J E Robbins Visits City Of Zion

TAKES TWO DAYS TRIP OVER SALT LAKE CITY WHILE ON TRIP.

At Pleasure Resort He Describes Women As Losing Reserve and Men Lay Aside Dignity.

Salt Lake City, Utah, Aug. 7. For two days we have been seeing the sights in beautiful Salt Lake City, known to the Mormons as the City of Zion. In 1847, Brigham Young, with less than one hundred and fifty devoted pioneer followers, under great hardships, crossed the rugged Rockies and founded this beautiful city in a valley at that time a barren desert. He and those who came after him have built a great and beautiful city, and by pluck and energy have made this barren desert blossom as the rose.

Whatever we may think of his religion he was certainly a man of towering genius, and has left a name that will be remembered for ages to come. Here is situated the great Temple of the Mormon Church, which was devised by Brigham Young himself. From the time the first stone was laid until its completion, just forty years elapsed, and the building cost three and one-half millions of dollars. Near to the great temple stands the famous Tabernacle of the Mormon Church, in which the religious services of the church in the city are held.

In this tabernacle is the renowned organ, the finest in the United States. We have attended two musical recitals in the Tabernacle, given under special authority from His Excellency Joseph F. Smith, president of the church, for the benefit of the tourists in the city. The organ is grand and the music was excellent.

Brigham Young had great admiration for the women and great love for children, for of wives he had twenty-one, and his children number one hundred and one. We have visited several of his homes, the Lion House, the Bee Hive, and Amelia Palace, the former residence of his favorite wife. We also saw the old Mormon residence where he married three sisters at one time. The father of these sisters had ten wives himself. He lived in a long house which included ten rooms, besides a large dining room. Every time the old man married a new wife he added another room to his dwelling. There was a substantial wall between the different rooms, and by this means the families were kept separate. Just how these women got along in the common dining room, history has failed to record. One thing is certain, however, and that is these Mormon women were tamer than our lovely, amiable Kentucky women, or it would have been necessary to replenish the chinaware and crockery every morning after breakfast.

In these good days, the Mormons will tell you that polygamy has been prohibited by law, but that it has been abolished by edict of the Church, while Gentiles—all but Mormons are Gentiles—will tell you that polygamy is clandestinely practiced to a great extent at this time.

Sixty-five per cent. of the population of the State of Utah are Mormons, while in the city of Salt Lake they have only forty-five per cent. In the state of Utah the Mormons have control of the state government, while in this city a political party, known as the American party, is in control of municipal affairs. This party is composed of all who protest against the control of the city by the Mormon Church. In reality, however, the Republican party is the Mormon party, while the American party is the Democratic party. The Mayor of the city, Mr. Sanford, is a Democrat.

Salt Lake is a city of one hundred and ten thousand, and is growing rapidly. Its climate is fine. It is situated in Salt Lake Valley at an elevation of 4,200 feet and is surrounded on the north, east and south by the Wasatch mountains. The great Salt Lake lies to the west at a distance of eighteen miles. Salt air is on the lake and it is a great bathing re-

sort. Trains run from this city to the beach every forty-five minutes, and the fare for the round trip is only twenty-five cents. During the summer season thousands of people visit the beach every day, and hundreds enjoy the delightful bathing in the strong salt water. It is twenty-two per cent. salt, and the live human body floats upon its surface just like a cork.

At this pleasure resort the women lose their reserve and the men lay aside their dignity. They don their bathing suits and plunge into the water. It is not possible for me to describe these bathing suits. In color, they are as variegated as Jacob's cattle. It may be truthfully said that when a man or woman has on one of these bathing suits, he or she is not over-dressed. These suits are intended to cover only those portions of the human anatomy which good taste requires should be hidden from view. The sport of bathing is fine, the effect of the salt water is exhilarating and the sensation of being in water in which you cannot sink is most peculiar.

The situation to me seemed almost ridiculous. Imagine if you can, hundreds of men and women on a great lake floating around like so many chunks. But in this great crowd there was much animation and excitement. Some were laughing, some talking, and occasionally some were crying. It was not an infrequent thing to hear a girl or woman declare she was drowning, when in fact she could not have drowned if she had really tried. Of this number Mrs. R. was one, when she first went into the water, but she had not been in this buoyant water long before she was floating around on the placid lake as serenely as if she had been a real duck.

We leave this evening for Seattle only 1,050 miles distant.

Very truly,
J. E. ROBBINS.

Chance to Buy Paying Business

The chance of a lifetime is now open to some man or company to get one of the best paying business in Mayfield at a bargain. On account of my health I will have to change climate. I am going to offer my mill for sale.

This mill is in first class condition and up-to-date in every respect, have just finished a 10,000 bushel elevator for wheat. The mill has all the business it can do, and will pay for itself in less than two years. I have also a purchase of dry, good wheat I will sell with the mill if purchaser wants it.

Any man with ordinary business capacity can, with a good miller, successfully operate a mill. I can make very liberal terms to purchaser. Will give possession now and help run mill till first of December or will give possession in December.

See me and get prices and terms if a good business proposition interests you.

NEW PHOTOGRAPH COMPANY

The Breksford Photo Company, formerly over the Graves County Bank, will open a new studio on the south side of Broadway, opposite Evans & Covington's drug store, the 16th of August, 1909.

The name will be changed to the Mayfield Photo Company and be up-to-date in every respect, as well as reasonable and satisfactory in prices.

They will be pleased to see former friends and solicit new patronage. Call and see the new studio. The Mayfield Photo Co.

APPRECIATED GIFT.

Our good friend, Rev. D. M. Orr of Falsomdale dislikes publicity above all things, and when he bestows a gift on a friend, he does so wishing for no public acknowledgment, but he has swooped down on the Messenger office with such a monstrous display of delicious things to eat, that it is impossible to refrain from acknowledging our thanks through the Messenger.

The nice box of fruits and vegetables were certainly welcome, and Rev. Orr's liberality is very much appreciated.

Irvin Blalock Seriously Injured

ACCIDENTALLY SHOT TUESDAY WHILE OUT DOVE HUNTING.

Large Hole Torn in Leg and Shot Lodges Inside Lower Body.

Irvin Blalock, one of the best known young men in the city, happened to an accident Tuesday afternoon about 4 o'clock that has developed into a serious nature.

He and several friends were out dove shooting on the farm of Charley Brand about three miles south of Mayfield. They were preparing to leave for home. Irvin climbed upon a fence and in doing so the shot gun which he was carrying fell from his grasp and rolled a few feet away down a small embankment. The gun was discharged and the contents of the load took effect in the upper part of his right leg, tearing away a large amount of flesh. Some of the shot went higher into his body inflicting injuries that are of such a dangerous nature that fears are entertained for his recovery. The shot in the gun were of number seven size.

Drs. Dismukes and Fuller were summoned and dressed the injuries before being brought to the city. They pronounce the wounds as extremely bad.

Irvin Blalock is the son of N. J. Blalock, the well known tobacco dealer.

William Griffin Dead

Aged Citizen Passes Away Wednesday Morning—Burial At Lebanon.

William Griffin, aged 84 years, died at 4:20 o'clock Wednesday morning on East South Street after a lingering illness of old age and general debility. The body will be buried at 11 o'clock Thursday morning at Lebanon cemetery south of Mayfield. He was one of the oldest citizens of the county and moved here a number of years ago from Tennessee. He served in the confederate army in the civil war and was member of the 11th Tennessee company. He was a member of the Christian church, and was highly esteemed and had many friends. He is survived by three sons, George, Will and Charley Griffin and two daughters, Mrs. Mollie Adams, of Arkansas, and Mrs. Lala Lawson, of this county. Mr. Griffin had 32 living grandchildren and nine dead.

ELK'S LOSS SETTLED.

M. S. Moore, representing the New Hampshire Fire Insurance Company was in the city Wednesday and settled the fire loss of the Elks lodge room satisfactory to all concerned. W. H. Albritton is agent for this company.

WRONG REPORT CORRECTED.

It seems that the report which has gone out over the country about the little affair of Johnie Wilson and Leonard Timmons of Lynnville has been very much exaggerated and we take this method of stating the trouble was only a minor affair and not so bad as reported. The boys had no trouble between themselves but a misunderstanding came up in some way which caused the news to go broadcast wrongfully. They are excellent young men of Lynnville and belong to the best families of the county. They conduct themselves in such a manner as to secure nothing but the highest esteem and all who know them will corroborate the statement. They are gentlemanly fellows, popular and good fellows well met.

Mr. M. S. Moore, special agent for the New Hampshire Fire Insurance Company, adjusted the loss on the Elks furniture and fixtures, recently destroyed by fire, and gave the trustees of the lodge a check for \$598.75 in payment for losses sustained. Mr. Moore was only a few minutes in adjusting the loss this morning, and left on the 10:43 train for his home at Terre Haute, Ind.

Editors Clash At Paris, Tenn

Dudley Porter and John R. Rison Mix It Up Over Politics.

Paris, Tenn., Aug. 11.—An affair of a sensational nature occurred in the office of the clerk and master in chancery today when a personal encounter was precipitated between Hon. J. R. Rison and Hon. Dudley Porter, in which Porter was the aggressor.

The fight was the outgrowth of politics and Mr. Porter sought out Mr. Rison in his office at the court house, and upon his entrance said: "This is as good a time as any to settle our little differences."

They then clinched, as Mr. Porter advanced with his cane held in his hand. As they scuffled Mr. Rison secured the cane and threw it from an open window. During the fight Porter dealt Rison a heavy blow on the head with an inkstand secured from a desk nearby. By this time friends were attracted by the fight and separated them.

The fight was the result of politics, the beginning of which was an article in the Paris Post Intelligencer, of which Rison is sole owner and proprietor, which appeared during the Patterson-Carmack campaign, which was contributed to the paper, which was butted to the paper and paid for, and which contained some satire and reflections on Mr. Porter.

Miss Hayden Returns Back to Mayfield

Mysterious Disappearance is Now Explained—Refuses to Go Back Home.

Miss Gatha Hayden, the daughter of Taylor Hayden, living eight miles southeast of Mayfield, has been found.

She mysteriously disappeared from her home last Friday night and her absence has been causing her parents considerable uneasiness. She arrived in Mayfield Wednesday morning on the 6:45 train from Fulton. She says that she has been in Fulton for several days with relatives and says she does not intend to go back home but would remain in Mayfield and try and secure a position and make her own living. The reason for leaving she gives is that the surroundings at home were not at all pleasant to her on account of some family quarrels.

\$35,000 BACK TAXES.

Suit Filed at Frankfort Against Kentucky Traction Company Of Louisville.

Frankfort, Ky., Aug. 11.—Sale Revenue Agent Arthur Hopkins has filed in the State Fiscal Court here seeking to collect back taxes amounting to \$35,000 and penalties of \$7,000 from the Kentucky Traction Company, of Louisville. His action is based on an increase in the capital stock of the defendant company from \$500,000 to \$5,000,000.

He also sues the Attorneys' Mercantile Agency, alleging nonpayment of \$300 corporation license tax for two years.

SUIT FOR ALLEGED ATTORNEY'S FEE.

The suit of W. S. Foy and T. J. Murphy against D. M. Walker was tried in quarterly court Wednesday morning and judgment for the costs was given against the plaintiffs to collect \$25 which they allege the defendant agreed to pay them for representing Dick Moore in his case in which he is charged with killing Jesse Cooley.

Since Foy and Murphy were secured as counsel for Moore, it seems that Moore discharged them and secured Attorneys Speight & Dean and instructed Walker to pay the \$25 to them instead of the former attorneys. The Walker is a brother-in-law of Moore and lives in the south part of the county.

See my line of Soaps, Perfumes, Toilet Waters, etc. We carry the goods. B. S. Hunt, druggist.

Negro Fiend Lynched By Trigg County Mob

Taken from Brothers of Little Girl He Attempted to Assault and Strung Up to Limb.

Hopkinsville, Ky., Aug. 11.—Wallace Miller, the negro who attempted Monday afternoon to assault Lula Waddington, the eleven-year-old daughter of Thomas Waddington, a prominent Trigg county farmer, was lynched Tuesday night by a mob of fifty men.

The mob took him from the brothers of the girl, who were carrying the negro to jail at Cadiz, and strung him up in front of Mt. Taber church. The negro's home was at Cadiz and he had been visiting in the Caledonia neighborhood.

The little girl had gone from her home to the rural mail box 400 yards away, when the negro accosted her and made an indecent proposal and attempted to seize her. The child screamed and ran. The fiend pursued her some distance, but made off when he saw her brothers in the field nearby. The brothers, Wayne and Montey, followed and caught the negro, who confessed to his guilt.

Three months ago, Bennie Brame, colored, was lynched in the same neighborhood for attempted assault on the Misses Gee, and near there Mrs. John T. Watson was outraged, her assailant, Arthur Wilson, a negro, being under sentence of death for the crime.

Files Suit

GUY FREEMAN ALLEGES JAS. PER BOCKMAN ASSAULTED HIM.

Many Witnesses Summoned and Case Will Attract Considerable Attention.

Fulton, Ky., Aug. 11.—Suit was filed in the Federal Court at Paducah against Jasper Bockman, a wealthy farmer of near Beelerton, for the sum of \$5,000 by Guy Freeman, managing editor of the Fulton Leader, who alleges that the defendant assaulted, abused, humiliated, insulted and threatened his life by shooting, while at a picnic at Beelerton last Saturday afternoon, August 7, Freeman was in charge of the Leader contest automobile, but was not with the car at the time the assault occurred.

The petition, which was prepared by Hon. H. T. Smith, one of the attorneys for the plaintiff, alleges that while the latter was attending a picnic given by the Woodmen of the World, of which he is a member, at Beelerton Saturday, in the presence of several hundred persons, Bockman, a man of huge size, assaulted him without any provocation whatever, cursing him and threatening to take his life; that he (Bockman) continued this assault until bystand-

ers interfered and even then swore he would take the life of Freeman. For these things the plaintiff prays the court to award him the sum of \$5,000.

Attorney H. T. Smith will have charge of the suit for the plaintiff, but a prominent Louisville attorney has been retained to assist him in the Federal Court. About fifty witnesses will be summoned by the plaintiff, and it is probable that the case will attract widespread attention.

NIGHT RIDERS INDICTMENTS DISMISSED BY JUDGE.

Docket Swept Clean and Only One Case in Calloway Ever Came To Trial.

Murray, Ky., Aug. 11.—All night rider cases, numbering thirty-three, were dismissed by Judge Thomas Cook, of the Calloway Circuit Court Monday. Only one trial was ever held, that of Jake Ellis, which resulted in a hung jury. These indictments were secured during the time the militia patrolled Calloway county. Several barns were burned, men were whipped and threats made. Some confessions were secured.

LAUNCH SINKS.

Hickman, Ky., Aug. 10.—While the big towboat Pacific No. 2 was making a landing here the stern of the boat backed into the private launch of Drs. J. M. Hubbard and C. M. Blackford, sinking it. The launch was valued at \$1,200. Efforts will be made at once to raise the launch.

Liver Trouble Remedy Free

Any intelligent person can be his own doctor in the ordinary case of liver trouble, for the symptoms cannot be mistaken. If the white of the eye becomes yellowish, if the skin becomes sallow, if pimples and blotches appear, if the bowels do not move, if you have sick headache, if you are bilious, you may be sure that your liver is torpid or inactive.

The quickest and surest remedy yet found for the cure of liver trouble or any of its symptoms is Dr. Caldwell's Syrup Pepsin, the great herb laxative compound. This wonderful remedy is not only a laxative, but a tonic as well. It will start the flow of gastric juice, thereby soon enabling the liver to do its work naturally. A bottle of this great liver remedy can be bought of any druggist for 50 cents or \$1, and in many cases a single bottle has cured a chronic case.

For example, John W. Lee, 619 S. Pennsylvania ave., Indianapolis, Ind., and a suburban and very long-standing case of liver trouble, with pimples, blotches, jaundice, etc., and it cured him. Mrs. B. Fitchum, Jackson, Ky., says the same of it. Thousands of families keep it in the house against just such an emergency, as you can never tell when some member of the family will need a good laxative.

In order to have you or any other suffer from the liver make a test of Dr. Caldwell's Syrup Pepsin without personal expense. Dr. Caldwell will send you a free test bottle if you will send your name and address. The sample will show you how pleasant it is to take, how gently it works. It will start you on the cure of your trouble and convince you that you have found a cure. That is the object of the sample, and the doctor urges you to send for it today.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell Bldg., Monticello, Ill.

EVANS & COVINGTON.

Any lady can easily make from \$18.00 to \$25.00 per week working for me quietly in her own home locality. This is a bonafide offer—one which will pay you to investigate even if you can spare two hours per day. No investment required. Turn your spare time into money. Write me at once for particulars. Address Harriet M. Richards, Box 30, Woman's Building, Joliet, Illinois.

NOTICE.

All parties holding claims against the estate of H. L. Anderson, deceased are requested to notify Will Robertson at the Exchange Bank, in Mayfield, naming amount and when due.

AN ENERGETIC FORCE.

The Organization of the Kentucky State Fair Work.

Few realize the amount of labor and the amount of organization that it takes to put on a State Fair. On September 13th at Louisville will be opened the seventh annual Kentucky State Fair. Visitors will find on exhibition the best specimens of practically every product of the state. To collect these exhibits and to systemize them so as to have everything ready for inspection and to operate the same for six days, costs about \$50,000. First comes the secretary, who is charged with the responsibility of getting everything in readiness together with a large clerical force, then the heads of each department, which is always some member of the State Board of Agriculture, with superintendents and assistants sufficient to look after each exhibit: a force of watchmen, guard, ticket sellers and takers, laborers, etc., until if the whole force were gathered together it would represent a good-sized army. Each person is adapted to handle his particular work, and no more system is required in any great industrial plant than in an exhibition of such magnitude. It was through this thoroughly organized force that all the details of last year's fair was worked out in such an incredibly short time. And the energy displayed by such a force is one of the interesting things to be noted at a state fair.

A FINE OUTING.

Tenting on the Kentucky State Fair Grounds.

Arrangements have been made for those who want to take a week's outing to have their own tent upon the State Fair grounds. Persons desiring a tent should write to Secretary Newman of Louisville, Ky., and notify him, and tents can be secured and furnished to visitors at actual cost. Many persons have an idea that they can take in the entire fair in one day, when in fact six days can be very profitably spent in studying the various exhibits that will be upon the grounds. Many for the first time visiting the State Fair for one day, leave with the determination to come again the next year and spend several days and make their arrangements accordingly.

ADVANTAGE TO FARMERS.

Equity and Grange Headquarters at the Kentucky State Fair.

The Kentucky State Fair management for the week of Sept. 13-18 has provided a tent to be known as Equity Headquarters, and also one to be known as Grange Headquarters, for the use of members of these organizations, free of cost. It is to be hoped the farmers will make use of the accommodations provided for them and feel perfectly at home during the fair week.

Pain's Fireworks at the State Fair.

The State Fair will again have Pain's Fireworks as a night attraction. Novelties in fireworks not heretofore seen will be introduced and a magnificent display of forty numbers will be given each night, including such devices as "The Weird White Falls" on a gigantic scale, 200 feet long and 25 feet high. Also, a wonderful device known as "Fighting the Flames," showing a house burning, with the engine playing water upon the flames, all done in fireworks. Monster portraits of well-known people. The Pain company will also put on a wonderful new device known as "The Pillar of Light," showing a pillar of fire of intense brilliancy rising fifty feet in the air, making the entire surroundings as bright as day.

In connection with the fireworks there will be provided entertainment by noted specialty artists, and a big concert each night by the band, making a most charming evening and one long to be remembered.

Tobacco at the State Fair.

A most liberal premium list is offered for tobacco and a large and valuable exhibit is expected. Classes are provided for the following Burley types: Red Leaf, Bright Leaf, Cigar, etc. Wrapper and Bright Trash. The dark types are Black Wrapper, Long or African Leaf, French Leaf, Italian Leaf, Green River Leaf and Stemming Leaf. In addition to the regular prizes, Hon. M. C. Rankin offers \$75 in specials for the best display of Burley crop, best display of Dark Tobacco and the best display of Green River Tobacco. Not more than four samples can be entered of a single crop, but if exhibitor has more than one crop, each on his farm he is entitled to four samples out of each crop.

Horse Show at the State Fair.

At every fair, whether big or little, in Kentucky, the horse show is one of the predominant features, and the Kentucky State Fair of 1909 will be no exception. With one of the most attractive classifications ever offered at a Southern fair, with high class judges to tie the ribbons and the best covered show arena in the world, there should be heaven enough and of choice quality at this show. As the horse exhibit can usually be depended upon to take care of itself, it is believed that with the addition of the night show features an unusual array of equine celebrities will be paraded before the public.

Surprising,

What Kodol Will Do

For you, when you need it. But the longer you neglect indigestion, the more you will suffer before Kodol can restore Good Digestion.

And, of course, indigestion if neglected long enough, brings on serious diseases in which Kodol cannot benefit you. Some of these there is no help for at all.

There are, in fact, very few ailments which cannot be traced directly to impure blood. And impure blood is always due to a disordered stomach.

Use Kodol and prevent Nervous Dyspepsia.

Kodol will effectively assist Nature to secure a complete restoration of good digestion. It does this by at once digesting all food in the stomach and keeping it digested, until the stomach is rested and can resume its own work. Kodol removes the cause—and the effect quickly removes itself.

When it is recalled that Apoplexy, Heart Disease, Cancer—and even Consumption—are due to poor digestion and poisons thus transmitted to the blood, and throughout the system—the importance of maintaining good digestion is at once realized.

We know what Kodol would do before ever the first bottle was sold. If we did not know just what it will do, we would not guarantee it the way we do.

It is easy for you to prove Kodol—the next (or the first) time you have an attack of indigestion. And you will certainly be surprised at the results. It is perfectly harmless.

There can be no harm in trying something that may do you a great deal of good—when it costs you nothing if it doesn't.

Our Guarantee.

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you can honestly say, that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains 2 1/2 times as much as the 50 cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.

The Printing Point

Badly type-written letters convey an impression of careless business methods, but the machine is often more to blame than the operator.

The UNDERWOOD

Types always reach the proper printing point. The type-bar operates through—or with a guide—a fast, peculiar to the Underwood—and patented. The type must go right. There's no other way. It cannot wobble up or down, or sideways. Good looking work and the visible absence of operator blunders.

The simple mechanism which secures perfect work in the Underwood is a mighty interesting exhibit of ingenuity and skill. Why not come look at it? Knowledge of the Underwood will help you to secure greater efficiency. It will be a pleasure to help you to just as much knowledge of the Underwood Standard Typewriter as you choose to acquire.

HARDIN—R. 1.

Crops are looking reasonably well in this vicinity.

Mrs. Ed Mathis has been sick for several days.

Miss Bettie Kinney returned home from Paducah after visiting relatives for a few days.

Miss Vera Grubbs visited friends of near Church Grove a few days last week and attended the protracted meeting at that place.

Mrs. L. B. Roach is ill of muscular rheumatism.

Edd Byrd sang to a large audience at New Hope church last Sunday afternoon.

Misses Hermie Greenfield and Nell Perry of Brewers were the guests of Miss Onie Dunn last Saturday night.

Lester Grugett, who is teaching a successful school at Coldwater, visited his parents, Mr. and Mrs. Will Grugett, last Saturday and Sunday.

Misses Ruth and Ruby Smith of Brewers were the guests of Miss Ollie Roach last Sunday.

A good many young people of Pleasant Grove attended singing at this place last Sunday evening.

Logan Roach and Miss Bettie Hamby were married last Sunday. Both are popular young people of this section.

Mr. and Mrs. Ben Kinney of Calvert City visited Mr. and Mrs. Bud Thompson last Saturday and Sunday.

Mesdames Ellen Kinney and Amanda Wrather visited relatives of near Church Grove last week and attended the protracted meeting which was conducted by Revs. Banks and Wright.

S. J. Willett and family were visitors in this section last Saturday and Sunday.

Master Grugett, son of Elmer Grugett of Mayfield, visited his grandparents, Mr. and Mrs. Willie Grugett, a few days last week.

John Smith and wife visited Mr. and Mrs. Bud Yandell of near Wyatt school house last Sunday.

Mr. John Roberts made a business trip to Benton one day last week.

Mrs. Edith Jones and children of Paducah are visiting Mrs. Ellen Kinney this week.

A protracted meeting is in progress at Bethel near Benton, and lots of good is being done.

School at this place is progressing nicely under the management of Prof. Clyde Cooper.

MILBURN.

The barbecue at Milburn, given for the benefit of the Odd Fellows on July 31, was a decided success both as to the attendance and also financially. Speaking in the forenoon, then a bountiful barbecue dinner, baseball games and other amusements in the afternoon.

Mrs. Dyer of Mayfield has taken board for perhaps the fall and winter at the beautiful home of J. E. Mathis, near Emans church.

Mrs. T. L. Green of Cairo has returned home after an extended visit to relatives and friends in Milburn.

The stork left a fine nine pound girl at the home of Claude Klapp, in Milburn, one day last week. Mr. Klapp is the efficient cashier of the Milburn bank, a position which he has held from the opening of the bank.

There will be a barbecue and colt show at Milburn on September 4, under the auspices of S. B. Boswell. The public generally are expected to attend and see the fine stock.

Wheat threshing is done in this county and the major part of the wheat has been sold. A large part of the crop has been hauled to Mayfield on account of it selling for a better price there.

The people who have relatives and friends buried in the Evans cemetery met there last Saturday and cleaned off the cemetery.

The Robinson family with many of their relatives held a family reunion last Friday and Saturday near the bridge across the Obion creek on the Milburn and Clinton road. They had quite a pleasant time together.

CAN A MEDICINE BE A FAKE

that has lived and grown in popularity for thirty years, and demonstrated its worth by actual cures of female ills in thousands and thousands of American families!

Any fair minded, intelligent person will emphatically answer NO! Such a medicine is Lydia E. Pinkham's Vegetable Compound, from roots and herbs, and its ever increasing popularity is due to actual merit alone.

WRECK AT MARTIN.

Martin, Tenn., Aug. 11.—Monday evening at 7:55 o'clock, in Martin yards, north bound freight No. 258, a fast manifest train running from Birmingham to Chicago collided with an extra engine No. 6. Coley Chandler, engineer on No. 6, suffered a slight scalp wound on the right side of his head, and ohn Glenn, a negro fireman, had his knee slightly injured. One car was destroyed and engine No. 6 and several cars were badly damaged.

A SURPRISE BIRTHDAY DINNER.

It was a glad surprise to Mrs. Mary Huie, living five miles northwest of Mayfield, when her family and friends gathered at her home Sunday morning, Aug. 8th, to celebrate her 70th birthday.

The dinner part of the surprise was kept a secret until late in the forenoon, when the boxes were taken to a nice shady grove a short distance from the house, where dinner was spread. She was then invited out to dinner and when she looked upon the many good things to eat she almost forgot her ripe old age.

Those present were: Bud Huie and family, Virgil Huie and family, Albert Huie, Mrs. Sanderson, Miss Artie Sanderson, Mr. and Mrs. J. T. McAdoo, Mrs. Elkins, Mr. and Mrs. R. F. McClain, Mr. and Mrs. A. T. Sanderson, and some children making about thirty in all.

All left hoping her a peaceful old age, and the enjoyment of many such pleasant days in the future.

FARM FOR SALE.

I have a farm of 76 acres, located half way between Hickory Grove and Viola. It is in good condition, has good barn, stable and out houses, and is under good fence. It is a first class farm, in every respect, except it has no dwelling house, it having burned down. It is located on the big road and is handy to schools and churches. I will sell it for \$2,000, which is quite a bargain. My home is at Hickory Grove.

Andrew Byrd,
Hickory Grove, Ky.

What would you be willing to give, man or woman, if you knew how to change your gray hairs to the color of youth, and, if you are a woman, to increase the length and vigor and glossy texture of your hair to an extent, what you ardently crave, but have hitherto as your wildest dreams never thought attainable.

John Birkholz, Omaha City, says: "I used Q-Ban Hair Restorer two weeks, the gray hairs I had have reassumed their natural color."

Lucela Mason, this city, says: "Two applications of Q-Ban Hair Tonic stopped my hair coming out, and cured completely an intense itching of the scalp, and removed all dandruff from which I have suffered for years."

We have these testimonials on file in our office signed as above. Q-Ban Hair Restorer and Q-Ban Hair Tonic are not idle dreams, they do the work. If six bottles of Q-Ban Hair Restorer (and it only requires six bottles for the most obdurate case that has ever been treated) fails to bring back your gray hairs to the natural color of youth, your money will be refunded by the druggist of whom you buy the preparation. You know your druggist—ask him. Every gentleman, every well-bred and well-groomed man should use the Q-Ban Hair Tonic, it will keep the scalp in a healthy condition and will increase vigor, length and glossiness of the hair. To the needy it is a necessity, to the gentleman of gentleman a fine habit. Ask your druggist.

Evans & Covington recommend and sell these goods and if you are gray haired or becoming gray haired they will give you the first bottle for nothing. Simply call and ask for it.

COST OF BAD ROADS.

Two hundred and fifty million dollars a year are wasted on bad roads in the United States. Added to loss on haul, the shortage and extra food rates make the total expense one billion dollars a year. This means a tax of \$12.50 on every man, woman, and child in the country. Corners in the grain markets are frequently the direct result of bad roads. In four bad-road States three hundred and seventy-five thousand people out of seven million can not read or write; in four good-road States out of six million population there are twenty thousand illiterates.

Old papers wrapped in neat bundles for five cents at the Messenger office.

ENTRIES AND EXHIBITS.

Exhibition and Classification of the Kentucky State Fair.

Entries and exhibits of all livestock departments except for horses, mules and jack stock will close Monday, Sept. 6th, at 6:00 p. m., and all other departments prior to Friday, Sept. 10. Entries of horses, mules and jack stock will close positively at 12 o'clock noon the day before the exhibition. There will be a printed program of the entries of horses, jack stock and cattle, together with the name of the owner, name and color of the animal and number of the entry, which must correspond with the number worn by the person in charge of the animal. It is absolutely essential that this information accompany the entry, which must be filed with the secretary before the closing date. Exhibits must be placed by 9 o'clock Monday morning, Sept. 12th, and all exhibitors will be notified. There are 1,400 different prizes in which prizes are offered, and these to a total of over \$900 lots.

The horse classification is subdivided into classes suitable for light harness, five-gaited, saddle-horses, roadsters, combined harness and five-gaited, American cutting horses, three-gaited saddle-horses, combined harness, plantation saddle-horses, light stopping and running classes, Shetland ponies and fine horses.

Good premiums are given for both males and jack stock.

In the beef cattle department, Short-horn, Herefords, Polled Durhams, Aberdeen-Angus and Red Polls are given most liberal classifications. In the Dairy Cattle Department, Jerseys, Holstein-Friesians, Guernseys and Ayrshires are recognized. The swine department includes Berkshires, Poland Chinas, Duroc Jerseys, Chester Whites, Tamworths, Hampshires and others. In the sheep department prizes are offered for the following breeds: Shropshires, Southdowns, Cotswolds, Hampshires, Cotswolds, Dorsets, American Merinos, Delaine Merinos, Ramboulllets, Lincolns, Cheviots and also a class for Angora goats.

The poultry department covers every known standard variety. The game is true of the pigeon department, the prize money for these departments being much larger than last year. The department for vegetables and melons, field seed and grain and tobacco contains classes for almost every product grown on the farm. In horticulture there are over 700 prizes offered for apples, peaches, pears, grapes and miscellaneous fruits. Plants and flowers, one of the most beautiful and attractive exhibits of the State Fair, will be well taken care of this year and will be placed alongside of the women's department. In no department is there a more interesting collection of premiums than in that set aside for woman's work, children's work and table luxuries.

FINE DAIRY STOCK.

Holstein-Friesians at the Kentucky State Fair.

The Holstein-Friesian has long been known to Kentuckians as a great milk producer, but there has been no concerted action among the breeders of this dairy cow in Kentucky. The fact that the three hospitals for the insane and the state feeble-minded institute at Frankfort have decided to use this breed for their dairies, resulting six or seven hundred cows, is a great stimulus to the breed in Kentucky.

The \$350 donated to the Kentucky State Fair by the Holstein-Friesian Association is in great measure due to Stanley Milward, a member of the board of control for these institutions, and a recognition on the part of the Holstein-Friesian Association of the value such a move would be to this breed of cattle in the state. The assembly will have an exhibition at the Kentucky State Fair some of the best specimens of the black and white dairy cows to be found in the country.

Students' Judging Contest.

Commissioner M. C. Rankin has offered two sets of prizes for farmers boys in this state and for the students in the Agricultural College. The amount for farmer boys is \$100, to be awarded to the young man who makes the largest score in judging livestock at the State Fair. This money to be used as scholarship to the Agricultural Department of the State University, the contestant to be required to file written opinions, with reasons therefor, on horses, cattle, swine and sheep exhibits. The prize for students' judging contest amounts to \$50, to be divided into \$20, \$15, \$10 and \$5. Competition will be limited to students in the State University. It is the purpose of the commissioner in offering these awards to educate the young men of the state in livestock judging. The requirements are quite liberal, and there is no reason why any bright young man in the state should not enter the contest.

The Louisville public schools will for the first time have an exhibit of the work done in the various grades upon the State Fair grounds this year during the week of Sept. 13-18. The Kentucky State Fair is getting to be more and more an educational institution, and it is hoped before many years to have a great display of the work done in the various schools of the commonwealth.
