Association For Retarded Is Set

The Calloway County Association for Retarded Children was organized at a recent meeting of approximately fifty citizens of Murray and Calloway County. Meeting with representatives of the state association were parents of retarded children, professional people in various fields and citizens interested in helping retarded children in Murray and Calloway County. The meeting was held at the city hall.

Following organization of the local association the group elected officers. John L. Williams, who presided over the meeting, was named as president of the new group. Others elected were vice-president, Eukley Roberts, secretary-treasurer, Mrs. Paul D. Grogan and board members, R. L. Cooper, Jimmy Rickman, Maurice Ryan and Bill Fendrich. Bro. Paul Matthews, minister of the Seventh and Poplar Church

Beale Canon Wins Second Fellowship

Beale Canon, twenty two year old Murray State College graduate of 1961, has been awarded his second chemistry fellowship by the National Science Foundation.

This one year scholarship pays \$2400 and all school expenses. Canon will continue his studies at the University of Louisville where he is now studying under a \$2200 plus expenses scholarship which he received in 1961. Canon received this scholarship in 1961 as the first one ever to be awarded to a senior-chemistry student at Murray State College.

Beale is the son of Professor and Mrs. Ardath Canon of North 10th street. Professor Canon is associated with the Physics department of Murray State College.

Young Canon is married to the former Miss Sylvia Marler of Edwinstown, Kentucky, who is a student at the University of Louisville.

Wyatt Starts Off Campaign With Bang

EMINENCE, Ky. (UPI) — Lt. Gov. Wilson W. Wyatt plans to visit four cities today as he opens his statewide campaign for the U. S. Senate — which eventually will take him into all of the state's 120 counties.

He spoke at 7:15 a. m. at the Brunswick Sports Division of the Brunswick Corporation here; then went on to New Castle, La Grange and Shelbyville.

On Thursday he will be in Cincinnati at 7 a. m., Paris at 11 a. m., Winchester at 2:45 p. m. and will end the day addressing the Junior Chamber of Commerce at Frankfort at 8:30 p. m.

During today and Thursday Wyatt plans to cover 208 miles, visit seven counties, three industrial plants, eight newspapers, seven banks and make five speeches.

Sen. Shelby Kinkaid, former Lexington mayor who is Wyatt's state campaign chairman, said local chairmen have been appointed in 100 of the commonwealth's 120 counties.

He said the remainder of local chairmen should be appointed in the next day or two. J. D. Jiggs Buckner of Shepherdsville, and R. Jack Reynolds, of Louisville, are organizational chairmen for the campaign.

John Scott Wins Tree Farm Award

Forest management ability has won certificate of membership in the American Tree Farm System and a Tree Farm sign for John E. Scott of Murray.

The Kentucky Tree Farm Committee, granting the recognition said Scott won it by managing his 100-acre forest near Murray for the continuous production of wood harvests while protecting the trees from destructive grazing, fire, insects and disease in accordance with Tree Farm standards.

Gene Aubin, Service Forester said, "Mr. Scott has demonstrated that trees are valuable crop that can be grown again and again on the same land."

More landowners must do this to help meet the nation's growing demand for forest products, he said. He invited others to contact him for advice on how they can become certified tree farmers.

In this state, which now has 170 Tree Farms totaling 109,455 acres, the program is conducted by the Kentucky Forest Industries Committee and the Kentucky Division of Forestry. It is sponsored nationally by American Forest Products Industries Inc., which reports a total of 23,000 units covering 38 million acres of forest land growing wood for current and future use.

Resolution Is Adopted By Tobacco Group

The Board of Directors of the Western Dark Fired Tobacco Growers' Association yesterday adopted a resolution urging the passage of House Resolution 9900 known as the Trade Expansion Act of 1962.

The bill, sent to congress by President Kennedy would authorize the president to enter into trade agreements with the European Common Market which would reduce both foreign tariffs and export quotas on agricultural and industrial products.

The resolution pointed out that the nations of the European Common Market have made great strides in the reduction of trade barriers which has led to a great post war prosperity in those nations.

It was also pointed out that members of the association are now exporting over 50 per cent of their dark fired tobacco to those nations.

The resolution was passed unanimously by the board.

Names appearing on the resolution were Boone Hill, president, Holmes Ellis, General Manager, J. E. Pace, Secretary-Treasurer, and directors Cate Boyd, E. E. Shanklin, J. D. Crawford, Charles E. Wright, Robert Galloway, T. A. Smith, Joseph L. Wilson, F. M. Grief, Sherwood Potts, Rudy Hendon and H. A. Hicks.

Copies of the resolution will be forwarded to Kentucky Senators, Congressman Stubblefield, and to Tennessee Congressman Everett.

Jaycees Hold Meet On Monday Night

The Murray Junior Chamber of Commerce held its first regularly scheduled meeting since its annual election, at 7:00 o'clock Monday night, in the city hall.

The meeting was presided over by Gene Landolt, the new president. Doctor William Pogue, outgoing president, gave a talk on "The Purpose of the Jaycees."

Doctor Pogue said that the organization's real purpose is to train young men for positions of leadership, that the real goal is leadership and not the projects, in themselves, which the Jaycees perform, even though the effects of these projects are often beneficial to the community in addition to accomplishing the desired training in leadership.

Clyde Johnson, chairman of the Teen-Age Rodeo Project, announced that the Rodeo will be held on 29 April in the Liberty Supermarket parking lot. This event is designed to make better drivers of teenagers and allows them to exhibit their driving skills by negotiating their automobiles through an obstacle course. All citizens are urged to attend this event. The following business firms have donated cash to aid in organizing this rodeo: Frazee Meakin-Holton Insurance Co., Kentucky Farm Bureau Insurance Co., Taber's Body Shop, and Robert's Realty.

Don Gilbert presented a talk on "The Purpose of the Jaycees" program in which a different aspect of the organization at each meeting is designed to make better drivers of teenagers and allows them to exhibit their driving skills by negotiating their automobiles through an obstacle course. All citizens are urged to attend this event. The following business firms have donated cash to aid in organizing this rodeo: Frazee Meakin-Holton Insurance Co., Kentucky Farm Bureau Insurance Co., Taber's Body Shop, and Robert's Realty.

Mrs. Oscar Williams, age 80, underwent surgery for the amputation of her right leg at the Murray Hospital last Saturday. She entered the hospital three weeks ago due to a heart condition.

Her condition was listed as critical for some time, but now is reported as being fair.

Williams is the mother of Mrs. James Miller of Lynn Grove, Mrs. Harry Jenkins of Murray, and Twynon Williams of Sedalia.

Dr. C. H. Jagers Dies Late Tuesday

Dr. C. H. Jagers of Bowling Green, died late yesterday afternoon. He was the retired head of the Psychology Department at Western State College. He was 73.

Dr. Jagers was married to the former Mrs. Bessie Wood of Murray. He suffered a heart attack about 10 weeks ago.

Funeral arrangements are incomplete at this time.

Gregory Challenges Stubblefield, Debate

MAYFIELD, Ky. (UPI) — Noble J. Gregory Tuesday challenged U. S. Rep. Frank Stubblefield to a series of television debates in his campaign to regain the 1st District House seat he lost in the 1958 Democratic primary election.

Gregory was defeated in the primary by Stubblefield, a Murray druggist, by only a few hundred votes. Gregory had won election to 11 terms in the House before his home district was changed by redistricting action of the legislature.

Stubblefield said at Washington that the debates proposed by Gregory would be "one of the greatest oratorical entertainments of all time."

"I know he's wanted to run against me since I beat him and I think this is a good year for him to get it out of his system," Gregory said he realized that Stubblefield was busy in Washington adding, "I notice that my opponent wasn't able to come to Paducah a couple of weeks ago to address a dinner of Democratic Women."

"But while he was too busy to get away from the congressman from Louisville, Frank Burke, was able to make the trip and deliver a speech."

Calloway FHA To Observe Week

The Calloway County High Chapter of Future Homemakers of America is planning to participate with other schools in observing National FHA Week, which will be observed April 1-7.

There will be homemaker activities each day of the week. On Sunday each FHA member is urged to attend church. Monday presiding officer Judy Hughes will give a talk to the school concerning National FHA Week. Tuesday each member is asked to wear red and white.

On Wednesday there will be an activity to show appreciation for the teachers. Thursday a sign will be placed in town publicizing National FHA Week. Friday each homemaker will perform some home duty to help her family.

Saturday a proclamation will be taken to the judge asking him to declare it FHA Week in Calloway County.

Seek Clemency For Reservist Son

SEADRIFT, Tex. (UPI) — The parents of Pfc. Bernis Owen sought help from President Kennedy to get him out of the army stockade where he is serving six months for criticizing a general.

Mr. and Mrs. Paul Owen charged Tuesday that their son, a member of the 49th Texas Army Division, had been made a "goat" in order for officers to get more control over troops.

Owen, 23, was imprisoned at Ft. Polk, La., and sentenced to lose \$50 per month pay on March 26 because he called an order by Maj. Gen. Harley B. West, banning Reservists, "we want out" demonstrations, "a hilarious cliché to a chain of injustices."

"He was standing up for the right of all American citizens," his parents said they told Kennedy in a letter.

Owen is a Reservist in the 49th, which was ordered to active duty by Kennedy last fall because of the Berlin crisis. West is commander of the 49th, and also commander of Ft. Polk, where the division is training.

The parents said they asked Kennedy to grant their son executive clemency, and permit him to return to duty "until such time as it is safe to release all Reservists from duty."

Gypsies Take Money From Elderly Man

Sheriff Woodrow Rickman reported today that several "gypsies" had been reported in the county and that one elderly man 92 years old, had ten dollars taken from him by them.

The four persons were seen in various parts of the county and called on several homes as "faith healers." The elderly man was relieved of the ten dollars as he was getting a drink of water for one of the women.

It is believed the quartet moved on into Tennessee.

Piano solos, Trudy Lilly, Becky Moore and Jane Saxon. Piano duets, Peggy Robertson and Jane Young.

Recommendations To Be Made To City, County Highway Dept.

The Murray Planning Commission today formulated a recommendation to the Murray City Council and the Kentucky State Highway Department for numerous changes designed to alleviate the traffic congestion in the city of Murray.

Dr. Thomas H. Hancamp, chairman of the Planning Commission indicated that some of these recommendations are for immediate relief while others are of a necessity, long range plans.

The commission, together with a Traffic Advisory Committee appointed by Mayor Holmes Ellis, has worked on the problem for the past two months. The city was divided into areas for the purpose of study and a sub-committee was named to look into the problems of that particular area.

At a recent meeting, the recommendations of the sub-committee were studied. The commission took all of the recommendations of the sub-committee and incorporated them into one master plan.

Most of the recommendations were accepted. Following are the various areas which were decided on as having peculiar traffic problems, and the solution, both short and long term.

Hospital and School Areas: With adequate parking provided at the new Murray Hospital, parking would be banned on Poplar from 8th to 12th street, with the street widened from 7th to 16th as a long time goal.

All crosswalks in the area to be marked with permanent white stripes.

A school light would be installed at 8th and Main, with Main widened on Murray High School property to accommodate parents loading and unloading children.

A school light at 9th and Poplar streets.

The Committee also recommended that a school patrol be established until the lights and crosswalks are in place. They also recommended that the school provide off-street parking for students cars.

Widening of South 9th from Main to Poplar.

Major Intersections: The five-points intersection would be marked with a flashing green arrow right-of-way light from Chestnut Street into the Mayfield Highway and a Slow, Dangerous Intersection Sign would be erected on the Mayfield highway approaching the intersection. Stop signs would be marked on all streets converging at the intersection.

A Caution light and stop light at 12th and Chestnut.

Fourth and Sycamore was marked as an intersection of extreme danger, and the committee recommended that the turning radii be extended at the corners with one-way traffic on the East side of the Triangle from 4th to the Hazel Highway, and one-way traffic on the South side of the Road would be removed to allow a free flow of traffic into South Fourth Street.

Fourth and Chestnut Street would also extend the turning radii at each corner by rounding them, and install a caution light. This light is already approved. Parking would be forbidden at the intersection if it blocked the view of a car from any angle.

College Area: With the building of the new dormitories at 15th and Chestnut, serious traffic problems will grow worse. The Committee recommended that an overpass be built, taking 15th street over Chestnut Street. This overpass would also serve as a pedestrian crossing. Until the overpass could be built, a light would be installed at the intersection.

Parking would be forbidden on Hughes Street, the West end of Wells Boulevard, the North side of Olive in front of Woods and Orway Hall, and near the campus exits on North 16th.

Truck parking would be prohibited on North 15th.

Twelfth Street: Stop lights were suggested for 12th and Main, with the turning radii to be increased on all four corners. A stop light was suggested for 12th and Poplar.

Cross Walks to be established at all major intersections.

Industrial Area: The Committee recommended that policemen be stationed at the Main Street intersection upon release of plant workers to facilitate traffic movement.

Widening and paving of Cherry and Second Street near Blue Ridge Manufacturing Company and the Tappan Company to provide more parking and traffic movement. Each street would be one-way.

Central Business District: The Committee recommended that overhead 4-way stop signs be installed at 4th and Poplar, and 5th and Maple streets.

Survey the entire city to assure see-ability at all corners and remove all obstacles that would prevent clear vision in all directions. Install a caution light at 2nd and Maple.

Make Walnut Street a through street from 2nd to 6th, excepting North Fourth Street.

Erect signs at strategic locations around town locating the Municipal Parking Lot.

Open and Pave North Third Street from Walnut to Olive.

Open and Pave Olive Street from Fourth Street to Second.

Widen North 4th from Main to Chestnut with parking forbidden on the West side of North Fourth from the Alley to Main Street.

Parking would be forbidden on both sides of North Fourth from Walnut to Chestnut.

Main Street to be widened to its maximum from 5th Street to 16th Street.

All Committees recommended that traffic regulations should be fairly but rigidly enforced, with particular emphasis, upon improper parking and speeding. The Board urged everyone to park their cars in their driveways, rather than on the streets. A rash of minor but costly accidents have occurred with the parked cars being sideswiped by trucks. It is difficult to find the offender, with the owner usually taking the loss.

Mayor Holmes Ellis and Police Committee Chairman Charles M. Baker expressed appreciation to the Citizens Committees, and the Planning Commission for their study and recommendations and promised early consideration by the City Council on the proposals, and also emphasized that many of the recommendations would require State Highway Department approval and assistance.

Accident Is Reported On Tuesday

An accident was reported by the City Police which occurred at 5:15 p. m. yesterday. Verle O. Ezell driving a 1959 Plymouth four door had a collision with Phillip L. Foote, driving a 1959 Chevrolet two door.

Miss Ezell lives on Murray route two and was driving a car owned by Taz Ezell. Foote lives on Alamo route one.

The accident occurred as Miss Ezell was proceeding west on Chestnut at the time. The left front end of both cars were extensively damaged.

Receiving bruises were Miss Ezell, one child and Mrs. Morris Ezell. The accident was attended by Sergeant James Witherspoon and Sergeant O. D. Warren.

GRASS FIRE

Spring Is Here
A specialist from the University of Kentucky Extension Service has made a detailed study of the needs in this regard and recommended that a number of trees be planted in the lawn.

Clyde Steele, Jailor, Sheriff Woodrow Rickman and Magistrate Cecil Holland will take the matter under consideration and report back to the court with a recommendation.

A delegation of 12 citizens appeared before the court and requested to be heard by Carson. The group, all property owners in the Wadesboro precinct, appealed for action by the state highway department on the Coldwater-Backusburg Road. The road has apparently been approved for state work for some time, deeds made, and turned over to the county but no action has been taken.

After some discussion Mr. Carson promised the court that his office would investigate the situation and make a report to the County Judge.

The Court and the highway officials were the guests of Sheriff Woodrow Rickman for lunch at the Triangle Inn.

Holland also stated that a portion of the Farm land had been placed in a soil bank and that it would be necessary to do so some seeding on the land in order to comply with the provisions of the soil bank plan. The Fiscal Court instructed Holland to obtain a rental tenant for the seven-acre popcorn hage.

Space is becoming more and more limited in the large vault in the County Court Clerk's office where the county stores and various records and documents.

Judge Miller explained to the Court that some long range plan will need to be initiated in the not too far distant future to insure adequate protection from fire, etc. A committee to be headed by Dewey Ragsdale of the clerk's office will study the problem. Magistrates Cecil Taylor and Marie Young will work on the committee.

A delegation of various farm groups and organizations have asked the Fiscal Court to consider setting some young trees in the

home of Mrs. Tip Miller at 7:30 p.m. The lesson will be on "Mental Health." Anyone interested in becoming a member of the organization is invited to attend.

Group III of the CWF of the First Christian Church will meet in the church parlor with Mrs. Charles Warner as hostess at 8 p.m.

Group IV of the CWF of the First Christian Church will meet at the home of Mrs. Walter Blackburn, Hickory Drive, at 9:30 a.m.

Group IV of the CWS of the First Christian Church will meet at nine-thirty o'clock in the morning at the home of Mrs. Walter Blackburn.

The Garden Department of the Murray Woman's Club will meet at the club house at 2:30 p.m. "Reflections and Horticultural Show" will be the program with Mrs. Fred Gingles and Mrs. James Hamilton as chairmen. Hostesses will be Mesdames Charles Warner Jr., G. B. Scott, Wesley Waldrop, A. B. Simpson, Guy Billington, R. L. Ward, M. O. Wrethter, and Robert Wyman.

Frondizi arrives at Government House, last day in office.

Frondizi supporters surge forward at Government House.

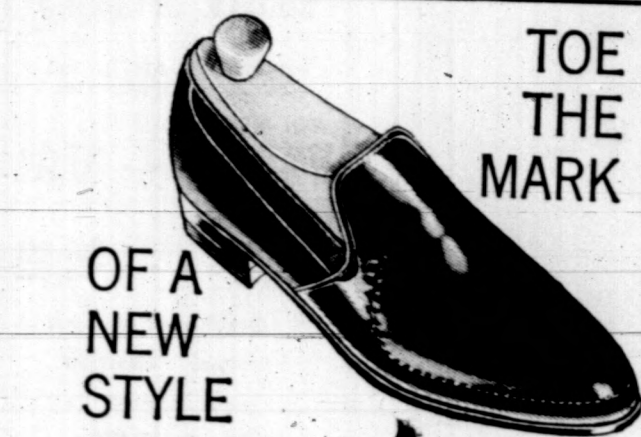

ARGENTINA'S President Arturo Frondizi was under military arrest and taken to confinement in a naval prison on Martin Garcia Island in the River Plate estuary a few hours after these photos were made in Buenos Aires. It left the nation temporarily without a chief. (Radiophotos)

Telephone Talk

by
TOM BREWER
Your Telephone Manager
Phone PLaza 3-9000

This week I want to turn my column over to Catherine Nutter, our Chief Operator. She wants to tell you how you can place your long distance telephone calls in a modern, faster—and I do mean faster—way.

As your Chief Operator I am interested in getting your long distance calls through as quickly as possible. Of course for the FASTEST long distance service, dial your own station-to-station calls. However, there are some calls such as person-to-person calls, that still must be placed through the operators, and we are on duty here 24 hours a day to help you with them.

These calls can be completed more quickly if you give us the Area Code number when it is different from the one for the telephone you are using. For example, if you are calling outside your own 502 area, to Nashville, just say area code 615, AL 5-1862. This way you reach your party faster. You don't need to give the operator the name of the city you are calling unless she asks for it.

A free handbook, listing the area codes of 6,500 towns and cities in the U.S. and Canada is available at our Business Office. Pick up a copy today. This handbook, near your telephone, if the city you wish to reach is not listed, ask the operator—she will tell you if you may dial direct to the particular city and give you the area code. Then—when she gives you the number, write it down so it will be handy next time. Remember—Area Codes are an important part of all telephone numbers.

By giving the operator the Area Code when you place long distance calls, you can help us help you get faster, more convenient telephone service.

TRIES NEW CABINET—Argentine President Arturo Frondizi (right) swears in Dr. Roberto Etcheberrandia as foreign minister in forming a new cabinet to attempt to palliate the military in the nation's political crisis. The new cabinet "solves nothing," one high naval officer said. (Radiophotos)

Couples Class Has Dinner Saturday At Winchester Home

Mr. and Mrs. Hal Winchester entertained the members of the Young Married Couples Sunday Class of the Cavity Corner Baptist Church at their home on Saturday evening.

A delicious fish supper was served at six-thirty o'clock by the host couple.

Games were played with Mrs. Jimmy Rickman and Mrs. Gerry Requaith in charge.

Sixteen persons were present.
