 than in any other year on record.

New fathers are the healthiest people in the world. The death rate of these fathers is 7.000 per 10,000 population.

Those who are regularly employed are healthier than those who are not.

The death rate of the United States is lower than that of any other country in the world.

These are some of the striking facts brought out in the government's report on the death rate of the United States.

Judge Barker's Decision Has Not Cleared The Air.

-- Who Is Sheriff?

By Mother's Friend

The simplicity of the situation is revealed in the case of Mrs. Smith, of Christian county, where a new life and vigor have come to the family after the use of Foley's New Life Pills. The pills were sent over by express and the family was happy to receive them.

The case of Mr. Renshaw, of Christian county, has been in the courts for several years. The district court ruled that the time had come, and the appeal was brought to the court of appeals. The decision of Judge Barker was received here by express, and the opinion had been forwarded.

Anderson's Store
and the May Music Festival

On May 19th to 21st inclusive the Greatest Musical Event ever given in Kentucky will be held in Hopkinsville—for the joint benefit of the Union Tabernacle Co. and the Benevolent Order of Elks. What money made for the Tabernacle will be used to improve the Tabernacle building, and that made by the Elks will be largely used in dispensing charity. Never in all the history of Western Kentucky has there been such an opportunity for pleasure and profit. Creatore and his band of 60 pieces, Mme. Bareli, world renowned soloist, and others of equal fame; a chorus of 650 voices trained by that master chorus leader, Prof. Mayo, give some idea of the immensity of the program to be presented. All remember the May Festival last year and those who attended pronounced the last performance the greatest show ever seen in West Kentucky. With the attractions secured and the enthusiastic support of the entire city, the record made last year will be a mere trifle compared to the great success that will necessarily follow the intelligent, strenuous effort to be put forth this year. You’ll be asked, “What has Anderson’s Store got to do with the May Music Festival?” Just this: WE WILL GIVE EVERY MAN, WOMAN AND CHILD A TICKET FREE to the May Music Festival who will spend Ten Dollars or more in our store before the night of May 21st. Here is our plan: On every CASH purchase of Ten Dollars or more we will give absolutely free a reserve seat ticket, good for any performance during the May Festival. Remember, these seats are reserved for you and you may have the choice of all the seats in the house. These seats are worth One Dollar, and we have the positive guarantee that no reserved seat will be sold for less than one dollar. No more attractive offer has ever been made in the form of an advertisement, and should appeal to every person in a radius of fifty miles of Hopkinsville. Remember, you have SEVEN COMPLETE STOCKS of bright new merchandise to select from, and you don’t have to spend the whole amount of Ten Dollars in one department, BUT YOU MUST SPEND TEN DOLLARS IN ONE VISIT TO THE STORE. Why not get tickets for the whole family? It would be just as easy, you’ll have to have the goods some time, and you ought to go to the May Festival—everybody else is going—and you and the whole family may go without costing a penny if you will. This offer holds good beginning Saturday, April 25th, and continues to May 31st. Don’t delay, come now and you get pick of the seats.
