BIG DEAL CLOSED

FOR COAL AND TIMBER LAND AT MANNINGTON

Town Lots to Be Sold And Mine Will Be Operated.

L. Haydon, secretary of the Southwestern Land and Mining company, of Hopkinsville, Ky., has just sold the Clifton Coal company coal and timber lands at Mannington, Ky., containing 1000 acres, to Hon. William Lynch, of Dawson, Springs, Ky., including two coal mines, 36 coke ovens, the company store building, a number of tenement houses, the town site of Mannington, and the entire machinery of the Clifton Coal company.

The consideration has not been made public, but the Clifton Coal company paid \$40 per acre for the land 20 years ago and the supposition is that it cost Mr. Lynch a good round sum of money.

The L. & N. railroad runs directly through the center of this property with a side track one-half mile in length, which will greatly facilitate the handling of timber and coal for market.

This property has upon it one of the finest bodies of timber in Western Kentucky which Mr. Lynch will place on the market at once. The coal mines will begin active operation in the near future, and a new town will be laid out for settlement and town lots sold to those who want cheap homes in a new railroad and mining town where they can always have employment at good prices. This property is underlaid with the celebrated Empire vein of coal which is known all over the country as being of very fine quality.

Libby-Chambers.

At Hopkinsville, Ky., on last Sunday morning Mr. Elbridge T. Libby, of this city, and Miss Cornelia Chambers, of Gracey, Ky., were united in marriage. The news of the wedding came as a complete surprise to the many friends of Mr. Libby in Princeton. He and his bride arrived here on Sunday evening and are making their home at Cransherville, south of town.

Mr. Libby has been at Princeton, in the employ of Dalton & White since the first of last September. He enjoys the especial confidence and favor of this firm, being superintendent of machinery and chief engineer at their crusher plant south of town. Since coming to Princeton he has made many friends and has impressed everyone as a young man of sober and industrious habits, honorable and reliable and above all a consistent Christian gentleman. His bride, who is a stranger in Princeton, is a young lady of pleasing manner, very attractive and will no doubt make many friends wherever she may make her home.—The Princeton, Mo. Press.

VICTIM OF PNEUMONIA.

(Special to New Era).

CADIZ, Ky., June 6.—Jefferson Davis Smith, a prominent farmer and county politician, died at his home near Fenton, this county, of pneumonia after an illness of only a few days. He was a brother of Denney P. Smith, commonwealth's attorney of this district, and was fifty-three years of age. He leaves a widow, but no children.

Changes Hands.

Mr. E. T. McCarty, of Cadiz, has sold his drug store at that place to Mr. E. F. McIntyre, of Princeton, who will take charge the first part of next week.

New Jail.

Trigg county is to have a new jail. The work of tearing down the present building will begin next Monday, and the new one will be erected on the spot.

OF MUCH INTEREST

WILL BE KENTUCKY DAY AT FAIR.

The plans for Kentucky Day—Wednesday, June 15—at the World's Fair are rapidly maturing. Indications point to this day being one of the greatest in the history of the Louisiana Purchase exposition. There will be cheap rates in effect from all places in the state to St. Louis. Two special trains will run from Louisville, one on the night of June 13, carrying the Kentucky Press association, and one on the night of June 14, made up of the Louisville business men from the Board of Trade, Commercial club and Merchants' and Manufacturers' association. This train will have a private car attached with Governor J. C. W. Beckham, his staff and state officials board, together with a committee of three from the battleship "Kentucky." This business men's excursion is under the immediate supervision of a joint committee, consisting of Messrs. John H. Brand, Baylor Hickman, Chas. F. Huhlein, Theo. Ahrens, Alfred Brandis, Chas. D. Campbell, W. C. T. Cross, Charles B. Norton, Peyton B. Bethel, V. H. Engelhard, E. Weinstock, Wm. Thalheimer, Douglas Barclay, J. E. Moes and Ed Rowland. Both the editors' train and the business men's special will run over the Henderson route to St. Louis.

The editors, as has been before stated, will spend a day very pleasantly before Kentucky Day sight-seeing. The business men's excursion will run direct to the World's Fair grounds over the Wabash and will parade, headed by a band, to the Kentucky building early on the morning of Kentucky Day. Breakfast will be taken at the German restaurant, adjoining the German government pavilion.

The exercises of the day will begin at 11 o'clock at the state building by the singing of "The Green Kentucky Pastures," a song written by Mrs. Kate Slaughter McKinney, a former Kentuckian, now living at Birmingham, Ala. The music of this song was written by Mr. T. C. Calloway, of Montgomery, who is coming to the exposition especially to play the accompaniment to this song which will be sung by Mr. Camden W. Ballard, of Shelbyville, Ky., one of the state's best-known tenors. Immediately following this song there will be a presentation of the "home-coming colors" of the battleship Kentucky by a committee from this good old ship to the governor of the state. There will be addresses by a Kentuckian now in the navy and a Kentuckian now in the army.

The regular exercises for Kentucky Day will be held in Festival Hall and will include a recital on the big pipe organ—the largest ever built. President A. Y. Ford of the Kentucky commission, will preside and speeches will be made by President Francis, of the exposition, a former Kentuckian; by Hon. Harry B. Hawes, of St. Louis, a former Kentuckian, who is the president of the Kentucky society of St. Louis; by Governor Beckham and others. At night, from 8 to 11 o'clock, there will be a reception at the Kentucky Building, admission by card. As previously stated, no invitations to Kentucky Day will be sent into Kentucky. Every Kentuckian is invited. All events of the day will be made as distinctively "Kentuckian" as possible. Kentucky Building souvenir buttons will be given all visitors and a bunch of bluegrass in the head will be pinned on each visitor. Of course, refreshments will be served both during the day and at the evening reception.

Y. M. C. A. BUILDING.

The effort now being made among the men of our city to secure memberships and subscriptions for the proposed Y. M. C. A. buildings should meet with the hearty co-operation of all citizens. The work of this organization is such as to appeal to every one interested in the physical, moral and spiritual welfare of young men. In the building contemplated, there will be ample facilities for the social, physical and spiritual development of young men. The gymnasium and baths will be attractive to the young men; the educational features will offer many advantages for intellectual development. The social department will offer a delightful place for the spending of a leisure hour, and the religious department will give opportunities for special work in spiritual lines, bible study, etc.

This movement is one of the greatest importance and the New Era most earnestly commends it to the consideration of the citizens and young men generally; and bespeaks a cordial reception for the committee as it shall do its work.

It is said that a great nonsectarian Christian church is to be established in Tokio by the Japanese themselves. These heathen have been teaching us a good deal about how to conduct a war. Are they going to try to give us points on how to run a church?

MAY WHIP HIS WIFE

DECISION OF A LEXINGTON JUDGE.

The Accused Caught His Helpmeet Talking to Another Man.

(Special to New Era.)
LEXINGTON, Ky., June 7.—Police Judge John J. Riley recognized the old English custom of allowing a husband the privilege of whipping his wife, and as a result, Squire Smith, who was before the court on the charge of wife beating, was dismissed.

Attorney Morgan read the law as formerly practiced in England and spoke at length of the privilege of a husband. The evidence in the case on trial showed that Smith had overheard a conversation between his wife, Mrs. Annie Smith, and a man, and accordingly he administered a whipping to her and admonished her not to talk to other men in future.

MEAT ROBBERY.

The meat house of Dr. E. R. Cook was robbed Sunday night of fifteen fine hams. The door of the meat house was not locked and owing to some oversight the large watch dog on the place was locked up in the house, so the thief had no trouble in securing his booty and escaped without leaving any clue.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. For three years she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters, and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by L. L. Elgin, Cook & Higgins Druggist.

RIOTRY AND BLOODSHED IN COLORADO

Nonunion Men Blown Up By Infernal Machine, and a Killing at a Rough House Mass Meeting

(Special to New Era.)
DENVER, Col., June 7.—Twelve men were killed and seven others were injured by the explosion of an infernal machine under the railroad station platform at Independence, early yesterday morning. The killed and injured, with the exception of two men, were non-union miners, who were members of a party of twenty-five awaiting a train to take them home. A riot broke out at Victor while a mass-meeting was being held to discuss the tragedy at Independence. One man was killed and six others were wounded. It is said wholesale arrests of union men will be made.

A special from Victor says Sheriff Bell has sworn in over 800 deputies. At midnight over 100 arrests had been made.

The state supreme court refused the application for a writ of habeas corpus for Charles H. Moyer, president of the Western Federation of Miners, who is held at a military prison at Telluride by order of Gov. James H. Peabody.

Gov. Peabody is in St. Louis.

(Special to New Era.)
CRIPPLE CREEK, Col., June 7.—Last night was a night of terror here; nobody slept and the streets were patrolled all night by troops, an outbreak being expected momentarily. While everything is quiet today, the peace reigning is regarded generally as the calm that usually precedes the storm, and everybody fears the worst and preparations are being made for it. Tonight is looked forward to with terror, as it is feared efforts will be made to avenge the deaths of the men killed by the infernal machine explosion of yesterday.

There were thirteen deaths at Independence, and two killed and eight wounded at the Victor mine. Mine owners have the upper hand, as they are backed by troops.

CALL TO MR. PAUL IN SEVEN STATES

EXTENDED BY 9TH-ST. PRESBYTERIAN CHURCH.

He is the Very Able Pastor of a Flourishing Church in Virginia.

At a congregational meeting held Sunday at the Ninth-street Presbyterian church, a call to the pastorate was unanimously extended to the Rev. L. H. Paul.

The Rev. Mr. Paul is at present pastor of the Presbyterian church at Mossy Creek, Virginia, a charge that he has had continuously for fifteen years. He is a graduate of Hampden-Sydney College and is recommended as a preacher of unusual ability, an excellent pastor and a man of great spiritual power. Before giving his decision Mr. Paul will visit Hopkinsville. His congregation is said to be exceedingly anxious for him to stay at Mossy Creek, but it is believed here that he will accept the call.

MAIL DECISION

Not Over Four Pounds Can Be Sent First Class.

By an order of the postmaster general which goes into effect at the local office at once, the limit of fully prepaid first class matter will be four pounds. Previous to the order there was no limit to the weight of mail matter prepaid at the first class rate. The new ruling will not have much effect on the Christmas mail, as persons may send their packages weighing over the limit in two or three installments.

THROUGH TRAINS

ON THE TENNESSEE CENTRAL RAILROAD

These Run From Harriman to Hopkinsville.—Preparing New Schedule.

For the first time since the Tennessee Central railroad was built, through trains were operated between Harriman and Hopkinsville Sunday. The time table provides for four through trains on the Tennessee Central with Harriman and Hopkinsville as the termini, two trains each way daily.

Heretofore the Tennessee Central trains on both the Western and Eastern divisions have ended their run at Nashville, another train taking up the trip each way where the first stopped here. From Sunday on the four daily trains will be run regularly as through carriers. There will be a stop at Nashville for each of the four trains of something like twenty minutes or half an hour. Connection will be made with the Southern railway at Harriman, and at Hopkinsville all of these through Tennessee Central trains will make connection with the trains of the Illinois Central railroad.

ALL WERE IN JAILS

BUT FINALLY GOT BACK HOME.

Judge W. T. Fowler, County Attorney O. H. Anderson and Magistrate S. G. Buckner and W. T. Williamson have returned from St. Louis where they completed the details of the new jail for this county. While there they visited a number of jails and also examined the exhibits of various jail building companies at the exposition and selected the most suitable fixtures. The jail and jailer's residence is to be begun at once and is to be finished by Oct. 15.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by L. L. Elgin, Cook & Higgins Druggist. Trial bottles free, regular sizes 50c. and \$1.00.

WILL MEET HERE

Woman's Foreign Missionary Society of M. E. Church.

The Woman's Foreign Missionary Society of the Louisville Conference, M. E. Church, South, will meet Hopkinsville Friday and continue session five days. A program of much interest has been arranged for the occasion. There will be about one hundred and twenty-five delegates and visitors.

Ham Meeting.

The revival at the Baptist church which has been in progress for the past three weeks by Rev. M. F. Ham and the pastor Rev. A. S. Pettie came to a close Sunday night. The meeting has been the most successful that has been conducted here for many years. There were 230 conversions and 114 additions to the church. 108 will be baptized tomorrow night at the Baptist church. Rev. Ham left today for Paducah to spend a few days before leaving for Columbia, Tenn., to begin a series of meetings.—Mayfield Messenger.

James Hamilton Peabody, governor of Colorado, who has been charged with abuse of power in connection with the miners' strike, is a native of Vermont and has just passed his fifty-first birthday.

Generally as the calm that usually precedes the storm, and everybody fears the worst and preparations are being made for it. Tonight is looked forward to with terror, as it is feared efforts will be made to avenge the deaths of the men killed by the infernal machine explosion of yesterday.

DO YOU NEED A MEDICINE?

IT COSTS YOU NOTHING TO INVESTIGATE.

There is no one who does not need a Liver Medicine occasionally.

The symptoms of Liver Complaint are well known to every one, such as constipation, dyspepsia, loss of appetite, sleeplessness, headache, a tired feeling and many others of a similar nature.

Thousands die annually by not heeding the warnings of nature.

Many acquire some chronic disease from which they never recover.

Many of these could be spared for years of usefulness, by keeping in the home some reliable remedy.

We believe that we can convince any fair-minded person that there is no better remedy for the Liver known, than Thacher's Liver and Blood Syrup.

The formula is known, consisting of: Ichu, Hydrangea, Mandarin, Yellow Dock, Dandelion, Sarsaparilla, Gentian, Senna and Iodide of Potassium. You now just what you are taking. How many other formulas of a liver medicine published? Ask your druggist about it. It is already prepared and can be taken immediately.

The strength is extracted in the most skillful manner, certainly superior to any powdered preparation known. (We also manufacture a Liver Medicine in powdered form, with which any druggist can supply you, but this, like all other dry liver medicines requires preparation.)

Dr. Thacher's Liver and Blood Syrup is pleasant to take, does not lose its strength, as Liver Medicine in dry form, and will keep in any climate.

Your doctor, however skillful, could prescribe nothing better.

There is no opportunity for a doctor to make a mistake in writing a prescription, or a drug clerk to make a mistake in compounding the same, (besides a doctor's bill and the cost of the medicine.) You can be absolutely sure of the proper proportion being in every dose.

Dr. Thacher's Liver and Blood Syrup has been used with the greatest confidence and success in thousands of homes for 55 years, and is prepared by a pharmacist of 25 years' experience, in a laboratory equipped with the most modern appliances for the most perfect safety.

GRAVES DECORATED

CONFEDERATE VETERANS HAVE EXERCISES.

Able and Entertaining Addresses.—Good Crowd.—Many Flowers.

(From Friday's Daily.)

The decoration of the graves of the Confederate soldiers took place this afternoon at Hopewell cemetery. The graves were heaped high with floral tributes offered by the survivors of the great struggle and their families. The affair was in charge of the Daughters of the Confederacy. At 12:30 a sumptuous dinner was served to the old soldiers and a few invited guests in Moayon's hall. The menu was varied and the guests did ample justice to the spread of good things.

At 1:30 a line of march was formed at the hall, the soldiers marching in column and being followed by numbers of citizens in carriages. When the cemetery was reached prayer was offered by the Rev. J. L. Wyatt.

Addresses were made by Mr. Roger W. Harrison and Mr. J. W. Mansfield. The doxology was then sung and the benediction said by Rev. E. L. Southgate. The entire service was very impressive and was a loving tribute to those who fell in the great struggle.

The only thing which marred the success of the occasion at all was the failure of the factory to furnish the crosses of honor, which were to have been bestowed on the veterans. A telegram was received by Mrs. L. McF. Blakemore stating that the factory had failed to get the crosses ready in time and that this part of the ceremony would have to be left out or ribbons would have to be substituted. The crosses, however, will be bestowed upon the veterans at some later date.

For a Hundred Years.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co. of Chicago, to discover how to combine the virtues of Witch Hazel with other antiseptics in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeits, and the public is advised to look for the name "DeWitt" on the package and accept no other. Sold by R. C. Hardwick.

Rev. S. J. Cannon, of Louisville, has accepted the call of the Baptist church at Elkton, and will enter upon his duties as pastor at once. He will preach his first sermon as pastor next Sunday.

A dose of Ballard's Horehound Syrup will relieve it. Have you a cold? A dose of Horebine at bed time and frequent small doses of Horehound Syrup during the day will remove it. Out of Danger.

The friends of Mrs. T. P. Allen, of St. Elmo, who is at Walker's sanitarium in Evansville, where she recently underwent an operation for peritonitis, will be glad to know that she is now regarded as being out of danger. Shortly after the operation her condition was such that hope of her recovery was almost abandoned.

If you are languid, depressed and incapable for work, it indicates that your liver is out of order. Horebine will assist nature to throw off headaches, rheumatism and ailments akin to nervousness and restore the energies and vitality of sound and perfect health. J. J. If you don't buy clothing from J. T. Wall & Co., you don't buy Clothing right.

SuccessClothing is but another name for Wall's Clothing!

THAT'S the kind we handle. It is the "kind that helps you on in the world" and is ever "considerate of your pocketbook."

"Clothes don't make the man but good clothes have secured many a good position," said a railroad president recently. "If you have \$25 and want a job, it is better to spend \$20 for clothes, \$4 for shoe and the rest for a shave and a hair cut and a clean collar and walk to the place than to go with the money in the pocket of a dingy suit."

The above argument is all right but you need not pay \$20 for clothes that will give you a prosperous, well-kept appearance, when you can come here and walk off with a snappy suit like those shown in the picture

At so little a price as... \$10

We have other styles at other prices all possessing the same characteristic of honest quality which Wall & Co. inject into all their clothing.

HOPKINSVILLE BROWNS DEFEAT HENDERSON.

Mullen's Release Is Purchased.—Some Dope For the Fans.

AT HENDERSON.
Henderson, Ky., June 9.—The Hop- town Cripples defeated Henderson here yesterday in the opening game of the series by the score of 8 to 6. The visitors outbatted the locals and both sides are charged with five errors. The score:
Hopkinsville.....8 11 5
Henderson.....6 9 5
Batteries—Rogers and Collins; Nor- wood and McKenna. Umpire Setley.

AT VINCENNES.

Vincennes.....1 4 5
Cairo.....5 7 4
Batteries—Todd and Lemon; Bitt- roff and Rutledge.

AT CLARKSVILLE.
Clarksville, Tenn., June 9.—Padu- cah made eight errors yesterday but won the game by the score of 4 to 1 by hitting the ball hard, something the locals were unable to do. Score:
Clarksville.....1 3 1
Paducah.....4 11 8

—That's better.
—Vergils, the new shortstop signed

at Paducah, had his hand hurt in yesterday's game.
—Pefoe, a shortstop who was with Cairo last season and did excellent work, was signed by wire last night and ordered to report at Henderson at once.
—Cairo has secured Shortstop Richards.
—The Paducah News-Democrat says that Rogers, touted as a wonder, was forced to give way to Fer- rell in Tuesday's game on account of not having control. This is a mis- take for the players say they never saw better control or curves, but Welch was not able to hold him.
—Welch is leading the team in batting on the trip and is putting up a good game at second.
—Percival, recently released by Vincennes, has been signed by Clarksville.
—Otho Mullen has been sold to the Greenville, Miss., club of the Cotton States league, and will report there at once. The price paid was \$100. Mullen is a fine outfielder, a slugger of the original type and can outrun any man in the Kitty league. He will be a valuable man for the Green- ville club.

—Suit for divorce has been brought against Left Fielder Jeffries of the Clarksville team, by his wife. It is alleged that the petition contains several sensational charges.

All of Europe now believes Japan's armies will be victorious during the present year. Russian generals are severely criticised for failure to profit by modern experience.

There is no limit to the financial strength of the United States. Sec- retary Shaw has paid the purchase price of the Panama canal, without creating a ripple in monetary circles.

It is predicted that the submarine boats will eventually drive the mon- ster battleships out of business. The wars of the future are to be fought in fish fashion.

GENERAL KUROKI, JAPAN'S PRESENT MILITARY HERO.
The accompanying portrait is the first authentic recent one of the Japanese General Kuroki ever printed in this country. It was made from a photograph taken in Tokyo a few days before he set out for the front.

THE FIRST BATTLESHIP EVER LOST BY THE JAPANESE.
The Haze, which was sunk by a floating Russian mine, is the first battleship the Japanese have ever lost. She was one of the most powerful fighting machines in the world, having a displacement of 15,000 tons and carrying an armament including four 12-inch guns.

DELUDED CHILD

SWORE MALE COMPAN- ION WAS GOD.

Strange Case Is Tried In the Trigg County Court.

Quite a novel case came up in County Judge Bingham's court Tues- day, says the Cadiz Record.
John Galbreath, a man claiming to be forty years of age, and two lit- tle girls, Beulah Payne, aged four- teen, and Addie Atkins, about twelve years old, were arrested upon a war- rant issued from the office of the county judge, and were arraigned be- fore his honor. For about a month the three have been living in a tent on Little River about a mile above Mershon's bridge, where they were arrested early Tuesday morning. The matter was brought to the atten- tion of the officers of the law by Mr. W. H. Timmons and others living in the neighborhood.

From the statement of Galbreath and other witnesses it developed that the children and the man were not related.

He says he is a preacher of the gospel, of the New Christian faith, and his conversation indicates con- siderable knowledge of the bible. He says the girls were baptized by him several months ago, and that he has taught them the scriptures. The Payne girl stated on the stand that she and Galbreath were married, and that they were married by God, while the younger girl maintained that Galbreath was God, because she saw him come down from heaven.

They say that he does nothing but what is right, and both manifested the utmost confidence in him.
Galbreath says he was born in Wisconsin. He left home when about sixteen years of age, and has since that time lived in Iowa, Kansas, Missouri, Nebraska, and other states, and for the past five years has lived in Kentucky, spending most of his time in the counties of Hart, Clinton, Russell, Wayne, Crittenden and Ly- on. He has been in Trigg only a few months. He says he has preached in many places, but has never had reg- ular pastoral work.

The girls are half-sisters, the pres- ent husband of their mother being the father of the Atkins child.
After hearing the case, subpoenas were issued for the parents of the children, who will appear before the court today, and the matter will be further investigated. Galbreath was sent to jail and the girls sent to the poor house. The children did not want to be separated from the man, and cursed and abused the officers of the court when they started with them to the poor house.
