## Cites 'Personal Considerations'

# Roy Weatherly Resigns As MHS Principal

By DEBBIE N. LEE  
Staff Writer

Citing "compelling personal and time considerations," Roy A. Weatherly, principal of Murray High School for the past two and one-half years, submitted a letter of resignation to the Murray Independent Board of Education Thursday night.

Weatherly, 41, requested the board to terminate his duties as principal on or before July 1. He also asked the board for professional reassignment within the system.

Board members accepted Weatherly's request for termination of his duties as principal and voted to act on the professional reassignment request at a later date.

A native of Murray and a 1956 graduate of Murray High School, Weatherly served as assistant principal at Hopkinsville High School for two years and principal there for four years before assuming the Murray post June 1, 1977. Prior to becoming assistant principal at Hopkinsville, he taught at Benton High School for 10 years.

Weatherly received a bachelor's degree from Murray State University in 1960 with a major in history and minors in English and political science. He holds a master's degree from Murray State in educational administration and has done postgraduate work at MSU and Austin Peay State University.

In an interview after the meeting, Weatherly said the major factors in his decision to step down are the health of his wife, Louise, and the lack of time he feels he presently has to devote to his nine-year-old son, David. Weatherly's wife underwent open heart surgery last year.

"I am extremely proud of my tenure at Murray High School and do not wish to work or live anywhere else," Weatherly said. "I simply feel at this time in my life that my family should take priority in my time considerations."

Earlier in the meeting, Emmy Edwards and Dorilyn Lanier, director of curriculum, gave board members an update of the Arts in Education proposal, which is scheduled for submission Monday to the U.S. Department of Education.

The proposal follows a needs assessment of arts in education in the Murray Independent and Calloway County school systems. The assessment, which included a survey of teachers in the systems concerning their needs for arts integration into the present curricula, was sponsored by the Murray-Calloway County Community Theatre and funded by the Kentucky Arts Commission.

A total of \$43,158 is requested from the U.S.D.E. to fund the program. This money includes \$18,750 for a full-time coordinator to direct the program and mobilize all the arts resources in the community. The remaining funds will be used for intensive in-service training for teachers, consultants' fees and expenses and materials for classroom and in-service use. Participation by 60 teachers will be on a voluntary basis.

The school districts' financial backing of the program will be on an in-kind basis, amounting to \$45,108. This includes personnel time of principals, supervisors of instruction, gifted-talented coordinators, school district administrators and secretaries; office space; equipment; classroom and in-service materials; and facilities for in-service training and implementation.

Mrs. Edwards said that 20 to 25 programs will be awarded this year with awards of up to \$50,000 each. There is an emphasis being placed on cooperative system efforts toward arts programs in rural localities, she noted.

While pointing out that the program is designed to supplement, not sup-

plant, the systems' present arts programs, Mrs. Edwards said that the systems should be able to continue the program after the federal funding is completed.

In other business, the board voted to delete the section on maternity leave in the system's policy manual. This action followed a request for clarification of the matter by Carolyn Light, a part-time MHS teacher, and research by board attorney William Donald Overbey.

Mrs. Light, who is formerly a full-time faculty member, had earlier requested that the board allow her to use the sick leave she had accumulated, most of which while she was a full-time teacher, during the time she is absent from her job for maternity leave.

Overbey's letter to the board stated that the 95th Congress had enacted Public Law 95-555, generally referred to as the Pregnancy Discrimination Act, prohibiting employers from denying benefits to an employee on the basis of "pregnancy, childbirth, or related medical conditions."

Since the school system has a policy of paid sick leave, Overbey said that Mrs. Light could not be denied paid sick leave for her maternity leave.

Pointing out that since a majority of her accumulated sick leave was acquired during her employment as a full-time teacher and that since she is now employed only on a .55 basis, Mrs. Light had further requested that her accumulated sick leave be credited on a .55 percent basis for each day she is on maternity leave.

Overbey's opinion was that the board should credit Mrs. Light's maternity leave one full day for every day she remains on maternity leave.

In other personnel matters, Beverly Hanks and Sue Overbey were added to the substitute teacher list.

## Council Receives \$18,600 Budget For Murray Tourism Commission

A budget for the recently created Murray Tourism Commission was among the items presented to the Murray Common Council in a relatively short regular session Thursday.

The budget, totaling \$18,600, was presented to the council by Doug Stevens, secretary of the commission. The commission was created by a council ordinance last fall and its purpose is to promote tourism, recreation and conventions in Murray.

Approximately \$15,000 of the budget is anticipated revenue from the tax on hotel and motel rooms in the city. The remaining \$3,600 will come from state matching grants which will be used toward producing a tourism-oriented brochure for the city.

Also Thursday, the council was advised by natural gas system superintendent Tommy Marshall that customers of the system can expect an increase of approximately 15 percent in their natural gas bills Feb. 1, 1980

THE MURRAY HIGH MARCHING BAND has been selected as one of the top 16 bands in the United States by the National Band Association.

## Selection Made By National Band Association

# MHS Band In Top 16 Nationwide

The Murray High School marching band has been named one of the top 16 high school bands in the United States, according to an announcement received by band director Buddy Light Thursday afternoon.

The selection was made by the National Band Association and included was an invitation to perform in an exhibition at the National Band Association Convention in Knoxville, Tenn., June 7, 1980.

The Murray High band was nominated for consideration along with 49 other bands from all over the country. The selection of the best bands was through a process set up by the NBA. A committee of seven persons, six of them university band directors across the nation, judged the bands on the criteria submitted which included competition in "sanctioned" NBA marching events during the past year.

The Knoxville convention is "one of

the most important organizational and educational learning experiences for band directors and bands in the country," according to Light. Directors from all over the world will attend the workshops, clinics, seminars concerts and the performances of the top 16 bands.

"Probably the most important and exciting part for our band program besides our selection as one of the 'Top 16' is the fact that it will be such a great educational experience for our students," Light said.

"Our students will not only have the opportunity to attend several of the activities the convention has to offer but will also possibly have a chance to meet and talk with the many important composers and arrangers of band music in the country today," the MHS band director said.

"We are deeply honored that the National Band Association marching committee has chosen our band program as one of the top 16 and we are certainly looking forward to at-

tending and performing for band directors from all over the world," Light said.

Other bands selected by the committee are Lexington (Ky.) Lafayette HS; McGavock HS, Nashville; George Rogers Clark HS, Winchester, Ky.; Enterprise (Ala.) HS; Harlingen (Tex.) HS; Greenwood (Ind.) HS; Kamehameha HS, Honolulu, Hawaii; Warwick HS, Littleton, Pa.; Riverdale HS, Murfreesboro, Tenn.; Chesterton (Ind.) HS; Oswego (N.Y.) HS; Fredricksburg (Tex.) HS; Travelers Rest (S.C.) HS; Richland Northeast HS, Columbia, S.C.; and Kahuku (Hawaii) HS.

Band directors serving on the selection committee include Dave Catron, University of Michigan; James Copenhaver, South Carolina State Univ.; Tom Rhodes, University of Texas; Joe Smith, Middle Tennessee State Univ.; James R. Wells, Penn State; and David Wells, Murray State University. National Band Association official A. R. Casavant of Chattanooga, Tenn., also served on the committee.

## 'Get Tough' Stance With Soviets Enters New Phase

By JAY PERKINS  
Associated Press Writer

WASHINGTON (AP) — President Carter's "get tough" stance with the Soviet Union is entering a new phase with the announcement of possible sales of military equipment to China and with congressional approval of special trade relations with the world's most populous nation.

The two moves Thursday came only one day after Carter publicly warned Russia, in a nationally televised address, to stay out of the oil-rich Persian Gulf area.

Along with the House approval on a vote of 386-12 Thursday of Carter's call for the United States to boycott the Summer Olympics in Moscow unless the Soviets end their occupation of Afghanistan, the actions indicated not only administration resolve to halt further Soviet intrusions but also congressional backing of at least some steps toward punishing Russia for its intrusion.

Pentagon officials revealed, meanwhile, that Chinese officials had been told the United States is willing to sell them military equipment — but not weapons.

The U.S. officials, who asked not to be identified, said Defense Secretary Harold Brown told the Chinese during his recent visit to Peking that the United States is "prepared to consider on a case-by-case basis" such sales.

Although no decision has been made on what specific military goods might be sold, Defense Department spokesman Thomas B. Ross told reporters that the equipment could include trucks, communications gear and "certain types of early warning radar."

A Pentagon official called the new sales policy an "incremental change"

of position and a continuation of closer relations between the two countries.

He added, "You cannot, however, take it out of the context of the world situation. The Soviet occupation of Afghanistan sped up or catalyzed the decision."

References to the Afghan situation were laced through the debate in both the House and Senate on the resolution giving most-favored-nation trade status to China, a government this country once refused even to acknowledge.

## Gasohol Plant To Get Boost At Meeting

A proposed gasohol plant for Mayfield and Graves County could receive boost at a meeting scheduled for 7 p.m. Tuesday at the Graves County Courthouse.

W.E. Parrish, a Graves County real estate salesman, will attend the meeting to give out information and answer questions concerning the plant.

A "mystery guest" also will be at the meeting, Parrish added. Parrish would not reveal his name but stated the guest "distributes oil and gasoline products in the local area."

According to Parrish and Forrest Burchard, a Graves County farmer and agribusinessman, gasohol is a mixture of 90 percent unleaded gasoline and 10 percent ethanol alcohol. The end-product is said to burn cleaner, improve engine life and improve car performance.

Parrish estimated the plant the construction of a gasohol plant would cost around \$3 million and could be financed through local support.

## Penalty To Be Added To Calloway County Taxes After Jan. 31

All county taxes not paid after Jan. 31 will become delinquent and a 10 percent penalty will be added, according to a Calloway County Sheriff's Office spokesman.

Taxes can be paid in the sheriff's office, the spokesman said.

The spokesman added the delinquent bills will be mailed during February. Names of those persons who have not paid by March will be advertised in The Murray Ledger and Times.

## Inflation Shows Largest Increase In 33 Years

WASHINGTON (AP) — Consumer prices climbed 1.2 percent in December, pushing inflation for all of last year to 13.3 percent, the worst annual increase in 33 years, the Labor Department reported today.

What cost consumers \$1 in the 1967 base year cost them nearly \$2.30 as 1979 ended.

Over the year, workers' real spendable earnings were down 5.3 percent as a result of higher taxes and other rising costs. While average wages before taxes rose 8 percent, they were offset by a slight decrease in hours worked and a very high inflation rate.

The acceleration last year was caused primarily by housing and energy-fueled transportation costs, which rose relentlessly and accounted for about three-fourths of the entire increase in the Consumer Price Index in 1979.

Through the inflation-ravaged year, the price of a gallon of gasoline rose an average of 35.7 cents, while home heating oil jumped an average of 33.8 cents a gallon, the department said.

All energy costs rose 34.7 percent.

## Total Of \$763,000 Spent In Four Local Tobacco Sales

A total of \$763,000.55 has been spent on 697,726 pounds of tobacco through four local sales in 1980, according to Holmes Ellis, general manager of the Western Dark Fired Tobacco Growers Association.

Describing the market as "sluggish," Ellis said demand for tobacco has declined slightly since last year.

He added prices for leaf grades have run from \$1 to \$1.50 per pound. Top grade tobacco has gone as high as \$1.60 per pound, Ellis said.

Almost 26 percent of the tobacco was not purchased and put into a pool for price support purposes, Ellis said.

Sales will continue Monday at the Farris and Growers Loose Leaf Floors.

### Better brown-bagging

Lawrence E. Lamb, M.D.

DEAR DR. LAMB — In one of your columns you expressed your concern about the low-carbohydrate, high-protein diets. You pointed out that this diet was terrible and it allowed an individual to lose weight quickly by changing the amount of salt and water that the body holds.

I'm not concerned with losing weight but I am concerned about the diets of working persons, especially young ladies. Could you give me some suggestions as to what people can use for brown bagging or what they might use in a microwave oven? I'm specifically interested in the nutritional needs of women for lunch and food combinations that could be tasty and beneficial.

DEAR READER — One problem with many brown bag lunches is that they contain far too much fat. Most of the luncheon meats, cold cuts and processed cheeses are very high fat foods. Frequently over 75 percent of their calories are from fat.

Lunch is only part of the total dietary picture. A good way to avoid some of the disasters that can occur with such lunches is to use uncreamed cottage cheese and unsweetened pineapple. These can be put together in a little carton and taken along and makes a tasty snack which provides both calcium and protein with some fruit with hardly any fat.

Hot soups are excellent

and a thermos jug filled with a person's favorite soup is often a good answer. There's an infinite variety of ways those that are strictly vegetable soups to those that are cream soups. You can make your own cream soup and use non-fat dry milk powder or fortified skim milk.

Fresh fruits are always great since many people need a lot more bulk in their diet than they get. A good choice here is a raw apple. There's actually some factual basis for the old saying that an apple a day keeps the doctor away.

Another good source of protein with a limited amount of fat are chicken breasts. These can be baked in advance and provide a good, tasty snack for lunch. They can be warmed by a microwave oven to the desired temperature that way.

Some people like cold cooked chicken as it is. This is just a start on the list of things that an imaginative person can do. The point is to eliminate excess fat from the luncheon menu but that won't help unless you follow such procedures the rest of the day. I'm sending you The Health Letter number 4-7, Weight Lossing Diet. It provides a basis for a balanced diet for those who do need to restrict their calories. Other readers who want this issue can send 50 cents with a long, stamped, self-addressed envelope for it. Send your request to me in care of this newspaper, P.O. Box 1551, Radio City

Station, New York, NY 10019.

I'm not recommending that anyone stay on a severely calorie-restricted diet for a prolonged period of time. The sensible way to

lose weight is the slow way. You can use this basic diet in The Health Letter I'm sending and add other foods to it until you provide the amount of calories that that specific individual might need.

### New Paperback—For Adults Only

DEAR READERS: Every week I received more newly published books than I can lift, much less read. But one little paperback caught my eye: "Parenthood Without Hassles—Well, Almost," by Dr. Kevin Leman.

It was dedicated to "My high school counselor, who told me, 'Leman, with your disciplinary record and grades in this school, I couldn't get you into reform school.'"

Being one who appreciates humor, I read on and found it to be well worth reading. With the author's permission, I quote:

#### "A CHILD'S TEN COMMANDMENTS TO PARENTS"

1) My hands are small; please don't expect perfection whenever I make a bed, draw a picture, or throw a ball. My legs are short; please slow down so that I can keep up with you.

2) My eyes have not seen the world as yours have; please let me explore safely; don't restrict me unnecessarily.

3) Homework will always be there. I'm only little for such a short time—please take time to explain things to me about this wonderful world, and do so willingly.

4) My feelings are tender; please be sensitive to my needs; don't nag me all day long. (You wouldn't want to be nagged for your inquisitiveness.) Treat me as you would like to be treated.

5) I am a special gift from God; please treasure me as God intended you to do, holding me accountable for my actions, giving me guidelines to live by, and disciplining me in a loving manner.

6) I need your encouragement, but not your praise, to grow. Please go easy on the criticism; remember, you can criticize the things I do without criticizing me.

7) Please give me the freedom to make decisions concerning myself. Permit me to fail, so that I can learn from my mistakes. Then someday I'll be prepared to make the kind of decisions life requires of me.

8) Please don't do things over for me. Somehow that makes me feel that my efforts didn't quite measure up to your expectations. I know it's hard, but please don't try to compare me with my brother or my sister.

9) Please don't be afraid to leave for a weekend together. Kids need vacations from parents; just as parents need vacations from kids. Besides, it's a great way to show us kids that your marriage is very special.

10) Please take me to Sunday school and church regularly, setting a good example for me to follow. I enjoy learning more about God.

DEAR ABBY: I recently visited our daughter who has a 2-month-old baby girl. I took some pictures of the baby; one showed the mother bathing the baby.

After returning home I took the pictures to a longtime friend and neighbor woman who has never had any children. She looked at the picture of the baby being bathed and said, "You should not be showing this around. It is pornography."

Abby, I was shocked, and told her so. How can a picture of a naked baby be pornography? An innocent little baby's body is a beautiful sight, and there is nothing dirty or pornographic about it.

Am I wrong? Or could such a picture really be considered pornographic?

#### SHOCKED AND CONFUSED

DEAR SHOCKED: Pornography is the depiction of erotic behavior, intending to cause sexual excitement. If a picture of a 2-month-old baby being bathed created that kind of response in your friend, the "pornography" is in her mind.

Getting married? Whether you want a formal church wedding or a simple do-your-own-thing ceremony, get Abby's new booklet, "How to Have a Lovely Wedding." Send \$1 and a long, stamped (28 cents) self-addressed envelope to Abby: 132 Lasky Drive, Beverly Hills, Calif. 90212.

THE ACES

IRA G. CORN, JR

"Nothing ages people like not thinking" -- Christopher Morley

The defenders aged some after declarer scored today's game and rubber. West chose the opening lead that looked safe, however, he would have done better had he done some thinking about the bidding.

Declarer won the club ace and led a diamond to dummy's king to lead a spade from dummy. East hopped up with the spade ace and led a trump since it was obvious that declarer was planning on spade ruffs in dummy.

West won the trump ace and fired back another, but it was too late. Declarer won the trump return and ruffed a low spade in dummy. A diamond was led to declarer's ace and another low spade was ruffed in dummy, establishing the remaining spades.

Finally, a low diamond was ruffed by declarer, the last trump was drawn and declarer claimed his contract with the two remaining spades. The defense took only a club, a heart and a spade.

West can beat the hand by choosing a more imaginative opening lead and the bidding should have pointed the way. Obviously, North was short in spades and declarer most probably would plan on spade ruffs in dummy.

To cut down the ruffs, West should have led a low trump. Declarer would win cheaply, but when East got in with his ace of spades, a trump to West's ace and a third round of trumps would have left declarer with an

Miss Teri Leisa Morris Is Married To Mr. Futrell In Church Ceremony

Miss Teri Leisa Morris and Thomas Jeffery Futrell were married on Friday, Dec. 28, at the West Fork Baptist Church. The double ring candlelight ceremony was read at 7 p.m. by Kenneth Hoover of Owensboro.

A program of nuptial music was presented by Gary McClure, pianist, with Miss Sandra Duncan and Jimmy Burkeen as singers.

The church altar was centered with a white flocked tree and flanked on each side by a miniature flocked tree and matching spiral candelabra. The trees were decorated with love birds and pink and wine ribbons centered with red roses. The family pews were marked by white flocking with wine and pink satin bows centered with roses and a candle.

Daughter of Mr. and Mrs. Teddy Morris of Murray, the bride is the granddaughter of Mr. and Mrs. Boone Duke of Benton and Mr. and Mrs. Ralph Morris of Murray. The groom, son of Mr. and Mrs. Earl Futrell of Murray, is the grandson of Mrs. Eula May Garland, Mrs. Cecil Orten, and Mr. and Mrs. Rice Futrell, all of Murray.

**Bride's Dress**

The bride, given in marriage by her parents and escorted to the altar by her father, wore a formal length gown of white silk organza trimmed with alencon lace. The empire fitted lace bodice was accented by a queen ann neckline and shepherdess sleeves with deep lace cuffs. Her circular skirt and chapel train was enhanced with lace and a double flounce ruffle.

The headdress created for her gown was an open crown Juliet with a silk illusion veil edged with matching alencon lace. The gown and veil were accented with tiny seed pearls. She carried a crescent bouquet of white sweetheart roses and baby's breath.

During the processional the bride paused to present her mother with a single red rose and during the recessional she did likewise for her new mother-in-law.

For the traditional something old the bride wore a strand of pearls belonging to her maternal grandmother; something new was her dress; something borrowed was a gold ring belonging to her sister; and something blue her blue and white garter.

Miss Sherry Morris, sister of the bride, was the maid of honor. She wore a mauve formal gown of quiana designed sleeveless with a v-shaped neckline and straight side split skirt. The gown was accented with an elbow length hooded cape tipped in pale pink maribou.

The bridesmaids were Debbie Brooks Hill, Renee Overbey and Linda McCuiston who wore wine colored dresses identical to that of the maid of honor.

Each of the attendants carried a single rose decorated with baby's breath and pink ribbon.

Little Miss Shelly Hasty,

flower girl, wore a full length wine colored gown with a ruffle around the bottom and long sleeves. An elbow length cape tipped with pale pink maribou accented her dress. In her hair she wore baby's breath and a single rose. She carried a white wicker basket decorated with a miniature love bird and wine ribbons and filled with rose petals.

Serving as best man was Earl Futrell, father of the groom. The groomsmen were Teddy Futrell, brother of the groom, Gene D. Lockhart and Kerry Stone. Ushers were Ken Morris, brother of the bride, Ricky Garland, cousin of the groom, Kerry Wyatt and Terry Dale Wyatt.

Master Jamie Futrell, cousin of the groom, and Scott Nix served as ring bearers.

The groom was attired in a white tailed tuxedo with a white shirt and matching vest. His boutonniere was a white rose.

The men attendants, ushers, and ring bearers, along with the father of the bride, wore matching wine colored tuxedos and bow ties with pale pink shirts. Red roses were used as their boutonnières.

For her daughter's wedding Mrs. Morris chose to wear a formal gown of cerise giana. The a-line designer dress was accented with a jacket of crepe de chine ensembled with miniature sequins. Her corsage was of red roses.

Mrs. Futrell chose for her

son's wedding a formal gown with a straight front split skirt of pink quiana. The dress had long fitted sleeves and a v-neckline. She wore a corsage of pink roses.

Corsages of red roses were presented to Mrs. Boone Duke and Mrs. Ralph Morris, grandmothers of the bride, and Mrs. Cecil Orten, Mrs. Eula May Garland and Mrs. Rice Futrell, grandmothers of the groom.

Miss Suzi Imes presided at the guest register at the table decorated with a small white flocked tree accented with pink and wine ribbons centered with roses.

**Reception**

Following the wedding ceremony the bride's parents were hosts for a reception held in the church fellowship hall.

Many large companies provide chiropractic care for employees. They want to reduce the time lost due to illness or accident to a minimum. In cases of sprain or strain of the neck or spinal vertebrae, it has been found that chiropractic enables an injured employee to return to work quicker than other healing techniques.

High-salaried stars of professional sports and motion pictures are often provided with chiropractic care to minimize the loss of very expensive time.

If illness or injury threatens you or your family, don't despair...give chiropractic a chance to help. Phone our office, now, and make an appointment.

## State Employees Have The Jitters

FRANKFORT — Hundreds of appointive state employees have a bad case of the anxieties-jitters since last week when a memo went out from the personnel commissioner's office that Gov. John Y. Brown Jr. said the work force must be reduced by five percent by June 30.

The most severe case of nerves is found in the Department of Education where the new superintendent of public instruction sent a note to all appointive personnel asking for their resignations.

Some personnel covered by the merit system also fear they may be temporarily unemployed or transferred to other positions in the realignment and reduction program. This can apply particularly for merit system employees who have not completed their six month probation periods.

The personnel reduction requested by Gov. Brown adds up to 1,869 state employees out of 37,000.

State employment rolls have burgeoned during the past eight years and particularly during the administration of Gov. Julian M. Carroll. New federal government programs have accounted for many of these while expansion of state government services cannot be overlooked.

It was somewhat of a shock to people in the Education Department when Supt. Raymond Barber sent out his memo. This department always in the past has been considered one of the most secure places for appointive personnel. A stranded educator had a good chance of securing a good job with his fellow professionals. It was a haven for misplaced Democrats during Republican Gov. Louie B. Nunn's administration.

Jobs in the governor's office that paid in the range of \$12,000 to \$15,000 per year in the 1960s have now skyrocketed to \$35,000 to \$47,500. Part of this, a great part of it, is due to inflation, but Governors Ford and Carroll hiked the

salaries considerably above many in private business. They claimed it was necessary to get "qualified" personnel.

The staff of the governor's office was more than doubled by Carroll over that of former Democrat Gov. Edward T. Breathitt. Brown has reduced the number, but he has hiked the pay in some cases and reduced it in others with the overall result of a large annual saving in state funds.

Gov. Brown now wants to further reduce the operating costs. One of the chief targets for the new governor outside of the general target of five percent is a drastic cut in personal service contracts that burgeoned under Carroll. One of the prime targets is attorneys hired on personal service contracts to the tune of more than \$2 million per year.

One Frankfort wag claims a lawyer hasn't become acclimated to living in Frankfort until he receives a personal service contract from the state. Some have more than two.

Personal service contracts cover professional people such as engineers and other professions as well as lawyers and architects.

James Graham succeeded in driving off or firing several in the Education Department who had been there for more than 20 or 30 years and were not at retirement age.

As one old-time educator, who didn't want to be quoted, said, "It's a new generation in charge, and they want to pick their own people" without regard to experience or longevity.

Gov. Brown also is tightening hiring policies. The budget and use of the press are his chief weapons in holding the offices of elective constitutional officers within his guidelines.

He also has asked for a survey of rental property needed by the state. Many are watching to see how long his economy program lasts.

## Sunday School Lesson

### The Woman Caught In Adultery

John 8:1-11

While Christ Jesus was at the temple in Jerusalem, the scribes and Pharisees, who repeatedly sought opportunities to ensnare Him, brazenly barged into His presence, bringing to Him a woman who had been caught in the act of adultery. Knowing that, according to the law of Moses (Deuteronomy 22:23-24), such a person should be stoned to death, when two persons attested to her guilt of this sin. These critics asked Christ if the law of Moses (stoning to death) should be administered in this case, or would He propose another rule by which they should go?

Really the critics were not concerned about this sinful woman, but they were very much interested in finding some basis on which to bring both religious and civil charges against Christ. They rejoiced in this opportunity of presenting Christ with this dilemma. In the event that He should say that the woman should not be stoned to death, they would accuse Him of being an enemy of Moses and charge Him with breaking his law, which prescribed the death penalty. If Christ should agree with Moses and declare that the woman should be executed, He would then be in trouble with the Roman government, whose officials had the sole authority to impose the death penalty upon the inhabitants of Jerusalem at that time.

Acting as if He were ignoring the hypocritical questioners, Christ stooped and began writing with His finger in the sandy soil. When He was pressed for an immediate answer, Christ stood erect, removed Himself from the dilemma in which they had placed Him, cut through the tangled web of their hypocrisy, and replied in a way which was different from anyone else. He confounded them by saying: "He that is without sin among you, let him first cast a stone at her."

The humiliated critics withdrew themselves with the least notice possible from others. Christ said: "Woman, where are those thine accusers? hath no man condemned thee?" She replied, "No man, Lord." Then He refused to condemn her, but urged her to repent of her sin and commanded her not to repeat her sin.

The way in which our Lord dealt with this sinful woman caused her accusers to drop the case lest they incriminate themselves, for they had committed adultery in their hearts, and some of them had done so in deed. The merciful and compassionate Saviour wanted this woman, and all who read the story about her, to know that by the grace of God sin can be forgiven and cleansed, and that their sinful habits can be overcome through the power of the

merciful and loving God. In forgiving this sinful woman the Lord Jesus did not minimize her sin or condone it, but made it perfectly clear that adultery was a terrible sin from which all should refrain.

## Contemporary Religious Thought

### "Agape Godly Love"

By John Churchwell  
Hazel & Mason's Chapel  
United Methodist Churches

There is nothing more needful in contemporary religion than the need for an all inclusive love, also known as "agape." The Apostle Paul uses the word "love" in 1 Cor. 13, whereas the Greek New Testament uses the word "agape" almost exclusively with the Greek word "phileo" being used at times.

In English we have only one word for "love" and that is the word love. In Greek there are three and if we choose to use dialects then there are four words for love. Erotic love is a love of passion, emotion love with sex. Phileo is a special kind of love. The kind of love we have for friends, brothers and sisters, a passionless kind of love yet one with emotion.

Agape is a different kind of love. It is all inclusive, passionless, emotionless. A better definition would be sympathetic toward, or a hospitable like spirit. This word "agape" does not appear in the "Septuagint" also known as the Greek translation of the Old Testament.

Paul in 1 Cor. 13, seems to be putting forth a new concept of love. A love that is all inclusive. A love that is not controlled by our emotions and passions. A love that breaks all barriers, a Godly love not swayed by anger, feelings or any other influence. A love that is a steady caring concern toward His creation. What a beautiful message to

## Bible Thought

Therefore I will judge you, O house of Israel, everyone according to his ways, saith the Lord God. Ezekiel 18:30

God is going to judge everyone of us someday, according to what we have done. The most important thing we can do to get ready for that event is to accept Christ as our Saviour.

us. God's love can be trusted. It remains steady, unchanging, the same yesterday and forever.

Paul in his famous sermon on love used the term "agape." Jesus also uses the term when He refers to our love for God and our love for our fellow man, and God's love for His creation. "For God so 'agaped' the world that He gave His only begotten Son." (John 3:16) "Thou shalt 'agape' the Lord thy God with all thy heart, and with all thy soul, and with all thy mind." (Matt. 22:37) "Thou shalt 'agape' thy neighbor as thyself." (Matt. 22:39)

God's church is called to be hospitable toward, in sympathy with, and concerned about, even our enemies, those who dislike and use us. God's love is all inclusive, crosses all barriers. It has an impulse to sacrifice. "Agape Godly Love" how attentive, how confiding, Godly love is a principle of life, and finally the Apostle Paul says that love is the fulfilling of the law. (Rom. 13:10)

Jesus said a new commandment I give unto you, that ye love one another as I have loved you. (John 13:34) "By this all men shall know that ye are my disciples." (John 13:35)

# HEARTLINE

Heartline is a service for senior citizens. Its purpose is to answer questions and solve problems — fast. If you have a question or a problem not answered in these columns, write Heartline, 114 E. Dayton St., West Alexandria, Ohio 45381. You will receive a prompt reply, but you must include a stamped, self-addressed envelope. The most useful replies will be printed in this column.

HEARTLINE: My mother and father are in their late sixties. They have been blessed with good health. However, they have both been accident-prone lately.

My mother broke her arm three months ago and just last week tripped over a broom and cracked two ribs. My father tripped over a loose rug and broke his ankle two days later.

I tell them it is due to carelessness, but they just get angry when I talk to them. What can I do to make them realize that they must be more careful. — K.E.

ANSWER: Their accidents could have been partly carelessness, and the fact that their bones are more easily broken. The older we get, the more brittle our bones become. A simple fall might prove to be embarrassing or result in a simple bruise for a young or middle aged person, but an older person may suffer a broken bone in the exact same fall.

Elderly people should take special measures to avoid accidents. It is accidents in the home that are responsible for incapacitating many older people. Do not wait to repair a loose board or

a shaky railing on the stairs. Tack down that loose rug. When the phone rings and you put the dustmop down to answer it, don't put it where your husband may come along later and trip over it. Sounds silly, you say? You would be surprised at the number of people who fall victim to brooms, mops, dustmops and sweepers.

On the positive side, be ready to think of extra safety features that can be installed to reduce accidents still further. You would be surprised at all the types of accidents that occur at home.

HEARTLINE: I turned age 65 in May of 1978. I did not retire and am not drawing any Social Security benefits. Because I was not retiring, I just didn't give Social Security or Medicare a thought, because I believed that I could not participate in either benefit until after retirement.

Several of my old friends and I got together on New Year's Day and the talk got around to retirement and I found out that I could have signed up for Medicare coverage without retiring.

However, one friend said that because I did not sign up at age 65, I will be penalized and will also have to wait until a "general enrollment period" to sign up. No one knew when this "general enrollment period" is. Can you tell me how this will affect me and what I need to do to sign up? — J.G.

ANSWER: The general enrollment period for Medicare enrollment is from January 1st through March 31st of each year. This enrollment period is for persons who did not, for one reason or another, sign up for coverage during

their initial enrollment period. (The initial enrollment period begins on the first day of the third month before the month a person first becomes eligible to enroll. In your case, and most cases, you first become eligible at age 65.) So, you can sign up anytime now before March 31st.

As to the penalty, the monthly premium amount is increased by 10 percent for each full 12 months in which the person could have been, but was not, enrolled. In determining the percentage by which the premium is to be increased, count the months between the close of your initial enrollment period and the close of the enrollment period in which you first sign up.

Staff Sgt. Albert V. Hughes, once wounded veteran of the Battle of France, was killed in action Nov. 23, 1944, in Germany, according to a belated message from the War Department to his parents, Mr. and Mrs. Tom Hughes of Murray. He had previously been reported as missing in action. The Hughes parents had three other sons in the armed services at the time of the announcement. They were medical corpsman Alton Hughes, CSK James Hughes, and SIC Herbert Hughes. The latter two servicemen were attached to the Navy.

T4 Sgt. Charles Dillard (Jack) Dunnaway was reported to be missing in action Dec. 17, 1944, in a communication from the War Department to his wife, Mrs. Mary Hargis Dunnaway, and mother, Mrs. Eva Dunnaway of Lynn Grove. The tank destroyer battalion specialist of the First Army mailed a letter home to his family Jan. 9, 1945, that he was a prisoner of war.

Sgt. Kyle Brooks Ferguson, 26 year old New Concord youth, was killed in action in Germany Dec. 14, 1944, according to a message received by his wife, Mrs. Modena Gibson Ferguson, and two children, Earl Gene and Sarah Marie. He was a member of the famed Second Division to conquer Aachen, Germany, among the first of the German fortified cities to be seized by U. S. troops. In addition, he had previously been wounded in combat at Brest, France. He was the son of Mr. and Mrs. Lynn Ferguson.

Sgt. Cody Jones, formerly a resident of Calloway County, was killed in action in Germany Jan. 26, 1945, according to a message received by his wife, Mrs. Ruth Jones of Mayfield, and mother, Mrs. Victor Jones, also of Mayfield.

Sgt. Alvis Calhoun was killed in action while participating in the invasion of Leyte, Philippines, Jan. 6, 1945, according to a message to his wife, Mrs. Roberta Eldridge Calhoun. The combat soldier had been in the armed forces for four years and had been a battle participant in New Guinea. He was the son of Mrs. Myrtle Calhoun and the late Ethyl Calhoun.

Pvt. Lilburn Van Huie, 27 year old paratrooper son of Mr. and Mrs. Lilburn Huie of Murray, was killed in action in Belgium Dec. 20, 1944. Pvt. Huie is well remembered as a star athlete with the Murray High School Tigers. He also had three brothers in service at the time of his death: Cpl. Harbld Huie in Italy, Pvt. Rob Huie in Belgium, and Billie Joe Huie in the Air Corps.

# Gifted And Talented Program In First Year Of Operation In Calloway County Schools

Crocheting for grades 2-5 is being taught by Mrs. Rosalee Kelso. The students are learning the basic steps in crocheting. From left to right are: Kellye Geurin, Vicky Grady, Mrs. Kelso, and Kim Mann. Not pictured are Lori Roberts, Stephanie Hays, Jody Burkeen, Gina Gooch, Stephanie Barnett, Betsy Whitfield, and Davida Waldrop.

Fun in Mathematics for grades 2-3 is one of our more popular classes. Students are studying volume and liquids, being introduced to multiplication, and playing games to reinforce mathematics skills. Facing the camera are Darla Gremore, Kim Laugh, Amanda Smart, and Johna Calhoun. Other students enrolled are Joe Baust, Chris Hale, Johnny Mac Phillips, Chris Black, Jason Sims, Valerie Barrett, Andy Rickman, Jonathan Rose, Michelle Stubblefield, Stacie Williams, Mark Barber, Harry McDonald, Lenora Garland, Randy Poe, Lonnie Brittain, Benny Cushman, Yolander Greenfield, Ronnie Cochran, Alison Leslie, and Loren Wisheart. Teachers are Mrs. Karen Kelso and Mrs. Linda Shouse.

Sewing students are learning the basic sewing skills such as stitching straight seams, sewing on buttons, and hemming. Students are (front to back) Angela Boyle and Angela McClard. Mrs. Patsy Watson is teaching the class.

Rose Lee Herndon and Karen Dowdy are learning about basic cooking techniques and nutrition in the advanced cooking class. Miss Carolyn Dennis is the instructor.

Physical Education students in grades 2-5 are studying the basic training techniques applicable to any sport, with special emphasis on basketball. Pictured are Bobby Allen, Stacy Taylor, Jennifer Parrish, Joey McCallon, Alan Cothran, and Jonathan Poyner.

These middle school cooking students are learning how to cook with a child under foot! They are studying basic cooking techniques and nutrition. Students enrolled are Lori Windsor, Daysha Smith, Lisa Chaney, JoAnne Darnell, Denise Thompson, Sherri Gallimore, Tammy Thomas, Renee Butler, Alicia Stubblefield, Jolene Aeschliman, Regina Peeler and Mike Keeling. Mrs. Lynda Coleman is the teacher.

Science, grades 2-5, is taught by Dr. Harold Eversmeyer and William Teeters. The students are studying the biological aspects of science. Students enrolled in this class are Sherri Tidwell, Eric Barrett, Marcia Grimes, Kyle Roberts, Ray Dunn, Kelli Burkeen, Jeffery Smith, Timmy Black, Carey Alexander, Danielle Rodriguez, Stephen Lovett, Jody Lassiter, Todd Bohannon, Scottie Rice, Richard Hill, John Devries, Billy Mathis and Jeffery Call.

T-Shirt Art and Shrink Art is being taught by Mrs. Dorothy Cook to students in grades two through five. These students are learning to mix colors and then transfer their patterns to the t-shirt. Facing the camera are Shari Steen, Chantal Walker, Vicki Herndon, and Mrs. Cook. Not pictured are Tammy Edmondson, Patrick Gupton, Sara Bucy, Felisha Lamb, and Yancey Huie.

Cooking for elementary students has been a rewarding experience for most students. Through the use of senior home economics students at MSU, Mrs. Diana Rinard and Miss Joni Russell have imparted a storehouse of knowledge to their students. A short puppet show each class has done much to teach nutrition and basic food groups, preparation, and cooking. Students enrolled in this class are Kerri Ann Atkins, Amy Albritton, Gary Bailey, Leslie Erwin, Elizabeth Casas, Johna Jones, Nita Nute, Dana Underhill, Beth Henninger, Lori Overcast, Teresa Armstrong, Heather Williams, Debra Mott, Melanie Emerson, and Elizabeth Marquardt.

Pet Care students, taught by Linda Dallas, are studying the regular care and feed of domestic animals. Students are making pet care folders. Pictured left to right are Steve Casas, Roger Hutson, Miss Dallas, Gail Bailey, and Richard Lovins. Not pictured are Cliff Curd and April Woods.

Spanish on the elementary level is proving to be a rewarding experience for the youngsters enrolled. The students are studying the basic language and are learning to speak Spanish words. Pictured are Richard Henninger, Christy Eldridge, Natalie McDougal, Shalisha Bandarra, Gina Harris, Karin Elkins, and Christy Saladino. Not pictured are Dana Armstrong, Charles Jeffrey, Gwen Bailey, Dena McClard, Ruth Ann Black, Melody Kernell, JoAnna Gibb, Tracy Manning, and Suzanne Coleman. Mrs. Debbie Burgess is the instructor.

The gifted and talented program in the Calloway County School System is in its first year of serving students in grades 2-12. In the program, students are directed in activities that are designed to develop higher levels of thinking, greater skills in group interaction and advanced study in creative expression.

During the first semester, classes were taught on Saturday mornings at Calloway High, East Elementary and Murray State University. The Calloway

system is the only district in the state that offered the Saturday enrichment program.

Students in the program are selected to participate through test scores and teacher referrals.

Last semester, the system had 260 eligible with 239 participating in the Saturday school.

Students are permitted to choose classes on three grade levels: 2-5, 6-8, or 9-12. Class offerings include art, science, math, physical education,

home economics, crafts, instrumental and vocal music, industrial arts, foreign languages, solar energy, psychology and computer science.

Students receive no grades or credit but are awarded a certificate of merit for participating in the program.

Mrs. Bonnie Nute is program coordinator for the Gifted and Talented Program.

These photos were taken during the fall semester. The spring semester program is already underway.

Computer Science has proved to be one of the most requested classes offered on the secondary level. Leon Adams, instructor, attempts to teach the basic language of computer and program. Students are permitted to play games on the computer as well as do their own programming. Students enrolled are Donald Colson, Craig Chandler, Nick Horton, Denise Rutherford, Jackie Miller, Galen Wortham, Terry Roberson, Monica Brown, Melissa Miller, Mary Wagoner, and Susan Byars.

Self-Discovery is designed to help the students become more aware of themselves, their feelings, their abilities, and their goals and to develop skills in abstract thinking. To aid in self-discovery the students are studying transactional analysis using the text AM I OK? Pictures from left to right are Jeana Cooper, Mrs. Donna Herndon, instructor, Christy Griggs, Mike Bell and Karin Henninger.

Archeology for grades 6-8 with David Foley and Stephen McDowell as instructors are studying ancient Indian sites as well as early historical sites in Kentucky. Rock and earth formation is being introduced in this class. Pictured are JoAnn Herndon, Nicole Fravel, Trevor Coleman and Stephen McDowell. Other students enrolled in the class include Mark Cooper, Mark Thorn, Tony Johnson, Greg Douglas, Jennifer Rice, Sheila Alexander, Jennifer Jarrett, Regina Fox, Beth Woodall, and Mark Waldrop.

Industrial Arts for grades 6-8 is a new experience for most of the young students enrolled. Mr. Harold Arnett, teacher, is introducing the students to the surface planer and to general woodworking. (Left to right) Bill Chaney, Larry Gooch, Kevin Lamb, Jay Herndon, Leland Steeley, Denny Jones, Shane Wall, and Tommy Pritchett are shown observing the demonstration. Other students enrolled are Jimmy Barrow, Michael Bryan, Greg Edmondson, Daron Wilson, Chuck Adams, Stacey Darnell, Brad Haley, David Lamb, Mark Barrow, Russell Evans, and Donnie Grace.

French in grades 6-8 is being taught by Miss Debbie Hoffman. The students are exploring the language and its customs, learning to speak some French words, speak sentences, and play games in French. Pictured are (left to right) Jeffery Harris, Mylinda Mitchell, Molly Imes, Mark Bassell, and Miss Hoffman. Other students enrolled are Kari Lynn Larson, Janee Sims, Ed Crutchfield, Mikal Grimes, Emily Dunn, Melissa Manning, Renee Taylor, Lori Steele, Melissa Herndon, Darin Loftis, Dawn Hale, Marcia Ford, Melissa Richerson, Charles Cathey, and Evy Jarrett.

The secondary French class is studying conversational French with base of grammar as requested by the students. MS. Christine Walker is shown instructing Lauren Gilson, Kevin Hopkins, and Laura Fones.

The string art class, grades 6-8, is making a three dimensional owl plaque. Students enrolled are (left to right) Gim Garland, Lori Alton, Carri Ann Paschall, David Grady, and Lori Burkeen. The instructor is Mrs. Brenda Kear.

Secondary science, taught by Dr. Earnest Kastning and Dr. John Mylroie, is studying the geology and chemistry aspects of science. Students enrolled in this class are James Bibb, Joey Zinkovich, Mike Holloway, Rodney Lawrence, Charles Woods, Ray Elkins, Greg Schroeder, Perry Cooper, Darrell Overby, Thomas Dowdy, Rita Duncan, Ronnie Bryan, William P'Pool, Lynn Eldredge, and Aleah Lamb.

Paper Mache and Christmas crafts is being taught by Mrs. Margaret Crawford. The students are shown here putting together the first form for their horses they are making. The students are Lisa Phillips and Regina Walker.

The Solar Energy Class, grades 9-12, is studying the sun and its effect on us and how to convert solar energy to use in our homes. Students in this class are (front to back) Vincent Alton, Roger Colson, and Danny Garland. Miss Patty Alvery is the instructor.

In the candle making class students are studying wick and wax selection, how to use different colors, scents and molds. The class is taught by Lorin Watson. Behind Green, Davis

## Murray Comes From Nine Down

By DAVID HIBBITTS  
Sports Editor

CLARKSVILLE, Tenn. — "These guys have their heads screwed on correct," was how forward Gary Hooker described the lineup which was forced to get by a little more without him in Murray's late-breaking 62-51 win over Austin Peay last night.

In the first few minutes of the game, Hooker went to the basket repeatedly but was still searching for the touch he had had before he was hurt in the Morehead game.

At 8:38 he was whistled for his third foul and he was off to the bench with a scoreless first half and just two rebounds. Murray was leading, 19-18, but soon fell into a dry spell which allowed

Austin Peay to move ahead by a 32-23 score.

But just as it had done without Hooker at Western Kentucky and against Middle Tennessee, Murray began to chop away at the lead with authority. Forward Glen Green scored four of the next eight Racers points to send Murray to the dressing room down at 35-31.

By halftime, Green had scored eight points and had taken up the slack on the boards with 11 rebounds.

"He (Green) is getting better and better," Murray coach Ron Greene said. "He is shooting more since I told him to be offensive-minded and since Gary wasn't himself tonight."

"When Gary was gone, coach Greene told me I had to

do more rebounding and scoring," Green said. "He set us up nice on the design. I had the shots, so I took them."

"We're not really that big, but we're outrebounding most teams."

With Green continuing to hit consistently from 15-to-20 feet and controlling the rebounding, along with center Allen Mann, Murray drew close.

The second half opened with guard Jerry Smith popping in a 20-footer and then turning around with a quick steal and a stuff to bring Murray into a tie at 35-35.

Even though Austin Peay went ahead by four again at 39-35 and persistently hit from outside until the final few minutes, Smith's plays proved it would be a different half.

At 14:50 and 41-all, when Green broke loose on a fast break and was fouled before his shot, all eyes in the crowd were on him. But then all eyes switched quickly to the other end where Hooker was lying on the court in pain.

"The first thing I thought was here we go again," Greene said.

But after a few minutes in the dressing room, Hooker had recovered from a groin injury and returned to action.

"That (the injury) probably got me going," Hooker said. "It (returning) was kinda like playing with four new people. It was like I was nothing. It was what we needed."

Without Hooker and protecting a 45-43 lead, Murray went to its spread offense with 13:32 remaining. After just passing the ball for the first minute, Smith and forward Herman Boyd began to make a few test cuts to the basket.

Finally, at 9:43, Boyd got the ball just in front of the basket and put in a short jumper to give Murray its biggest lead of the game until then at 47-43.

After that, Hooker re-

## Lady Tigers Romp Over Fulton City

The Murray High lady Tigers ran their season record to 10-4 last night with a 59-17 win over the visiting Fulton City Bulldogs.

The Tigers jumped out in front of the Bulldogs early and had rolled up a comfortable 16-4 lead after the first quarter.

Last night's game was the first for the Tigers since their one-point loss to Calloway County. Murray coach Rick Fisher said that the Tigers were able to play everyone that dressed out for the game, with most of the players recording two quarters of playing time.

Murray was led by Tonya Alexander and Candy Jackson. The pair combined for 36 of the final 59 Tiger points.

Murray came out in the third quarter and added 12 points to its 30-7 lead at intermission while holding the Bulldogs scoreless in the third stanza.

With both teams substituting freely in the final period Fulton City closed the

scoring gap slightly, adding 10 fourth-quarter points against Murray's seven to make the final 59-17.

The Tigers hit 39 percent of their shots from the floor, making 24 of 61 attempts while the Bulldogs could manage only five of 45 field goals for a meager 11 percent. Murray outrebounded the Bulldogs 43-27.

Murray also outshot the Fulton City squad at the free throw line. The Tigers dropped in 11 of 21 from the charity stripe while the Bulldogs hit seven of 17.

The Lady Tigers travel to Mayfield Monday night to take on the Lady Cardinals in an 8:00 p.m. contest. The Tigers downed the Cardinals in the first meeting this year, 55-53.

## Murray Women Drop Fifth In Row

Murray State's women dropped its fifth straight OVC game in a 69-62 loss to Austin Peay.

As Murray has done in many of its games, it took a one-point lead a couple of times in the second half after trailing by six at halftime, but could not hold onto it.

"This is a see-saw team," Murray coach Jean Smith

said. "It looked for a while we were going real well; then we go halfway."

"We were hurt because we didn't get any center play. We were hurt on the rebounding."

"(Forward) Laura Lynn is not well. The doctor will be examining her."

The loss left Murray at 10-10 for the season.

## Purdue Wins In OT Despite Early Shot

By The Associated Press  
Mike Scarce should know better than to listen to the Wisconsin Badger basketball fans.

But he did Thursday night — and it almost cost the Purdue Boilermakers a game.

With the score of their Big Ten contest tied 50-50 and 20 seconds left, Purdue had possession of the ball and a chance to win. But Wisconsin fans began a 10-second chant at this point, duping Scarce into rushing up a premature desperation shot that missed.

There was still time for the Badgers to take a shot of their own. Luckily for the embarrassed Scarce, it missed, and the Boilermakers went on to win in overtime, 73-60.

"That sure was great crowd support," Purdue Coach Lee Rose said of the deceitful Badger crowd.

Rose did have some time to soothe Scarce when the Badgers, planning their last shot in regulation, called a timeout with nine seconds remaining.

"I told him to forget it because he was going to be in there and I don't want him thinking about it," Rose related.

Badger Coach Bill Cofield was reluctant to respond when asked whether the game reflected rumors of selfishness on his team.

"We executed our game

plan very well," Cofield told sports writers. "The only statement I am going to make is my original one: we executed very well."

The 14th-ranked Boilermakers were one of six ranked teams in action Thursday night. Elsewhere, No. 4 Ohio State stopped Illinois 79-76; No. 6 Syracuse held off Rutgers 69-66; No. 9 St. John's routed Davidson 67-48; Minnesota upset No. 16 Indiana 55-47 and No. 20 Brigham Young crushed San Diego State 123-91.

Brian Walker and Joe Barry Carroll took over for Purdue in the overtime period, combining for 10 points. Carroll finished with 21 points and Keith Edmonson added 17 for Purdue.

Herb Williams scored 24 points to lead Ohio State past Illinois. The Buckeyes took an early lead and were never headed, although they were constantly troubled by Illinois rallies and a press in the final minutes.

Roosevelt Bouie and Louis Orr combined for 28 of Syracuse's 37 second-half points to lead the Orangemen past a surprisingly tough Rutgers team. The Scarlet Knights, struggling through a so-so season, had numerous chances to win down the homestretch, but finally fell short as Orr made a key steal in the final 10 seconds.

## After Trailing 33-29 At Half

# Lady Marshals Hand Calloway Second Defeat

By GARY GARTH  
Sports Writer

The Calloway County Lady Lakers tried to avenge their only loss of the year last night when they traveled to Marshall County to play the Lady Marshals. But in a close and exciting contest, the Marshals handed the Lakers their second season defeat 61-51.

Calloway got off to a slow start in the opening seconds of the game. The visiting Lakers could not get their shots to fall and were victimized by several early first-quarter foul calls.

The Lady Lakers began to get their game rolling about three minutes into the game behind the shooting and rebounding of forward Mini Todd. Todd pumped in 19 of the Lakers' 15 first-quarter points.

The Lakers and Marshals were in a 27 tie midway through the period, and it remained a close ballgame until the closing minutes.

Laker center Kim Willie fell into foul trouble late in the first quarter and spent about one-half on the remaining playing time on the bench.

"Willie was in foul trouble early," Laker coach David Elliot responded after the game. "It seemed like every time I looked around for her she was sitting on the bench beside me."

The two teams continued to trade baskets as the quarter ended with Calloway holding a

slim 15-12 lead.

The second period picked up right where the first had stopped. Keen put the Marshals on top with a two-pointer in the opening seconds but Todd gave the Lakers back the lead on a three-point play.

After Laura Seay tied the game at 24-24 for Marshall County, Calloway slightly increased its lead. Three straight baskets by Todd in the closing two minutes of the half gave the Lakers a four-point 33-29 lead at the intermission.

Both squads enjoyed a strong first half with fine shooting and strong rebounding by each team.

The Lakers came out sluggish in the quarter and the Marshals took over the lead 34-33 on shots by Seay and Barbara Faughn. Todd sank two free throws for the Lakers to regain the lead for Calloway and the Lakers increased their margin to three points, 39-36, midway through the stanza.

The hosting Marshals regained the lead late in the period and increased their lead to 43-39 on a three-point play by Mitis Birdsong to end the period.

Marshall County never trailed in the game again as the Marshals began the final quarter by expending their lead to seven points at 46-39, the largest margin either team had held.

The Lakers stayed close until the closing seconds of the

game behind the shooting of Todd and Willie, who combined for all of Calloway's 12 fourth quarter points.

Calloway ran into several fouls late in the game, and sharp free throw shooting by Marshall County wrapped up the game.

Laker coach David Elliot offered some words of praise for the Marshals, who have been rated the top girls team in Kentucky by the Courier-Journal's Litkenhouse Ratings. "Marshall County came out and played a very fine ballgame," Elliot said. "They played very hard."

"I'm not disappointed at all in my girls," Elliot added. "We didn't run our offense very well in the third period (the Lakers were out scored 14-6) but overall I thought we played a fine game."

The win raised the Lady Marshals' record to 13-0. The loss dropped Calloway's to 13-2 on the season. The Lakers host Fulton City Tuesday night in a 6:30 contest. That game will be followed by the boys varsity at 8:00 p.m.

## Western Wins At MTSU, Morehead Rolls ECU

MURFREESBORO, Tenn. (AP) — Jack Washington and Bill Bryant hit for 12 points apiece in leading Western Kentucky to a 62-58 Ohio Valley Conference college basketball victory over Middle Tennessee.

The pair got double-figure scoring help from teammates Craig McCormick and Trey Trumbo, both guards, who hit for 10 points each in the

Hilltopper's balanced attack.

The win gives Western Kentucky a 4-0 record in the OVC, 11-4 overall, while MTSU slips to 2-2 in conference play, and 12-6 on the season.

Middle Tennessee was leading 14-10 midway in the first period, but 10 unanswered points by Western Kentucky put the Hilltoppers ahead to stay. Although Western Kentucky led by as

many as 10 points in the second period, the Blue Raiders kept chipping away, keeping the outcome in doubt until the final minutes.

Middle Tennessee's LeRoy Coleman was game-high scorer with 17 points. Edward (Pancake) Perry, a freshman point guard, was MTSU's other double-figure scorer with 12 points.

AKRON, Ohio (AP) — Junior guard Wendall Bates scored 23 points to lead Akron University to an 85-74 non-conference college basketball triumph over Tennessee Tech.

Sophomore forward Pete Abuls took scoring honors for Tech with 18 points. Forwards Lance Bates and David Mason each added 18 for Akron, which shot 53 percent from the floor.

MOREHEAD, Ky. (AP) — Glen Napier scored 25 points and Charlie Clay added 24 as Morehead State defeated Eastern Kentucky 85-74 in Ohio Valley Conference college basketball last night.

Morehead State, 9-6, took the lead for good at 12-11 with 12:21 remaining in the first half, led 37-35 at intermission and pulled away by as many

as 11 at 81-70 with 2:16 to play. Eastern Kentucky, 8-6, could get no closer than 69-65 with 5:02 remaining.

James Tillman had 19 points to lead Eastern Kentucky's scoring, while Tommy Baker added 16 and Dave Tierney 11.

Morehead State is now 3-1 in OVC play, while Eastern Kentucky's league mark dipped to 2-2.

## Trail Blazers Look Like World Beaters When They Play Lakers

By The Associated Press  
The Portland Trail Blazers certainly aren't burning up the National Basketball Association these days, but they look like world-beaters whenever they play the Los Angeles Lakers.

The Blazers met the Lakers for the third time this season Thursday night and, for the third time, they beat them.

"This is the best game we played all year," noted Portland Coach Jack Ramsay after the 111-103 victory. "If we play game after game like that, we will be in the playoffs."

"We played a very good team and beat them. We have to do these kinds of things night after night. Consistency is what wins in this league."

Of course Ramsay's team has been anything but consistent so far, with a mediocre 25-27 record.

AN INVESTMENT  
IN YOUR FUTURE

## What am I?

I Wonder

"I wonder what part I will play in God's scheme of things. Will the way I live my life make any difference at all? Everyone asks these questions at one time or another. The universe is so vast and time so infinite that it is difficult to believe that one life can change the history of mankind at all."

Yet each man and woman's life is important to God's plan. Like a wise and loving parent, God allows us to make our own decisions—and our own mistakes. It is up to each of us to make the wisest choices that we can in life. In this way we can contribute to the good of mankind."

Former Local Girl Serving As Hostess Reported Safe

# Hijackers Demand To Be Flown To Iran

ATLANTA (AP) — Two hijackers believed armed and claiming to be Black Muslims commandeered a Delta Air Lines jet carrying more than 60 persons from Atlanta to New York early today. They forced the plane to fly to Havana where they demanded another plane to take them to Iran.

Airline hostess Kay Adams, granddaughter of Mr. and Mrs. Clarence Horton of Murray, was reported safe in Cuba.

Her parents, Mr. and Mrs. Charles Rob Adams, Albuquerque, N.M. and formerly of Murray, were notified by airline authorities this morning that she was safe.

Miss Adams, who resides in

Louisville, works out of Chicago, Ill., has been with the airline for five years.

State Department spokesman David Passage said in Washington that the hijackers asked Cuban authorities to provide them with a plane to Tehran, but the Cubans refused. Delta said the hijacked plane, a wide-bodied L-1011, was not equipped to cross the ocean.

FBI agent Welton Merry in Miami said "At least two of the passengers have been identified as hijackers. They claim to be Black Muslims and they want to go to Tehran."

There were reports the hijackers carried a gun or a bomb. Merry said his only definite word was that they

were armed with "real weapons."

Nearly five hours after Flight 1116 landed at Havana's Jose Martinez Airport at 4:03 a.m. EST, its doors remained shut and Passage said the only person allowed off was one unidentified diabetic passenger who was taken to a Havana hospital.

There were no reports of injuries.

The flight was hijacked over Greensboro, N.C., at about 1:51 EST, said Delta spokesman Jim Ewing.

Dennis Feldman, a spokesman for the FAA in Washington, said earlier that the plane apparently was being refueled in Havana and was to return to Miami.

## Pastor To Speak At Martin's Chapel

The Rev. Dan Tucker will speak at the 11 a.m. worship service on Sunday, Jan. 27 at the Martin's Chapel United Methodist Church, located out South 16th Street.

Ralph Robertson will direct the church choir with Ricky Cunningham as the pianist. The special selection for the worship service will be "God Walks The Dark Hills."

Sunday school with Pat Robertson as superintendent will be at 10 a.m.

Serving as church greeters this week will be Mr. and Mrs. Homer Charlton.

Aviation officials in Miami said they had not received a flight plan from Havana.

The FAA said the jet carried 52 passengers and 12 crew members, but Delta spokesman Dick Jones said in Atlanta there were 62 persons aboard — 51 passengers and 11 crew.

Feldman also said before the plane landed in Havana "our information is that there is a man in the cockpit with a gun."

However, a State Department spokesman who declined to be named said the hijacker told the crew he had a bomb.

The flight began Thursday in Los Angeles and stopped in Dallas before arriving in Atlanta, taking off from there at 1 a.m. for Kennedy International Airport in New York.

The last hijacking of a U.S. airliner to Cuba occurred June 11, 1979, when a lone man took over a Delta jet en route from New York to Fort Lauderdale, Fla. The passengers and crew were allowed to return to the United States.

U.S. airplane hijackings began in 1961 when Antonio Ramirez Ortiz forced a National Airlines plane to fly him from Florida to Cuba.

Skyjacking reached a peak of 33 in 1969, then began to taper off through the 1970s as security measures were implemented. Between 1961 and 1973, when the U.S. and Cuba signed a treaty for the

extradition and prosecution of hijackers, 87 U.S. planes were diverted to Cuba.

Last August a man wielding a bottle demanded a Miami-bound Eastern Airlines jet take him to Cuba. The flight was diverted, but passengers and crew overpowered the hijacker and bound him with neckties. The plane landed safely in Miami.

## Reading Materials Needed At Hospital

Reading materials are needed for the patients at the Murray-Calloway County Hospital, according to officials of the Calloway County Chapter of the American Red Cross.

Persons having recent paper back books, magazines and other reading sources are asked to donate them to the hospital.

Any one having materials to donate may bring them to the Red Cross office in the Calloway County Court House or to the lobby of the local hospital.

United States farm residents are now outnumbered about 30-to-1 by the rest of the population, according to Sperry New Holland.

## Your Individual Horoscope

— Frances Drake

FOR SATURDAY, JANUARY 26, 1980

What kind of day will tomorrow be? To find out what the stars say, read the forecast given for your birth sign.

**ARIES** (Mar. 21 to Apr. 19) ♈  
A lively p.m. gathering is stimulating, but know your facts before airing opinions. A close ally becomes increasingly creative.

**TAURUS** (Apr. 20 to May 20) ♉  
Be alert for a career opening that promises increased revenues. At the same

time, watch overspending while having good times.

**GEMINI** (May 21 to June 20) ♊  
The outlook is promising for both relationships and distant matters. A weekend jaunt should prove esp. pleasurable.

**CANCER** (June 21 to July 22) ♋  
Find a niche at home where you can work comfortably. Enjoy privacy and self-analysis, but be alert to others' feelings.

**LEO** (July 23 to Aug. 22) ♌  
You should feel proud of a loved one with whom to share the limelight. Make a beginning on a creative project. Trust imagination.

**VIRGO** (Aug. 23 to Sept. 22) ♍  
Make a budget for those home improvements you've been dreaming about. Forget about remuneration, enjoy a job for its own sake.

**LIBRA** (Sept. 23 to Oct. 22) ♎  
Creativity peaks. Put new ideas into action. Make plans for a pleasure trip; don't overlook the importance of another's insight.

**SCORPIO** (Oct. 23 to Nov. 21) ♏  
With a little research, you'll unearth a financial opportunity. Consult with loved ones before parting with joint assets.

**SAGITTARIUS** (Nov. 22 to Dec. 21) ♐  
Though you and a loved one come to an understanding, words must be followed with appropriate action. Friends are helpful.

**CAPRICORN** (Dec. 22 to Jan. 19) ♑  
Intuition is prompting you in a new career direction. Pay attention to inner needs. Avoid overting yourself in p.m.

**AQUARIUS** (Jan. 20 to Feb. 18) ♒  
A friend from afar will soon play an important part in your life. Enjoy leisure activity, but watch overindulgence.

**PISCES** (Feb. 19 to Mar. 20) ♓  
Settle old issues. Make plans for long-range security. A moment of privacy helps you in dealing with the needs of others.

**YOU BORN TODAY** are a humanitarian with executive ability. You have the power to implement your ideals. You would have success in businesses allied to the arts and can succeed as a theatrical producer or art dealer. Your practical know-how combined with your interest in others makes you well-qualified for civic leadership and philanthropy. Your intellect combined with your imagination marks you for success as an artist, writer, educator or actor. You may have a special talent for administration. Birthdate of: Paul Newman, actor; Douglas MacArthur, military commander; and Eartha Kitt, actress.

Richard Lassiter of 501 Broad Street, Murray, died Thursday at 4:10 p.m. at the Murray-Calloway County Hospital. He had been stricken ill Thursday morning while at work at the Martin Oil Company where he had been employed for 26 years.

Mr. Lassiter, 64, was a member of the Liberty Cumberland Presbyterian Church and American Legion Post No. 73, and was a veteran of World War II. Born Jan. 1, 1916, he was the son of the late Jobie Lee Lassiter and Emily Ann Fleeman Lassiter.

Survivors include his wife, Mrs. Ethel Lee Lassiter, to whom he was married on June 9, 1945; one brother, Charlie Lassiter and wife, Ruth, 1401 Story, Murray; one nephew, Jerry L. Lassiter and wife, Deborah, 807 North 18th Street, Murray; two cousins, Madison and Allen Jones, Murray.

The funeral will be held Saturday at 3 p.m. at the chapel of the Blalock-Coleman Funeral Home with the Rev. Truman H. Sanders and the Rev. Bob Dotson officiating. Mrs. Otto Erwin will be organist.

Burial will follow in the Coles Camp Ground Cemetery. Friends may call at the funeral home.

### Study Of Middle East Set At Methodist Church

The Mission Work Area of the First United Methodist Church has planned a four Sunday night study of the Middle East. The first session will begin Jan. 27 at 5:30 p.m. with a chili supper.

Dr. Farouk Umar, professor of political science at Murray State University, will speak at approximately 6:15 p.m. on the historical background of the Middle East and lead a question and answer period.

The cultural and religious background of this region will be Dr. Umar's topic for the second Sunday night session. For the third evening a panel discussion is being planned with Dr. Richard Butwell, vice president for Academic Programs at Murray State University, as the leader.

Group discussions and a wrap-up session on the fourth Sunday night with a pot luck supper featuring Middle East dishes will conclude the study.

Classes for all ages have been arranged. Mrs. Gerry Reed of the Murray-Calloway County Library has selected

### Pair To Speak At Sinking Spring Sunday

David Smotherman and Ronnie Walker will be speakers at the 11 a.m. services and Jim Neale and Rudell Parks at the 7 p.m. services on Sunday, Jan. 27, at the Sinking Spring Baptist Church.

## Rating Predictions For TV Not Turning Out As Expected

By PETER J. BOYER  
AP Television Writer

LOS ANGELES (AP) — When all was said and done, after plotting schedule strategies and analyzing the competition, the 1979-80 prime time television competition came down to this: "ABC" will finish No. 1, CBS will finish No. 2 and NBC will finish No. 3.

The prediction came from Robert Daly, chief programmer at CBS. It seemed a reasonable prediction at the time — last October — even if CBS was being drummed at the time by ABC and NBC. If you were partial to longshots, the only decent bet was that NBC might catch up to CBS this season; but few, including CBS' Daly, expected mighty ABC to be turned out from its penthouse digs this year.

Yet, entering the second half of the season, CBS has fought to a virtual tie with ABC at the top of the A.C. Nielsen Co.'s prime time ratings list. CBS has come in since Thanksgiving, scoring weekly ratings victories in eight of nine weeks and consistently filling the Nielsen top ten with CBS programs.

The weird part of the CBS surge is that you can't quite put your finger on its cause — there were no new breakthrough shows, of the sort that put ABC at the top a few years ago (such as "Happy Days" and "Laverne and Shirley," or "Mork and Mandy" last season). CBS' charge has

been built on series that have been there all along. The present state of the ratings competition can be explained in part by moves made by ABC, "smart" programming moves that CBS refused to make. ABC tinkered with its hits, CBS did not. ABC split its "Happy Days," "Laverne and Shirley" tandem, the two-hit duo that had led ABC to happy times. The network moved other shows. "Mork and Mandy" was lifted from its Thursday evening slot and sent to Sunday night, where it was hoped CBS' hold could be broken.

Good moves all, on paper, at least. It is conventional television wisdom that you work your strengths and to protect strengths and to protect your own new programs. For some reason, though, the strategy failed ABC. "Mork" was chased back to Thursday night by "Archie's Place," and CBS' Sunday evenings became stronger than ever, virtually beyond challenge. The splitting of "Laverne and Shirley" from "Happy Days" had the effect of all but killing "Laverne and Shirley" and leaving "Happy Days" vulnerable to a challenge. CBS, meanwhile, sat pat.

Its Sunday evening series grew in strength to become the most watched shows in prime time. CBS football coverage led into "Minutes," which led into "Archie's Place," which set the viewing pattern for the rest of CBS Sunday lineup — "One Day at a Time," "Alice," "The Jeffersons" and "Trapper John, M.D."

In the end, Daly's prediction will likely come true. ABC has the Winter Olympics upcoming, which is a license to make ratings points, and the gap created there may be too much for CBS to overcome.

## Straight Nielsen Win

For the season to date, both CBS and ABC have ratings of 19.4 to NBC's 17.7. The networks calculate weekly and seasonal averages, and though CBS and NBC call it a tie, ABC maintains it still has the lead, 19.4 to 19.2 for CBS and 17.5 for NBC.

Several programs introduced since the first of the year showed signs of promise. CBS' "House Calls" was No. 13 in the ratings, and ABC's "One in a Million" finished 24th. "Knots Landing," a companion of sorts to CBS' popular "Dallas," was No. 30 in the ratings, and NBC's "Skag" finished right behind.

The next 10 shows: "Hart to Hart," ABC; "Little House on the Prairie," NBC; "House Calls," CBS; "Soap," ABC; "Barney Miller," and "Eight is Enough," both ABC; "Real People," NBC; "If Things Were Different," CBS; "The Love Boat," ABC; "Dukes of Hazzard," 25.7 or 19.6 million, CBS; "Love Boat," 26.1 or 19.9 million, ABC; and "Dukes of Hazzard," 25.7 or 19.6 million, CBS.

## Mini-series Not Liked By Bradbury

### NBC's Version Of 'Martian Chronicles'

By PETER J. BOYER  
AP Television Writer

LOS ANGELES (AP) — Ray Bradbury doesn't like NBC's version of his "Martian Chronicles." This could be because Bradbury is a contrary fellow in the matter of adaptations of his work. Or, because Bradbury saw NBC's adaptation.

The latter seems more likely. NBC's "Martian Chronicles," a six-hour miniseries beginning Sunday, is a lovely thing to look at — craggy, first-

colored landscapes, spacey cities and such; but the excitement of a fanciful space adventure is missing.

It's like a pinball machine without the little steel balls; the lights and bells and electric bumpers are there, but nothing touches them off.

That would have been all right had greater care been given to the story's satire on man's corruptive influence on his surroundings. That theme is present here, but it is hammered away at, rather

than subtly suggested. Rock Hudson, Bernie Casey, Darren McGavin and others are American astronauts sent to explore Mars and lay the groundwork for colonization. From the beginning, Bernie Casey is against the idea.

"It's wrong," he keeps telling anyone who'll listen. They restrain themselves as Martians are concerned. "If you don't like this, Bernie, why don't you take up plumbing?" Okay, okay, Bernie, we get your drift.

Anyways, they get to Mars, where much more rumination than exploration is done. There's less talk at a Tupperware party. Bernie goes off on a quick jaunt, and returns to a stacked, like piles of autumn leaves, like dry sticks, like stacks of burned newspaper.

## Namath Did Waiting With New York Jets

By PETER J. ROYER  
AP Television Writer  
LOS ANGELES (AP) — The publicity sheet read "Former football superstar-turned-actor Joe Namath and acclaimed performer Judd Hirsch and Jack Albertson star in the riotous two-hour movie, "Marriage is a Scandalous Thing."

Joe Namath, the only actor to have starred in a Super Bowl III, his only memorable soliloquy came before the game, when he predicted his underdogs would beat the mighty Colts. "I guarantee it," said Joe Namath. "So, I said the critics. He was outrageous and hip in a time when most jets were flat-topped and low-profiled. He hung out in nightclubs ... owned one, for awhile. He never did summerstock; he was Broadway Joe. Somewhere along the way, Joe Willie Namath became a bona-fide "personality," which qualified him to go on talk shows and make biker movies with Ann-Margret (remember the drive-in special, "C.C. & Co.") And being a personality, Joe Willie was assured of at least one chance at a TV series. So, he came to the Hollywood Rams, retired after one season, and hit the air with "The Waverly Wonders" at NBC. The series made "C.C. and Co." look classic. It vanished, mercifully, after a few painful weeks. Now, a year later, here comes Joe Willie again, this time in an NBC TV comedy about marriage. You get the feeling that Namath didn't spend the intervening months in a dingy hotel room practicing "Hamlet."

Joe Willie did his acting apprenticeship with an amusing troupe called the "New York Jets. His "Boffo" performance came against the worker and gunman in an effort to get with water-front racketeers. Broderick Crawford, Ernest Borgnine, Richard Kiley. 1951.
