# WEEKLY NEW ERA.

ONE DOLLAR A YEAR.

HOPKINSVILLE, CHRISTIAN COUNTY, KENTUCKY, FRIDAY, JANUARY 11, 1906.

VOLUME XXVI, NO. 6

## THRILLING EXPERIENCE UNDERGONE BY DEPUTY SHERIFF ROBINSON

SAYS HE WAS ATTACKED BY BAND  
OF MEN.

### HE HAS A HOLE IN HIS HAT.

So Close to His Assailant That the  
Powder From a Pistol Burned  
His Face.

(From Tuesday's Daily)

Deputy Sheriff A. A. Robinson has a bullet hole through his hat this morning as a memento of an attempt to kill him which was made last night as he was returning from a trip through the eastern portion of the county for the purpose of serving delinquent tax warrants.

The attempt was made near the crossing of the Madisonville road and the L. & N. railroad. It was about 8 o'clock and on account of an attempt which had been made to hold him up at this place about eleven months ago, Mr. Robinson was riding along with his pistol in his hand. Just after crossing the railroad the officer noticed eight or ten men standing on the right hand side of the road. When he came closer to them one of them stepped out of the bunch and fired his pistol point-blank in the deputy's face, the powder burning his countenance and the bullet passing through his hat. Mr. Robinson replied to the fire and the would-be assassin also fired several times but none of the bullets went home. The firing frightened the horse Mr. Robinson was riding and the animal ran some distance down the road before the rider could control him. This done he dismounted and reloaded his pistol and went back to the scene but the men had all vanished into the woods. Mr. Robinson says that on account of the darkness he could not identify any of the men, but that he thinks they were all white, and that they made no effort at masking, neither did they carry other arms than their pistols.

When the other attempt was made to hold up Mr. Robinson at this point the highwayman caught his horse by the bridle and covered him with a pistol. This time, though, the officer fired at his man and evidently wounded him as he cried out and immediately ran off into the woods. He could never be located, though.

## BEGGED ADMISSION

TO ASYLUM WHICH HAD ONCE  
BEFORE SHELTERED HER.Eva Jackson, Young Woman From  
Muhlenberg County, Voluntarily  
Has Herself Declared Insane.

(From Tuesday's Daily)

Eva Jackson, of Muhlenberg county, was tried for lunacy in county court this morning and was ordered to be sent to the Western Kentucky Asylum for the Insane.

The girl is twenty three years of age and was formerly a patient in the institution, having been discharged about two years ago. Since that time her mind and health both became worse and not having any relatives or friends to whom she could go, naturally turned to the asylum which had been her home for five years, having been admitted at the age of sixteen.

About two weeks ago she voluntarily got on the train and came here went out to the asylum where she begged admission. This morning she was legally committed to the institution.

### Steam Tobacco Screw.

The first steam tobacco screw set in operation in Hopkinsville was put into commission Saturday at the re-handling house of R. C. West. It is working to perfection. The Imperial Tobacco Company uses hydraulic screws.

### Tearing Down Smokestack.

The Ellis Ice company have a force of workmen engaged in tearing down the tall smokestack at their plant and will erect a larger stack of steel in place of the brick. The work of tearing down the old stack was an interesting feat, a scaffold being built up inside of the huge chimney and the workmen, three of them, standing on this and taking off the bricks. As they came down the scaffold above them was sawed off.

### Loose Tobacco Sales.

Sales on the Loose Floor this week have been very satisfactory and farmers are beginning to realize that the Loose Floor is the place to sell tobacco, and that now is the time to sell, as prices are satisfactory and you will not have to speculate by holding your tobacco and waiting for prices to go up, when it is possible for the buyers to get the keenness of their appetites taken off and prices drop a few notches. Our sales consisted of 65,000 pounds. Leaf averaged \$7.50 and Lugs \$5.25, showing that the better crops are now getting to the Loose Floor. We hope to see the order and the quality improve and then you may expect still higher prices. Your tobacco will be received any day in the week and sales promptly made.

**QUOTATIONS.**  
Trash \$3.50 to \$4.00. Low Leaf \$6.00 to \$7.00. Low Lugs, \$4.00 to \$4.50. Common Lugs, \$4.50 to \$5.50. Good Lugs, \$5.50 to \$7.20. Common Leaf, \$7.00 to \$8.00. Medium Leaf, \$8.00 to \$9.00. Good Leaf, \$9.00 to \$10.00.

Very Resp't. yours,  
H. H. ABERNATHY.

## RUMOR OF RAID SHOWED STRENGTH OF THE GUARD

MAYOR WAS WARNED OF VISIT  
OF RIDERS

### IT FAILED TO MATERIALIZE

Immediate Steps Were Taken to Pro-  
tect The City and a Warm Recep-  
tion Awaited Any Marauders.

(From Saturday's Daily)

Hopkinsville spent last night under guard of probably two hundred armed men as result of a telephone message received by Mayor Meacham at nine o'clock from Princeton that it had leaked out there that the night raiders who destroyed two tobacco warehouses in the Caldwell county capital had their plans all made and everything in readiness for a visit to this city. The message came from what was regarded a reliable source and as soon as it was received the city and county officials made preparations to meet the raiders should they come. Extra policemen were put on guard, a sheriff's posse was organized, the local military company was gotten together and held in readiness and a number of citizens volunteered their services. Every road leading into the city was guarded and extra guards were placed on duty at every tobacco warehouse.

The night passed however without the raiders putting in their appearance. The promptness with which the city was placed under complete guard is conclusive proof of the claims of the authorities they would protect the warehouses here in case of an attempted raid. The men on duty last night were all heavily armed, many with high power rifles to say nothing of shot-guns, and a warm reception would have been given the raiders had they shown up.

Sent to Hopkinsville.

The Keystone Mining and Manufacturing company shipped its first car load of coal yesterday since the opening of the mine. The load yesterday was sent to Hopkinsville. heretofore the entire output had been consumed in Henderson and vicinity.—Henderson Journal.

## COUNTY ATTORNEY WANTS TO TURN TABERNACLE INTO AN ARMORY

### SPECIAL SERVICE

FOR ODD FELLOWS AND SIS-  
TERS OF REBEKAH.Sermon by Rev. Mr. Rasnake on Broth-  
erly Love.—Dr. Jenkins Preaches  
Tonight at Union Meeting.

The service at the Universalist church Sunday night was held especially for the members of the Odd Fellows lodge and the ladies belonging to the Rebekah lodge. Both lodges attended in a body and together with the general attendance the church was crowded to its full capacity and a number of persons stood during the service.

The pastor, Rev. J. M. Rasnake, delivered an interesting and forceful discourse, his plea being for the union of all Christians on the broad foundation of brotherly love. He paid a warm tribute to the Odd Fellows' and Rebekahs lodges, especially for their great work in providing homes for the widows and orphans.

The music for the occasion was made by the Odd Fellows choir composed entirely of male voices. The familiar songs were sung and this singing was one of the most pleasurable features of the evening.

### Week of Prayer.

Rev. E. H. Bull preached on "The Church of the Living God" in the union week of prayer service last night. It was a strong and impressive sermon.

The service tonight will be held at the Ninth Street Presbyterian church, and the sermon will be delivered by Dr. Millard A. Jenkins, pastor of the Baptist church, his subject being "The Gospel of God's Son."

### PLAN BEFORE FISCAL COURT.

Mr. Duffy Proposes That County Take  
Over Building and Equip It  
For the Soldiers.

(From Tuesday's Daily)

The fiscal court met in regular session this morning for the transaction of such business as may be brought before it.

One of the most important matters which will be presented to the court will be that of the county purchasing the union tabernacle for public meetings. County Attorney Duffy will present the matter and he is very enthusiastic over it. He proposes that the county assume the debt now resting on the property in exchange for it and that they remodel the building to suit the requirements of an armory. He also plans to have the present benches removed and comfortable and movable chairs placed in the building to serve as seats. In this way the entire seating capacity of the room could be utilized, if necessary, for public meetings, and on the other hand the chairs could be moved out of the way on drill nights and ample space thus given for the evolutions of the military company. It is not known how the owners of the tabernacle will receive the proposition, even should the fiscal court look upon it favorably.

### SAM JONES.

[The following lines were written ten or twelve years ago by Frank Bell during one of the revivals held here by the great Georgian revivalist.]

They have called you names right hard,

Bully, hypocrite, blackguard,  
Fraud and fakir, liar, crank,  
Pulpit-clown and mountebank;  
Said they didn't like your style;  
Called your language coarse and vile.

"He is tougher than a mule,"  
They have roared in angry tones.  
But they never called you fool.

Sam Jones.

An' if it must be confessed,  
I was once jest like the rest—  
"Jones is just out for the stuff,"  
Couldn't say things hard enough;  
But on closer view I see

Boundless love and sympathy  
For our fallen sinful race  
An' the lamb whose blood atones;  
For your heart's in the right place,  
Sam Jones.

I've seen tears come in his eyes  
When he'd tell of miseries,  
Sorrows, woes and pineden darts  
Quivering in human hearts;  
An' I've heard his voice grow weak,  
When of such sad things he'd speak.  
An' the good that you have done  
Won't be buried with your bones  
For time's waves will roll it on,  
Sam Jones.

### "Doc" Is Dead.

Doc, the little brown and white dog belonging to Stonewall Morris, and which was a familiar figure in Hopkinsville, died yesterday at the ripe old age of a dog of nineteen years. During the past few months Doc had failed steadily and his death was due to a chronic disease.

## DRIVER AND TEAM DROWNED IN THE RIVER

BOY HAD DRIVEN MULES THERE  
TO WATER THEM.

### STREAM WAS MUCH SWOLLEN.

Body Has Not Yet Been Recovered.  
Animals Were Valued at \$1000.

—Owned By Colored Man.

(From Saturday's Daily)

Four mules belonging to Sam Allen, colored, near Logan's mill on the west fork of Little River about eight or ten miles below Pembroke, and a negro boy who was driving the team, were drowned yesterday afternoon when the boy drove in the stream for the purpose of watering the mules. The stream was considerably swollen as a result of the recent heavy rains, and almost as soon as the team entered the water they began floundering and all four were drowned. The boy, whose name could not be learned, was thrown into the water in some manner and perished. Up to this time only the wagon bed and two of the mules have been recovered. The team was valued at \$1,000 which is a complete loss on the owner who is regarded as one of the most deserving and hard-working colored men of the county.

## MONEY IS RAISED

BY PRESBYTERIANS TO SECURE  
MR. INMAN'S GIFT.

Fund Is For the Aged and Infirm Ministers and For the Widows and Orphans.

The Presbyterian Church of the United States has raised the amount necessary to secure the donation of \$50,000 offered by Mr. Hugh T. Inman, an elder of the First Presbyterian Church of Atlanta, upon the proviso that the church itself should by the first of January, 1907, raise \$22,000. Secretary H. H. Sweets, of the board of ministerial relief, who visited Hopkinsville some time ago in the interest of the movement states that treasurer John Stites has reported donations to the amount of \$95,000, and adds that money is still coming in in large amounts. This \$95,000 was reported on the morning of Dec. 31, which fact shows that the conditions have been more than met, and the donation from Mr. Inman will soon be forthcoming.

About one year ago Mr. Inman stated that he would give \$100,000 to the Presbyterian church provided the church would raise \$125,000, but about three months ago, seeing the need the church had for this money, he changed the offer and made it in the above form. The money is to go to aged and infirm ministers and widows and orphans.

Mothers who give their children Kennedy's Laxative Cough Syrup invariably indorse it. Children like it because the taste is so pleasant. Contains Honey and Tar. It is the Original Laxative Cough Syrup and is unrivaled for the relief of croup. Drives the cold out through the bowels. Conforms to the National Pure Food and Drug Law. Sold by R. C. Hardwick.

### FROM THE ANTILLES.

Chamberlain's Cough Remedy Benefits a City Councilman at Kingston, Jamaica.

Mr. W. O'Reilly Fogarty, who is a member of the city council at Kingston, Jamaica, West Indies, writes as follows: "One bottle of Chamberlain's Cough Remedy had good effect on a cough that was giving me trouble and I think I should have been more quickly relieved if I had continued the remedy. That it was beneficial and quick in relieving me there is no doubt and it is my intention to obtain another bottle." For sale by Anderson Fowler Drug Co. (Inc) the leading Drug Store, 9th and Main St., Hopkinsville Ky.

### Wise Counsel From The South.

"I want to give some valuable advice to those who suffer with lame back and kidney trouble," says J. R. Blankenship, of Beck, Tenn. "I have proved to an absolute certainty that Electric Bitters will positively cure this distressing condition. The first bottle gave me great relief and after taking a few more bottles, I was completely cured; so completely that it becomes a pleasure to recommend this great remedy." Sold under guarantee at L. L. Elgin Anderson & Fowler (Inc) Cook & Higgins, Druggist.

Food 'don't' digest? Because the stomach lacks some one of the essential digestants or the digestive juices are not properly balanced. Then, too, it is this undigested food that causes sourness and painful indigestion. Kodol For Indigestion should be used for relief. Kodol is a solution of vegetable acids. It digests what you eat, and corrects the deficiencies of the digestion. Kodol conforms to the National Pure Food and Drug Law. Sold here by R. C. Hardwick.

## TO ENJOY A GOOD DINNER

How to Avoid Distress and Indigestion After Eating.

Let us tell you how you can enjoy a good dinner, so that the heartiest meal will set well on your stomach and cause no unpleasant and disagreeable after effects.

We will show you now to regain the appetite of your childhood and the enjoyment of food, so that it will taste as well as when mother cooked the dinner.

There is no hard work necessary to do this; no need of a rigid and self-denying diet list; no call for nasty and disagreeable medicines. Simply take a Mi-o-na stomach tablet before each meal and before going to bed, and it will so strengthen the stomach that before long a hearty meal will give you gratification and comfort, without the least fear of distress and suffering.

The strongest proof we can offer of our faith in this advice, is the fact that L. L. Elgin gives an absolute, unqualified guarantee (applying to two 50c boxes of Mi-o-na), that your money will be refunded unless Mi-o-na cures. A guarantee like this gives you confidence in Mi-o-na. He takes the whole risk, and the remedy will not cost you a penny unless it cures.

Mi-o-na is not a mere digestive, giving only temporary relief, but a specific for all diseases of the stomach, strengthening the digestive organs and making a permanent cure. Jan. 7, 17, 28.

## TO DIVIDE THE TIME

BETWEEN THE SCHOOL ROOM AND WORKSHOP

Inmates of Reform School at Lexington Must Work in The Future.

FRANKFORT, Ky., Jan. 4.—The prison commission has decided to divide the time of the inmates of the reform school at Lexington between the school room and the workshop and teach the youths a trade. To this end the labor of 100 boys was today leased to Ford, Johnson & Co. of Chicago, in making reed furniture at thirty cents per day per boy. Two hundred have been engaged on the contract, the working day being divided into eight hours, with half of the boys in school before noon and in the workshop in the afternoon and a shift in the shops at the noon hour.

Nearly every person who is subject to attacks from the stomach suffers from a morbid dread of a dietetic treatment for relief, that is three-fourths starvation, and one-fourth toast and milk. On the other hand you can eat as you please and digest the food by the aid of a good digestant, thus giving the tired stomach equally as much rest. Eat what you please and take a little Kodol For Indigestion after your meals. It digests what you eat. Sold R. C. Hardwick.

## CASE AFTER CASE

Plenty More Like This in Hopkinsville

Scores of Hopkinsville people can tell you about Doan's Kidney Pills. Many a happy citizen makes a public statement of his experience. Here is a case of it. What better proof of merit can be had than such endorsement?

R. C. Moorefield, Sr., real estate dealer and associated with the Christian County Title Co., residing at 222 W. 17th, street, says: "For several years the condition of my back and of the kidney secretions furnished ample evidence that I was suffering from kidney disorders. The aching in my back would come on by spells often so severe that it was painful for me to stoop, to straighten up or to attempt any sudden movement. I saw Doan's Kidney Pills advertised locally and thinking they might help me, got a box. I had used them only a few days when I noticed a marked improvement in my condition and I continued the treatment. It did me more good than any medicine I had ever used, and that is putting it mildly. You may publish my statement at any time and I will do all I can to let the value of Doan's Kidney Pills be known."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y. sole agents for the United States. Remember the name—Doan's—and take no other.

"Quick lunch" is one of the commonest of city signs. The sign doesn't say "a healthy lunch of good food"—the character of the food apparently is not considered. It's just a quick lunch—eat and get away. Is it any wonder that the stomach breaks down? Food is thrown at it, sloppy, indigestible and unwholesome food, very often, and the stomach has to do the best it can. Normally there should be no need for medical assistance for the stomach. But the average method of life is abnormal and while this continues there will always be a demand for Dr. Pierce's Golden Medical Discovery. It is the one medicine which can be relied on to cure diseases of the stomach and other organs of digestion and nutrition. It is not a cure-all. It is a medicine designed for the stomach, and to cure through the stomach remote diseases which have their cause in the weakness and derangement of the stomach and digestive and nutritive system. It cures when all else fails. Ingredients printed on each bottle-wrapper.

### Negro Won't Speak.

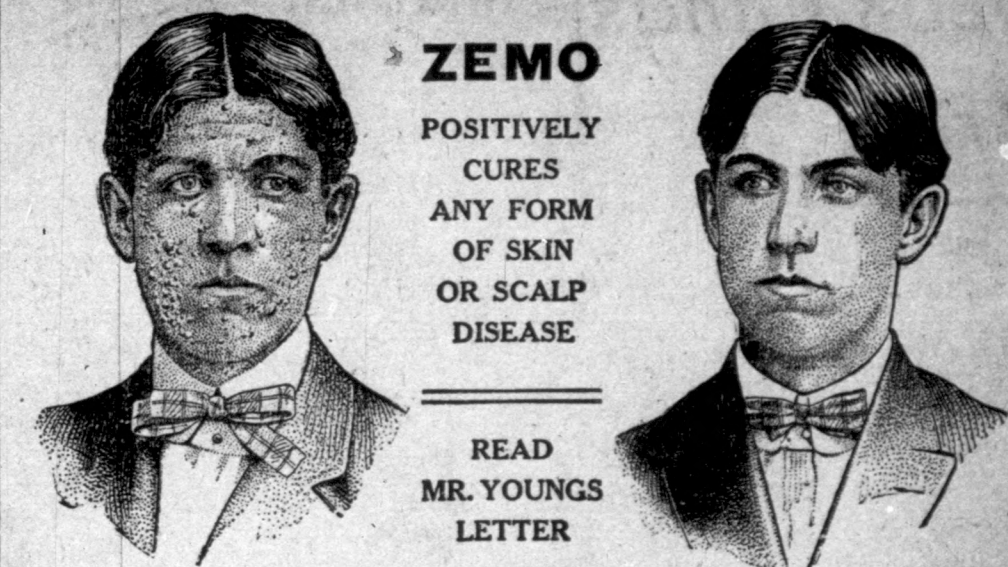

The Owensboro Enquirer says: "Lassie" Stuart was adjudged insane by a jury in circuit court Friday and ordered sent to the asylum. The only witness examined was Jailer Calhoun, who testified that Stuart had appeared to be insane for the past four months. The negro himself was placed on the stand, but could not be induced to speak a word. Mr. Calhoun says that he has not spoken for several weeks. The negro has changed greatly in appearance since his incarceration and would hardly be recognized as the same negro.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

The object of the meeting of the officers is for the benefit of both the officers and privates. The duties of the officers and privates will be considered as well as other essentials of the guard. This meeting promises to be one of much interest as well as of great benefit to the officers.

NEW YORK, Jan. 7.—Three firemen were killed during a fire that burned out the interior of Hill's paper warehouse on Roosevelt street last night.

Just before the third floor of the five-story structure fell all of the men were ordered out of the building. Firemen Campbell, Steffert and Lennan, who had been working within, failed to respond, and a subsequent round-up established the fact that the three were beyond doubt buried in the ruins.

The money loss was about \$15,000.

## ANOTHER VICTIM

OF SPINAL MENINGITIS IN THE ERA NEIGHBORHOOD.

Mrs. Joe Reynolds Dies After Terrible Sufferings, Only New Case That Of Her Brother.

(From Monday's Daily)

The third death to occur in the Era vicinity as a result of spinal meningitis which broke out there Saturday night a week ago, was that of Mrs. Joe Reynolds who died yesterday. Mrs. Reynolds was one of the first to contract the disease and from the first her case was an aggravated one. Her sufferings were terrible and she was drawn backward to such an extent that her head and feet almost met. Mrs. Reynolds was about thirty-three or four years of age and a beloved Christian lady.

John Wilson, a brother of Mrs. Reynolds, has the only new case which has developed since the first report. Mr. Wilson was caught away from home by high water and stopped at the Reynolds home to spend the night. He developed the disease the next morning and his condition is very serious. All the other cases are still regarded as critical.

The fact that no further cases have developed during the past three or four days leads the physicians in charge to believe that the worst has been reached and that there will be no further spread. Spinal meningitis is not considered a contagious disease, but its spread is caused more from atmospheric conditions, and it is therefore nearly always confined to one locality.

The Right Name.

Mr. August Sherpe, the popular overseer of the poor, at Fort Madison, Ia., says: "Dr. King's New Life Pills are rightly named; they act more agreeably, do more good and make one feel better than any other laxative." Guaranteed to cure biliousness and constipation. 25c at L. L. Elgin Anderson & Fowler, (Inc) Cook & Higgins Drug store.

McRae-Bollinger.

H. M. Bollinger and Miss Ethel McRae, well known and popular young people residing near the city, were united in marriage Sunday evening. The ceremony was performed at the Baptist parsonage by Rev. W. E. Mitchell. The wedding was a complete surprise to the friends of both. Rumors of the happy event had been afloat for some time, but no one seemed to know just when it would take place. Mr. and Mrs. Bollinger drove to the home of the groom's parents after the ceremony where they are spending a few days.—Pembroke Journal.

How to Cure Chills.

"To enjoy freedom from chills," writes John Kemp, East Otisfield, Me., "I apply Bucklen's Arnica Salve. Have also used it for salt rheum with excellent results." Guaranteed to cure fever sores, indolent ulcers, piles, burns, wounds, frost bites and all skin diseases. Price 25c at L. L. Elgin Anderson & Fowler (Inc) Cook & Higgins Drug store. Try it.

LOVE'S OFFERING.

[The following love song composed "Jointly" like Capt. Cuttle's deed of gift to Walter and Florence Dombey, by S. C. Mercer, and Col. Tom Woodward, C. S. A., was first published in the Louisville Journal June 15, 1885, of which George D. Prentice was editor. Col. Woodward, afterward killed by Union home guards during a raid on the city, was, when the triolier was written, editorial writer on the Democratic Hopkinsville Press. The first and third verses were composed by Mr. Mercer and the second by Col. Woodward.]

I bring thee a garland, Oh diamond-eyed maid,  
Its sweet-scented buds in thy dark locks I braid,  
Love nurtured each flower, with a sigh and a tear,  
And the sigh and the tear,  
Shall make them more dear,  
And lend them new charm with each vanishing year.  
I fill thee a glass, 'tis the heart's purest wine,  
Love's burning libation, rich, ripe and divine,  
Dipped up from the fountain which flows from the skies,  
Whose rosette gleaming, is bright in its beaming,  
As the love-stars that shine in the heaven of thine eyes.  
I bring thee a song, and though humble the strain,  
Love glows in each line of its burning refrain,  
And Oh, that its tones were as wild and as sweet  
As horns on the mountains,  
Or birds by the fountains,  
Or the songs that their lips in their warblings repeat.
