And So .......

Once again the curtains part to bring so many people that priceless smile or tear which can only come from a memory . . . a recollection of a wonderful thing which passed by all too quickly. A toast we offer to the Spirit of Campus Lights Past . . . to those who helped forge one or more of the thirty seven strong links which make up the wonderful chain of the history of Campus Lights. A toast we offer to the Spirit of Campus Lights Present and Future . . . to those of you who have made “Lights” shine so brightly throughout the years by making it a part of your lives. And, finally, we toast Murray State University, her administration, her faculty, and her students. Without further ado, the Iota Beta Chapter of Sigma Alpha Iota and the Gamma Delta Chapter of Phi Mu Alpha Sinfonia proudly present:

Thirty-seven years of Campus Lights

Thirty-seven years of Corn-Austin

It is with considerable pride that we have been an advertising sponsor for Campus Lights from its beginning. From the first night, through the war years, and to the present time, we have occupied this page. We are proud of the fact that we have had this association through the years with those who have labored to make this event possible.

To those of former years who have contributed to the success of this production and to those who carry on so faithfully today...

We Dedicate This Space

CORN-AUSTIN CO.

"WHERE MEN TRADE"
Campus Lights

The campus lights come gleaming one by one,
From out the dim recess of our minds,
And each one lights a scene of yesterday,
a scene that really was, or might have been,
And in each scene we see ourselves go by,
We catch a glimpse of laughs, of sighs, of tears.
And e'er this fleeting dream is gone, we fill
Our minds with memories that never die.

Our vision fades. The campus lights grow dim,
Our hands reach out to grasp and hold each scene;
That passes, never to return except
In fleeting dreams of cherished yesterdays.
Our days of laughs and sighs and tears are gone.
Guarded with jealous care through passing years
We keep a golden shrine of memory
Safe locked within a treasure house of dreams.
