MAIN LEVEE AT CAIRO HOLDS BACK FLOOD

(Special, 4 p. m. Wednesday.)

The main levee at Cairo is still holding back the flood, and there is little danger of the city proper becoming submerged.

Eighteen inches of water is running over the levees of the Illinois Central and Mobile & Ohio Railroads, which protect the drainage district and lower sections of the city. There are also breaks in both. Factory buildings and homes in those sections are in water.

Several thousand persons, majority of them women and children, have been taken out of Cairo by boat loads within the past three days. Many are encamped on high ground, while others have gone to nearby towns that are out of the flood zone.

RIVER RISING SLOWLY AT PADUCAH.

The water at Paducah Wednesday afternoon was in Broadway, half-way between First and Second Street. It is rising slowly. The stage is 51.2 feet. The rise is expected to continue until Sunday, but not over a foot a day. This will put the stage at 54 feet, which will submerge the principal business section of the city.

The large number of people residing in the lower sections of the city have been removed to higher ground, and ample provision has been made for the refugees.

Provided the trains continue to run into this city, an unusually large number of visitors is expected every day this week, and a mammoth crowd of sightseers will be here Sunday.

GREAT INTEREST IN BIBLE INSTITUTE

Last night a large audience heard Mr. Entzinger and Dr. Staley at the First Baptist Church.

Mr. Entzinger is speaking twice daily on "Sunday School Work." Through his untiring efforts he has brought Kentucky to that step of the ladder in Sunday School work in the Southland. There is no man among the Baptists of Kentucky who is more thoroughly appreciated by his brethren.

The sermon by Dr. Staley last night was a spiritual uplift to all who heard it. His message last night was an explanation of the sources and purposes of God in our afflictions. He said our afflictions have three sources—ourselves, the devil and God.

This morning Dr. H. B. Taylor, of Murray, spoke on "Adoption." His sermon was a masterly presentation of this great doctrine. Dr. Staley presented this morning in a convincing way Paul's reasons for not being ashamed of the gospel.

This afternoon Rev. W. R. Hill, of Princeton, speaks on "The Inspiration of the Scriptures."

The sermon tonight will be delivered by Rev. H. B. Taylor. There will be services from 9:30 to 12, 2 to 4 and 7:30 to 9 o'clock daily. The institute closes Friday night.

WANT SWITCH TRACKS REMOVED AT ONCE

Mayor C. M. Parkhill and all the city and county officials of Graves County have joined in a petition to the State Railroad Commission to require the Illinois Central Railroad to remove its switching tracks from the principal crossing in Mayfield. MAYFIELD DYNAMO SENT TO PADUCAH

Harry Evans, of the Dixie Theater, has kindly loaned his electric dynamo to one of the telephone companies in Paducah for use in charging the batteries so that the telephone service will not be hampered or put out of commission on account of the high water. Had not a dynamo been secured it would have been impossible for the telephone company to operate, the water having affected the storage batteries. Mr. Evans sent the dynamo to Paducah Tuesday.

AGE HAS TEMPERED TILLMAN.

Senator Tillman, the distinguished and forceful South Carolinian, who has long wielded his pitchfork in the United States Senate and before all antagonists who appeared in his way, is reported in the dispatches to be ill. He had an operation performed and under his weakened condition this endangered his life. Under the weight of years he had already become considerably enfeebled, though he has struggled on in the service of his country, and now that he is sick his friends are apprehensive of the result, fearing that his physical disabilities in conjunction with the weight of accumulated years which rests upon him may be more than he can withstand. Even in the zenith of his fame and at the height of his great strength he enjoyed the respect of his political opponents for though he has been a bold and daring fighter, he has always been fair, one, having the courage to meet responsibility and the fortitude to bear every burden that has been rightfully his, and now when age has crept upon him, robbing him of the physical vigor to endure the conflicts and strifes of political warfare, he has surrendered his leadership and laid away never more to be wielded the dreaded Tillman pitchfork. Age has subdued his belligerent spirit, and time has tempered him so perfectly that his splendid qualities of mind and heart and character speak for him so eloquently and so well that those who may have been his foes are now his friends.

A. L. SMITH.

A. L. Smith places his announcement in the Messenger today as a Democratic candidate for Justice of the Peace in District No. 7. Mr. Smith was born and reared in this county, and has been prominent in the public welfare of this county. He has had about twenty years' experience in bridge and road work, which makes him more valuable as a Justice of the Peace and a member of the Fiscal Court. He is 44 years of age, just in the prime of intellectual and physical vigor, and is capable of making a good Justice of the Peace. He is a native of this county, and his family has resided here for many years. He is a native of this county, and his family has resided here for many years. TIME CHANGES.

By J. W. RIDGWAY.

'Twas midnight, and the silvery moon beamed down upon the scene Where Harold planned to carry off The lovely Geraldine. He was a brave and handsome lad, She was as sweet as fair, But, oh, her stony-hearted dad Opposed the loving pair.

He came out from behind a tree— He gave the cuckoo's call, And waited for the lovely maid Who held his heart in thrall. Effusions she softly raised the sash, And whispered: "I am here;" He ceased to gnaw his young mustache And cried: "Hist! Hist! my dear!"

She "histed" once, she "histed" twice, Her father snored away; The lover dragged his ladder up, And brought it into play; He stood upon the lowest round, While she leaned out above— The moon was happy to have found This blissful scene of love.

"And are you sure," the maiden cried, "That you will ever be As brave and true as you are now, And always cherish me?" "As long," the lover made reply, "As yonder moon doth shine * And take her course across the sky, I'll love you, my divine!"

He took another upward step, Her heart began to quake; "Oh, what," she thought, "would happen now If father should awake?" Up, up the happy lover crept, Till she could feel his breath, And still the cruel father slept, And all was still as death.

Another step, another round, And then their lips would meet— Alas! the ladder broke, and he fell twenty-seven feet! The chatter would have raised the dead, It raised her sleeping sire, Who quickly bounded out of bed, Nor sought to curb his fire.

They found the lover lying low, His clothes were badly torn; He'd fallen in a bramble bush, And met with many a thorn. At last they brought him round again, Her father bade him go, He didn't stop to argue then, And it was better so!

Ah, that was many years ago, They're married, he and she, But each unto another, and As happy as can be. She has a son and is afraid He'll throw himself away— And he's the father of a maid He watches well today!

OBITUARY.

Once again the Angel of Death has entered our midst and took from us one of our loved ones.

On November 29, 1912, Latishe Thornbrough closed her eyes in that pleasant sleep from which one never wakes to weep. She was born May 18, 1846, being at the time of her death, 66 years, 6 months and 11 days of age.

Mrs. Thornbrough professed faith in Christ early in life and lived a consistent christian life to the time of her death. She united with Little Obion Church August 1866. She was the oldest female member belonging to the church at that time.

In sister Thornbrough the church has lost a useful and valued member the community a pleasant and lovable neighbor; her husband has lost a true and devoted wife. What more could be said of anyone than that she was a true Christian woman.

The entire community extends to Bro. Thornbrough their deepest sympathy. The funeral services were conducted by Bro. W. H. Williams, pastor, and the remains laid to rest in the Little Obion Graveyard. She leaves one brother, Harvey Ramsey, and two sisters, Francis Wright and Martha Ann Aldridge, and a host of friends to mourn her loss.

During her last illness Sister Thornbrough bore her suffering with fortitude, never complaining and always expressing a willingness to die. She was sick a long time, but never seemed to weary and was always cheerful to her neighbors, who were constantly by her bedside. To the dear husband may the strong arm of God's love and mercy be around you to bear you up in this trying hour and lead you in the way of that devoted wife who has gone before. We recommend that the church extend to Brother Thornbrough our heartfelt sympathy.

A SURPRISE BIRTHDAY.

On March 6, 1913, the many friends and relatives of J. C. Pittman, at his home, two and one-half miles south of Lynnville, gave him a surprise birthday dinner in honor of his 60th birthday, and no man could be happier than was he, because when he entered his dining room at 12 o'clock, the table fairly glowed under the many good things to eat, such as chicken, pies, and, in fact, every thing that was good to eat. After all eaten to their hearts content, the balance of the evening was spent in chit-chat, after which his friends began to take their leave, shaking his hand and wishing that before he gave up his life on earth, he may pass many more milestones. A large number of his friends were there.

In order to surprise him, his son, Emmett, got him off to a country store near by, and he and Poke Powers and others were engaged in an argument and stayed until nearly noon. But when he returned home, he was surprised to find so many horses and buggies about his place and could not understand the cause of so many people being there. He received many compliments and good wishes before his friends departed.

THE THIN AND WEAK Easy Way for Them to Get Strong and Fat.

To thin and weak Evans & Covington have a word to say. Let them use Samose, the wonderful flesh-forming food, that is now so popular, and they will soon be plump and rosy.

Samose is not an ordinary medicine; it is a flesh-forming food that is adapted to the most delicate. Its tonic effect gives strength and health so that after its use for a short time, all the flesh and fat producing elements in the food will be easily assimilated and retained by the body.

The large sale Druggists Evans & Covington have had on Samose since they first introduced it in Mayfield and the wonderful results following its use have made them such enthusiastic believers in its great merits, that they give their personal guarantee to refund the money if Samose does not make thin people fat and restore strength and health.

When a gain in weight is noticed after Samose has been used for a week or ten days, and health has improved, and you notice yourself growing stronger, you certainly should feel more than satisfied with what you have received from the small cost of 50c.

CHEERFUL NEWS

For Feeble Old People.

As one grows old the waste of the system becomes more rapid than repair, the organs act more slowly and less effectually than in youth, the circulation is poor, the blood thin and digestion weak.

Vinol, our delicious cod liver and iron tonic without oil is the ideal strengthener and body-builder for old folks, for it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. Vinol also fortifies the system against colds and thus prevents pneumonia.

A grand niece of Alexander Hamilton, over eighty years of age, once remarked: "Vinol is a god-send to old people. Thanks to Vinol I have a hearty appetite, sleep soundly, feel active and well. It is the finest tonic and strength creator I have ever used."

If Vinol fails to build up the feeble, old people, and create strength we will return your money. J. F. Wilson, Mayfield, Ky.

"THE MINSTREL KING"

DEATH OF FATHER DELAYS WARREN-AVANT WEDDING.

The St. Louis Post-Dispatch of Monday contained the following, which will interest local readers on account of the fact that the groom-to-be is a former Mayfield young man:

"John A. Warren, president of the Warren Steel Casting Company, died in his room at the Hamilton Hotel about 3 a. m. Saturday. His death interrupted the plans for the marriage of his daughter, Mary, 23 years old, to Forest L. Avant, which was to have taken place early in April. Miss Warren said that she would not be married before June, and probably not until fall.

"Warren, who was 62 years old, suffered an attack of heart disease about 2 a. m. and died an hour later. His two daughters, Mary and Sara, 17 years old, were sleeping in an adjoining room. They heard their father struggling on the floor and rushed to his assistance.

"Dr. Harvey Hicks was summoned, but Warren died a few minutes after he arrived."

Pains in the Stomach

If you continually complain of pains in the stomach, your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. T. Alston, of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you, too. Only 50c and \$1.00. Recommended by Hale & Gilliam.

Are You Constipated?

If so, get a box of Dr. King's New Life Pills, take them regularly and your trouble will quickly disappear. They will stimulate the liver, improve your digestion and get rid of all the poisons from your system. They will surely get you well again. 25c at Hale & Gilliam's.

AMOUNT OF ROAD EXPENSE SINCE DECEMBER 1.

At the afternoon session of fiscal court Tuesday, Road Engineer J. E. Carman filed a report of the expenditures he has made as such officer since he entered his official duties, December 1, 1912. This includes his salary and his assistants, and for all road and bridge expense, but not including the list of claims allowed Tuesday.

The report by districts is as follows:

District No. 1	\$ 235.98
District No. 2	194.90
District No. 3	489.87
District No. 4	654.50
District No. 5	223.79
District No. 6	232.67
District No. 7	66.75
District No. 8	336.50

Total \$2,434.96
The amount of claims for the last session was about \$500, which would make nearly \$3,000. The amount expended, the court stated, made a good showing.

If you have dizzy spells, attacks of momentary blindness, with ringing noises in the ears it is an unfailing sign of a torpid liver; a condition which brings on some serious sickness if neglected. REPRESENTATIVE HUNT DIES OF MENINGITIS

Judge Joe C. Hunt, a member of the Lower House of the Texas Legislature, died in Austin, Texas, Saturday, March 22, 1913, of cerebro-spinal meningitis.

Judge Hunt was a native of Marshall County, but left here in 1880, and went to Paris, Lamar County, Texas, where he was elected as justice of the peace. He was afterward elected county judge of Lamar County. After his term of office expired, he was extensively engaged in the practice of law in the state and federal courts.

Fifteen years ago he went to Canyon, Randall County, Texas, where he practiced his profession with marked success until four years ago, when he was elected a member of the Legislature.

The deceased has three brothers living in this country: Will Hunt, of Paducah; Jack Hunt, of Fristoe, and Bud Hunt of Benton.

Joe Hunt was well known in Marshall County, where he was born. He was also known to many people in Graves County.

Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach. Is it not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For by all dealers.
