SHERMAN NAMED ON
REPUBLICAN TICKET

Like Taft, He Was Nominated on the First Ballot, Receiving 816 Votes.

Nomination of Taft and Sherman Completed the Business and Convention Adjourned Five Days—Penalty of Contingent Shows Now Taft Was Always in Control.

CHICAGO, June 19—Following the precedent established yesterday, only required one ballot for the Republican convention to name a standard ticket for vice president, the full and solid backing that James Buchanan, who was nominated by New York, had received 816 votes. The House for Mr. Sherman was shaken yesterday, but even after it settled down slightly rapidly than it进程 everything before this time, when the vote was called it was really the only name before the convention.

William H. Seward, made one of the speakers preceding the nomination of Mr. Sherman. He completed the business before the convention and his remarks influenced the votes of those who did not vote until hearing what he said was correct until at least some other candidates were considered.

The Republican ticket for vice president was born to infamy of Detroit, New York, where it was met. He was thirty-five years of age before being admitted to the bar but his line of life was not right. He was noted for his firmness in his work. He was chairman of the Republican state executive committee in New York in 1874 and 1876. He had been a member of that committee for two years and was a member of the district which elected him, from the Twenty-fifth district from 1872 to 1876 and from the Twenty-seventh district from 1876 to 1878.

He was also elected to the House in 1872 from the Twenty-third district and has been a member of that body since 1881. He had been a successful businessman and manufacturer of the Union Shoe and Deposit company.

CHICAGO, June 19—For present the House of the United States, William C. Taft, of Ohio, was nominated for the first ballot; Taft by 702 votes. Taft by the unqualified votes of the convention. Taft was born and brought up in Cincinnati.

WILLIAM H. TAFT.

There was another fall in the Tall: investments while the remaining candidates were placed in committee.

How to Cure Liver Trouble

There are several natural ways to cure liver trouble. One of them is the use of various herbs and medicinal plants. I recommend taking a dose of Mother's Friend, a natural laxative, which will help to clean out the bowels and stimulate the liver. It will aid in the proper functioning of the liver and can be used for occasional or chronic constipation.
