VOL. X.—NO. 219.

MAYFIELD, KY., WEDNESDAY AFTERNOON, AUGUST 23, 1911.

DEMOCRATIC.

COUNCIL ORDERS S. 6TH ST. REPAIRED

Those present at the city council meeting Tuesday evening were Mayor Parkhill, City Attorney A. L. Gilbert and Councilmen Lewis, Norman, Fristoe and Radford.

A report of the number of firms and individuals who pay privilege tax, as compiled by the city clerk, was read. It showed that the amount collected from this source during the year is \$382.26 and which amount was collected during the past month.

The report of Mayor Parkhill showed that he had let the contract for cutting the hill down by the Merit Manufacturing Co. to the lowest bidder, the successful person being John Morgan Wilson at \$400. The council ratified the contract and the work is to begin as soon as T. L. McNutt and Mrs. W. D. Foster agree for the side walk to be built a few feet further on their property.

On motion of Mr. Lewis it was ordered that the tract of the city property belonging to C. W. Wilson be assessed at \$1,000. This consists of three acres and formerly belonged to Mrs. Jennie Bolinger.

A permit was granted Mrs. S. C. Merritt to erect a two room dwelling house on North 8th street, near the foundry. The house has already been built, however.

An ordinance, which will be found elsewhere, was adopted in which city officials get no pay when not at an official meeting or employees of the city when not on duty.

The assessment of the Mayfield Furniture Company was fixed at \$6,065 after deducting several thousand dollars of wrongly assessed property.

It was ordered that City Clerk T. W. McNeilly be paid his salary for each month including the month of August, but he is to receive no further pay unless his health so improves as to permit him to perform his official duties.

G. W. Derrington, who acted as spokesman for himself and several citizens of the southwest part of the city, desired a street light recently ordered in the vicinity of Oak street, be so changed as to be placed at Oak at 10th street or near the home of Fayette Barriger. A committee composed of Councilmen Lewis and Radford were named to investigate.

The matter of washing off the brick streets was discussed pro and con and among the things suggested was that a wagon be secured to take up the trash instead of washing it off. No final action was taken. In connection with this matter it was decided that the chain gang be allowed three days off their fine for working at night once a week in cleaning the streets.

The council ordered that a catering trough for stock be built on the west side of the freight depot instead of the old wooden one.

Mayor Parkhill called attention to the financial condition of the city stating that the general fund which carried the most money had been heavily overdrawn. On motion of Mr. Lewis it was ordered that the balance of \$578.84 now remaining in the water fund be transferred to the general fund. On motion of Councilman Norman it was also ordered that the mayor be in-

structed to borrow \$3,000 for the city, the amount to be used for public improvements.

After taking up considerable time in discussing what was the best to do with South 6th street it was ordered that it be repaired at once. It is the purpose to cut the street down and haul away all the surplus dirt which has accumulated from overflows, and make the street higher in the center than on the sides, this being recommended by the entire council.

Accounts were allowed as follows:

J. M. Tucker, \$14.37.
Walter Russell, two weeks, \$30.
S. A. Bridges, two weeks, \$10.
L. O. Smith, hauling gravel \$114.00.
E. W. Hester & Co., hauling gravel, \$224.55.
Will Wylie, fighting fire at Bullock's, \$1.00.
B. A. Smith, hauling gravel, etc., \$14.30.
A. J. Wheeler, mdse., \$20.85.
W. E. Norman, mdse. for chain gang, \$32.80.

STANLEY MEANS IS SENTENCED TO DEATH

Young Farmer Who Murdered Jesse Workman to Hang on September 29.

Fulton, Aug. 27.—News has reached the city that Stanley Means, the young farmer who murdered Jesse Workman, an aged man near Dresden a few months ago, was convicted in Judge Joseph E. Jones' court Saturday and was sentenced to hang, the date of execution being set for Friday, September 29.

The crime for which Means will pay his life was the most atrocious and dastardly that has taken place in this community in a number of years. Nursing a supposed grievance, Means secured a shotgun and at midnight about two months ago, went to the old man's home, called him to the door and shot him dead, his body being pierced by many wounds.

Means then made his escape and after a few weeks search was located and carried back to stand trial. He is a young man about 20 years of age and it is understood comes from a good Weakley county family.

PROMINENT CITIZEN DIES IN FULTON

Pleas Taylor Was Well Known Throughout South Part of Graves County.

W. P. Taylor, one of Fulton's foremost and most prominent citizens, died Sunday morning at 10:30 o'clock at the family residence on Carr street, after a brief illness, lasting from 6:30 o'clock Sunday until his death.

Mr. Taylor was stricken with paralysis in the early hours of the morning and never regained consciousness.

At the time of his death William Pleas Taylor was 65 years, 7 months and 17 days of age and had been a life long citizen of that community.

He was born in Dukedom on February 3, 1846 and grew into young manhood in that community.

When but a young man, on Jan. 3, 1867, he was united in marriage to Miss Mildred A. Wilson, one of the belles of Feliciana and the young people came to Fulton to make their home. This life long companion passed away about two years ago.

Mr. Taylor was the victim of an accident when but a boy and hence was a cripple the greatest part of his life.

Mr. Taylor was prominent in business and lodge circles and had served as county court of Fulton county for 15 years and also Master Commissioner for several years. The funeral services were held Tuesday morning from his residence in Fulton with Dr. W. T. Bolling of the First Methodist church of that city, officiating.

CHAS. BENDEL SUES RAIL ROAD FOR KILLING A DOG

SUITS DROPPING IN LIVELY RATE FOR CIRCUIT COURT.

Attorney Pete Seay Represents Plaintiffs In Five Actions.

Five suits were filed Wednesday morning for the coming November term of circuit court and all were filed by one lawyer, Hon. Pete Seay.

Jack Pryor, colored, of Pryorsburg, and son, Manual Pryor, the latter under 21 years of age, brought separate suits against the Illinois Central Railroad Company for \$2,000 each. They allege in the petition that the defendant company, through its agent or representative, had warrants issued against them in Justice Kinsey's court charging them with stealing coal from said railroad company last January. The plaintiffs state that they were acquitted in court for want of proof against them. By reason of the alleged wrongful, wanton and malicious acts of swearing out said warrants the plaintiffs claim that they have been greatly wronged, harassed, humiliated and put to heavy expense in employing legal counsel.

Charley Bengel, the well known baker, files a suit for \$199 damages and the Illinois Central Railroad Company is also made defendant. The action grew out of the fact that on July 16 a train ran over and killed a dog of Mr. Bengel. In the petition Mr. Bengel states that the canine was valuable and registered and the dog's death was due to negligence of the defendant.

Dobson is the style of a suit for divorce. They were married March 29, 1910, in the county court house in Mayfield and then and there the plaintiff avers the defendant deserted him and they have never lived together.

Wade Bruce sues Della Bruce for divorce, alleging desertion. They were married in February, 1910, and separated May 16, 1910.

County Judge J. W. Monroe, County Attorney M. B. Holifield, Capt. J. T. Daughaday and Prof. J. L. Duffot will address the citizens of Graves county next Saturday, Aug. 26th at Pilot Oak, beginning at 1 o'clock p. m., on the importance of the people subscribing an aiding the county in building a gravel road from Mayfield to Dukedom.

These same speakers will speak at Palmora at 4 o'clock in the afternoon on the same subject.

These gentlemen hope to meet a large crowd of the people in these sections of the county.

Justice Geo. Yates is doing everything in his power to have this important public road graded.

There is plenty of gravel near the road-bed and if the people will come half way, the county will furnish the other half and this road, a distance of about 16 miles, will be built this fall.

The people in that part of the county should aid Justice Yates in this great and important work. This is the first opportunity the people from here to Dukedom have ever had to have a gravel road, and they should avail themselves of this opportunity.

PLANS FOR BEATTIE DEFENSE REVEALED

Husband Will Contend That Wife Was Assassinated—Cries For Help Heard.

Chesterfield Court House, Va., Aug. 22.—Sheriff Gill was busy today summoning an additional venire of thirty residents of the county for possible jury duty in the Beattie case. There was no session of the court today and Henry Clay Beattie, Jr., remained in the Henrico county jail at Richmond. When court adjourned last night until Wednesday at noon the jury box was filled, but four of the twelve jurors were subject to peremptory challenge by the defense and it was said that all of these challenges would be exercised. This will require the selection of four trial jurors from the panel of thirty to report tomorrow.

For the first time since his arrest, more than a month ago on a charge of wife murder, there was made public today the list of witnesses who will be called in the defense of Beattie, who pleaded not guilty when arraigned yesterday. It had been long known that the prosecution had summoned more than sixty witnesses, but not until today was there given any inkling of the plans of the defense.

The list shows that Beattie's lawyers have summoned twenty-nine witnesses, five of them women. A majority of those summoned are former associates or former fellow employees of Paul Beattie, held as a material witness in the case.

Through them the defense will try to break down the cousin, Paul's story of having purchased the single-barrelled shotgun for Henry three days before the murder.

All Newspapers Should Copy This

We cheerfully copy the following: "I hope that every newspaper in the country will copy this. If they will, they will do words of good for thousands of sick people who are now suffering as I did for years with my stomach and kidneys, but thanks to the wonderful medicine that is now doing so much good all over the country, I am liberated from my years of torture and am once more enjoying the great blessing of good health. For several years my back was hurting me most of the time, and I would have to get up from ten to fifteen times every night on account of my kidneys. My food was sour and bur in my stomach and I would bloat and belch until I would get dizzy and nervous. I was badly constipated and had to be taken something all of the time. If I didn't I was sure to have a bad spell of sick headache. No one knows how much I did suffer, but after taking the great remedy, Root Juice, a short time, I began to improve, and after using about six bottles I am strong and well, and feel like a boy. I am glad to tell every sick person all about it, because I sympathize with those who suffer as I did."—L. F. Pratt, South Bend, Ind. It is well known here that Root Juice is certainly a wonderful medicine. It is sold for one dollar a bottle, or three bottles for two dollars and a half. Sold by Evans & Covington's drug store.

HOSPITABLE HOME OF MRS. NORMAN.

One of the most delightful social affairs of the summer was at the home of Mrs. W. E. Norman Thursday afternoon from 4 to 6, when she entertained about sixteen ladies in honor of Mrs. Coleman, of San Angelo, Texas, who is here on a visit to her daughter, Mrs. Robert Hale.

The ladies were received by Mrs. Norman, her son and her mother, Mrs. Stark, where they were royally entertained for a while on the spacious porch and then invited into the drawing room, where a most unique button contest was entered into. The prize, a pretty ribboned bouquet of cat roses was drawn by Mrs. Robert Hale. The special prize being presented to Mrs. Carney, who was the oldest lady present (about 83 years old) was a handsome dutchess collar and jabot. The honorary prize being given Mrs. Coleman, which was a pretty crochet piece, and the guest prize was given Mrs. Simmons, of Fort Worth, Texas, which was an artistic piece of hand work. The guests were then ushered into the dining room, which was beautifully decorated with cut flowers and foliage and were served to a most delightful luncheon. Mrs. Hindburg presided over the table with an appropriate thanksgiving and all the ladies responded to voluntary responses of scripture. Mrs. Norman, who was so graciously assisted by her sisters, Mrs. Key and McGehee, served the ladies so attentively that it was some little time before any one suggested a departure, and then many good wishes were showered on Mrs. Norman for this unusually pleasant gathering.

Mrs. Lambert Overby and sister, Miss Agatha Hayden, returned from Paducah Wednesday morning.

PRISONERS HERE FOR SAFE KEEPING

Ben Robinson Kills Manson Isaacs In Marion, and Feeling is High

Lebanon, Ky., Aug. 22.—Manson Isaacs, a farmer of the Marion Fiscal Court and one of the most prominent citizens of the eastern part of the county, was shot by Ben Robinson and badly wounded that he died at the hospital in this city Thursday.

The tragedy occurred at Mr. Isaacs' home near Riley. Robinson was arrested a few hours after the shooting by a posse of citizens. He was turned over to Deputy Sheriff J. H. Sparrow, who brought him to the city.

Robinson, who lives on the farm of Elijah Glascock, met Mr. Isaacs as he was driving in the gate of his home, and demanded that he be paid for damage done to a field of corn by some hogs which he said belonged to Mr. Isaacs. Mr. Isaacs told him, it is said, that he would willingly pay him for his damage done, but that it must first be proven to him that the hogs were his property. This did not satisfy Robinson, it is said, who told Mr. Isaacs he must be paid at once. Mr. Mr. Isaacs got out of his buggy and ordered Robinson off the place. The shooting followed a moment later.

"Some thirty days ago you got notice from one of our crew to get from this country and you have not heeded and we are going to give you another chance and you had better heed it. We do not want to do any violence to you, but move away and you shall not be hurt. Do it and do it now."

The letters have been placed in the hands of the sheriff, and he is working on a clew. Smith says he will not leave. He does not know why the letters were sent to him. The second letter has caused considerable excitement.

A PERSONAL TALK TO YOU BY WILEY BOYD, YOUR COUNTY ASSESSOR.

On the first of September, I, together with my deputies, will begin the assessment of Graves county for the year 1912. It is my aim to get the best assessment that Graves county has had in many years. In order to do this I want the help of and co-operation of each and every tax-payer. It is the duty of every tax-payer to list his property for taxation, whether he sees the assessor or not, as will be seen from section 4064, Ky. Statutes, which reads: "Any person who has failed to give in his list of taxable property in whole or in part, because he was not called upon by the assessor, may at any time, and it is hereby made his duty, after the assessor has returned his books, to list the same with the county clerk, who in taking the same, shall be governed by the laws regulating the duty of the assessor."

Very heavy penalties are in-

curred if the tax-payer fails to carry out this point of the law.

The law requires, and it is the assessor's duty to call upon the tax-payers for a list of his taxable property. If the tax-payer is away from home, it is the assessor's duty to leave a written notice there, stating a time and

place wherein the tax-payer may meet the assessor and give in his list.

If the tax-payer fails to comply with the terms of this notice, he is subjecting himself to a criminal prosecution, and to a one hundred (\$100) dollar fine, as set forth in Secs. 4061 and 4062 of the Kentucky Statutes.

I have just completed an alphabetical index for the county, included in it are the names of all taxpayers in the 1911 assessor's book, all tax-payers listed by the county clerk, and supervisors, and all the names the accountants have "dug up" in the "house-cleaning" now going on at the court house. I believe it is the most complete guide the county has ever had. With the aid of the index, and with all possible energy on my part, I hope to have as near all the tax-payers as have been gotten in some time.

To avoid another raise by the State Board at Frankfort, I intend to give special attention to the "low listers" this time. Some people are listing their property very well now, while more are listing at half value. It is this latter class we want to get after with a sharp stick.

All notes, money and live stock must be looked after more closely for our personal property has been listed too low for several years. We assessors and the tax-payers, too, must give more attention to this.

We are now entering upon a new era, Mr. Tax-payer, are entering upon a new life. It is my aim to give you my best possible service, and you can help me do this by listing your property like it should be. Hoping to see you all in the next few weeks, and be able to get your tax-list, I am,

Yours to serve,

WILEY S. BOYD.

BODY KNOCKED OUT OF CHAIR IN DEATH HOUSE

Straps to Electrocuting Device Broken When Oliver Locks Is Executed at Eddyville.

Eddyville, Ky., Aug. 23.—Bursting the metal electrodes and leather straps that bound him to the electric chair Oliver Locks, a negro convicted in Jefferson county of wife murder, this morning writhed from under the shadow of death when 2300 volts were shot into his body in an effort to execute him in the Kentucky branch penitentiary death chamber. The negro was picked up and again fastened in the chair and the current switched on for the second time. Several minutes were required to kill him.

Locks was brought to the penitentiary here last night by officers from Jefferson county and the negro spent the few hours in consultation with the prison chaplain and in praying. He walked to the chair without a tremor and before seating himself called a good-bye to the witnesses.

Locks was convicted of brutally killing his wife while she pleaded for mercy, with his children looking on. He appealed to the court of appeals but the judgment of the circuit court was affirmed. Owing to some mischance the final papers in the case were not delivered to the sheriff of Jefferson county until a few minutes before he caught the train. The sheriff also brought to the death chamber Matthew Kelly, a negro, convicted of killing his mistress and his sister-in-law as they slept. Kelly will be electrocuted September 29.

ORGAN RECITAL

Mr. Harry Gilbert, assisted by Mr. George Smith, violinist, will give an organ recital at the First Christian church Friday evening, August 25th, at 8 o'clock.

All lovers of music should avail themselves of such an opportunity to hear these artists.

Both of these gentlemen are well known to the people of Mayfield, and a full house and a cordial and hearty welcome should be given them.
