## BIG SHAKEUP TO TAKE PLACE ON RURAL ROUTES

TWO ROUTES DISCONTINUED, AND OTHER TEN ARE RE-ROUTED—CARRIERS MUST ALSO TAKE CARE OF STAR ROUTE POUCHES—POSTMASTER SPEIGHT ISSUES INSTRUCTIONS FOR THE BENEFIT OF THE PUBLIC.

The effect of Rural Route Inspector Ashton's visit to this county in December, 1911, is just being felt. Saturday morning the postmaster at this place received instructions from the Post Office Department at Washington to the effect that Rural Routes 11 and 12 out of Mayfield would be discontinued on September 1st. Monday morning Postmaster J. C. Speight received additional orders as to the re-arrangement of the ten remaining routes out of here. Under this new order of things the rural carriers will deliver the star route pouches throughout the county. Heretofore these have gone out under special contract to individuals. The meaning of this new arrangement is that ten rural carriers will serve the same patrons that twelve carriers have in the past. The patrons on the discontinued Routes 11 and 12 will be served by carriers of the other routes.

**County Routes Also Cut Out.** Orders simultaneous with those here were received at other points in Graves county, instructing that Route 1 out of Lynnville; Lee Boyd's route out of Water Valley, and Sid Holloway's Route No. 2 out of Sedalia, all be discontinued on and after September 1st.

**Not On Account of Bad Roads.** It was at first supposed that the routes were discontinued on account of the condition of the roads, but it is now presumed that the government, after hearing Inspector Ashton's report of the conditions in Graves county, it decided to cut down expenses here by cutting out some routes.

It is said that Inspector Ashton recommended these changes to the Republican administration before Taft went out, but that the matter was passed on to the Democratic administration, which gave the matter a hearing some time ago.

**New Routes of the Ten Carriers.** Postmaster Speight Monday morning gave The Messenger a detailed description of the ten new routes, and below we give them in full, for the benefit of the mail patrons of the county:

## PADUCAH CLUB HERE FOR THREE GAMES

The Pilsener ball club of Paducah, arrived in the city this morning at eight o'clock for a three days stay in the city for a game each day with the Mayfield team. These teams have met one time and the result was an eighteen-inning tie game. A lively game of ball is expected today and the other two days, notwithstanding the crippled condition of the local team.

The Mayfield boys are not in as good condition as when they played the Pilseners, but hope to entertain the visitors in the best possible manner.

The Paducah club is lined up today as follows: Ben Shaw, catcher; Frank Lally, manager and right field; William Schmidt, first base; Guy Hodge, center field; James Cox, short stop; Hal Overmark, third base; Lyman McCauley, left field; Ernest Willett, second base; Rick Brannon, pitcher. The only change in the Mayfield team will be the addition of Harry Weaver. He has not been in any games this season, but may be able to deliver the goods after getting warmed up. Those who will form the make-up of the Mayfield team are as follows: Cobb, Lemon, Albritton, Rock Weaver, Norman, Metcalf, Harry Weaver, Joe Irvan and Irvan Black.

## SENSATIONAL CHARGES MADE IN BRAND PETITION

THIS LENGTHY DOCUMENT WAS FILED WITH CIRCUIT COURT SATURDAY AND JUDGE BUGG HAS BEEN NOTIFIED—SPECIAL TERM OF COURT WILL BE CALLED FOR HEARING OF REASONS GIVEN IN BRAND PETITION AS TO WHY W. B. SULLIVAN SHOULD NOT BE DECLARED THE NOMINEE FOR SHERIFF.

In the petition filed Saturday afternoon by A. L. Brand against W. B. Sullivan contesting the Democratic nomination for sheriff a number of allegations are made as to illegal voting in several precincts in the county at the primary election held August 2.

Mr. Brand asks that he be declared the nominee and be given the certificate of nomination instead of W. B. Sullivan.

Judge Bugg has been notified of the filing of the petition and will call a special term of circuit court to try this case. He is given, by law, from three to ten days to call it.

The petition fills eighteen pages of tools cap paper.

Among the charges made of the plaintiff are "that the certificates of the officers in many of the said election precincts are incorrect and erroneous and that officers of and in said precincts fraudulently and mistakenly counted votes in said precincts for the defendant W. B. Sullivan, which had been voted for this plaintiff and other candidates and which had not been voted for the defendant herein and that a true and correct count of the ballots in said precinct would show this plaintiff received many more votes than those certified to him; that the defendant herein would receive many less than those certified to him; that in many precincts in said county the said election was not conducted as required by law and many illegal votes were cast."

In the petition the plaintiff further says "that the officers of said election at Fancy Farm held the polls open after the hour of four o'clock p. m. and after said hour, voted in the race for sheriff, 15 votes, all of whom cast their votes for W. B. Sullivan." Also the plaintiff says "the officers knew the time for holding said election had expired when they permitted them to vote and all of said votes were illegally cast for the defendant Sullivan." The plaintiff states "that on the date of the primary election at Fancy Farm precinct, one Ed Skinner, a supporter of said Sullivan, and strongly opposed to plaintiff Brand in said race, appeared in said voting precinct and to the officers and submitted to the election officers a certificate purporting to appoint him as democratic inspector for said precinct, said certificate being in words and figures as follows:

"Mayfield, Ky., July 24, 1913.  
To Whom It May Concern:  
"This is to certify that C. E.

Skinner is a duly appointed inspector of Fancy Farm, Kentucky, to act as a democratic inspector for the counting of the votes that are polled on August 2, 1913, by authority of the Democratic committee. This July 28, 1913.  
"W. H. ALBRITTON, Chairman."

The plaintiff asserts that the pretended certificate was written on typewriter, including the signature of W. H. Albritton, chairman, and that said Skinner represented that he had been duly and regularly appointed democratic inspector of said precinct by W. H. Albritton, who is chairman of the Democratic Committee of Graves County.

"The officers then and there received the said Skinner," says the petition, "as the democratic inspector of said precinct, and at the closing of the polls the said Skinner remained with the election officers during the entire count and votes and tabulation and took down the votes and added the same and announced the results of the election at the door of the voting place." Plaintiff further says "that the said vote was taken down and counted entirely by Skinner and same was not counted by the said election officers."

"Now," the plaintiff says, "no inspector had been requested and that W. H. Albritton had not appointed any one and said certificate was a fraud and was issued and delivered to said Skinner without the proper elge, authority or consent of W. H. Albritton. His presence," the petition further charges, "was illegal and for this reason the election in said precinct is invalid and should not be counted in arriving at the votes received by the plaintiff, the defendant or said other candidates in said election."

Continuing in the numerous allegations Mr. Brand claims that Sullivan did not receive 124 votes, nor exceeding 63, and the plaintiff says he received 40 votes instead of 35 as reported in the certificate of election. The plaintiff says that Skinner fraudulently counted for Sullivan 51 votes that he was not entitled to.

The plaintiff Brand now says that he is entitled to have the box opened and the ballots recounted.

Illegal voting is named at several other places, among them being Nichols, Boswell, Pryorsburg and Pottsville.

At Sullivan's Barn it is charged that one officer of the election took a while and was substituted by another.

## THE ELECTION CONTEST.

It seems that an election contest is now to be tried out in the courts to decide who is entitled to the nomination for the office of Sheriff, as between L. Brand and W. B. Sullivan, the nominees.

As to the merits of the contest, or as to who is right in the contention, the people will have to wait the action of the court, which will be at least ten days or two weeks from this time.

So far as the Messenger is concerned, it today places at its masthead the name of W. B. Sullivan as the Democratic nominee for the office of Sheriff, along with the other nominees, where it will remain until the November election unless the court decides that some one else received the nomination other than Mr. Sullivan. The Messenger will not discuss categorically the merits or demerits of the contention between these gentlemen until they are settled by the proper authorities.

We are very sorry, from a party standpoint, that a necessity has arisen to institute a contest of this character between Democrats for any office, for as a rule they leave many people dissatisfied with the results. We hope an investigation will show that an honest election was held and a fair count was given at all the precincts in the county, for without honest elections, there is but little hope for the perpetuity of our government. The Messenger will give the progress of the contest to its readers from time to time until it is ended.

## OUR NOMINEES.

The Messenger publishes in the usual place in its columns today the names of all the Democratic nominees, as named at the late primary election to be voted for at the November election. These have been sent to the people after a long and arduous campaign, and, of course, they are the result of election.

## Advertiser's Aim Is Satisfaction

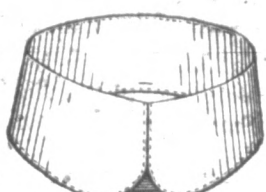

By HOLLAND.

ONE of the biggest retail merchants in the world, with stores in two of America's largest cities, and who naturally is one of the largest advertisers in the world, insists that his advertisement writers confine themselves to strict truth, and any promise made by one of his clerks is considered to have been made personally by the head of the firm.

A woman bought a fine tablecloth, and after she had it home there was a slight imperfection found. It was nothing to affect the wear of the tablecloth, but she took it back, explaining that she had paid a high price for the article and that she had intended it for her "best." She was somewhat apologetic for returning a purchase with such a slight imperfection.

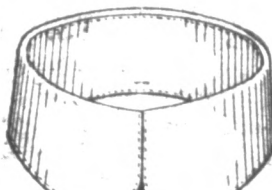

"You are a stranger in this city," asked the floorwalker, and the woman nodded. "I thought so," he said. "You do not understand our system. Had you kept that tablecloth you would have done yourself and us an injustice. When you buy here you must be satisfied. If you are dissatisfied for any reason you are not fair to us unless you tell us and give us a chance to satisfy you."

That spirit is behind big advertisers everywhere. It is another reason for doing business with advertisers.

Charges of Brutality Laid to Police in  
City of Paducah.

Paducah, Ky., Aug. 10.—In order to complete the evidence a night session was necessary in the investigation of charges of brutality in police department and bribery and from a witness in the fire department. Many witnesses were heard Saturday afternoon by Commissioners and proof offered that Patrolman Andy Stewart slapped the small son of a man he had under arrest and the boy was sent sprawling down the station steps.

Stewart and the police claim the boy grabbed at his club and missed it. Evidence was also presented that Patrolman Stewart struck a prisoner with brass knuckles. The Police Commissioners probably will reserve decision as all of the witnesses were not present.

The committee of the General Council will begin a thorough investigation of the police and fire departments tonight, and probably will probe more thoroughly than the Police Commissioners.

## HERBINE

A Medicine of Power in  
All Liver Disorders.

When the liver is torpid, it throws impurities into the system which hamper every organ in the body. The result is that functional processes are not properly carried on. Impurities get into the blood, the stomach is bilious, the kidneys weak and the bowels irregular—generally constipated. Herbine clears out all these impurities, opens up the obstructed channels, strengthens the torpid liver, cleanses the blood, purifies and regulates the bowels. After the system has been thus overhauled, there is an immediate improvement. Appetite returns, digestion is good, the spirits rise, the mind clears of gloomy forebodings and everything looks bright and cheerful, which means, sound, healthy conditions everywhere in the body.

A New Back for an Old One—How a Mayfield Resident Made a Bad Back Strong.

The back aches at times with a dull indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame that to stoop is agony. No use to rub or apply a plaster to the back if the kidneys are weak. You cannot reach the cause. Follow the example of this Mayfield citizen.

Mrs. Mary Thebold, 418 Water St., Mayfield, Ky., says: "One of the family had weak kidneys for years. Her back was lame, sore and painful. She also had pains in her sides. I noticed in the daily papers how other people had been cured by using Doan's Kidney Pills, so I got a box. They did me so much good that I feel it my duty to recommend them. I advise anyone having kidney trouble to give them a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

**COIN TOSS WON FOR RIVAL; WILL CONTEST**

Hopkinsville, Ky., Aug. 9.—Former State Senator Frank Rives tonight served notice on Ira D. Smith that he would contest the nomination of the latter as Democratic candidate for County Attorney. Messrs. Rives and Smith were rival candidates for the nomination and the official count showed a tie vote. To settle it, coins were tossed and Mr. Smith won.

In his notice, Mr. Rives states that the contest is not brought in any spirit of malice and no fraud or corruption is alleged. His purpose, he says, is merely to secure a recount of the ballots that were cast in last Saturday's primary and a contest is the only method in which to secure this.

In the event, he declares, that the count shows Mr. Smith the winner then he will not fight the matter further, but will loyally and enthusiastically support Mr. Smith and the rest of the Democratic ticket. This was the last day for filing notice of contest.

**CAMP BEAUREGARD**

Doubtless there are many citizens of Graves County who do not know that Confederate soldiers were in camp at the above named place from November, 1861, to March, 1862.

Camp Beauregard is situated on the Louisville Division of the Illinois Central Railroad, about midway between Louisville, Ky., and Memphis, Tenn. It is about one and one-half miles southeast of Water Valley, Ky., upon a high hill, and can be seen from the railroad.

Camp Beauregard was named in honor of General Beauregard, who was at that time in command of the Western division of the Confederate forces.

The loss of life while in camp was very heavy, caused by camp diseases and measles, the latter causing more because of an epidemic of same, with cold rain, sleet and snow continually falling, keeping the soldiers cold and wet, owing to their inferior tents rendering them but little protection from the weather.

The great majority of this garrison was also exposed to the very inclement weather on its march from Columbus, Ky., to this fort.

Camp Beauregard was considered a very important fort on account of being so near the middle of the dividing line between the Northern and Southern troops, this line of battle running from Columbus, Ky., to Fort Donnellson, Tenn.

It has been ascertained by the United Daughters of the Confederacy of Kentucky that there are between 1,200 and 1,500 Confederate soldiers resting in unmarked graves at Camp Beauregard. There lie the brave sons of our dear Southland, with no marker to tell of the bravery, courage and fortitude they possessed.

The United Daughters of the Confederacy are endeavoring to raise \$2,500 to erect a shaft to the memory of the brave and gallant sons of Alabama, Arkansas, Kentucky, Louisiana, Mississippi, Missouri and Tennessee, who died while in camp there.

Mrs. George T. Fuller, Mayfield, Ky., is chairman of Camp Beauregard Monument Fund. All who love and honor the dear old Confederate soldier, who is so rapidly passing away, are earnestly solicited to contribute to this fund. Contributions may be sent to Mrs. Geo. T. Fuller, Mayfield, Ky., or to W. J. Willingham, Water Valley, Ky., who will turn over same to the chairman.

Third Man to Be Convicted in Callahan Murder Case and He is Given Life Imprisonment.

Winchester, Ky., Aug. 9.—The jury in the case of Jim Deaton, charged with the murder of Ed Callahan, found him guilty tonight at 10:30 and fixed the punishment at life imprisonment. The prisoner made no move when the verdict was read and his facial expression did not change. This is the third conviction in the case, all by Madison County juries. D. F. Deaton and Andrew Johnson having been convicted in the past two weeks.

Following three speeches on a side, the case of the Commonwealth against Deaton went to the jury late today.

All the evidence was closed this morning. Deaton's trial has been in progress all week, and the evidence has been along the line of that brought out at former trials.

Take Plenty of Time to Eat.

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly, you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by All Dealers.

Why be constipated when you can buy **LIV-VER-LAX** at **Evans & Covington's**.
