Murray Takes Final Step In Extending City Limits

New Ordinance Makes Move Official

On Friday night, December 6, the Murray city council enacted an ordinance which officially brought into the city limits the large west Murray area, petitioned for annexation during the recent term of circuit court.

Judge Ira D. Smith, Hopkinsville, presiding at the circuit court session, authorized the annexation. There was no opposition to the city petition reported.

The annexation increases Murray's population from an approximate 4,000 to 6,000 and enlarges the physical area by about 65 per cent, according to city officials.

City Attorney Wells Overbey and Mayor George Hart appeared before Judge Smith in November to present the city's petition.

Hart has announced that needed improvements will be made in the area as soon as possible. A new road grade has been obtained by the city, he said, and will be at work on the streets in the new area within a few days. Other steps will also be taken to bring city advantages to the new residents at a minimum of delay, officials added. (A drawing of the new city area is found on another page of this issue.)

DUCKS RACE TONIGHT FOR GLORY AND COUNTY KIDS

As interest in tonight's Duck Derby mounted to fever pitch, the Lions Club, sponsor of the extravaganza, announced that entries were still pouring in.

All ducks are reported to be in top shape and most handlers have discontinued road work for their charges in fear of destroying the fine running edge obtained by most waddlers.

The fowls will toe the line at 7:30 tonight in the Murray High School gym and the needy children of Calloway County will be the winners—regardless of how the ducks run.

New entries are "Buzzsaw Betty," Murphy's Cabinet Shop, Merritt Marine, owner; "Man O' War,"

Belk-Settle Co.; "Shell Premium," Shell Oil Company, Charles Mason Baker and Charley Hale; "Shell X-100," P. C. Walker Service Station; "Farmers' Friend," Holland-Hart; "Fishing Worm," J. T. Wallis and Son; "Mr. Jones," Peoples Savings Bank; "Bluebird," Blue Bird Cafe; "Ducko," Hughes Paint and Wallpaper Co.; "Hot Dog," Day-Nite Lunch; "Whirlaway," Draper and Darwin; "Banana Split," Finley Ice Cream Shop; "Old Tombstone," Calloway Monument Co.; "Donald Duck," Hat-chett's Grocery; "Fancy," Linn and Waters; "Big Ben," National Stores; "Love Bird," Love Studio; "Please You," Collegiate Inn; and "Gulf Eride," Chig's Gulf Service.

WORLD NEWS TOLD IN BRIEF

PROBE OF COLUMBIANS PROMISED IN GEORGIA

Atlanta—An immediate grand jury investigation of charges that Columbians, Inc., sought to seize power in this country—assertions which one of the anti-Jewish, anti-Negro group leaders termed a "pack of lies"—was promised yesterday.

Solicitor General E. E. Andrews of Fulton county (Atlanta) said the grand jury would start tomorrow and would be "prosecuted vigorously."

LOWER COURT ACTION ON JOHN L. POSTPONED

Washington—Federal Judge T. Alan Golsborough approved an agreement between government and John L. Lewis attorneys to delay until late January any further lower court action against the United Mine Workers growing out of the recent coal strike.

ROCKEFELLER OFFERS FUND FOR UN HOME

Lake Success, N. Y., John D. Rockefeller, Jr., offered the United Nations a gift of \$8,500,000 with which to purchase a large tract of land in mid-town Manhattan for a permanent site.

The gift, he added, must be declared to be free of all federal and state taxes.

SEARCH ON FOR PLANE MISSING WITH 32

Seattle—Searching parties hurried to the hills near Toledo, Wash., yesterday in the search for a Marine transport plane which has been missing since Tuesday with 32 persons aboard.

The ship carried a crew of three and 29 Marines who were en route from San Diego, Calif., to duty stations in Seattle.

COLLEGE PLAYERS SCORE HIT WITH VICTORIAN DRAMA

The Sock and Buskin Club of Murray State College presented one of the outstanding entertainments of the year last Thursday night, December 5 and 6, with their dramatization of Patrick Hamilton's Victorian thriller, "Angel Street."

The three act play which gradually built up a series of suspense filled incidents was received with delight by a large audience at both performances.

The tale of Mr. Manningham, played by Don Davis, who tries (with some success) to drive his wife insane, was given welcome comedy relief by James Peterson's portrayal of Inspector Rough, a member of the feared Scotland Yard.

Mrs. Manningham, which presented the most difficult role of the drama, was handled by Robbie Riley.

The supporting cast included characterizations by Bobby Berry and June Nichols.

Last Rites For Mrs. Pocahontas Smith

Services were conducted at New Mt. Carmel Saturday, December 7, for Mrs. Pocahontas Smith, 87, who died Friday, December 6, at the home of her step-daughter, Mrs. Ira Fox of Murray.

Rev. G. C. Willis of Mayfield and Rev. B. B. Sawyer officiated. Mrs. Smith was a member of the New Mt. Carmel Baptist Church near Concord.

Survivors include two step-daughters, Mrs. Ira Fox, Murray, and Mrs. Charlie Bucy, Calloway county; three sons, Kelly Smith, and Gracie Smith, both of Calloway county; Rosie Smith, Chicago, Ill.; one step-son, Kirby Smith of California; one brother, Ike Furgerson, Calloway county; 17 grandchildren and 19 great grandchildren.

KEN SLAUGHTER PICKED ON ALL STATE SQUAD

Murray High Gets Four Players On 1946 Honor Team

Kenneth Slaughter, 125-pound flanker at Murray High, was named by the Louisville Courier-Journal to the 25th annual All-Kentucky High School Football Team this week.

Slaughter was picked to the "first eleven of the 1946 season" by a board of more than 100 coaches, officials and sports writers throughout the state. He is 6'2" tall, a senior and has been a standout on both defense and offense on the W.K.C. championship Tiger squad.

Billy Furgerson, versatile back who scored 116 points during the regular season, was picked to the all-state second team. The Courier-Journal revealed that Furgerson was one of three players who were barely edged from the first team by the balloting.

Two other Tigers, Hugh Wilson, 212-pound tackle, and Billy Thurman, 148-pound guard, received honorable mention honors. Wilson is a junior and Thurman a senior. Thurman was captain of the 1946 Tiger squad.

State highway patrolmen reported that a car driven by J. C. Armstrong, Murray, Route 2, struck a parked truck at the corner of Main and Eighth streets last Tuesday night.

Armstrong said he was forced into the truck by a third vehicle which crossed Main on Eighth without stopping and which did not stop after the crash occurred.

The third car was not identified. Patrolmen estimated the damage to Armstrong's car and the truck at around \$75 each. There were no injuries reported.

Correct Dumping Place Announced

County Judge Pink Curd announced Monday that the naming of North Sixteenth street, extended, as the proper dumping place of the city trash was in error.

Judge Curd explains that the proper dumping place is North Twelfth street, extended, behind the Walsh Wall place.

Last week the Calloway county fiscal court unanimously adopted a resolution imposing a fine of not less than \$25 on any person found guilty of dumping trash, cans or other refuse in any stream or barren branch of any stream in Calloway County.

First Methodist Presents Christmas Music Program

Prof. Farrell Will Direct Annual Cantata

On Sunday evening, December 15, at 7 o'clock, the choir of First Methodist Church, under the direction of Richard Wilson Farrell, will present "The Shepherd's Christmas" by Morten J. Luvnas.

The annual Christmas music at First Methodist Church is a Murray institution of many years' standing and since it is for the entire community, the general public is cordially invited. This cantata was presented three years ago and due to numerous requests was selected again for this year's program.

With the subdued light of Christmas candles gently dispelling the gathering shadows and the beautiful stained-glass windows illuminated by floodlights, the choir will sing the lovely melodies of "The Shepherd's Christmas" interspersed with the traditional carols of Christmastime. The program follows:

Organ Prelude—Miss Charlotte Durkee.
"Jesu Bambino," Yon—John J. Bishop, trumpet.
Professional, "O Come All Ye Faithful"—The choir.

Joseph Miller Is Elected By Calloway Jersey Club

Directs "Messiah"

Prof. Cecil Bolton

Professor Cecil Bolton, Murray State fine arts instructor, will direct the Murray Choral Society's presentation of Handel's "The Messiah" at the First Baptist church on Sunday afternoon, December 15, at three o'clock.

This will be the annual Yuletide music sponsored by the First Baptist Church and more than 40 voices will be heard in the oratorio.

MURRAY GARBAGE DISPOSAL SYSTEM WILL START JAN. 8

The Murray Garbage Disposal System, operated by A. Gregory Hyde and Carl E. Vincent, will begin operations in Murray on Monday, January 8.

A franchise was granted the company last July.

The company is attempting to determine the number of people here who are interested in such a service and will adapt its future operations to this interest.

Hyde has been a resident of Murray for several years. Previously, he was a sanitary inspector for TVA and the Navy, of which he is a veteran. Vincent is a native of Nashville, Tenn., where he was employed by the Wilson Trucking Company of that city.

We want your Christmas issue to be the best of the year—we'll try to get everything you want in—let us know what you have for the paper NOW.

Donors Commended

A. G. Carman, presiding at the meet, told the boys receiving help, "This start would not have been possible had it not been for the highest of these donors. They are your friends and want to help you."

Prof. E. B. Howton of the Murray College agriculture department addressed the boys briefly on proper care and feeding of the heifer.

Plans were made to provide a system of inspection by the donors and the boys were assured that every effort would be made to assist them in the proper care of their animals. Treon advised the youth to begin preparing their heifers for the cattle show immediately and that the club looks to them to produce prize winners.

Also attending the meet were Carlos Black, Arthur Hargis, Wayne Dyer, veteran agriculture teacher at Murray Training; Rudy Hendon, president of the Calloway County Farm Bureau; Audrey Simmons, Murray Livestock Company; Carmon Parks, agriculture teacher at Hazel; Paul Robbins, Murray State College agriculture department; James W. Erwin, veterans agriculture teacher at Hazel; Raymond Story, veterans teacher at Lynn Grove; Ralph Gingles, veterans instructor at Kirksey; Hilton Williams, agriculture teacher at Lynn Grove; Milton Wals-ton, agriculture teacher at Alton; R. Farm Leaders Launch New Program

Joseph Miller, Future Farmer of American member and Murray Training School student, was named president of the Calloway County Junior Jersey Cattle Club at an organizational meeting of that group held last Thursday evening, December 5, in the National Hotel.

The club, organized by the Calloway County Farm Leaders, was launched on a long-range scale by these county agriculturists in an endeavor to create a greater interest in dairying and to provide a means whereby a Calloway youth may establish himself with a desirable dairy project early in life.

Both Groups Attend

The meeting was attended by both members of the farm leaders group and the jersey cattle club.

The Calloway County Junior Jersey Cattle Club is composed of eight county boys, either F.F.A. or 4-H club members, and donors who have contributed purebred heifers to the club. Each boy receives one of these heifers upon admittance to the club. The first heifer produced is returned to the club and assigned to another boy.

Young Farmers

The eight boys who have already received heifers are Joseph Miller, F.F.A., Murray Training School; Wells Hargis, 4-H, Faxon; Fred Cain, F.F.A., Kirksey; Tommy Workman, 4-H, Lynn Grove; Johnny Black, 4-H, New Concord; Bobby Lawrence, F.F.A., Hazel; Billie Roberts, F.F.A., Alamo; and Jackie Meyers, F.F.A., Lynn Grove.

The club-elected Wells Hargis as vice president and Fred Cain was named secretary. George Hart, Murray banker, was elected treasurer.

An advisory committee was selected to assist in carrying out the program of the club. Named to the committee were Bobby Grogan, agriculture instructor at Murray Training School; Jim Watson, agriculture instructor at Kirksey; S. V. Foy, Calloway County agent; Ray Treon, Ryan Milk Company official; and A. Carman, head of the agriculture department at Murray State College.

Each of the four large jersey herds in the county have donated a jersey to the project. These are Dr. R. M. Mason, G. B. Scott, Hugh Gingles and the Murray State College farm. The Murray Chamber of Commerce, Ryan Milk Company and the Bank of Murray have also donated a heifer each. The remaining heifer is donated by the Murray Livestock Company, the Calloway County Farm Bureau and the Calloway County Soil Improvement Association.

LOCALS

Frank R. Cochran of Delta State College, Miss., and Lyle Bulard of Brownsville, Miss., spent Thanksgiving and the week-end with Mr. and Mrs. Burie Cochran and family. Mr. and Mrs. John Key, Mr. and Mrs. Dick Waters, Mr. and Mrs. Burie Wilson, and Mr. and Mrs. Robert Waters also had dinner with Frank on that day.

L. R. Ahart of Korea has arrived in the United States.

Miss Rosalind Crass of Nashville, Tenn., will arrive Friday to spend the Christmas holidays with her parents, Mr. and Mrs. F. D. Crass.

County Judge Pink Curd left Murray last Monday, December 9, on a two weeks vacation. Judge Curd attended a state meeting of county judges at the Kentucky Hotel in Louisville on December 10, 11 and 12. From Louisville, Judge Curd will go to Frankfort for a discussion of Calloway County roads.

Miss Lillian Hollowell, instructor in English at Murray State College, will spend the Christmas holidays in Mexico City. She will leave by plane December 19 from Memphis.

Mr. and Mrs. J. T. Cochran and Mr. and Mrs. Galen Hurt and daughter, June of Hazel Park, Mich., have returned home after attending the funeral of their mother, Mrs. E. D. Hurt of Hazel.

Mr. and Mrs. Ralph Wear and Tom Wear were Sunday guests of Mr. and Mrs. Pat Wear of Earlinton.

THE NEW CITY OF MURRAY

The above sketch, prepared by city officials prior to the effective extension of the Murray city limits, shows the area which is now included in the city. The circuit court ruling and the city ordinance provided that the area would be annexed exactly as requested by the city.

The area included in the dotted line and shown as "proposed boundary" is now a part of Murray.

Dr. Woods Attends
Convention At
St. Louis

President Ralph H. Woods attended the annual convention of American Vocational Association in St. Louis, Mo., on December 5 and 6.

President Woods was president of American Vocational Association in 1939. This is the second largest educational association in the world. He appeared twice on the program during this meeting.

FULTON HOMEMAKERS
LEARN EASY METHODS

Homemakers in Fulton county, who have learned new and easier methods of redecorating their homes during the past year, reported to Home Agent Margaret Howard, Adams that 362 floors were refinished; 350 floor coverings refinished; 267 walls refinished; 305 rooms with woodwork refinished; 294 draperies, 262 glass curtains and 271 window shades made or refinished; 272 pieces of furniture added; 206 pictures refamed and hung, 111 pieces of furniture prepared for slipcovers and 128 slipcovers made.

TERRACES PROVE VALUABLE

How terracing prevents soil erosion and permits the growing of crops was seen on the farm of L. A. Morgan in Graves county. In 1934, Mr. Morgan had terraced with farmer's equipment, a 10-acre field. It was practically waste land with a 6 per cent slope. Four years later, the terraces were rebuilt by the Graves County Soils Association's power equipment. The field, which has been used for hay and pasture for the past seven years, has a good stand of redtop and korean, averaging two tons of hay per acre this season.

Pullets Lay Well

John Tuttle, Pulaski county, is getting 80 per cent egg production from his flock of 250 Barred Rock pullets which were hatched the last of February, the highest record for one day being 220 eggs. Mr. Tuttle keeps his pullets confined in an A-type poultry house, 30 by 50 feet in size, with manure, oyster shell and plenty of clean water before them at all times, said Farm Agent Hugh Hursf. Electric light in the house are turned on each morning at 6 o'clock.

Harry Carr of New York City will arrive Thursday evening to spend the week-end with his father, Dr. John W. Carr, and to join in the celebration of Dr. Carr's birthday on December 13.

Mr. and Mrs. G. B. Scott, Mr. and Mrs. John Ed Scott, Mr. and Mrs. John Herman Trotter and Mrs. Buist Scott were called to Southside, Tenn., last week to attend the funeral of Mr. G. B. Scott's sister, Mrs. S. B. Harris, which was held on Monday. Mrs. Harris died at her home in Birmingham, Ala.

Ensign K. I. England, Mrs. England and son of Topeka, Kansas, were week-end guests of Mr. and Mrs. George E. Overbey.

"CHIG" CARRAWAY BUYS
GULF SERVICE STATION

A well known Murray business changed hands last week when Tullius "Chig" Carraway purchased the Adams & Kennedy Gulf Service station located at Main and Sixth streets.

"Chig" has been assistant manager of National Stores for 18 years and has a large number of friends whom he invites to visit him at his new business.

The business will be known in the future as Chig's Gulf Service.

Kentucky School Association Advocates
\$2400 As Salary Minimum For Teachers

A minimum salary of \$2,400 a year for Kentucky's school teachers was advocated in a resolution adopted unanimously by delegates from every county in the state to the 12th annual meeting of the Kentucky Association of Colleges and Secondary Schools at the University of Kentucky recently.

Salaries Are Meager

The KASS declared that it was "deeply conscious" of the fact that many children are being taught by "ill-prepared" teachers and deplored the fact that "Kentucky cannot recruit enough teachers of good

ability to fill her classrooms on the meager salaries being paid today." The convention urged the next General Assembly to "give serious consideration" to establishment of the minimum salary.

Other action during the two-day convention in conjunction with the meeting of the 23rd annual Educational Conference saw the delegates from schools in virtually every Kentucky county select Adron Doran, Wingo, president of the Kentucky Education Association, as the 1945 recipient of the Award of Merit, and Elect Dr. William Jesse Board, President of Morehead State Teachers College, as new association president. The Award of Merit is given annually to "that Kentucky educator who has rendered the most outstanding service to education during the preceding year."

Other Officers

In addition to Dr. Esard, the KACSS chose Trigg County Superintendent of Schools, Roy McDonald of Cadiz, as vice-president, and retained Dr. Paul P. Boyd, dean of the U. K. College of Arts and Sciences, as secretary-treasurer.

Outstanding speakers heard during the convention included Harry W. Schacter, president of the Committee for Kentucky, Ralph McGill, editor of the Atlanta Constitution, Karl W. Bigelow, of Teachers College, Columbia University, and Dean Charles E. McAllister, president of the Association of Governing Boards of State Universities. Approximately 1000 attended the joint meetings.

Egg Production Goes Up During Fall And Winter As Lights Are Turned On

By IRA MILLER
Farm Electrification Bureau

Poultry house lighting has been soundly established as an effective, practical and economical means of increasing egg production during the fall and winter months as a result of prolonged experimentation by Col-

practices are generally followed; morning lights, evening lights or all-night lights. However, all tend toward the same goal—to provide chickens with 13 hours of light per day, a figure approved, after exhaustive tests, by the Washington State College Agricultural Experiment Station and others.

Legs of Agriculture and successful poultrymen.

When lights first were used in poultry houses, it was thought that the resultant increase in egg production was due to the greater amount of feed consumed during the "light-on" period. However, later tests disclosed that the stimulating effect which lights have on laying hens may be a more important factor in results obtained than the increased consumption of feed. Whatever the cause, it is production that counts—and studies record that hens lay from 10 to 30 percent more eggs in lighted poultry houses during fall and winter seasons than they do in non-lighted houses.

Electricity is recognized as by far the best source of illumination, since it is low in cost, can be controlled automatically, requires very little personal attention and virtually eliminates fire hazards.

The majority of poultrymen begin using lights in their poultry houses in October and continue until late in March or early April. Three lighting

For morning and evening light, one 50 watt lamp used in a reflector, 16 inches in diameter and 4 inches deep, is required for each 200 square feet of floor space. If all-night lights are used, tests show that one 10 to 15 watt lamp is needed for the same amount of floor space. In all cases, lights should be located 6 feet above the floor and placed so that roosts, waterers and feed troughs are well illuminated. It is important that drinking water be accessible to chickens throughout the winter—a task which automatic poultry water warmers are equipped to handle easily and economically.

Automatic timing devices are available for dimming and turning lights on and off at required periods. The amount of electricity used in poultry house lighting will vary from 3 to 6 Kilowatt Hours per 100 birds per month, depending on the type of lighting used and management practices followed. At this rate, an increase of only one egg per bird per month will more than pay for the amount of power consumed.

Mrs. Myrtle Decker McElrath Dies In Lexington Monday

Mrs. Myrtle Decker McElrath, resident of the Palmer hotel, and active in social, civic and church circles in Paducah, died Monday afternoon at 3 o'clock in the Good Samaritan Hospital in Lexington, Ky., after an illness of two months. She was the widow of Henry Patton McElrath who died March 5, 1946.

Surviving her are a daughter, Mrs. William Duncan, Lexington, Ky.; two sons, H. Patton McElrath, Oak Ridge, Tenn.; and Albert Jackson McElrath of Nashville, Tenn.; two grandchildren, Dorothy Decker Duncan and Sara Sue Duncan, Lexington; a sister, Mrs. James Calhoun Rieck, Paducah.

The body arrived in Paducah at 6:15 p.m. Tuesday and was taken to Roth funeral home. Funeral services were conducted at 11 a.m. today at Grace Episcopal church with the Rev. Cústis Fletcher officiating. Burial will be in Oak Grove cemetery.

Mrs. McElrath has many friends in Murray who will mourn her passing. She was the daughter-in-law of Mrs. F. N. McElrath of Murray and the sister-in-law of Dr. Hugh McElrath and W. W. McElrath.

Improved Uniform International SUNDAY SCHOOL LESSON

PHILEMON: A LETTER ON CHRISTIAN BROTHERHOOD

LESSON TEXT—Philemon 4-20.
MEMORY SELECTION—Now the Lord is that Spirit; and where the Spirit of the Lord is, there is liberty.—II Corinthians 3:17.

Christian brotherhood! That may not sound like a dynamic influence destined to change the world, but that is just what it has done. We study today a letter written about a slave boy at a time when slavery was accepted as right, but it stated principles of Christian consideration and brotherly love which were eventually to overthrow slavery. It is still at work today when and where we let it!

This letter, written by Paul and yet by the Holy Spirit, personal and yet eternal and spiritual in its application, is a model of letter writing, and equally a model of Christian brotherhood. It concerns one Onesimus, a slave who had deserted his master and probably defrauded him (v. 18). He had been converted and now was being sent back to his master.

I. "I Might Be Bold—Yet I Rather Beseech Thee" (vv. 4-9).

After a fine spiritual salutation (vv. 1-3), Paul enters upon an appeal to Philemon which is a model of tact and courtesy.

First he lets Philemon know of his prayerful interest in him. Paul had been praying for him, that's why he could say such a helpful word.

Then he recognizes Philemon's goodness and his effective testimony for Christ. This was an excellent approach to the making of a request, and be sure that it was not empty or hypocritical flattery. We do well to recognize the fine qualities of our Christian brother, and we could profitably speak of them more than we do.

Then Paul was ready to make his request. See how nicely he does it. He skillfully reminds Philemon that he (Paul) might make some demands, and especially in view of his age and his imprisonment. But he will not do so; rather he says, "I beseech thee."

II. "Without Thy Mind I Would Do Nothing" (vv. 10-16).

Paul, the aged prisoner, had found in his new convert, Onesimus, a real helper. He would have liked to keep him. In fact, says Paul to Philemon, Onesimus could do for me the things you would want to do if you were here (v. 13).

Paul could have felt sure of the willingness of Philemon. He could have assumed that the request would be granted. And in any case, Philemon did not even know where Onesimus was, so why not keep him? He did not reason thus.

True Christian consideration respects the personal rights and the property rights of another. We must not assume, or demand, or put pressure on anyone (v. 14) to get what they have or to draw out their services.

Another expression of consideration is found in verses 15 and 16. Philemon had lost a faithful slave, now he is receiving back a Christian brother. No worker will give less in service, and no master will demand more, because both are Christians.

Now Paul touches on one of the finest elements involved in Christian brotherhood, namely, co-operation. We are to live and labor together for a common cause. Pleading for his friend and brother, the young slave Onesimus, he says:

III. "If Thou Count Me a Partner, Receive Him" (vv. 17-21).

Partners share the benefits and the burdens of their joint enterprise. Partners in the gospel, like Paul and Philemon, shared not only spiritual blessings, but also the responsibilities. Paul was presenting such an item to Philemon as the return of Onesimus. Something had to be done about the debt of Onesimus, his failure as a servant. Paul says: "Charge it to me, your partner."

It has been pointed out that there is here a blessed example of the important doctrine of imputation, which is the "act of God whereby he accounts righteousness to the believer in Christ," because he "has borne the believer's sins in vindication of the law." So we note that verses 17 and 18 perfectly illustrate imputation.

Paul's promise, "I will repay it" (v. 19), was the legal phraseology of a promissory note in his day. It was a bonafide partnership transaction, yet it was coupled with a reminder of indebtedness. Everything Philemon had and was he owed to Paul; but, says the latter, "I will not speak of that now."

No right-thinking person is content always to be on the receiving end. The humblest recipient of favor or the smallest child who feels the love of another wants to respond. The considerate friend will, therefore, not always insist on giving, but will graciously (like Paul) open the way for co-operation, for partnership.

Two Held For Robbery Here

Two Calloway county youths, Ralph Scarbrough and Joe Ed Reader are being held in connection with a break-in of the Murray Feed Store, North Third street, last Saturday night.

Scarbrough's age was listed as 19 and Reader's at 15.

W. B. Parker, Murray police chief, stated that 60 pounds of sugar, several shotgun shells and six four-ounce cans of lard were missing in the theft. Seven boxes of the shotgun shells have been recovered, he said.

The two were bound over to the next term of circuit court.

MURRAY LEAF FLOORS REPORT NO SALES

Murray loose leaf tobacco floors reported that no sales have been held here this week. A sale of dark air-cured leaf was held last week with averages dipping below those of last year's opening.

Warehousemen believe the dark-fired sales will open soon after the first of the year.

HYBRID CORN STANDS UP

That hybrid corn resists wind better than ordinary corn was seen on the farm of Myron May in Morgan county when he made careful count of the fallen stalks in a test plot planted to strips of five varieties of hybrid corn alternated with strips of ordinary corn. A severe windstorm had blown directly across the plot.

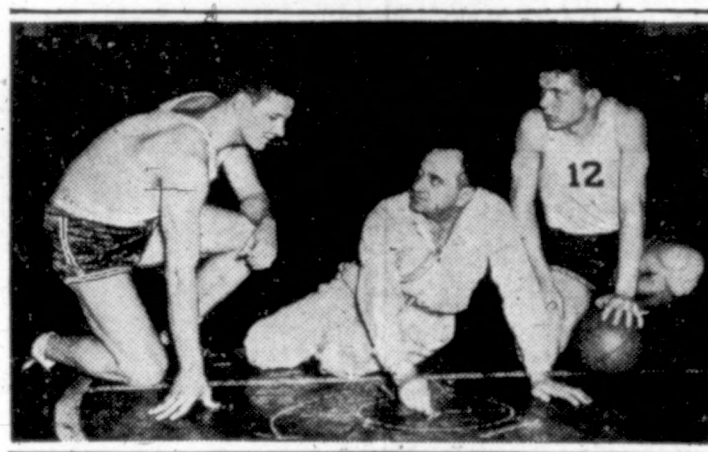

Mr. May told Farm Agent Chas. Dixon that when he gathered the corn, careful check showed that four times as many stalks of the common corn were down as of the hybrid kinds.

Lime Causes Frenching

A severe case of tobacco frenching where lime dust blew off a highway is reported by Troll Young, farm agent in Washington county. Leaves were narrow and thick, and he predicted they might not be worth cutting. This instance of overliming should warn farmers against too heavy applications of lime, especially on land that may be put in tobacco, Young said.

Jess Bullock of Pulaski county produced a third more molasses from the Williams variety of cane than from the common varieties.

What Is Your Color I.Q.?

RED					
Safe	Sorrow	Warm	Cool	Passion	Danger
ORANGE					
Warm	Cool	Warm	Spirit	Apathy	Neglect
YELLOW					
Life	Caution	Speed	Death	Warm	Cool
GREEN					
Hate	Peace	Warm	Cool	Go	Stop
BLUE					
Warm	Calm	Cool	Strife	Slow	Fast
VIOLET					
Joy	Grief	Warm	Cool	Static	Dynamic

To gauge your color I.Q., Hayes Quinn, noted color consultant, has devised a test based on the chart above. There are six words used with each of the major colors. Three of these words describe a basic characteristic of each color. Check the three words after each color which you think best describe it. Then check your answers against the correct solution given at the end of the story below.

PITTSBURGH, PA. — Every color has a certain influence on our mental state according to Hayes Quinn, Pittsburgh Plate Glass color consultant. By using specific colors in accord with the principles of color dynamics, he indicated, the emotional and physical reaction of people can be controlled or stimulated.

As an example of this new-found technique, many industrial plants are using various colors to increase efficiency. The same principles are also being carried over into home decoration with similarly remarkable results. These "unusual" uses of color have a firm basis in scientific fact. Research has proven that each color has inherent power, specific meanings and definite associations. "These must be understood in planning color patterns for the home," said Mr. Quinn, "to achieve a harmony that will make for better living."

(Answers to Color I.Q. questions: The words checked for Red should be warm, passion, danger; for Orange, warm, spirit; for Yellow, life, caution, warm; for Green, peace, cool, go; for Blue, calm, cool, slow; for Violet, grief, cool, static.)

CARD OF THANKS

We wish to thank the friends, relatives, Dr. Robert E. Hays, J. H. Churchill Funeral Home, Houston-McDevitt Clinic, Rev. T. H. Mullins, Jr., and Rev. C. C. Lancaster, for the floral offerings during the illness and death of our husband and father, G. W. Furgerson and family.

CARD OF THANKS

We take this method of expressing our appreciation to all who so loyally stood by us in our dark hour of sorrow; in the death of our dear mother, Mrs. E. D. Hurt, of Hazel. We want to especially thank the Cooper family, Rev. Lloyd Wilson, Mr. and Mrs. Paul Dailey, Marilyn Walker, organist, the choir, and dear relatives and friends for the beautiful floral offerings, and all the good people of Hazel and vicinity. May God's richest blessings rest on you all in the prayer of Her Children.

CARD OF THANKS

We wish to thank our neighbors, friends and relatives for their kindness and sympathy through the illness and death of our dear wife and mother—W. H. Brown and children.

Presbyterian Veterans Promise to Help Rebuild Churches Destroyed by War

FOUR Presbyterian veterans assure leaders of the Presbyterian Restoration Commission that they will assist their Church in its post-war program of helping to rebuild the churches and schools and hospitals that were destroyed in the war. Sgt. Paul Barnhill of the Army, Capt. Kenneth Robinson of the Navy, Cpl. George Trias of the Marines, and S/Sgt. Peter Anderson of the Air Corps, all active Presbyterian members, sign a manifesto of the Presbyterian Veterans Council in the presence of John Foster Dulles and Frank J. M. Totton, leaders of the Presbyterian Restoration Movement.

"We saw these destroyed churches," they said. "In fact the war we waged helped destroy them. Now our duty is to rebuild. In the names of our 22,500 Presbyterian comrades, who were killed, we will help the Christian people in war-devastated lands rebuild their moral and religious agencies."

The ceremony took place in the office of the American delegation of the United Nations, of which Mr. Dulles is a member. There are 780,000 Presbyterian veterans in the 8,604 Presbyterian churches.

TRAINING SCHOOL MOTHERS ENJOY CHRISTMAS PROGRAM

The Training School Mothers Club met Wednesday, December 11, in the first grade room of the school. Mrs. O. W. Barnett, president, presided. The minutes were read by Mrs. W. D. Shoemaker, secretary-treasurer.

The following program was presented:

Twins the Night Before Christmas—First Grade—Jackie Watson, Donna Kay Parker.

Song—Third Grade. Dramatization: Santa Claus and the Toys that Came Alive—Third Grade.

The Sweet Story of Old—Second Grade.

A Christmas Legend—Second Grade—Betty Howton.

Away in the Manger—First Grade.

Sing a Song of Christmas—Fourth, Fifth and Sixth Grades.

Refreshments were served to 78 persons with the seventh and eighth grade mothers as hostesses.

MRS. KIRK HONORED ON BIRTHDAY

Mrs. Katherine Kirk was honored guest at a "covered dish" luncheon last Wednesday on the occasion of her birthday. Friends and neighbors gathered at Mrs. Kirk's home at noon, where the luncheon was served, and presented her with gifts.

Those present were Mrs. Kirk, Mrs. E. S. Diuguid Sr., Mrs. Dewey Nelson, Mrs. C. E. Hale, Mrs. Ed Filbeck, Mrs. Joe Ryan, Mrs. T. B. Outland, Mrs. Wilbert Outland, Mrs. Mary Shipley, Mrs. Vernon S. Edfield, Sr., Mrs. George Gathin, Mrs. E. Frank Kirk, Nancy Outland and Edwina Kirk.

EUSELIAN C-ASS MEETS WITH MRS. GHOLSON

The Euzelian S.S. Class of the First Baptist Church met Monday evening at the home of Mrs. Paul Gholson for a "pot luck" supper and Christmas party. Decorations in the Yuletide motif added to the festivity of the occasion.

Mrs. Joe Parker, president, conducted a short business session. Miss Hazel Terry led the devotion, and a Christmas story was beautifully told by Mrs. B. B. Sawyer.

MISS SEXTON IS BRIDGE HOSTESS

Miss Frances Sexton was hostess at bridge Tuesday afternoon at her home on Main street. Four tables were placed in the living room for the game. Prizes were awarded Mrs. Will H. Whitnel for high score and Mrs. Lewis Drake second high.

The hostess, assisted by Miss Ruth Sexton, served a delightful party plate at the conclusion of the game.

HAZEL P.T.A. HAS DAD'S NIGHT SUPPER

The Hazel P.T.A. observed Dad's Night Friday, December 6, with a basket supper in the auditorium of the school. The auditorium was tastefully decorated, carrying out the Christmas colors. The supper was served buffet style.

After supper, Mrs. Stark Erwin, president of the P.T.A., welcomed the Dads and then turned the program over to them.

Mr. Prentice L. Lassiter, county school superintendent, was present and reported on the progress of the year, installing indoor toilets in the school. Prof. Rex Watson, with the help of Bobby Lassiter and Bill Outland, showed a short educational picture, demonstrating to the patrons of the school, the Visual Education program the children are receiving from the film projector the school has purchased.

The Hazel P.T.A. will meet Thursday, December 12, at 2:45 p.m. for its regular monthly meeting. A Christmas playlette will be presented. The topic of the month, "Spiritual Guidance," will be discussed by Mrs. L. Windsor.

A prize will be awarded the room that has the highest percentage of mothers present.

The Health Committee will entertain this month.

PRESBYTERIAN ASSOCIATION MEETS WITH MRS. ROGERS

The Woman's Association of the Presbyterian Church met Tuesday afternoon at the home of Mrs. T. G. Rogers with Mrs. C. B. Crawford as co-hostess.

Mrs. F. D. Mellen presided and led a panel discussion on "The Uncommuted Church," with the Rev. Samuel McKee and others taking part.

DELTA MU CHAPTER ELECTS MISS RADFORD

The Delta Mu Chapter of the Tau Phi Lambda Woodman sorority held its regular monthly meeting December 9 in the home of Mrs. Guthrie Churchill.

The business of the evening included plans for the crowning of the mascot, which is to take place at the Woman's Club house Thursday night, December 12.

A pledge service was held for Miss Opal Marine and Miss Agnes Gorsuch. Other business of the evening was the election of new officers for the coming year.

Those elected were as follows: Miss Lynn Radford, president; Mrs. Clyde Crider, vice-president; Miss Anne Vae Hart, secretary; Miss Evelyn Cathey, treasurer; Miss

HAZEL W.S.C.S. MEETS AT METHODIST CHURCH

The Hazel W.S.C.S. met Wednesday evening at the Methodist church in the second session of the Mission study class. Mrs. Olga Freeman, who is secretary of Mission and Bible Study, is leader. The text being used is "India at the Threshold." Mrs. Claud White introduced "Behind Mud Walls," by Charlette Wiser.

The worship service was given by Mrs. T. S. Herron.

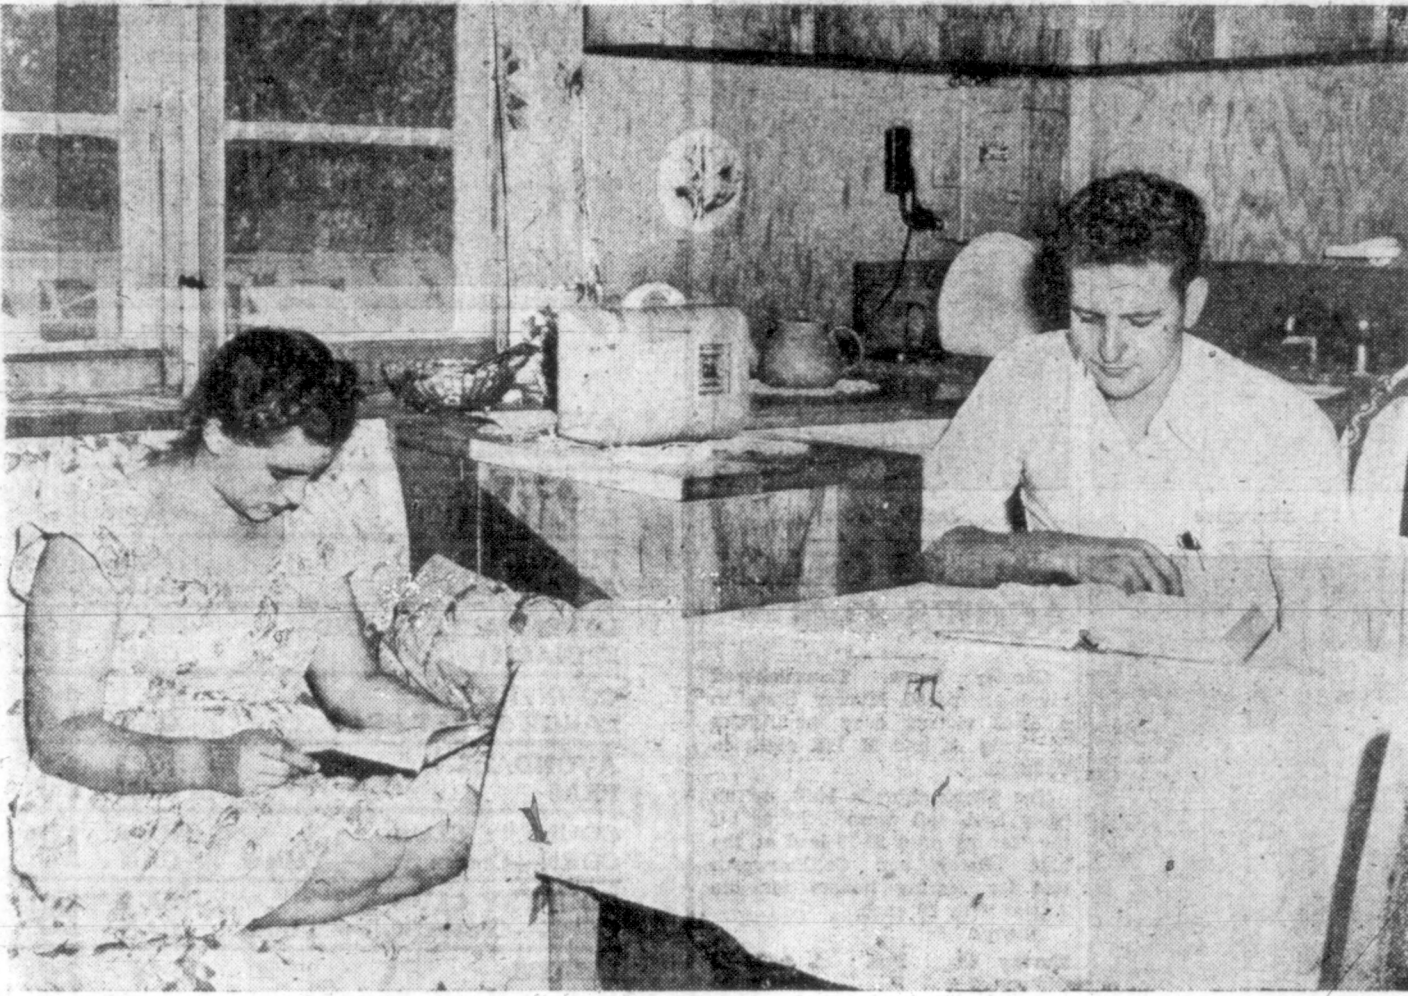

The next meeting will be Wednesday evening, December 11, at which time Mrs. L. Windsor will discuss "Women of India." Mrs. Robert Taylor will report on "Fun and Festivals of India."

AN INTERESTING COLLECTION OF HANDWORK, NEWSPAPERS, ALBUMS AND SNAPSHOTS OF THE NATIVES WILL BE ON DISPLAY THROUGH THE KINDNESS OF BILL JONES WHO SPENT 22 MONTHS IN INDIA DURING THE WAR.

Kentucky Junior Growers Win Six National Awards

KENTUCKY'S junior growers were named winners of two sectional championships and four state awards among members of the National Junior Vegetable Growers Association as the organization gathered in Boston for its 12th annual three-day convention.

Emma Katherine Conder, 14, daughter of Mr. and Mrs. Leon Conder of route 5, Harrodsburg, and Violet Lureen Shields, 18, daughter of V. B. Shields of route 1, Cromwell, each received \$100 from the \$6,000 in scholarships provided by A & P Food Stores for the production and efficient marketing of vegetables.

Four state awards of \$10 each went to William J. Stutzenberger, 17, of Jeffersonton; Velma St. Clair, 17, of Dundee, and Ray Schadler, 17, and Charles Schadler, Jr., 15, of Alexandria. National champion receiving a \$500 A & P scholarship is Jim Spell, 17, of Columbia. Less than half an acre of gardening by Miss Conder produced 16

McCracken Farmers Make Molasses Pay

Sorghum molasses added approximately \$100,000 to farm incomes in McCracken county in 1946 according to a survey made by County Agent Joe Hurt. Between 125 and 150 farmers grew 300 acres of cane which produced between 40,000 and 50,000 gallons of molasses. Most of it sold for \$2 to \$2.50 a gallon.

F. H. Keeling, 78 years old, stirred off 65 gallons a day during the cooking season. He has made sorghum every year for 32 years.

SPEAKERS GROUP HAS 7 FROM HERE

Calloway Students To Be Available Through New Speakers Bureau

A list of 31 speakers and their subjects for the student Speakers Bureau of Murray State College was released this week by Dr. E. L. Pross, head of the department of languages and literature at the college. Brochures giving this list, will be mailed to various clubs and organizations in the surrounding area by the last of December.

The bureau hopes to furnish a variety of speeches for any organization interested. Subjects will have three classifications: inspirational, entertaining and educational.

Speakers listed on the bureau from Calloway County and their subjects are: Charles D. Butterworth, Lynn Grove, "Role of the Small Radio Station in the United States;" Aliese James, Kirksey, "A Career in Home Economics;" Thomas E. Wilkinson, Murray, "Palestine Problem;" Emmett Burken, Murray, "The Church and Political Leadership;" Alfred Lorraine Burken, Dexter, "A Veteran in Civilian Life;" Betty Jean Caraway, Murray, "The Marietta—His Life and Work;" and Robert L. Carlton, Kirksey, "Souvenirs—New Guinea to Japan."

Grand Old Man, Dr. Carr To Celebrate Birthday

A "schoolmaster" for 70 years, Dr. John W. Carr, "Grand Old Man" of Murray State College, will celebrate his 77th birthday here Friday, December 13, probably working on his "history of the college."

First president of Murray State College when it began its existence as a "normal school" in 1923, Dr. Carr is now president emeritus of the college. Hale and hearty, he works practically every day on the history he is writing of the college.

young "Hoosier Schoolmaster" began in Greene County, Ind. He was high school principal at Bloomington, Ind., and at Muncie, Ind., from 1883 to 1890, and superintendent of public schools at Anderson, Ind., at Dayton, Ohio, and Bayonne, N. J., 1890-1916.

After school and war work in Philadelphia, Boston, Norfolk, and Charleston, S. C., Dr. Carr came to work in the schools of Kentucky. From 1920 to 1923 he was connected with the state department of education, first as director of the division of hygiene and later as supervisor of high schools.

First president of Murray, Dr. Carr later served as dean, then president again, then dean, and now as president emeritus. The John Wesley Carr Health Building on the campus is named in his honor.

He has the A.B. and A.M. degrees from Indiana University and the Ph. D. from New York University. Having served in 1906 as president of the department of superintendence of the National Education Association, he is the oldest living ex-president of that organization.

"I love children and I believe in youth," says Dr. Carr in explaining his devotion to the school-room for eight decades. "Teach-

STATE USES G. I.-OWNED EQUIPMENT ON HIGHWAYS

More than 40 bulldozers, angle dozers, patrol graders and other heavy equipment needed for work on rural highways in Kentucky are being rented from ex-service men. J. Stephen Watkins, commissioner of the Kentucky department of highways, said today. The GI-owned equipment was purchased through priorities with the War Assets Administration.

"Rentals on bulldozers net the GI from \$7.50 to \$12.00 per hour, and in many cases have been continuously used for as much as 200 hours," Mr. Watkins said.

ing," he believes, "is destined to become the greatest profession in the world."

versed in the classics and skilled in the art of fishing, Dr. Carr has traveled around the world and maintains an active interest in all the student happenings on the campus. At pep meetings he plays a prominent part.

For diversion he works in his garden and drives his own car. Yes, every Sunday morning at the First Methodist Church you'll find near the front Dr. and Mrs. Carr. If he does a little during a long sermon, he reminds his pastor afterward, that proves he has a "lot of confidence in what the preacher is saying."

FIRST REGULAR CONFERENCE TO BE HELD ON SATURDAY

The first quarterly conference of the Murray Circuit for the current year will convene with New Hope Church on Saturday, December 14.

Dr. Robert A. Clark, district superintendent of the Paris district, will preach at 11 a.m. and the business meeting of the quarterly conference will be in the afternoon.

The officials of the charge are requested to be present. The public is invited to attend and worship with us, according to Rev. C. A. Riggs, pastor of New Hope church.

hellenic, governing body of U.K. sororities.

Included among the girls presented at a reception in the Student Union Bluegrass ballroom was Miss Mary Miller Murray, Alpha Delta Pi.

More than 500 guests, headed by U. K. President and Mrs. H. L. Donovan and President Emeritus Frank L. McVey, witnessed the presentation ceremony. Highlight of the evening saw the presentation of a \$500 check by Panhellenic President Angela Meish to Dean of Women, Mrs. Sarah B. Holmes, who accepted on behalf of the Frances Jewell McVey Memorial Scholarship Fund.

Calloway 4-H'ers Report Good Year

Different types of farming made money for 4-H club boys in Calloway County this year, according to Farm Agent S. V. Foy.

Edwin Wilson of the New Concord Club made \$325 on his registered Jersey herd of five calves and heifers. He won both the grand champion and senior champion prizes at the county fair and seven other ribbons.

Dale Todd from the Faxon Club, county winner in beef production, made \$624 above expenses on six calves.

Jack Mayfield of the Murray 4-H Club, county winner in swine, netted \$210 from two litters of Duroc Jersey pigs.

MURRAY COLLEGE BUYS STEAM KETTLES FROM WAA

Surplus goods purchased by county schools over the state of Kentucky in the past two weeks totaled \$1,339.05, the War Assets Administration announces.

Among the schools making purchases was Murray State College which purchased two steam kettles for \$201.95.

All purchases by schools were subject to a 40 per cent discount which is given to educational and non-profit institutions.

COLLEGE AWARDS LETTERS TO 32

Billy Joe Saunders And Bud Dubia Are Named As Lettermen

Coach Jim Moore, whose Murray State Thoroughbreds ended their 1946 football schedule in a blaze of glory by winning four straight, announced the names of 32 players who have won their varsity letters this season.

Two gridmen from Murray, Bud Dubia, flankman, and Billy Joe Saunders, pass snaggling end, were among those receiving letters.

Murray State's victories include the following triumphs: 38-19 over Morehead State, 19-0 over Marshall College, 38-13 over Eastern Illinois, 20-13 over Tennessee Tech, and 55-6 over Western State Teachers.

The Racers fell to Ohio U., Eastern State, Chattanooga, Evansville, and Mississippi State.

COLLEGE HONORS GRIDMEN TONIGHT WITH BANQUET

Murray State College will honor the coaches and players of the 1946 football team with a banquet to be held tonight at Wells Hall on the college campus.

What Do You Want For Christmas?

It is less than three weeks until Christmas, and the above question is on every lip. There is an earnest desire on the part of most people to find out what a loved one, or good friend, would like most as a gift.

Christmas is a time when it is more blessed to give than to receive, but the fact remains that those who are on the receiving end get the most out of it.

By that we mean that those who enter the holiday season with a deliberate purpose to get the most out of it usually do so.

The best gifts are those that cannot be returned. Making a child happy is a case in point. So is a generous gift to someone who isn't able to reciprocate.

Every year there are folks who go to bed on Christmas night with the feeling that it has been the happiest one of their lives because they have given perfect gifts and received a blessing accordingly. They always receive more than they give!

General conditions are not what we would like for them to be this year, but we have the opportunity to make Christmas occasion for ourselves, anyway.

We can't do it by pondering over our own needs and desires, or by gentle hints to loved ones and friends as to what we most desire in the way of gifts.

We can do it by surveying the field in our neighborhood, or city, and distributing gifts where we know they are most needed.

We realize organized charities serve their purpose in all communities, but we have never regarded them as means through which a person can get the most out of Christmas. Donating to them is as automatic, and sometimes as painful, as paying taxes, or meeting grocery bills.

Individual acts of kindness, personal gifts and thoughtfulness of somebody most folks forget is the best way to get the most out of Christmas.

We have in our community many people who will be sad and lonely this Christmas. Thoughtfulness will mean a great deal to them, but it will mean more to us. Because it gives us the opportunity to give something that can't be returned.

In the midst of the greatest boom this country has ever known there are many suffering more economic stress and strain than they experienced in the bottom of the Big Depression. We all know such people and a substantial financial lift would do them more good than all the doo-dads present market shortages afford.

The biggest gifts of all, however, are not in the realm of material things. Making someone know we care for them, understand their difficulties and problems, and want to help bear them, are more important.

If you want this to be the happiest Christmas you ever had, why not sit down tonight and "make out your list?" Not the usual list of "what to give Uncle John, little Willie or mother," however important it may be, but a list of acquaintances who really need help, or thoughtfulness.

A little thought along this line will solve for most of us the annual question, "What do you want for Christmas?" Also convince us it is within our power to actually get what we most want—to be happy.

Purebreds Instead of Scrubs

The announcement of the formation of a Junior Jersey Club should be a red letter day for Calloway County. If the plan of this organization works out, scrub cattle will be a thing of the past in Calloway, in the future.

Eight purebred Jersey heifers will be placed in the hands of the young farmers of the county by civic minded donors. The first heifer that is produced will be returned to the club and this in turn will be given to another young farmer. By this means the county will be stocked with good cattle.

It is a known fact that it takes as much to feed a scrub as it does a purebred, but the returns from the purebred are much greater.

In the years to come, the formation of this club will prove a real and material boon.

Fine for Illegal Dumping of Trash

The Fiscal Court of Calloway County adopted a resolution making it an offense to dump trash in a stream or barren branch of any stream of the county. This move is to be commended.

This is a step toward keeping unsightly trash dumps off the highways and roads of the county.

Judge Cud pointed out that the proper place for the dumping of trash is North Twelfth street extended.

LETTERS TO EDITOR

Expansion Of City of Murray

Taking in a 30 per cent increase of territory, with no streets or sidewalks, with no well outlined streets adds to a bad layout of dead end streets causing bad traffic circulation altogether calls for some well planning and zoning.

As a suggestion, we recommend a commission of five persons may be three men and two women be named to serve without pay, allowing \$5.00 each per month for expenses, the city to furnish clerical help with probably the Chamber of Commerce volunteering their help.

The authority of the commission to be only advisory to the City Council, and their terms to be regulated by the council.

The deplorable conditions of some of the city streets in the old town with the necessity for building of streets in territory annexed, and the fact that regular taxes from the new territory will not be available for 12 months makes planning very necessary in cooperation with the property owners and citizens.

Respectfully submitted,
T. O. Turner

Veterans Administration homes for disabled or aged veterans had their origin in the National Asylum for Disabled Volunteer Soldiers established in 1865 at the end of the Civil War.

Veterans' Corner

This column is published weekly through the cooperation of this paper. Questions should be mailed to the Veterans Employment Representative, United States Employment Service, Mayfield, Ky.

Q. May the wife or child of a Veteran be granted hospital or domiciliary care by Veterans Administration because of the relationship to the Veteran?

A. No. Admission to a Veterans Administration hospital or home is based on the service of a person in the Armed forces and may be granted only to the persons who served.

Q. "A date to remember": The last day to reinstate lapsed term insurance policies without a physical examination is February 1, 1947. Why not attend to it now?

Q. "What identification data should I give in writing about my claim for benefits administered by the Veterans' Administration?"

A. If you are making application you should give your full name, grade, organization, service number, date of entrance into service, date of discharge and place of birth. After the claim is filed it will be assigned a claim number which should be maintained in all subsequent communications.

Q. If I attend a college that charges only \$300.00 for tuition, books, and fees, will the Veterans Administration pay me the difference between the school charge and the \$500.00 allowed each veteran for his year's schooling?

A. It will not. The Veterans Administration will pay up to \$500.00 for a Veteran's tuition, books and fees for one school year, but the sum the Administration pays to the school is limited to the Customary cost of any other student. In some cases the administrator may pay more than \$500.00 for a Veteran's tuition for one year but anything over the \$500.00 will be charged against the remainder of his eligibility. The Administration pays the cost of a Veteran's schooling direct to the school. The only money the Veteran receives is his subsistence allowance.

Q. As a veteran of World War II of field grade, am I eligible for a State of U. S. bonus, provided they meet all other requirements, such as legal residence and length of service?

A. Until the State and U. S. Governments pass laws it is not possible. But my men, requirements will be paid to any one who served honorably without regard to rank.

BY EWING GALLOWAY

As we get older we realize that nearly all celebrities are, for the most part, just like the general run of humans. They are notable because they do one or more things better than other folks do. Among hundreds of big shots I have known less than half a dozen of them bob up in my memory often. One of the six was a preoccupied young man who wrote rhymes when he didn't have to work at something else to keep the wolf from his door. At that time he was on the editorial staff of the Standard Dictionary.

Mrs. Galloway worked in the same room with him and knew him far better than I did. I was across a corridor in the editorial office of the late lamented Literary Digest. But my mere speaking acquaintance with him is something I shall always cherish. Why? Because he wrote:

"Poems are made by fools like me,
But only God can make a tree."

Which second line will be spoken and written as long as this civilization of ours survives. The poet's name was Joyce Kilmer. A German bullet ended his life in the first World War.

I grew up in a farming district where nearly all men looked upon all trees as things to cut down, unless the trees furnished shade for them to sit under when the sun shone hot. I learned better as I grew up.

A big sycamore not much good for lumber, dwarfed an eighth of an acre of corn in one of our pean bottom fields, and I know I ought to cut it down, but thus far I haven't got around to using the clod crock to saw on it.

What's this all about? Well, I'm getting around to the point you have already suspect I'm driving at. It is Kentucky's forests, which have received little attention from anybody but the Federal Government, which now has 433,000 acres of timber land under its jurisdiction in the state.

Our gross forest area is estimated at 1,493,561 acres.

Our forests have two main enemies: indiscriminate loggers and fires.

The agriculture committee for the committee for Kentucky, headed by Dean Thomas P. Cooper of the University of Kentucky College of Agriculture, says 40 per cent of the total land of the state need forestry development.

West Kentucky, which I know better than other parts of the state, suffers mostly from ruthless cutting of young trees. Maybe the legislature will some day pass a law forbidding the cutting of trees less than two feet in diameter at the stump. The prevention of forest fires can be advanced only through education.

The best example of good forestry I have ever seen was on the farm of a one-time neighbor, C. N. Tapp. Mr. Tapp had 35 acres of woodland. Every six or eight years he would cut the largest trees. Younger trees were left to make another crop of lumber. The timber repeated itself for half a century—until, five years ago, the farm was taken over to become part of Camp Breckinridge. I think the Tapp story is the key to timber conservation in Kentucky.

God made our trees. It is up to us to save them from ruthless loggers and from criminally careless

VA EXPEDITING SUBSISTENCE
PAYMENTS TO VETERANS
IN TRAINING
The Veterans Administration
Branch Office in Columbus has
instructed its field offices in Ohio,
Michigan and Kentucky to make
every effort to expedite payment
of subsistence allowance before
December 20 to veterans who
have not been receiving these pay-
ments while enrolled in educa-
tional or training institutions.

CVA Deputy Administrator
Ralph H. Stone directed that an
immediate check be made at all
educational and training institu-
tions, enabling VA to rush pay-
ment in delinquent cases.
VA admitted there have been
numerous cases of delayed pay-
ments, resulting chiefly from the
unprecedented enrollment of vet-
erans at educational and training
institutions. As of November 1,
this number totaled 210,553 in the
three states, including 98,268 in
Ohio, 82,589 in Michigan, and 29,
696 in Kentucky. Other factors
causing delay in payments have
been failure of institutions and
veterans to submit proper forms to
VA and the failure of many vet-
erans to report changes of address.

PROOF OF SERVICE NEEDED
BY VA CLAIMS APPLICANTS
Proof of military or naval ser-
vice should be submitted to the
Veterans Administration by per-
sons making application for dis-
ability or death compensation or
pension benefits, claims officials
at the VA's Columbus Branch Of-
fice emphasized this week. In de-
termining entitlement to such
benefits, the VA will accept as
evidence of service an actual dis-
charge certificate, a photostatic
copy, or any copy or abstract cer-
tified by a person authorized under
law to administer oaths.
VA claims officials pointed out,
however, that in some cases it
may be necessary to obtain addi-
tional information, not given on
the discharge certificate.

VETS CHRISTMAS SHOPPING
EASY AND EARLY THIS YEAR
Hospitalized veterans are get-
ting their Christmas shopping
completed early and easily this
year through the cooperation of
veterans organizations who have
sponsored free gift shops in Ohio,
Michigan and Kentucky Veterans
Administration hospitals.

Here, the patient can select
gifts, at no expense, to be sent to
his family or sweetheart. The
hospital recreation staff and vol-

assist in the selection—gift wrap,
address and mail the presents. In
addition mobile gift carts make
the rounds of the wards, enabling
bedridden patients to participate
in the novel Christmas shopping
service.

QUESTIONS AND ANSWERS
Q I am taking training under
the G.I. Bill and am working at
night for which I receive the
usual 10 per cent differential. Do
I have to report this differential
to the Veterans Administration in
making a report of my income?
A Yes. Both the base pay and
the 10 per cent differential would
be included as wages in deter-
mining the rate of subsistence al-
lowance payable and accordingly
must be reported by the veteran
and the employer.

Q Is it possible for a veteran
to complete his elementary school
under the Servicemen's Readjust-
ment Act?
A Yes.
Q If the insured prefers the
beneficiary to receive NSLI in
monthly payments, may he desig-
nate over how long a period they
are to extend?
A Yes. The insured may select
a period of 36 months to 240
months in multiples of 12. Or, the
insured may select a monthly in-
come for life with 120 months
certain, or a Refund Life income
depending on age.

Q Is it possible for a disabled
veteran taking vocational training
under Public Law 16 to make a
small loan from the government?
A Yes, but loans cannot ex-
ceed \$100 and they are made only
to veterans approved for voca-
tional rehabilitation when the
need is shown.

Q In case the insured commits
suicide, is National Service Life
Insurance payable to the bene-
ficiary?
A Yes.
Q May widows or children of
deceased veterans secure a guar-
anty loan?
A No. This privilege is limited
to veterans themselves, but a
loan guaranteed for a veteran may
continue after his death.

Interest In Boxing
Coach Jim Moore, having re-
cently announced that boxing
practice would start late in No-
vember at Murray, is now hesitant
about making any further plans
because of the lack of interest.
To date only seven men, who
are interested in boxing, have re-
ported to Murray's boxing mentor.
He said, "This surely isn't enough
men for a team and unless more
interest is shown, we will not have
boxing".

During Murray's four years of
boxing, the teams have defeated
such schools as Tennessee, Pur-
due, Mississippi State, Arkansas,
Florida and Vanderbilt. Their only
loss was to Southwestern Louisi-
ana who won the national cham-
pionship in 1942.

New Concord News
There has been much sadness
this past week because of the
death of some of our people.

On Friday afternoon we at-
tended the funeral of Albert
Miller of near Providence, then
Saturday a dear old lady who was
our neighbor, Mrs. "Duck" Smith,
was carried to the McClellan
cemetery. Sunday, Bob Wilkerson
was buried at Puryear, and we
have heard of other illnesses.

But it's sunshine and shadow
all through life.

A double wedding of much in-
terest last week was that of Haf-
ton Garner to Mary Alice Cole-
man and J. P. Parker to Laura
Farley.

Paul Burke narrowly escaped
serious injury when the motor-
cycle he was trying out got too
fast for him and overturned on
the black top one night last week.
Max Farley had to do a little
"mechanicing" to right his motor-
cycle, and Paul wore a few
patches in memory of his ride.

Mrs. Lulu Miller spent the
week-end at Mrs. Emma Nance's
and Ed Lovins'.

Among the callers at the home
of Mr. and Mrs. Linus Spiceland
Sunday were Mr. and Mrs. Ed
and Mrs. Otis Oury, Guy and
Rainey Lovins, Mrs. Tom and
Miss Maud Nance, Mr. and Mrs.
Lloyd and Mr. and Mrs. Junior
and Sandra Spiceland, Jack Coch-
ran and son, and Mrs. Tea McCus-
ton and a former music teacher of
Concord, Mrs. L. E. Hurt, now of
Lewisburg, Ky.

Mrs. Oury Lovins spent last
week in Chattanooga visiting her
relatives.

Mrs. John Nance is expected
home soon after an extended visit
in Iowa.

The Sunday School at the Meth-
odist Church drew names for
Christmas Sunday.

We have promises that the elec-
tricity will be here this week. We
have an electric gas pump.

Rainey Lovins has a new turn-
ing lathe in his gradually growing
shop.

New Concord school has a new
well with plenty of water in the
ground and a new pump to be in-
stalled, a new moving picture ma-
chine ordered, the piano tuned, a
ball team, defeated only once, and
that at Wingo Friday night, and a
Christmas program prepared to
be given Sunday afternoon, the
fifteenth, at 2 o'clock besides a
chapel program, by the fifth and
sixth grades on the 20th. So we're
still up and coming.

Presbyterian Restoration Fund Over Fifty Per Cent Mark on November 4

In the second major report on the nationwide Presbyterian Church campaign for a \$27,000,000 Restoration Fund, Dr. Harold A. Dalzell, executive director of the fund, announced \$14,185,164 or 52.3% of the goal raised as of November 4.

The Restoration Fund campaign, to finance a program of postwar repair and strengthening of churches and church agencies in Europe, Asia, and in this country, will extend until May, 1948. More than 8,500 Presbyterian churches, comprising a total membership of two million Presbyterians are cooperating in this campaign.

A deputation recently returned from a three months tour of the Philippines and Siam in behalf of the Presbyterian Board of Foreign Missions, reported widespread damages to churches as the result of war. Of 400 United

Evangelical churches in the Philippines, 153 are completely destroyed and scores of others are severely damaged. In Mindanao, 50 of the 110 evangelical church buildings are burned or otherwise destroyed.

The deputation also reported need for educational facilities, medical aid, printing and distribution of Christian literature, and continuation of the church's social service program in the Philippine Islands.

Approximately \$7,250,000 of the \$27,000,000 Restoration Fund now being raised in Presbyterian churches is designed for rehabilitation, rebuilding and replacement of equipment in Asia.

H. L. Kinker of Boyd county expected to harvest between 10,000 and 12,000 bushels of apples from a 75-acre orchard.

POST WAR PIN-UP

Taking care of five pets really keeps one busy according to blimped, blue-eyed Virginia Carol Hodges, 4-year-old daughter of Mr. and Mrs. Marvin Hodges of Murray, especially with such a collection as two cats, a dog, a chicken and a goat.

"Ginnie Carol's" mother, the former Mary Virginia Hoffman, is a graduate of Murray Training School. Her dad is a returning vet at Murray and a physical education major, after having served with "Roosevelt's Red Devils" Division, Third Army, in Germany. Now playing basketball with the Tri-State team, he is one of the starting five in each game.

VETERANS' REPRESENTATIVE COMING HERE TUESDAY

B. D. Nisbet, Veterans Administration representative from the Paducah office, will be in Murray on Tuesday, December 17, to assist all veterans and their dependents with claims for pensions and insurance.

Nisbet will be located at the Peoples Savings Bank on that date and any veteran or dependent of a veteran who wishes to seek the advice of a Veterans Affairs authority should contact him at the bank.

Approximately 85 per cent of the veterans receiving self-employment allowances from Veterans Administration are farmers.

Win Kentucky 4-H State Honors

KENTUCKY'S 4-H state winners in the 1946 Better Methods Electric, Food Preparation, Girls' Record and Dress Revue award programs, who will each receive a trip to the 25th Anniversary National 4-H Club Congress in Chicago, and brief outlines of their records follow:

Jessie Mae Champion, 18, of Sinal, receives her trip award, provided by Sorrel, Inc., for having the best 1946 4-H Food Preparation achievement record in the state. During nine years in club work, the girl planned, prepared and served 1,131 balanced meals, including many dishes and bakings, and put up numerous school lunches. She completed 25 projects, seven of which were in food preparation. Jessie has won many placings and \$46.00 on her food exhibits. She has learned in her 4-H work the value of selecting fresh, wholesome foods, variety of preparation, and attractive service in presenting a well balanced, appetizing meal.

Allen Duval, Jr., 16, of Smithfield, received the Chicago trip award for outstanding achievements in the 1946 Westinghouse 4-H Better Methods Activity. The boy has been a 4-H'er for seven years. Among his work simplification accomplishments on the farm is that of studying the job of cooling milk. He proposes installing an electric milk cooler at a cost of \$275.00. Allen estimates that the time saved in a year would increase the farm income by \$600. As a result of his 4-H Club work, he has adopted many better method practices. He serves as vice president and junior leader of his local club.

Elaine Gardiner, 18, of Lexington, is the state's top "all around" 4-H girl in 1946. Elaine has been a club member for nine years. Her achievements as shown in the National 4-H Girls' Record Activity include preparing and serving 2,000 meals; sewing, making over or mending 109 garments, and canning 415 jars of foods. She also made several home improvement articles, gave one individual and four team demonstrations, entered nine judging contests and 15 dress revues, and

All of these activities were conducted under the direction of the Extension Service of the State Agricultural College and USDA co-operating.

won many placings on her 63 exhibits, including \$104.90 in cash prizes. She served her club as president and reporter. Elaine now contemplates a very full schedule at the Eastern State Teachers College. Her trip award is provided by Montgomery Ward. Nancy Jo Head, 17, of La Grange, receives the Chicago trip award provided by the American Viscose Corp. for making and modeling the top rating outfit in the State 1946 4-H Dress Revue. Her winning outfit is a pink, black and white plaid gingham party costume made with a tight bodice which has a short puff sleeve and square neck. The skirt is long and has gathers for fullness. Nancy laid the pattern on the material so the plaid would form an interesting design in the bodice. Her costume is worn with an old fashioned locket and black velvet band. Total cost of outfit was \$5.85.

All of these activities were conducted under the direction of the Extension Service of the State Agricultural College and USDA co-operating.

A.A.A. NOTES

BY Q. D. WILSON

TOBACCO NEWS

In a proclamation issued November 27 by Secretary of Agriculture Anderson, the 1947 marketing quota for dark air-cured tobacco was reduced to 10 per cent below the 1946 quota and the 1947 quota for dark-fire-cured tobacco was set at the same as in 1946. M. D. Royce, State Director of the Production and Marketing Administration, said here today.

The 1947 quotas are 85,700,000 pounds for fire-cured and 29,100,000 pounds for air-cured. These quotas will be converted to farm acreage allotments.

A fire-cured acreage of not more than two per cent of the 1943 allotment and an air-cured acreage of not more than four per cent of the 1943 allotment will be available for adjusting individual allotments found to be inequitable. Two per cent of the 1943 allotment for each type is also available for allotments for farmers which have grown neither of these types of tobacco in the past five years when such allotments are approved by local committees.

Besides Kentucky, the states growing these types of tobacco are Tennessee, Virginia, and Indiana. Quotas for the dark air and fire-cured tobaccos for 1946, 1947 and 1948 were approved by 90 per cent of the growers voting in a referendum October 20, 1945.

Performance Reports

All lime and phosphate received by farmers in this county must be spread by December 31. If you have out all practices on your farm for this year come and report them as soon as possible.

Everyone who markets tobacco this year will have to have a marketing card. You can get yours by coming to the AAA office. You should have your card at the warehouse so when your tobacco is sold there will be no delay in getting your check.

Not everybody in Calloway county subscribes to The Ledger & Times but nearly everybody reads it.

Taylor's Store News

We have had fine weather this fall. Several persons in this community killed hogs last week, and a lot are wanting to butcher this week if the weather cools up a little.

Mr. and Mrs. Will Baker moved to their new place near Sinking Springs last Friday. Mr. and Mrs. Carmon Morton moved to the place vacated by Mr. Baker.

Mrs. Tiltman Orr is improving. Porter Charlton has been helping Marvin Lassiter gather corn for several days.

Mr. and Mrs. J. C. Paschall and little daughter visited Mr. and Mrs. Cratic Paschall Sunday.

Mrs. Charlie Moore has not been feeling as well the last few days. Tosco and Garvie Paschall hauled some logs for Cratic Paschall Monday evening.

Kay Trease, little daughter of

Orvis, has been sick several days but, I think, will soon be able to go back to school.

Men have been working on the electric lines here lately. They have the lines all up now and when they get the transformers installed we will get service.

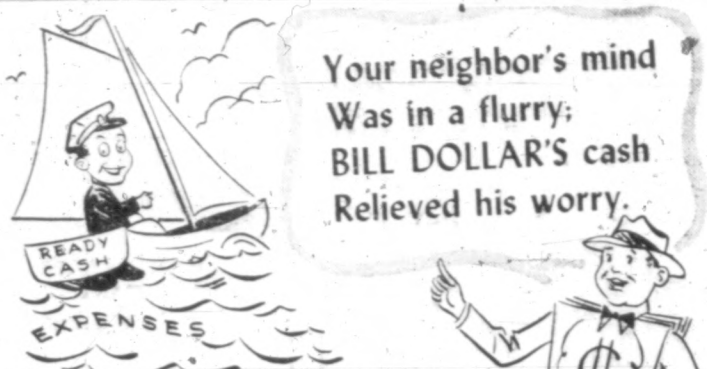

Mr. and Mrs. Oscar McClain got done stripping their tobacco last week; reckon they are about the first to complete the job in this vicinity, and they had a big crop; guess about 2500 sticks.

Mrs. Mary and Less Dalton went to gather their popcorn just raised a little for home use) but somebody had already gathered about one-half of it, so Mrs. Dalton said she thought they would have enough to mow out with about two bushels. She said she hoped it would pop good for them. They weren't as lucky as Mrs. Ola Morris—didn't find any money to pay for it.—Guess Who

U.K. GIVING FLU SHOTS

The University of Kentucky Health Service last week undertook a project of mass immunization of the University student body, faculty and staff against influenza. Vaccination is being given as a precaution against a possible 'flu' epidemic this winter and is on a voluntary basis—available if desired.

Murray JayVees Win Four Games

The Murray State Junior Varsity scored four straight victories against no losses during the past season. They rolled up 95 points against 9 for their opposition.

U. T. Easy

The JayVees defeated Memphis on Charlie Parker's 40-yard run after intercepting a pass with only two minutes remaining in the game. They scored in each of the four periods to down Louisville. The U.T. Junior Vols proved easy prey the first game as the Junior Breds scored almost at will but in their second meeting the Vols threw a scare into the Jayvees by using a very effective passing attack to go into a 6-0 lead in the second quarter. Jim Humphrey, Paducah tailback, broke loose for a 50 yard touchdown sprint on the third play after the second half kickoff to tie the score, and a little while later Humphrey dashed 20 yards for the winning touchdown.

Humphrey Leads

Humphrey led the JayVees in scoring with 18 points, scoring three touchdowns. He was followed by Orville Gibbs, fullback from Rector, Ark., and Ralph McClain, Mayfield fullback, with 12 points each. Joe Bronson, Chicago, Ill., wingback, Vince Marquess, Hopkinsville tailback, Jere McClure, Dyersburg Tenn., fullback, Charles Field, Milan, Tenn., end, Winfred Dill, Huntingdon, Tenn.

PAUL GARGUS IS MADE FIELD SUPERINTENDENT BY COMPANY

The Kentucky Central Life and Accident Insurance Company has announced that Paul Gargus, Murray, has been promoted to field superintendent of the Paducah District of that company effective November 4, 1946.

Gargus was first employed by the Kentucky Central Company as an agent on April 10, 1944, has had an outstanding record with the company for the entire 31 months, the company said. His promotion was in acknowledgment for his work.

Ranks High
Company records indicate that Gargus ranks number 20 with the entire company on Ordinary production and has record, which includes both Ordinary and Industrial, puts him number 16, with all agents employed by this company.

The company stated that it was confident that he would make an equally good record in his new position.

Gargus was employed for 11 years by Tolley's Food Market of Murray prior to his affiliation with Kentucky Central. He has stated that he wishes to offer his thanks to the many friends in Murray and Calloway county who have given him support.

Abundant Harvest For 4-H Gardener

William Pryor Wheeler, 4-H club member in Graves county and district champion in gardening, produced an abundant harvest of vegetables for his family this year. 34 bushels of root vegetables have been stored and 468 quarts canned. Then he sold \$238 worth on the local market. In preparation for next year's garden, young Wheeler sowed a winter cover crop of balto rye and vetch, said Robert H. Ellis, assistant county agent.

Wheeler divided his two-acre garden plot, using half for his early garden, and the remainder for fall vegetables. After harvesting his early crops he planted late corn, beans and turnips.

NAVY OFFERS COLLEGE TRAINING TO APPLICANTS

The local Navy Recruiting Representative, Chief H. M. West said today that there are only a few days left in which local high school seniors and graduates can apply to enrollment in the Navy's new College Training Program. January 18, 1947 has been set as the date on which a nation wide competitive examination will be given to all qualified applicants for enrollment in the NROTC or NACP.

From those who pass, several thousand will be selected to begin college in the Fall of 1947. But, applications must be received by the Naval Examining Section, Prince, New Jersey by December 17 in order to be considered for the examination in January.

This new program offers a four year college education at Navy expense plus a commission in the United States Navy or Marine Corps upon graduation. The examinations will be given in over 500 cities throughout the United States.

Chief West urged all interested young men, 17 to 21 years old, to avail themselves of this excellent educational opportunity, and said that application forms and detailed information about the program could be obtained from high school principals, college deans and Offices of Naval Officer Procurement.

FILM CLINIC HELD AT MADISONVILLE

Prof. M. O. Wrather Aids Schools In Training Operators of Projectors

Prof. M. O. Wrather, member of the college staff, announced recently, that a film clinic was held at Madisonville High School November 19.

The purpose of this meeting was to instruct projection operators in high schools that are members of the cooperative Film Library. The clinic was attended by the principals and students of Madisonville High School, and other schools of the surrounding community.

Others who were on the program were: Burton Jeffrey, principal of Lynn Grove High School; B. M. Taylor; and Mrs. Don Souder, assistant to Mr. Wrather.

Dr. Lewis Resigns

Prof. William D. Lewis, A.B. Westminster College, M.A. University of Wisconsin, Ph.D. Peabody College, and professor in education at Murray State College, is joining the faculty of Southwestern Louisiana January 6, 1947.

Dr. Lewis came to Murray in the fall of 1939. He will finish this quarter at Murray.

President Ralph H. Woods reports he has found no one to take Dr. Lewis' place, but feels sure he will get a qualified teacher by the beginning of the next quarter.

WINTER FEED FOR COWS

Winter feed for a dry cow should include about three-quarters of a ton of good legume hay and an equal quantity of cheap roughage, such as straw, cornfodder or grass hay, says the University of Kentucky College of Agriculture and Home Economics.

MURRAY HIGH STUDENTS BACK JUNIOR RED CROSS DRIVE 100%

By Jacqueline Wear
Murray High's students were all out 100 per cent for the Red Cross drive this year. Each student is now a member of the Junior Red Cross, a branch of the American Red Cross. This association offers its service both at home and abroad, in war and peace.

Some examples of our work this year is as follows: collected 286 pounds of clothes for Kentucky needy, 37 pounds of tin foil for Kentucky children in Kossair hospital, and last but not least a large majority of the student body attended the Water Safety Demonstration at the Kentucky Lake.

Also when dues were collected, the sophomore class ranked first in donating \$15.46 out of the total \$55.98.

The Murray High organization is under sponsorship of W. B. Moser, with the able assistance of all faculty members. The Junior Red Cross offers its members an opportunity to serve others; it forms a link between the schools, locality, national and international society.

More than twice as many stockers and feeders have been brought into Carlisle county this fall than in any other year.

Varsity Theatre Plans Kid Party

Frank Lancaster, manager of the Varsity theatre, announced this week that the annual Varsity party for children up to the age of 12 will be held on the day before Christmas at the Varsity at 10:30 a.m.

All children of the city and county are invited to attend. This Christmas party is presented annually by the Theatre and the employees donate their services as gift to the children.

Lancaster says that the program will include Bugs Bunny, Donald Duck, Woody The Woodpecker, Mickey Mouse, Tom and Jerry, Popeye, and two two-reel comedies.

Four hundred and fifteen acres of Ky. 31 fescue grass and certified or approved ladino clover have been seeded this fall by Hickman county farmers.

Lochie Fay Hart, daughter of Mr. and Mrs. George Hart of Murray, is shown above with her Angus steer which won first in the fat steer class, first in the 4-H and FFA class and the championship of the fat cattle division at the fifth annual Calloway County Beef Cattle Show held in Murray on November 12.

This is Lochie Fay's second year in 4-H work but her first time to take a first prize. A member of the eighth grade at Murray High, she will observe her 13th birthday on Christmas day.

As a member of the high school band she plays the clarinet. Lochie is also an accomplished young singer, dancer and pianist. Last summer she received an award in riflery at a summer camp. Show officials reported that the 50 cents a pound paid for the prize winning steer was the highest bid ever received at a local show or sale.

RAILEY LEADS HAZEL TO FARMINGTON WIN

Hazel's Lions poured on the steam in the closing minutes of the game to edge Farmington 48-38 in a tilt played at Hazel Tuesday night.

Bailey racked up 13 points to pace the winners. Hazel stayed in hot water throughout the first three quarters and rallied to throttle the Farmington threat late in the game.

Lineups:
Hazel 48 Pos. Farmington

Denham 5 F Riley 13
Dunn 9 C Cox 18
Bailey 13 C Covitt 7
Lassiter 4 G Spaulding 2
Subs: Hazel—Hayes 10, Freeman, Farmington—Melvin, Cox 4.

After learning to make simple electrical repairs, Madison county homemakers repaired 97 electric cords, spliced 40 cords and wired 31 lamps.

Thorbreds Fall To SE Missouri 47-44

An invading band of Southeast Missouri State College Indians pushed the Murray Thorbreds from the win column in a thrill packed 47-44 upset here Tuesday night.

The two teams tied the ball game up 11 times before Bob Merrick, Indian forward, cinched the game with a last minute basket.

Murray led 20-18 at the half. Johnny Lee Reagan, Bred ball-hawk, was outstanding for Murray as he pushed through 14 points and sparked an improved, aggressive Racer defense.

Jack Klosterman, Indian guard, ripped the net with some of the best distance shooting seen at Murray this year.

Lineups:
Missouri 47 Pos. Murray 44
Merrick 14 F Oldham 2
Upton 10 F Phillips 6
Nichols 2 C Snow 8
Klosterman 8 G Reagan 14
Uhl 3 G Pearce 3
Subs: Southeast Missouri—Radmer 4, McGeehan 4, McRaven 2, Murray—Frank 4, Oxford 2, McGrath, Loughray, Alexander 5, and Dick.
Officials—Porter and Murff.

PURCHASE CO-OP HAS ANNUAL MEET

The stockholders of the Jackson Purchase Production Credit Association held their thirteenth annual meeting Saturday, December 7, at the Mayfield High School building, with more than 150 people attending.

Cloy A. Hobbs, secretary-treasurer, reported that 1946 had been the most successful year of the association and that the increase in members and business transacted was the largest of any association in the district, which includes Ohio, Indiana, Kentucky, and Tennessee.

In a ringing speech, G. P. Summers, field agent for the Marketing Department, stated "agricultural income will be on the decline in 1947, and efficient farm planning and management in the times ahead will pay good dividends."

John M. Kelley, Carlisle County, was reelected as a member of the

American Veterinarians Warn Farmers Against Promiscuous Use of Vaccines

A warning to farmers that the health of their livestock may be seriously endangered by "promiscuous use of livestock vaccines and dangerous drugs," has been issued by the American Veterinary Medical Association.

Caution Advised
"Instances are being reported, where farmers have been sold live vaccines, and through improper handling have caused disease outbreaks," Dr. J. C. Hardenbergh, executive secretary of the association reported recently. "Such vaccines contain living disease organisms, and should never be used except under competent veterinary direction."

In a ringing speech, G. P. Summers, field agent for the Marketing Department, stated "agricultural income will be on the decline in 1947, and efficient farm planning and management in the times ahead will pay good dividends."

tion. We have received other reports of instances where owners mistakenly suspected their animals of having a certain disease, attempted to treat them without proper diagnosis of the ailment, and caused the death of many head.

Quacks Active
"Unfortunately, the situation is being aggravated in some areas by peddlers and nostrum vendors and even certain retailers who, for the sake of profits, attempted to sell farmers on using such potentially dangerous products without proper supervision. We cannot know accurately what the livestock death toll from such improper use may be, but it may well amount to a substantial figure."

May Ask Controls
Association officials said that they have considered asking national legislation to safeguard the use of such products, along lines similar to those governing the use of human vaccines and medical products.

CANINE OLDSTERS BOAST INTERESTING CAREERS

LADDIE BOY

The search for the oldest dog in America, conducted by the Games Dog Research Center, New York, as part of the 1946 observance of National Dog Week, unearthed some exceedingly interesting stories.

The oldest one found was Laddie Boy (named after President Harding's dog), 23 1/2 years old, male of dubious ancestry owned by Mrs. E. C. Baynard, of Rocky Mount, N. C. This age in a dog is equivalent to 135 years in a human. Though dogs half his age are considered old, Laddie is perfectly well and has required no veterinary attention in over four years.

Jiggs, a large cross-bred owned by Mrs. Oscar Bengtson of Anaheim, Calif., is now 21 years old. When he was 10 years old, the Bengtson family moved to Anaheim from Truman, Minn., leaving Jiggs behind with a friend. After staying with this friend eight weeks, Jiggs vanished. Two and one-half years later he turned up at the Bengtson home in California, having traveled nearly 1800 miles through strange territory to find his family.

Ritz Rachmaninov, a purebred Samoyede owned by Mrs. Daniel McKnight of Vallejo, Calif., and now 15 years old, distinguished himself at the age of 12 (75 in human equivalent) by siring a litter of four healthy puppies.

Susie, 16, owned by Al Johnson, a government trapper of Logan, Mont., still goes hunting with her owner every day. She has pulled down over 600 coyotes and once helped capture a wolf weighing 103 pounds.

Acclona Wire Girl ("Acie"), purebred Wire Foxterrier owned by Mrs. B. J. Blackburn of Roseville, Mich., is still sporty-looking and swift of figure despite her 12 years. Acie has produced 10 litters of puppies and raised all of them. Besides nursing her offspring, she has acted as foster-mother on three different occasions for other dog mothers who had more puppies than they could take care of.

Buddy, a Shepherd (Collie type) belonging to Mrs. Stoddard Porter of Grahamsville, N. Y., is still working for a living at the age of 16. He brings the cows home from pasture every afternoon. In addition, he has completely eliminated woodchucks from the Porter farm.

In Somerset, Pa., Mrs. William E. Griffith has a toy Black and Tan Terrier male, named Zippy, now 19 years old. She told the Games Dog Research Center folk, "Zippy has traveled extensively, stopping at the very best hotels in the country."

Mrs. Robert E. McKinley, of Federalburg, Md., boasts that her 17-year-old mixed Terrier, Buster, "can actually talk." She claims he says such words as "I'm hungry" and "I want to go out." This claim places Buster well ahead of the much-publicized English dog Ben who is said to be able to distinctly say, "I want one."

A white female Spitz, "Midgie," owned by Fred Oertel, of Keokuk, Ia., had a litter of three healthy puppies in May, 1946, when she was 16 years old. On other occasions, when she had no puppies of her own, Midgie mothered a litter of white rats, some chickens, another dog's four puppies, and still another time simultaneously nursed a puppy and a kitten.

1947 Governor Election . . .

Every Democrat should be interested to vote, but if not properly registered, one cannot vote; so go to the County Clerk's office if you are not registered, or if you are going to change to another precinct next year, so you can vote in the August primary.

There are certain forces at work to get many candidates from Eastern Kentucky, which would prevent the nomination from coming to us.

Ninety per cent of Democrats in the First District should organize for Waterfield, as he is our best prospect now; so why not form an organization now to get voters registered.

We can have no hope for a road program, especially a rural program, with the Republicans in power. There are not enough Republicans in this section to raise a fuss about roads or fight for a reasonable share of benefits from the state government. They will take a few jobs and be satisfied, so we get very little in our road program.

The Republicans are going to nominate an eastern rural section man, so that after the cities are taken care of the rest will go to Southeast Kentucky. It certainly should be to the interest of Calloway to get busy.

Well, just a line please to state that we are getting quite a lot of useful and much needed merchandise. If interested in saving, come in every time in town to see what we have to offer.

Only 10 more shopping days till Christmas.

Lynn Grove School News

On Sunday, December 22 at 3:00 p.m., "Christmas Dreams," a Christmas musical program will be presented by the Lynn Grove musical students and an Angel Chorus under the direction of Mrs. Glendel Reeves.

The program includes vocal solos, duets, trios, chorus numbers, violin and marimba music, dancing, and new arrangements of the familiar carols, musical readings, piano duets, and tableaux, with special lighting and stage effects.

On Friday night, December 20, the Freshman class of Lynn Grove High School under the direction of Mrs. Margaret Crawford are presenting the three-act play, "Red-Headed Royalty from Arkansas," a comedy of youth and college life.

This delightful comedy will hold your interest from curtain to curtain. Its situations are clever, its characters are youthful and wholesome and the dialogue is bright, clean and gay.

The cast is as follows: Prince Michaels, from Arkansas, Hugh Thomas Wilkerson; Dale Nellis, Bobby Eaker; Jim Donovan, Felix Earl Darnell; and Fordyce Green, Donnie Darnell, all college boys. Han Fittler, the music teacher is played by Clifton Coleman. The co-eds are Leigh Johnston, Paula Morton; Jacqueline Wallis, Calene Smith; Yvonne Ferris, Jerlene Lassiter; Aimee Rausen, Anna Ridings; Doris Willoby; Isabel Kipso; Ethel Whalen, Janet Key.

For an enjoyable evening don't miss "Red-Headed Royalty from Arkansas" at Lynn Grove Friday, December 20.

The entertainment between acts include a novelty song, by Patty Jean Morton and Jackie Myers.

Troop 2

The meeting came to order Monday at 8:30 p.m. in the Methodist Church, basement. We discussed sending thinking boxes overseas, which we will do. We drew names and planned a Christmas party. We also decided that we will go to the movies Thursday, December 12 to see "Holiday in Mexico." The meeting then adjourned.

Friday, December 6, the Scouts of Troop 2, went to the Butterworth cabin on Kentucky Lake to stay all night. We had a wonderful time. We would like to thank the entire Executive Board of the Murray Woman's Club for such a wonderful time. We would also like to thank the Scouts' mothers who stayed with us.

LADY'S ARM WAS BENT UP DOUBLE LIKE A JACK-KNIFE

One lady recently stated that her arm used to become doubled up like a jack-knife. She couldn't move her arm up or down because her muscles were stiff with rheumatic pains and the joints of her elbow and shoulder were swollen. She said she was ashamed to leave her house because people would stare at her. Finally she got Rhu-Aid and says she now can raise her arm above her head and the swelling left her elbow and shoulder. The awful pain and stiffness is gone. She is enjoying life once more and feels like "some other woman" since taking this New Compound.

Rhu-Aid contains Three Great Medicinal Ingredients which go right to the very source of rheumatic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get Rhu-Aid. Jones Drug Co.

Rest Room Report

Since the care and operation of the Women's Rest Room in the court house rests with the public, the committee thinks it wise to give a report often in order to keep everyone interested.

So far this project has been very successful. Ladies of every walk in life are using the room. Tourist, shoppers, business women, shop and factory girls go to the waiting room to eat lunches and relax. Mothers with small children find it a place of rest. Ladies waiting for rides, and city women who walk to town find it a comfortable place to rest before returning home. Packages can be stored. So all are benefited by it.

Anything worthwhile costs money—so does this project. The hostess is paid \$50.00 per month to keep it. Some of the furnishings were donated but the rest had to be bought. These are wearing and will soon need replacing. To look neat and clean the walls and

woodwork will soon need refinishing. The slip covers have to be cleaned often and this is expensive. There are many other incidentals too numerous to mention that we need money for.

Recently the floor was painted at a cost of \$50.00. The committee planned an auction sale to help defray expenses but due to lack of articles sent in and also bad weather the sale was not held. The few articles and food brought in were placed on a table in the Rest Room and sold to individuals. Over \$16 was made from this sale. The county judge and attorney, and each member of the fiscal court donated \$1 each. The Murray Paint and Wallpaper Co. contributed \$5.00. Mrs. Jack Colson \$1, and others whose names we don't have made money donations sufficient, with the above, to cover the expense of painting the floor. We appreciate and thank each and all for both money and articles donated. We believe every public-spirited citizen of the county appreciates this room and will

Pep Session Held

The Pep Club held its regular meeting Wednesday, December 4, at 12:30. Cheerleaders—Sue Hughes, Betty Yancey, Jacqueline Miller and Sue Workman—led the club in a few yells. Members practiced the yells to be given that night at the ball game with Calvert City.

Latin Club

Wanda Farmer, president of the Latin Club, called the meeting to order Wednesday, December 4, at 1:15.

In place of the regular program the club discussed the possibility of having a banquet before the Christmas vacation.

A special meeting will be held Tuesday, December 10, in which further plans will be made.

—Betty Bodwen

Chapel Program

The Spanish Club gave the program at the regular chapel period Friday, December 6, at 2:00. The fifth grade was in charge of the devotional.

The Spanish Club sang six songs and did six skits in Spanish. The songs were "La Cucaracha," "Alla En El Rancho Grande," "Cielito Lindo," "Amor," "Maria Elena," and "Eray Felipe."

John Stanley Shelton announced the songs and skits which were done first in Spanish and then in English. Those taking part in the program were Ann Stokes, Bill Corbin, Mary Margaret Lewis, Jo Ann Smith, Jacqueline Miller, Betty Yancey, Jacqueline Sharborough, Ruth Osborne, Hilda Dorch, Marion Copeland, and Agnes Gorsuch.

The entire fifth grade repeated the seventeenth and twenty-third Psalm, and sang a prayer.

Ralph Boyd, president of the Student Council, called for announcements.

Coch Underwood made an announcement concerning the game with Puryear that night.

Mr. Gunter, acting for Mr. Graham, made an announcement. Yells were practiced for the Puryear game.

The group was dismissed at 2:45.

—Jean Thompson

Student Council

The student council met Wednesday, December 4, at the regular club period at 12:30.

Following a short business session, the program of work committee met with Mrs. Lowry and Mr. Gunter to discuss an honor system for the home rooms. Mr. Gunter explained how the system was used in other schools.

Members of the committee are Betty Ann Rogers, Eddie Dorch, Mary Frances Trevathan, Roy

Smith, George Ed Waldrop, and Wanda Lee Farmer.

The committee meeting was adjourned at 1:15.

—Wanda Lee Farmer

Debaters Have Dinner

Members of the debate club were dinner guests of Mrs. C. S. Lowry Tuesday evening, December 10.

After dinner the club went to the Murray Training-Wickliffe game. They then returned to Mrs. Lowry's to listen to a debate, given over the radio, on the debate question of the year—Resolved: That the Federal Government should provide complete medical care to all citizens.

Members present were John Stanley Shelton, Pat Clark, Hilda Dorch, Thomas Butler, Billy Corbin, Jo Ann Smith, and Wanda Lee Farmer.

Sodium Fluoride for Wormy Pigs

Experiments conducted by the

U. S. Department of Agriculture, Division of Animal Industry in the use of Sodium Fluoride to remove the worms from pigs show that (1) it is very effective, (2) it is low in cost, (3) it is easy to administer, (4) it is readily available, and (5) it is safe to use if simple precautions are observed.

In the test made sodium fluoride was compared with oil of chenopodium (American Worm Seed

Oil) and phenothiazine for the removal of large round-worms, the most injurious worm parasite affecting swine. Results showed that sodium fluoride was about 95 per cent effective while the "bating average" of oil of chenopodium and phenothiazine was 75 per cent and less than 50 per cent respectively.

The best method of treatment consisted in feeding the pigs for ONE DAY on a mixture containing one part by weight of sodium fluoride (technical grade) and 99 parts by weight of dry ground feed. Results were better when the pigs were slightly underfed the day before they were treated. On the day of treatment, the medicated feed was given in the morning in such

amount as the animals normally consumed in one day. One the following morning the pigs were put back on the regular feed. Groups of pigs may be effectively treated by this method.

For growing pigs, exposed to heavy round-worm infestation, two treatments may be necessary, the first at 2 or 3 months of age and the second at 4 to 5 months.

Remember a wormy pig will lose you money. Try this new remedy. For further information call at the County Agents Office.

Shelby county homemakers used 456 feed bags to offset the shortage of cotton material, estimating the value of the articles made at \$582.

University of Kentucky Report Warns Farm Expenses May Be Higher In 1947

Farm expenses may be higher than ever next year, according to the annual outlook report of the University of Kentucky College of Agriculture and Home Economics.

"In fact," says the report, "when farm cost items are considered in relation to income, 1947 is likely to produce the highest relative costs since the beginning of World War II."

Wage Rates Up

Farmers probably will pay higher wage rates in 1947 than in 1946, and because of increased employment of farm labor the total wage bill will be higher. However, production per acre is likely to

increase, making the unit cost for labor similar to 1946. Costs of operating farm tractors, trucks, and automobiles in 1947 are expected to be about 15 per cent higher than in 1946. Slight increases in the costs for other farm machinery are in prospect and further price increases for most items of new equipment are likely.

"The average cost for feed in 1947 probably will stay near the levels reached in late 1945, but costs of high protein feeds will be higher in 1947. Seed costs are likely to continue high because of demand from devastated countries.

"Costs for fertilizer will show a

Hazel High School

The P.T.A. of Hazel High School enjoyed a nice basket supper which was served in the high school auditorium last Friday night.

Teachers and students are being kept quite busy this week as this is a week of events. The Hazel Lions will play three games this week, the first with Farmington Tuesday night, the second with Hardin, Friday night and on Saturday night they will motor to Benton to meet Lone Oak.

All classes have drawn names for Christmas. We will have our annual Christmas tree on the morning of December 20, following a short program.

The Home Economics Department has added some improvements in the last few weeks of which we are very proud. A new Frigidaire refrigerator and stove have been installed, the room has been redecorated and new draperies have been hung.

A group of girls attended a district meeting of the F.H.A. which was held at Sedalia on December 7. The Hazel Chapter rated excellent on all of their demonstrations of parliamentary procedure and also on a description, given by Faye Nell Craig, of an outstanding activity that the club selected to carry out for the year. The following girls participated in the program: Elsie Humphrey, Dorothy Nesbitt, Jimmie Gingles, Lou Ellen Adams, Shirley Scarbrough, Jackie Ellis, Jean Alton, Faye Nell Craig, Myrtle Mae Nesbitt, Betty Lou Hill, Quava Lawrence, Imogene Farris, Jean Vaughn, Anna Lou Stealy, Violetta Vick. Their advisor, Miss Estelle Erwin, accompanied them.

A demonstration of cutting and canning of meat given by the State Department for Home Economics and Agriculture teachers at this district will be given at the Hazel Chapter Wednesday.

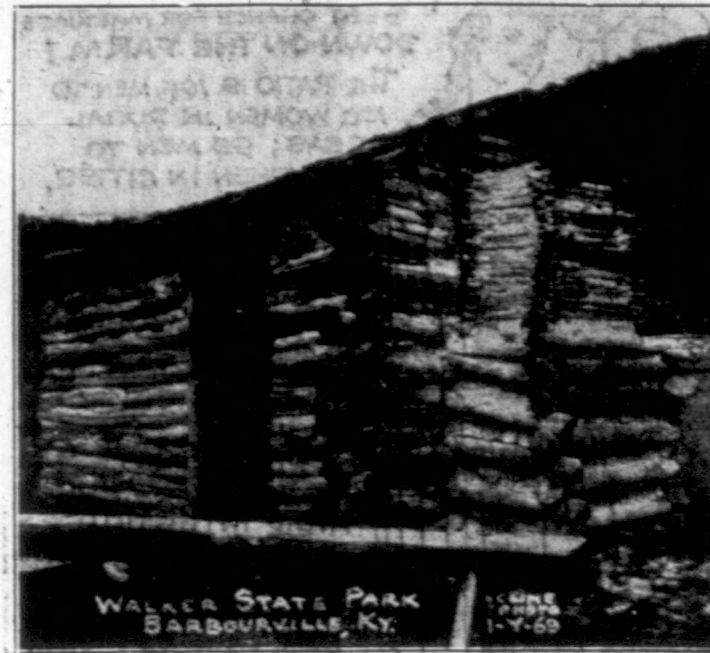

slight increase, but in spite of this fact fertilizer will remain as one of the cheaper sources of feed through increasing yields of feed grains, hay, and pasture. Costs of lumber, containers, and farm supplies are expected to be somewhat higher in 1947 than at present.

"Interest costs probably will level out or increase but slightly next year. Taxes on property, payable in 1947, probably will be higher because of increased levies in 1946. Wide gaps between insured value and replacement costs will also prompt many farmers to obtain more insurance.

Careful Spending Advised

"The over-all result could easily mean lower net returns to the oper-

Site of First House Built in Kentucky is in Walker State Park

By RUSSELL DYCHE, Director Kentucky State Parks.

Coming into the Wilderness of Kentucky in 1750, for the Loyal Land Company of Virginia, Dr. Thomas Walker and five associates built a house on the banks of the Cumberland River to strengthen the title of their employers to the land they were viewing for possible settlement. The site of that first pole cabin is now the Dr. Thomas Walker State Park, a memorial to the intrepid travelers who first among white men pushed through the fastness of the mountains and their primeval forests in search of a passage to the rich valleys they believed to be to the west, and which were the prime object of their search.

In the Dr. Thomas Walker State Park has been erected a replica of the first house built in Kentucky, a replica of the typical log wilderness cabin of that time and doubtless the type built by the Dr. Walker party. At the entrance is the custodian's home, and in the valley below has been developed a delightful picnic area, with its shelter house and tables. On the play grounds are swings and other recreation equipment so popular with children.

Situated on a twelve-acre tract five miles from Barbourville on a fair, but at times dusty, gravel road, the Dr. Thomas Walker State Park is the least used of the seventeen areas operated by the State Parks Division, though it instantly arrests the interest of persons devoted to the early history of Kentucky. Reports of the Division show healthy increases in attendance each of the past two years, and a projected black-top road doubtless will result in still greater increases in the future.

ator and family for their labor and investment, and the situation calls for careful and judicious spending in 1947. Total cash costs can be lowered by reducing production, but reduced production usually results in a higher unit cost and an even greater reduction in net income.

"The situation appears to call for maintaining production while bending every effort toward reducing unit costs. Special attention should be given to paying off debts, avoidance of contracting new debts, increased efficiency in use of labor and machinery, obtaining higher yields while cultivating fewer acres, development of manual skills, especially mechanical ones, avoid hiring services, and growing more of the feed fed on the farm."

WOODMEN SORORITY MEETS WITH EDDYVILLE GROUP

The Woodmen Circle Sorority girls of the Tau Phi Lambda went to Eddyville, Ky., November 19 for an initiation and installation of officers from Groves of Kuttawa, Princeton and Eddyville.

Miss Oneida Ahart, presided, assisted by Miss Lynn Radford.

A bus was chartered from Murray and 25 members of the Woodmen Circle, Grove, No. 126 were represented. Mrs. Fred Roan, formerly Mrs. Jessie Houston, was a guest.

Refreshments were served by the following state officers: Mrs.

Lois Waterfield, Mrs. Martha Carter and Mrs. Jewel McClain of Fulton.

LEGION AND AUXILIARY HAVE JOINT MEETING

Members of the American Legion Auxiliary met last Thursday evening at the Woman's Club for a joint meeting. Following the "pot luck" supper which was served in the dining room, separate business sessions were held.

The program was enjoyed by both groups. Mrs. Jimmy Robinson was presented in two vocal numbers with Miss Lula Clayton Beale at the piano. Mrs. Claud Anderson told what the groups are doing for six hospitalized veterans at Outwood which have been "adopted" by the local units.

Shorty McCulston and J. C. Maupin entertained with string music. The closing feature of the entertainment was the exchange of gifts around a brightly lighted Christmas tree.

MRS. HIGGINS ENTERTAINS ARTS AND CRAFTS CLUB

Mrs. Solon Higgins was hostess Wednesday afternoon to the Arts and Crafts Club at her home.

Following the usual hour of needlework and conversation, gifts were exchanged from the tree in the living room. A Christmas scene was arranged on the dining room table and other holiday decorations were used throughout the rooms.

The hostess, assisted by Mrs. M. L. Whitel, Mrs. Beale Outland and Mrs. W. V. Hale, served a dainty party plate to approximately twenty-five members.

GARDEN CLUB CANCELS LIGHTING CONTEST

Plans for sponsoring a contest in outdoor Christmas decorations this season have been canceled by the Garden Club due to the inability to secure necessary working materials. The war years have taken a toll of bulbs and other necessary items for decorating which have not yet returned to the market, and it was thought wise to postpone the contest until next year.

Although there will be no actual contest this year, the club suggests that Murray families use the material they have for decorating in the spirit of Christmas, and look forward to next year when there will be cash awards for the winners in a decorating contest.

WOODMEN CIRCLE OFFICERS MEET WITH MISS MARTIN

The Officers Club of the Woodmen Circle met at the home of Miss Katie Martin, Tuesday, December 3, at 7:30 o'clock with Mrs. Genora Hamlett as co-hostess. The business session was conducted by the president, Mrs. Genora Hamlett, and plans were made for the regular Christmas party and pot luck supper for December 12.

The Officers Club was entertained with contests and exchange of Christmas gifts. Mrs. Sid Boggs won the contest prize.

A delicious party plate was served to the 18 members present.

MRS. WALLIS IS BRIDGE HOSTESS

Mrs. Gingham Wallis had guests for bridge at her home last Thursday afternoon. The game was played at five tables, and prizes awarded Mrs. Wells Overbey for high score, Mrs. Frank Albert Stubbelfield second high, and Mrs. P. W. Ordway low.

The hostess served a dainty desert plate.

Prize Winner

Mrs. Jack Norsworthy
Mrs. Jack Norsworthy of the Penny community was awarded a prize of \$150 as a winner in the Farm and Home Improvement Campaign sponsored recently by the Courier-Journal and the Louisville Times, Louisville newspapers.

Luncheon
Mrs. Norsworthy won fourth place in the women's grand prizes. Also included in the awards is a trip to Louisville to attend a luncheon in honor of the winners. The luncheon will be held in the roof garden of the Brown Hotel of that city on Saturday, December 14.

Mr. and Mrs. Norsworthy are both well known members of the Penny community.

Mrs. Norsworthy's prize winning project was the remodeling of a house. The house was moved to an ideal location and completely remodeled into an attractive and comfortable home.

Hazel Grad
The former Charlene Clayton, she is a graduate of Hazel High School in the class of 1943. Mrs. Norsworthy is now county clothing leader of the Homemakers Club and a member of the Utopia and Penny clubs. The Norsworthys moved to this county from Detroit last fall and are now engaged in farming here.

KIRKSEY W.S.C.S. MEETS WITH MRS. CARSON

The Kirksey Woman's Society of Christian Service met Saturday, December 7, in the home of Mrs. Eunice Carson with 12 members and three visitors present.

The meeting opened with group singing led by Barber Edwards. The devotion was given by Rev. Blankenship. The business session was conducted by the president, Christelle Palmer.

The following program was presented: "What Christmas and Christianity Mean to Me," Mrs. Autumn Ezell; "Love Dominated Lives Wanted," Mrs. Allie Carson; "Christianity Is Christ," Mrs. Ophie Watson; "Christ Our Light," Christelle Palmer; "Carols and Caroling," Mrs. Elizabeth Ezell, interspersed with Christmas carols sung by Jane Blankenship, Mrs. Blankenship and Mrs. Odie Edwards; "Christmas Eve," Mrs. Eunice Carson.

Rev. Blankenship made a short talk on the subject of Christian Education. Mrs. Mary Radford tested our knowledge of the Bible by having each one present try to fill in a Bible crossword puzzle. The benediction was said by Mrs. Effie Hanley.

SCARBROUGH-HARGROVE MARRIAGE IS SOLEMNIZED

Miss Hilda Mae Scarbrough and Mr. Darrell Hargrove were united in marriage in a double ring ceremony Saturday afternoon, December 7, at 4 o'clock, at the home of the officiating minister, Rev. C. A. Riggs.

Only attendants were Miss Myra Edwards and Mr. George Hargrove.

Mrs. Hargrove is the daughter of Mr. and Mrs. Goble Scarbrough of Murray.

Mr. Hargrove is the son of Mr. and Mrs. J. L. Hargrove of Murray.

Mr. Hargrove spent 36 months in the U.S. Army, several months of which were on foreign soil. After he received his discharge from the Army a few months ago, he went to Detroit, Mich., to make his home where he was employed.

After a few weeks Mr. and Mrs. Hargrove will be at home in Detroit.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion, which goes right to the seat of the trouble to help loosen and expel germs laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beech wood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

SERVICE CIRCLE CLASS HAS CHRISTMAS MEETING

Mrs. George Hart, Mrs. Clyde Jones and Mrs. Gattlin Clifton were hostesses to the Christmas meeting of the Service Circle class of the First Christian Church on Monday evening at the home of the former. Decorations in the holiday motif were used throughout the rooms. A "covered dish" supper was served buffet style from the dining room table.

Mrs. W. F. Baker presided over the business session in the absence of the president. Instead of the usual exchange of gifts an offering was taken which will be contributed to a benevolent fund. Officers for the coming year were elected as follows: Mrs. W. F. Baker, president; Mrs. Ed Filbeck, vice-president; Mrs. E. J. Hoffman, secretary and treasurer; Mrs. R. H. Robbins, assistant secretary and treasurer.

Miss Ruth Ashmore led the devotional period. Mrs. A. J. Russell and Mrs. W. J. Gibson were in charge of entertainment which featured games, contests and music. Prizes were awarded Mrs. Marvin Fulford, Mrs. Arthur Farmer and Mrs. Clyde Jones.

There were twenty-five present.

Redden; prayer, Miss Emma Helm; "What Christianity and Christmas Mean to Me," Mrs. Ervyn Johnston, poem, Mrs. Annie Wear, selection from a scrap book, Mrs. Charlie Shroat.

A social hour was enjoyed during which refreshments were served by the hostesses, Mrs. John Clifton, Mrs. Cordis Fair and Mrs. Charlie Shroat.

POST WAR PIN-UP

Diana Joette Wolfe
Cutting two teeth to go with the one she now has and learning to walk are the present problems of winsome little Miss Diana Joette Wolfe, daughter of Mr. and Mrs. Jackson Wolfe of Vets Village.

Born March 17, 1946, at the Houston-McDevitt Clinic in Murray, Diana is "Daddy's girl." Her favorite toy is a miniature dog; she likes children and is not bashful around people. She gets a big kick out of dropping a spoon on the floor to hear the noise.

Diana's mother is the former Joette Smith, graduate of the Murray Training School, who attended Murray College in 1941-42. She was a commerce major and was once president of the Commerce Club.

MISS SUE ATKINS WEDS J. B. EVANS

A wedding which came as a surprise to many friends was that of Miss Sue Atkins, daughter of Mr. and Mrs. Clinton Atkins of near Murray and Mr. J. B. Evans, son of Mr. and Mrs. Leon Evans of near Murray.

The wedding was solemnized Saturday afternoon, December 7, at 4:30 at Corinth, Miss.

Their only attendants were the bride's sister, Miss Virginia Atkins, and the groom's, Mr. Edward Knight, and Miss Barbara Nannery.

A wedding supper was served at the home of the bride's parents. Guests included Mr. and Mrs. J. B. Evans, Ted Atkins, Dorothy Darnell, Joe Newbury, Robbie Nichols, M. C. Guerin, Virginia Atkins, Virgil Britton, Edward Knight, Jessie Atkins, Katherine Atkins, Mr. and Mrs. Tommy Atkins, Mr. and Mrs. James Barnett and Mr. and Mrs. Clinton Atkins.

MATTIE BELLE HAYES CIRCLE HEARS CHRISTMAS PROGRAM

A Christmas program was enjoyed by members of the Mattie Belle Hayes circle of the W.S.C.S. when they met Monday evening at the home of Mrs. W. T. Sledd, Jr. Mrs. T. H. Mullins, Jr. led the devotional period. A topic on "Peace" was presented by Mrs. Elliott Wear, and the prayer which followed was led by Mrs. Ruth Sexton. Christmas Carols were sung by the group, and a vocal duet, "Every Year the Christ Child," was by Mrs. Gingles Walls and Miss Lula Clayton Beale. "The Omas-Wiseman" by Van Dyke, was told by Miss Lottie Suter.

Preceding the program, Miss Frances Sexton, president, conducted the business session. Mrs. Buron Jeffrey, newly elected president, named her committees for 1947.

During the social hour, Miss Reubie Smith acting as Santa, distributed gifts from the beautifully decorated tree. Christmas decorations throughout the rooms added to the festivity.

Refreshments were served by the hostesses, Mrs. Sledd, Mrs. T.

C. Doran, Mrs. Chesley Buttrworth, Mrs. J. B. Wilson and Miss Kathleen Patterson. Mrs. Ed Carter was welcomed as a new member.

W.S.C.S. MEETS AT METHODIST CHURCH

The Woman's Society of Christian Service met Tuesday afternoon at the Methodist Church. Mrs. E. A. Tucker presided over a short business session. The following were appointed to serve on the United Council of Church Women: Mrs. Burnett Waterfield, Mrs. Max Hurt and Mrs. W. W. McElrath.

Mrs. Leland Owen was program leader, and the devotional period was led by Mrs. George E. Overbey. Mrs. J. B. Farris discussed the United Council of Churches, and Mrs. Burnett Waterfield's topic was "World Peace." A vocal solo by Hugh McGhee was accompanied by Russell Phelps, and a vocal duet by Miss Lula Clayton Beale and Mrs. Gingles Walls by Mrs. Roy Farmer.

Refreshments were served during a pleasant social hour by Mrs. Leonard Vaughn and Mrs. T. C. Doran.

S. Pleasant Grove

Mrs. Sara Smotherman, The Pleasant Grove S.C.S. met last Wednesday evening with Mrs. Hartie Ellis and daughter, Mrs. Stark Erwin. An interesting program was given. Some 25 were present and after refreshments by the hostesses they had their Christmas exchange of gifts. Mrs. Max Hurt of Murray was present and gave practical suggestions.

This church was well represented at Hazel Sunday evening at the Methodist church where Dr. Robert Clark of Paris preached. Thirty-three from this vicinity including Bro. A. G. Childers and Mrs. Childers from Hazel and Mrs. Shannon Ellis and daughter, Mary of Goshen church, made a trip from Murray to Mammoth Cave. A fine trip was reported.

Bro. A. G. Childers last Thursday afternoon conducted the funeral for Mrs. Cami Taylor last Thursday afternoon. Besides her husband she is survived by two daughters, Mrs. Dovie Brandon, Mrs. Willie Newport and Herman Taylor of near Hazel and Coy Taylor, who runs a store at Hazel, also several grand and great grandchildren. She was 85 years of age and united with the Methodist church when young.

Messrs. Roby and Ocus McPherson of this vicinity are nephews. Mr. and Mrs. John McPherson, who are spending several weeks with relatives (Mrs. Hattie Hale Stawling and Mr. Stawling of Briensburg, Ky., attended the Taylor funeral and visited their sons, Roby and Ocus McPherson and families.

Mrs. Curt Brandon, Mrs. Porter Charlton, Mrs. Roy Cooper, Mrs. Helen Clark are nieces of Mr. Taylor.

Mrs. Galen Myers visited a few days last week at the Clinic with her daughter-in-law, Mrs. Bud Myers, who last week gave birth to a son and daughter. Sympathy to Mr. and Mrs. Myers in the loss of their twin son.

Mr. and Mrs. Harvey Ellis of Mayfield, Mr. and Mrs. Warren Erwin and Jimmy of Hazel and Shannon Ellis and daughter, Mary of near Stella visited their parents and grand parents and their son, Oren, Sunday afternoon.

Mrs. Lala Miller of Crossland remains on the sick list. Aunt Bettie Wicker is ill. The service flag at Pleasant Grove containing some 50 names was recently removed after an appropriate ceremony by the pastor, Bro. A. G. Childers, with a goodly number of servicemen present.

All the boys but one have returned home. Charles and Miltstead James, of Mr. and Mrs. Galen James, and Harold Brandon, son of Mr. and Mrs. Toy Brandon, have re-enlisted.

Ordest Erwin, a fine Christian boy and son of Mr. and Mrs. Ernest Erwin and husband of Mrs. Olivine Moore Erwin was the one who on Christmas Day 1945 gave his life for his country. Some of the boys returning home were wounded.

From the Norwood, Mo. Index we send a copy of World Wide Bible readings from "Thanksgiving to Christmas," sponsored by the American Bible Society.

The theme selected for the 1946 program is "The Word of Power for a Power Age." The daily readings are:

Thursday, 1 Samuel 16; Psalm 139.
Friday, 1 Kings 19-18.
Saturday, Nehemiah 6.
Sunday, December 8, Zechariah 4.

Murray Gin Hit By Fire Saturday

H. F. Oglesby, Murray fire department chief, revealed that the fire which broke out in a storage building at the Murray Gin Company last Saturday morning resulted in an estimated \$800 loss of cotton stored in the building and machinery. The gin, itself, was not damaged. The storage building was reported a total loss.

W. B. Spaulding is operator of the business. Fire Chief Oglesby also reported that the Murray Fire Department has been summoned to two minor grass fires this week.
