RELISHING A HARVEST from the "Horn O' Plenty," Mr. and Mrs. Jack Osler, Dayton, Ohio, feast their eyes and appetites at the "Harvest Table" in the dining room of General Butler State Park. An innovation at Kentucky State Parks, a "Harvest Table" will serve visitors to each of the seven, state parks open during the fall and winter.

LATHAM

By Mrs. M. C. Morrison

Hobart Watts moved to the Bob Graham farm from W. L. Phillips' place recently, formerly the Chas. Bowen farm.

Sympathy is extended to the family of Mrs. Patricia Arnold, who was murdered by her husband, Luther Arnold, last Friday morning. They formerly lived in this community, but had moved to Dresden, Route 2. She was the daughter of Mrs. Ruby Seay. She leaves her mother, three sisters and six children. Funeral services were held at Jackson Funeral Home on Sunday, with her pastor, Bro. Peck from Pisgah officiating, and burial was in the Somerville, Tenn., cemetery.

Mrs. Nadine Nanney was indisposed last Tuesday and was unable to work at the Dollar General Store. Mrs. Mauraine Vaughan substituted for her.

Seems that our community was struck with tragedies last week end. Curly Potts was crushed to death by a fallen tree last Friday on the Jim Burke farm. Funeral services were conducted at the Oak Grove Church of Christ on Monday, with Bro. Harry Owens officiating, and burial was in the church cemetery, with Jackson Funeral Home in charge of all arrangements. He leaves his wife, Bertie, and several children, three brothers, one sister, several nieces and nephews and grandchildren.

ever indicate that this survey was being made for any particular industry but was being made to make the information available to any industrial prospect who might make an inquiry to any of these twelve counties involved in the survey.

Also, I think you should know in case anyone should ask, that these survey forms are "confidential information" and are not made available to any Chamber member or any employer because I am sure, you can understand the ramifications that this might create. We have several good Chamber members who are in the "employment service" business and it has never been our intent to let the identity of the person become known outside of the Chamber's "confidential file."

If we can assist the Chamber of Commerce at Fulton in any way at any time, please do not hesitate to let us know.

Sincerely yours,

PIERCE STATION

By Mrs. Charles Lowe

In the absence of Bro. James Holt, who has resigned as pastor at Johnson Grove and accepted a call to McConnell Church, Bro. Henry Davis of Huntsville filled the pulpit Sunday and Sunday night. He helped in the spring revival at Johnson Grove two years ago. We hate to lose Bro. Holt, but wish the best of luck for him in his new field.

Mrs. Jack Lowe is a patient in Hillview the last few days. She is taking treatment for an old trouble. Little David Greer has been out of school for a couple of days with a cold, but was able to go back today (Monday).

Mrs. Robert Rogers visited her mother Sunday in a Madisonville, Ky. hospital. We hope Mrs. Castleman will soon be able to return to her home in Hickman.

Almus Polsgrove celebrated his birthday Sunday. Among his guests were his daughter, Mrs. Sandra Bulloch, and husband from Memphis, his mother from near Union City, and Mrs. Polsgrove's parents, Mr. and Mrs. Bob Whitehead of Martin.

Mrs. G. J. Lay of Jackson, Tenn., spent the week end with her sister, Mrs. Isham Conner, and Mr. Conner. She returned home today (Monday).

Mrs. Walter Hutchens received a call from her husband in Indianapolis that he was sick with the flu. She left for home Thursday night.

Mrs. Charles Bushart is home, after a ten days stay in Obion County Hospital.

Mrs. Christine Pierce is home from the Fulton Hospital and is doing very well, after a broken arm.

Sut (J. E.) Bennett is home and improving.

We hear Mrs. W. I. Gossum is in Fulton, after suffering a heart attack. We hope she is better soon.

Mr. and Mrs. Bob DeMyer's Sunday dinner guests were Mr. and Mrs. Raymond Lowery of Dalton, Ky. (Mrs. DeMyer's sister); her nephew, H. D. Brown, and wife from Rockport, Ind.; Mr. and Mrs. Omer Smith, Route 2, Mr. and Mrs. John Smith and Riley Smith of Fulton.

Mr. and Mrs. Clarence Roberts were supper guests of Mr. and Mrs. Clifford Stephens at Sharon Thursday night.

The Bradshaw reunion was held in the Roberts home yesterday (Sunday). Mrs. Roberts has five sisters and one brother and all were there, 29 in all, counting the Roberts.

Mrs. Bud Stem is under the care of Dr. Ward Bushart, but able to be up most of the time. Mr. Stem is about the same.

Kentucky has 263 small watersheds of up to 250,000 acres which could be developed for flood prevention, eater supply or recreation.

Close-up of a nerve?

No. It's just a rope . . . at the breaking point. But, frankly, it's a good illustration of how a man feels when his nerves are "worn to a frazzle."

The Church has never claimed that religion is a cure for frazzled nerves. But a man's Christian faith does this for him:

It shows him a Purpose in life more important than mere existence. It shows him a Power more effective than his own strength. It shows him a Future more rewarding than selfish gain. And it gives him courage more lasting than the sheer force of his human will.

With these spiritual resources, founded in the certainty that God understands and helps, a man never reaches "the breaking point." For when his human reserve is exhausted . . . he has only begun to tap the vast reservoir of Divine Strength.

THE CHURCH OF YOUR CHOICE CAN SHOW YOU THE WAY!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Robert Langston Fined \$250 After Fulton-Union City Truck Chase

A bullet-punctuated chase that began in Fulton early Sunday morning finally ended at Honeysuckle Lane and Miles Avenue Extended in Union City after Kentucky and Tennessee police officers shot out three tires on a tractor-trailer truck.

The driver, identified as Bob Langston of Fulton, faced a number of charges in Fulton's City Court Monday, including assault, driving while intoxicated and speeding. Several charges also were filed against the suspect by Union City police but Langston was handed over to Fulton County authorities for prosecution on the more serious charges.

Langston was fined \$250.00 and costs and sentenced to six months in the county jail. The jail sentence was suspended for good behavior for 12 months.

Fulton County Sheriff (Buck) Menees said the chain of events began about 1:30 a. m. Sunday at the J&S Truck Stop at Fulton where Langston is alleged to have beaten a man, identified as Paul Madding of Fulton, with a hydraulic jack.

Sheriff Menees said Langston drove away from the truck stop in his truck, pursued by two Fulton city police cars. Langston headed west on Kentucky 166 and Sheriff Menees said he joined the chase when the suspect turned toward Union City on Kentucky 239 (Jordan highway).

"We used our lights and sirens in the chase because we wanted any motorists on the highway to realize that a chase was in progress and that danger existed," Sheriff Menees said. "Langston was driving at speeds ranging from 40 to 75 miles an hour and was all over the highway. He held to the middle of the highway, except when he'd meet a car, so we couldn't pass him and perhaps force him to stop."

Sheriff Menees said Langston drove into Tennessee and then entered Union City where Union City officers joined in the attempt to stop the truck.

The suspect continued driving through Union City, turned east on Reelfoot Avenue, and then south again on Miles Avenue Extended.

Sheriff Menees said he managed to get in front of the truck near Aycock's Motel and shot out the truck's left front tire. Seconds later a Union City officer pumped a bullet into a rear tire and, when a Fulton officer put a bullet through the right front tire, the chase was over, Sheriff Menees said.

County Officials Loyal To Democrats

Perhaps the largest and most enthusiastic reception given the Democratic "Folkswagen" in the First District this week came from the folks in Hickman County. Shown in top photo are women campaign leaders with the touring group. Left to right front are: Mrs. Endicott Peabody, Mrs. Bid Harper, campaign chairwoman; Mrs. Odessa Stubblefield; Mrs. Dorothy Nell Harper and Mrs. Sam Beckham. Back row: Mrs. C'Allen Chauvin and Mrs. Paul Westpheling.

Bottom photo shows a united group of county officials. Left to right, they are: Mrs. Raymond Pyle, deputy circuit court clerk; County Judge Eli Padgett; County Attorney Jack Roberts; Janet Aldridge, tax commissioner; Mary Byassee, circuit court clerk; Velma Vivrette, county court clerk; Mrs. Willis Jackson, and Sheriff Willis Jackson and Bunt O'Neal, jailer.

Night clinics will be provided for the convenience of those women who are unable to attend the day clinics. Dates and hours as follows: Wednesday, November 13, 7:00 p. m. to 10:00 p. m.; Monday, November 18, 7:00 p. m. to 10:00 p. m.; Wednesday, November 20, 7:00 p. m. to 10:00 p. m.; Monday, November 25, 7:00 p. m. to 10:00 p. m.; Dr. H. E. Titsworth and Dr. C. J. Mills will be in charge of the clinics.

We request you call the Health Department for an appointment. The telephone number is Clinton 653-6110 and you may have your choice of day or night visitation to the clinic. Answering service will be provided at the health department Monday through Friday from 8:00 a. m. through the noon hour and on until 4:30 p. m. If you are

unable to make contact for an appointment, we invite you to attend the clinic of your choice. Our reason for providing appointments is for the convenience of the women receiving the test. If we know in advance the number who will attend each clinic, we can be prepared and render the service quickly so the women who attend the clinics will not have to wait in line for a long period of time.

The collection of the specimen for the "Pap Test" is simple, fast, painless, and it is FREE of charge. The "Pap Test" will detect uterine cancer many months before any signs appear. Uterine cancer is the second most common cancer in women. For the past several years, an average of 165 women in Kentucky die of uterine cancer, the national average is 40,000.

All women regardless of age should have a "Pap Test" annually because the life you save may be your own.

Your health department is making an all out effort to provide "Pap Test" clinics for the convenience of all women in Hickman County. We look forward to seeing you at one or the other of these planned clinics. Remember the telephone number at the health center is 653-6110.

many of his family are buried, and a wreath was placed upon his grave by a great-great-granddaughter, Mrs. Mayme Baird Ferrill. Services were concluded at the Level Woods Church, with about 350 in attendance.

In 1726, Rev. Baird bought 640 acres in Hickman County, which he gave to his children and grandchildren who came here to establish their homes.

Rev. Baird was the great-great-grandfather of Mrs. J. O. Lewis and other Baird, Beard and Baird relatives of the Fulton and Hickman County area. The names Baird, Beard and Baird were used interchangeably, depending on the nationality of the court clerk, and sometimes all three names were used in one document, although it was one family.

Assisted by the late Howard E. Scott of Louisville, Mrs. Lewis did the research on Rev. Baird, but was unable to attend the dedication.

cannot win the Presidency. Even his closest associates admit that.

It is apparent that he will get enough electoral votes to throw the election into the House of Representatives, which is predominately Democratic.

This means, that if this happens, our representatives will vote for the President and since there are more Democratic representatives than Republican, then who will be the President?

Hubert Humphrey will, that's who.

To me it's as simple as rolling off a log. Why jeopardize our influence and the status of the Democratic party by coming up with an election return that will be looked at for the next four years.

If Hubert Humphrey is the next President, and it is possible that he will be, isn't it much easier for the needs of this community and this State to have been in his corner when the chips were down, and when he needed us desperately?

I won't say that Humphrey will be vindictive about these things, if he is elected. But a lot of requests for Federal aid are not handled directly by the President, but by aides who have good memories.

Think about this for awhile, won't you?

connected on a 40-yard pass play for that team's only score.

The third and fourth periods were defensive struggles and the game ended 6-0.

After a toss of the coin the overtime period was begun with the little Devils receiving; South Fulton drove down the field with Phillip Wiley going the final 15 yards up the middle and the game was over.

The South Fulton victory set up a replay of last year's bowl game which South Fulton won.

to the cost of extra payments to men in the police and fire departments for making calls.

The funeral directors said that current ambulance charges are five dollars per call, but if the city felt an increase to twenty dollars was necessary, that this would be a "fair price." They also reported that both funeral homes make about 500 ambulance trips a year, "at least half of which are unnecessary."

The Commission took the issue under advisement.

Halloween Once Was Time Of Terror

Halloween nowadays is an evening of fun for the little ones, of dressing up in costumes, going to parties, and begging goodies door-to-door. But Halloween once was a time of terror — and the costumes children wear on Halloween night reflect that far-off time. The Druids, an order of priests in ancient Gaul and Britain, believed that on Halloween ghosts, spirits, fairies, witches and elves came out to harm people. They thought the cat was sacred, and believed that cats once had been human beings but were changed as a punishment for evil deeds. From these druidic beliefs, World Book Encyclopedia says, come the present-day use of witches, ghosts, and cats in Halloween festivities. The Druids had an autumn festival called Samhain (pronounced SAH win), or summer's end. It was an occasion for feasting on all the foods which had been grown during the summer, and for this reason the custom of using leaves, pumpkins, and cornstalks as Halloween decorations also comes from the Druids.

The Roman Catholic Church named Nov. 1 as All Saints' Day, and the evening before it was called Halloween, which means hallowed or holy evening. The Christian feast day and the old pagan customs were combined into the Halloween festival.

'Operation Santa Claus' Project Started Again

FULTON, Ky. — Jimmy Daugherty, son of Mr. and Mrs. W. J. Daugherty of Fulton and an employee of Goodyear Tire and Rubber Company in Union City, has volunteered to lead the "Operation Santa Claus" project this year.

Daugherty served in Vietnam from February, 1967, to March of this year.

"Operation Santa Claus" has provided a merrier Christmas for servicemen from this area serving in Vietnam for the past three years. The idea was conceived and directed by the late

Charles Dixon and his wife, Evelyn, with the assistance of Mr. and Mrs. Sonny Puckett, and the citizens of the twin-city community.

With the unexpected death of Mr. Dixon in June, and the Pucketts moving to Florida, the continuation of "Operation Santa Claus" was doubtful.

Members of Explorer Troop 43, of which Daugherty is the sponsor, will assist in the campaign.

The project, supported widely by citizens of this area to insure a gift package for servicemen in Vietnam at Christmas, comes only two weeks before the deadline for mailing of the packages. Immediate response will be necessary to make "Operation Santa Claus" a success this year as it has been in the past, Daugherty said.

Names and complete addresses of servicemen are needed at once in order for the number of packages to be determined. In addition, contributions of both merchandise and money will be accepted.

New Fulton Athletic Club Formed

Organization of the new athletic club to support the Fulton City Athletic program was held last week at the Farm Room of the school with a good attendance.

Fulton Bulldogs Athletic Club Inc., was formed to promote all sports and athletic activity in the Fulton city school and to provide an open channel of communication between parents, fans and school officials.

Fifteen were named to the board of directors as follows: Charles Curtis, Billy Homra, James Green, Paul Kasnow, David Homra, Joe W. Johnson, Jack Moore, Win Whitmel, Bill Fossett, Dr. J. A. Poe, John Sullivan, Charles Pawlukiewicz, James T. Nanney, Charles Blinford and Earl Lohaus. Fulton High Principal Bobby Snider was named an honorary member of the board.

The board then elected the following officers: President, Paul Kasnow; first vice president, Charles Curtis; second vice president, James T. Nanney; secretary, Joe W. Johnson and treasurer, Jack Moore.

Autos Collide Woman Injured North Of U. C.

A Union City woman, painfully injured in an auto accident on the Union City-Fulton highway late Friday afternoon, continued to undergo treatment today in Obion County General Hospital.

Mrs. Eva E. Guthrie of 909 Perkins St. suffered a collar-bone fracture, rib fractures and possible other internal injuries, State Trooper P. T. English said today.

The accident occurred at 4:20 p.m. near the Coleman Trailer Court, just north of Union City. Mrs. Guthrie was traveling toward Fulton and began a left turn at the Elsie Phillips Beauty Salon. Her 1960 Chevrolet was struck in the left side by a 1955 Ford pickup truck, driven by Jessie Hodge Jr. of Fulton, also traveling north on the highway, Trooper English said.

The officer said there was a car between Mrs. Guthrie's auto and the pickup truck and that Mr. Hodge was attempting to pass the middle car when the accident happened. Both the car and truck were damaged beyond practical repair, Trooper English said.

Peeples, Smith Star As Fulton City Wins

SOUTH FULTON, Tenn.—Dave Peeples provided the running and Bill Smith supplied the passing as Fulton City ran its unbeaten streak to seven by walloping South Fulton 38-6 here Friday night.

Peeples, the area's leading scorer, scored three touchdowns to run his season total to 17. He also gained 126 yards in 11 carries.

Smith, who leads the area in touchdown passes, fired four scoring tosses to run his total for the year to 16.

Peeples broke loose on the third play from scrimmage and scooted 60 yards to paydirt. Smith tossed to wingback James Pawlukiewicz for another tally and Smith himself went over from the four to give the Bulldogs a 19-0 lead after one quarter of play.

South Fulton got its only score of the night on a 3-yard run by tailback Bobby Boyd in the second stanza.

Fulton City pushed another score across before the half ended on an 11-yard aerial from Smith to end Dave Winston.

Peeples scored a pair of touchdowns in the second half, both on passes from Smith of 11 and 20 yards.

The Bulldogs now stand 7-0-0 for the season.

TIPTONVILLE, Tenn.—Lake County edged Fulton County, Ky. 8-0 here Friday night despite a 14-5 deficit in first downs.

A Fulton County player was tackled in the end zone in the first period on a busted play, and that was all of the scoring until late in the third stanza. Willie Davis shook loose on a fourth-and-20 play for the Lake County score.

Fulton County is now 1-4 on the year. Don Lattice and David Westbrook each picked up 11 tackles for the losers, and Westbrook rolled up 75 yards in only eight carries. The 212-pound former guard now has more than 600 yards rushing in five games after switching positions.
