DEMOCRATIC

SLAYER OF HIS BROTHER

HENRY ROSS WHO KILLED BEN ROSS NOW IN DRESDEN JAIL.

Killing Occurred Across Tennessee Line Last August.

They Fell Out Over Division of a Wagon Load of Corn.

A killing occurred about last August in Tennessee just across the south line from Graves county in which Henry Ross shot and killed his brother, Ben Ross. The slayer has been at large ever since until Wednesday and is now in jail at Dresden, Tenn.

The following dispatch from Dresden tells the story of the crime and his capture:

A fugitive from justice and in hiding in the Mississippi bottoms of Kentucky, yet caught and in jail within ten hours after warrant was issued for him, was the fate of Henry Ross, a fratricide and former citizen of this county, yesterday afternoon.

The killing, which occurred at Austin Springs, fifteen miles north of Dresden, last October, was cruel. Henry Ross and Ben Ross lived within a few hundred yards of each other. Their wives were sisters, and the families were very intimate. Ben Ross was a quiet, inoffensive, law-abiding citizen but his brother Henry was constantly in trouble. He had been arrested on several occasions by both state and federal authorities, and had just been pardoned by Gov. Cox of a fine of \$50 imposed upon him by the circuit court at Dresden for illegal sale of whisky.

The brothers had grown a share crop together, and there was some dispute about the division of a wagon load of corn. On the morning of the killing, Ben Ross went to the home of his brother Henry for the purpose of getting a share. Several other men were present, and finally the conversation turned upon the division of the corn. Henry began to abuse Ben Ross, who remonstrated with him and finally started home. He had passed through the front gate when Henry Ross grabbed a double-barreled shotgun and fired both barrels into his brother, killing him instantly. Henry Ross fled the country that night to Kentucky, and his family followed soon after. He has been in hiding since, living in secluded spots and sparsely settled communities.

A few days since, a postal card was received by a young man near Austin Springs from the daughter of Ross. This bore the postmark of "Hailwell, Ky." Mrs. Polly Ann Ross, widow of Ben Ross, came to Dresden and retained the services of Lake E. Holladay, attorney. A warrant charging Henry Ross with murder in the first degree was sworn out, and High Sheriff C. A. Brasfield left on the first train for Clinton, Ky., taking with him the jailer of this county. They soon located Ross near the Mississippi river. His capture was effected, and he was landed in jail last night within less than ten hours after warrant was sworn out for him.

He has retained Judge F. P. Hall to defend him. Ross was arraigned before Robert N. Irvine, justice of the peace, this afternoon, and, waiving examination, was remanded to jail without bond to await the action of the grand jury, which will meet Monday. The case has attracted much attention throughout this county owing to the prominence of the parties. The Rosses are members of one of the oldest families in the county, while their wives, who are sisters, were daughters of Col. Jerry Murrell, an ex-Confederate soldier, and brother of Bart Murrell of Fulton, Ky., and cousins to Judge Silas Murrell, of Hickman, Ky.

NIGHT RIDER CASES.

The Supreme Court for the Western district of Tennessee will meet in Jackson about the second week in April and will likely pass on the sentences of the eight condemned men convicted of being members of the band of night riders who murdered Captain Rankin at Walnut Log in October.

Confidence

We Back Up Our Statements With Our Personal Reputation and Money.

We are so positive that we can cure constipation, no matter how chronic it may be, that we offer to furnish the medicine free of all cost if we fail.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and make constipation more chronic. Besides, their use becomes a habit that is dangerous and often fatal.

Constipation is caused by weakness of the nerves and muscles of the large intestine or descending colon. To expect a cure you must therefore tone up and strengthen these organs and restore them to healthier activity.

The discovery of the active principle of our remedy evolved the labor of the world's greatest research chemists. It possesses all the best qualities of the remedial active principle of the best known intestinal tonics, and it is particularly prompt in its results.

We want you to try Rexall Orderlies on our guarantee. They are exceedingly pleasant to take and are ideal for children. They are directly on the nerves and muscles of the bowels. They have a neutral action on other organs or glands. They do not purge or cause any inconvenience whatever. They will positively chronify or habitual constipation and the myriads of associate or dependent chronic ailments. Try Rexall Orderlies at our risk. Evans & Covington, Druggists, Mayfield, Ky.

Hopkinsville, Ky., April 2.—The new school law is to be tested in this county by a suit filed today by the County School Board to compel the fiscal court to levy a tax to raise \$10,000, the fiscal court having declined to levy the tax on the ground that the new law is unconstitutional.

Horrible Death For Aged Lady

MRS. A. G. KIMBRO, AGED 78, OF ALEXANDER, THE VICTIM.

Burning Leaves In Yard When Her Clothes Caught Fire.

Fulton, April 2.—Death in a horrible manner overtook Mrs. A. G. Kimbro, Sr., 78 years old, of the Alexander section, when her dress became ignited in a bonfire of leaves she had kindled in her garden Wednesday afternoon. When she felt the sting of the flames she screamed and ran toward the house, but became exhausted and fell in the yard, where she was found enveloped in flames. She died at midnight. Besides her husband, she is survived by the following children: A. G. Kimbro, Jr., and Allie Kimbro, Harvey House, Henry McClanahan and D. Molston.

THE HONEST PROPRIETARY MEDICINE.

fills a national need in the land and it will take more than the cry of "fraud" and "fake" from the avaricious, overreaching physician to overflow an honest, reliable and standard preparation like Lydia E. Pinkham's Vegetable Compound, herbs of the field, and has cured more women of female ills than any other remedy we know of.

Belt Flies off At Carter's Mill

ACCIDENT CAUSES CONSTERNATION AMONG WORK HANDS.

Uncle Billy Carter Seeks Refuge Behind Huge Oak Tree.

An accident happened at the saw mill of Lon Edwards on the Clark's River known as Carter's Mill Thursday that came near injuring a number of people.

The big saw was running at full speed when the big belt slipped off and split in the center. It was cast off in the crowd of workmen and all of them knocked down. Consternation reigned for a few moments and Uncle Billy Carter, on seeing the approaching danger fled out in the woods and sought refuge behind a big tree. After the excitement had subsided he managed to get a few words out of his mouth and in a pathetic manner and in a peeping attitude inquired: "Boys, what was that that happened a few minutes ago?" Mr. Edwards, owner of the mill, was painfully injured but not seriously.

For fear that something else would happen on the first day of April the mill was shut down after the second accident for the day in order to make repairs and get the belt back in shape for use again.

Everything was in good running order Friday morning and when the whistle blew all of the men were back on duty ready for another day. Fear that another accident might occur they were slightly nervous and kept their eyes on the belt, while Mr. Carter stood nervously looking wise.

Water Valley Has Brass Band

BUSINESS ON A BOOM DOWN IN SOUTHERN VIRGINIA.

Zelner Farmer Buying Big Quantity of Tobacco for Sale There.

Water Valley, Ky., April 2.—Health is very good in our vicinity at this writing. The farmers are very busy making preparations for a crop but have been hindered greatly on account of the heavy rains. Plant bed burning has been the order of the day and everything points to a substantial crop of the weed.

Mrs. Marshal Barnes, who has been in bad health for some time, is able to be up again.

Mr. James Thurman the efficient clerk of Flomra Bros., is suffering with a slight attack of rheumatism.

Water Valley is on a boom in the business men's line. We have recently had two new business firms added to our prosperous little town. Messrs. Pryor & Brown have installed a new grocery and are doing a thriving business. Mr. A. B. Cameron is putting in a large stock of dry goods and clothing in a part of the stokes and Barnes building and will be ready to wait on his many friends in a few days.

Rev. Terry Martin, formerly of Mayfield, has just closed a series of meetings at the Baptist church.

Prof. Carl Robert is teaching a very interesting spring school at this place.

Water Valley boys have just organized a new brass band under the leadership of Mr. Tom Pirtle and the numerous pedestrians are

often entranced by the melodious strains of music floating on the evening breeze.

Rev. Mathis was unable on account of illness to fill his regular appointment at the Methodist church Sunday.

Mr. Shade Meacham has been very low but is slowly recovering. Mr. Zelner Farmer, our local tobacco dealer has purchased quite a lot of tobacco in this vicinity recently.

Judge Pigue is buying tobacco for Mr. Zelner Farmer.

Messrs. Pryor & Brown, our popular grocers, have started a new peddling wagon, all painted red.

Mrs. Acie Kimbrough, an aged and prominent lady living near Alexander, Hickman county, was burned to death Wednesday. She was assisting her granddaughter cleaning off the yard, when her clothing caught fire. She was so badly burned she died in a few hours.

BRO. C. A. WISE TALKS ON NEW SUBJECT.

Brother C. A. Wise, of Brooklyn, N. Y., delivered a very interesting and highly appreciated discourse on the subject of the "Restitution of all things" at the Court House last night. He had the closest attention of his audience. The subject was new to most of his hearers. He claimed the whole world including the heathen would be restored to the original Adamic state after which under the millennial reign of Christ and his saints or the thousand year judgment day the sheep would be separated from the goats, the former would be given eternal life, the latter eternal destruction.

KISSING CUSTOMS.

Undeniably earnest has been the playwright, who has spent much time studying the kissing customs of the world for professional purposes, and has embodied some of his observations in a successful play, and complains that most women know how to kiss. He says that kissing in the chief countries of Europe varies as much as anything that could be imagined.

"The kiss of the English woman," he remarks, "is the Gibson type. It is chilly.

"The kiss of the Scotch girl is sincere. It is not emotional, but it comes from the heart and cannot be bought.

"The kiss of the Italian woman is easily given. It is fervent, but not backed by love. The flower girl in the street presses boutonniere upon you, and you can have a kiss for the asking.

"The Spanish woman has the most passionate kiss in the world. It is hard to get, but when she does kiss she abandons herself to it.

"The kisses of the French woman are pleasant, but they are the kisses of inexperience.

"The kiss of the American girl is sweet, but it often lacks the backing of temperament.

"The ideal kiss is not given with the lips alone. It is given with every atom of the body, and that intangible something called the heart and soul.

"Every position is a different mood—a mood of reaching desire, a mood of utter abandon, a mood of acquiescence, a spirit of purity, a spirit of curiosity, a spirit of barter. To those who study and know the positions, the expressions of the body, as well as the expressions of the face, all mean something, and he who runs may read.

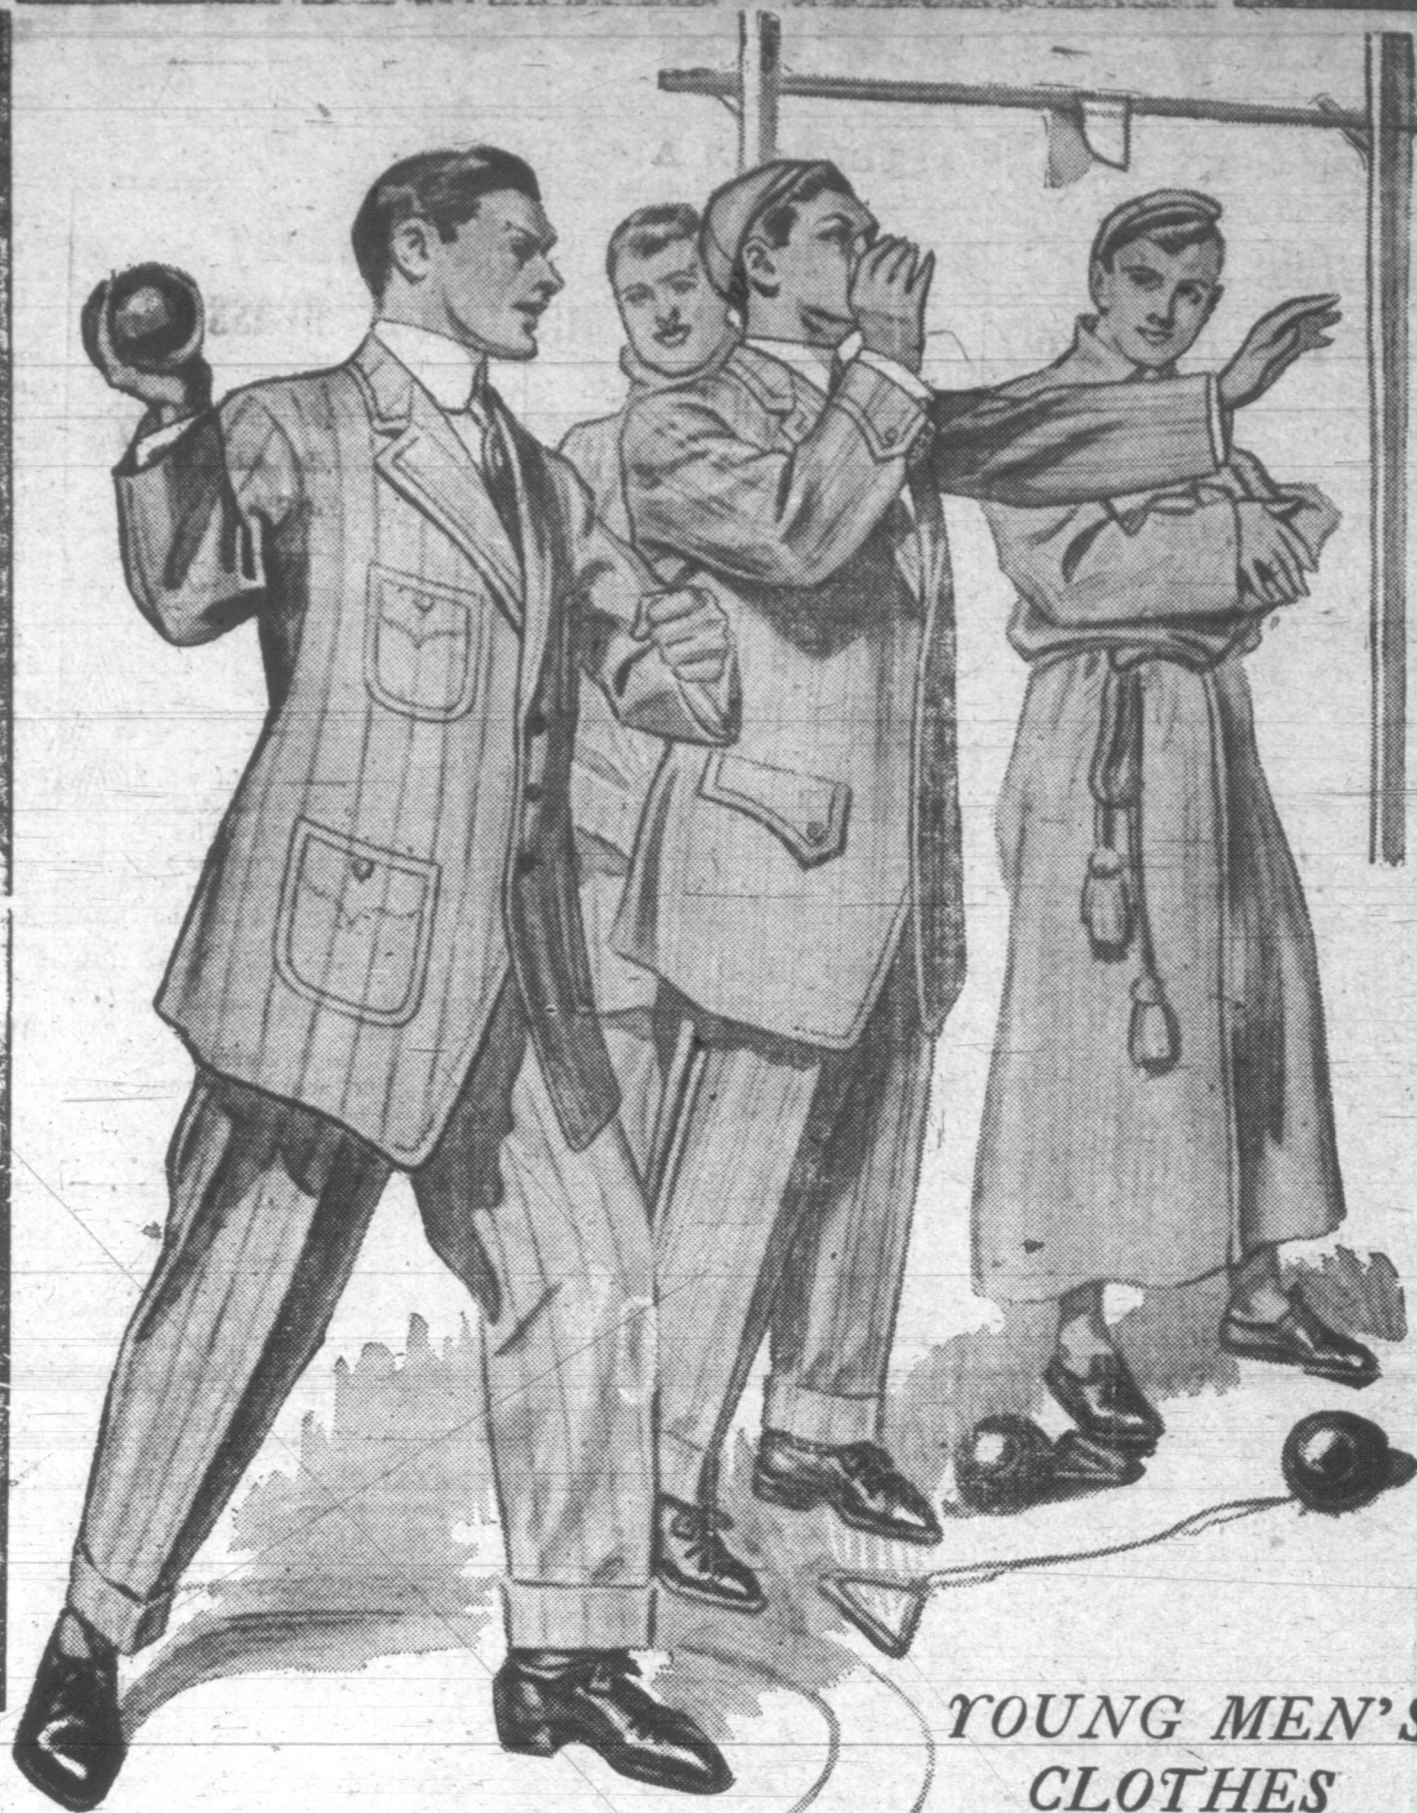

"There is as much character or lack of character expressed in a kiss as anything else in the world."

THE OLD RELIABLE

FEEBLE OLD LADY

Has Strength Restored By Vinol

Mrs. Michael Bloom of Lewistown, Pa., who is 80 years of age, says: "For a long time I have been so feeble that I have had to be wheeled around in an invalid's chair. I had no strength and took cold at the slightest provocation, which invariably settled on my lungs, and a cough would result. My son learned of the cod liver preparation called Vinol, and procured a bottle for me. It built up my strength rapidly, and after taking three bottles I am able to do most of my work, and I can walk a quarter of a mile easily. Every aged or weak person who requires strength should try Vinol. I am delighted with what it has done for me."

As a body builder and strength creator for old people, delicate children, weak, run-down persons, and after sickness, Vinol is unexcelled. If it fails to give satisfaction we will return your money.

TEACHER SAYS WAS SLANDERED

SENSATIONAL SUIT FILED BY
SCHOOL TEACHER OF
ARLINGTON.

Prof. C. M. Jones Sues Dr. J. M. Peck for \$16,000 Damages.

Bardwell, Ky., April 2.—As a sequel to the trouble that has existed between Prof. Chas. M. Jones and certain members of the board of education of the Arlington Graded School, Mr. Jones on Thursday of this week, through his attorneys, S. H. Crossland, of Mayfield, and R. B. Platt, of Clinton, filed a suit for \$16,000 against Dr. Jas. M. Peck, of Arlington, who is a member of the above named board of education, alleging slander.

The petition is full of statements of an interesting nature, most of them being attributed to the defendant. The plaintiff, Prof. Jones, states that he was employed by the board of education of the Arlington school to serve in the capacity of principal of the school during the term of 1908 and 1909. The petition also states that at that time the board of education employed a certain young lady to teach in one of the departments of the same school. The plaintiff charges that the defendant, Dr. J. M. Peck, circulated false and scandalous reports concerning him self (the plaintiff) and the young lady, and that because of the circulation of such reports he has suffered in many ways, and his reputation "has been taken from him by the aforesaid false and slanderous words of defendant, and he has been robbed of the compensation of a teacher and of his good name and fame and has been humiliated, traduced and shunned and disgraced and has suffered great mental pain and anguish and grief by reason of and on account of all the reckless, wanton and slanderous words of defendant so spoken of and concerning plaintiff."

ASTHMA VANISHES.

So Does Catarrh, Croup, Hay Fever and Bronchitis.

Hyomei is a confidence builder. The first time you breathe in this powerful yet soothing, antiseptic air, you will know that it has marvelous curative virtues. There is nothing disagreeable about Hyomei. It is a very pleasant and prompt remedy for catarrh, colds, asthma, croup, bronchitis, etc.

If your head is so stuffed with mucus that you cannot breathe a particle of air through your nostrils, Hyomei will open them up and give relief in five minutes.

Why will sensible people suffer longer, why will they wheeze and hawk and spit and smother, when Evans & Covington will guarantee Hyomei to cure or your money back. \$1.00 is all they ask for a complete outfit.

"I have used Hyomei for hay fever, and can pronounce it the best relief for this trouble that I ever tried or heard of. I have had this malady for years, and have doctored and used many remedies, but Hyomei is far ahead of any of the others, and has my hearty endorsement."—Mrs. M. S. Martin, Cassopolis, Mich.

WHEN YOU PUT ON STOCKINGS
Of the heavier sort, do your shoes pinch, and your feet swell and perspire? If you sprinkle Allen's Foot-Ease, an antiseptic powder, for the feet, into your shoes, it will give you rest and comfort, and instant relief. When rubbers become necessary, and your shoes feel tight, Allen's Foot-Ease is just the thing to use. Try it for Dandruff, Paries, Breaking in New Shoes and for patent leather shoes. Sold Everywhere, 50c. Sample FREE. Address, Allen S. Olmsted, Le Roy, N. Y. Don't accept any substitutes.

TOBACCO GRADED AT PADUCAH.

Paducah, Ky., April 2.—About 1,000 hogsheads of the 1908 crop of dark tobacco were graded Thursday at the Planters' Protective association salesroom, Second and Jefferson streets, by Graders Miller, Glover and W. B. Blake-more. Grader Bell, of Cobb, was unable to assist in the grading of tobacco Thursday. In the last month a few hogsheads over 3,000 have been graded at the salesroom in charge of A. N. Veal. The tobacco graded has shown up well and all of it is of the 1908 crop.

More Hospitals Needed.

While there is good reason for taking an encouraging view of the progress being made in the war on tuberculosis, it is apparent to those who are at all in touch with the situation that one great need just now is more hospitals or sanatoria for the care and treatment of consumptive patients. Especially does this need apply to the advanced cases—those that have passed the curable stage. Most sanitariums do not want this class of patients, but insist on confining their efforts to those that stand a reasonable chance to get well. And yet the incurable or advanced cases are the most dangerous to the well. This phase of the consumption situation is one that demands the earnest attention of all civic and state health bodies. There is room, too, for some splendid work for individual philanthropy in helping to stamp out this universal scourge of human life.

HIVES

Itching—stinging—irritating—agonizing—with that horrible "unscratched" pain. But much as you crave to don't let yourself scratch—it will only set your skin on fire. And while Hives are not fatal a scratch might be. Your finger nails are poisonous—it might mean Lockjaw, Erysipelas, Eczema or Blood Poisoning. You don't have to suffer—you don't have to scratch—apply

The Rhuma-Sulphur Co.
Gentlemen: Last summer I had a very severe case of hives. I consulted seven or eight physicians, and tried everything that I had ever heard of being used in the treatment of hives. I was in a terrible condition, broken out all over in great red blotches, the itching was almost unbearable, and it was impossible for me to sleep. I was almost crazy. Finally a physician advised me to get a bottle of Littell's Liquid Sulphur and use it in the bath. I did so and am pleased to inform you that the first bath completely relieved the itching and enabled me to get a twelve hour's sleep. Sincerely yours,

FRIDAY, APRIL 2, 1909.

The play "Married for Money," given at the Unique last night under the auspices of the Elk's Lodge, was one of the best home talent plays ever given in Mayfield and everybody was delighted with the performance. There was no criticism whatever and it is clearly demonstrated that we have a good deal of local talent here than can entertain a house as well as a first-class traveling company. The Elks are to be congratulated for the good play they gave the people and it will be repeated Saturday night when a full house is expected to again greet them.

LOCAL TALENT DO CLEVER
WORK IN ELKS'
PLAY.

Packed House Greet Performers
At Unique Thursday
Evening.

It is now a confirmed fact that Mayfield possesses some of the most finished young actresses and some of the sweetest singers of any town in Western Kentucky. This was very forcibly impressed and verified last night when "Married for Money" was given at the Unique Theatre under the direction of Mr. James B. Cunningham, under the auspices and for the benefit of Mayfield Lodge No. 565.

The play was a farce comedy, in three acts, and was presented by the following well known young people of the city as the leading characters:

John—Mr. Leonard Blalock.
Bob Royland—Mr. Lewis Robins.

Alfred Mopus—Mr. Jas. B. Cunningham.
Simpkins—Miss Ruth Beaumont.

Mrs. Alfred Mopus—Miss Edythe Stevenson.
Miss Matilda Nugget—Miss Pauline Pitman.

Sir Robert Mellowboy—Mr. Jewell Taylor.

Mr. James B. Cunningham, the popular director of the play, and Miss Edythe Stevenson were especially clever in their portrayal of Mr. and Mrs. Mopus. Enough cannot be said of their delightful impersonation of these characters. They were assisted by a splendid company, the other people being fitted most admirably to their various characters.

Mr. Cunningham is a Graves county boy but has been away from here for the past six years and the play was given under his entire management. He is a splendid actor, handsome and impressive in appearance and in the part that he represented last night, showed himself to be a most finished and clever artist.

The musical numbers of the program, which were rendered between acts certainly were a credit to the young people who took part in them. The songs "If I Were on the Stage," "Over on the Jersey Side," "Girls, Girls, Girls," "Wedding Bells for Two," "Jungle Town" and "Rose Marie" were beautifully sung by the chorus of girls and boys who made a chorus that would do justice to a New York audience but the welcome they received here was sufficient proof of their admirable singing and stage grace. The following popular young girls and boys of the city composed the chorus: Misses Ona Happy, Bettie Holifield, Kathleen Moorman, Elizabeth Anderson, Maude Watkins, Evalina Melloo, Margaret Saunders, Mary Hunt, Ruth Beaumont, Augusta Coulter; Messrs. Bob Davis, John Anderson, Will Norman, Carlisle Carter, Ed Mohundro, Bob Smith, Paro Thomas, Scott Lemon, Leonard Blalock.

The musical program was greatly enhanced by the assistance of Mrs. Harry Walters, who presided so gracefully and skillfully at the piano.

Another interesting feature of the evening was the delightful solos rendered by the following young people: Misses Bettie Holifield, Onie Happy, Augusta Coulter and Messrs. Bob Davis and Carlisle Carter. These young people possess rich, sweet voices and some of the audience who had not heard them sing before were most agreeably surprised at their rare talent.

Much praise is due Mr. Cunningham for his untiring efforts in making this play a success, and we take it upon ourselves to express a sentiment that is universal when we say that he is repaid for his efforts in the fact that the play gave decided success and was a financial success also. Mr. Harry Walters was not visible during the evening, but he was instrumental in making the play a success also, as he very greatly assisted the management during the rehearsals.

The play, having been such a universal success will be repeated by request on Saturday night, when those who failed to secure seats last night can have the opportunity of seeing the play. It was a credit to Mayfield, and the Mayfield Lodge of Elks is highly gratified over its success.

Ederheimer Stein Clothes

are built by makers who study you—who know what you want—who understand your figures, your ideas and your price-reach. Clothes made with such graceful shapes already in the garments that they'll improve a bad figure and set off a good one. They're real young men's clothes.

The label in the coat means that if you're ever disappointed you won't be disappointed long—if they're wrong, just give back the clothes and get back your money.

Association Tobacco At Enterprise Warehouse

S. B. Smith & Co. Storing Tobacco
From This Source Exclusively.

Business at the Enterprise Warehouse, conducted by S. B. Smith & Co., is picking up and things appear to have a general rustle around there.

This warehouse handles Association tobacco exclusively and Mr. Smith says that he will not take in any other tobacco as other warehouses are doing, if he only gets 50 hogheads. He is going to stand by the association strictly and tobacco from any other source will not be received there. He is one of the most enthusiastic tobacco men for the association in the country and is hewing close to the line.

The commendation from all sources is certainly a token of his manner of doing business and reflects credit on his integrity and allegiance to the organization of the tobacco growers.

The prizers who are storing their tobacco with the firm of S. B. Smith & Co. are:

V. B. Cochran, Mayfield.
G. W. Toon, Fancy Farm.
Gibson & Gregory, Pryorsburg.
Hill & Hargrove, Farmington.
Ryburn & Wright, Boaz.
R. M. Wilkerson, R. N. Newsom, J. R. Ray & Son, east of the city.

INDEPENDENT WAREHOUSE COMPANY FORMED.

L. B. Blalock & Co. have rented from Messrs. Houseman, Adams & Co., the south side of the Old Farmers Warehouse and will do a strictly independent warehouse business. The old reliable warehouseman, L. B. Blalock, will have charge of the salesroom, so any one desiring to sell their tobacco on independent market will be assured that the highest market value possible will be obtained for their tobacco. Any and all independent tobacco kindly solicited.

Have returned from Carter's Mill where they had a big time fishing: Judge Bunk Gardner, John Thomas, L. B. Anderson and Milton Jones. When asked where the fish were each one unhesitatingly replied that they left them at Carter's Mill. Yes, and in the river.

PILE SUFFERERS!

DO YOU KNOW THESE FACTS?

The cause of piles is internal—Sluggish circulation in the lower bowel.

Piles can't be thoroughly cured by outward treatment.

An internal remedy is needed to cure the cause.

Send for our booklet, "How Piles can be Cured by Internal Medicine," or talk with your druggist who sells Dr. Leonard's Hem-Roid at \$1 per bottle, and guarantee it to cure.
