From the Chairman of the Board of Producers...

To those of you enjoying your first "Lights" experience, let me formally welcome you to our family. To those of you with us for the second, third, or 64th production we thank you for your support and hope you enjoy this production of *The Wizard of Oz*. A production this size could have never come to fruition without the help of a fantastic Board of Producers and Production Staff. Thank each of you for your work.

This has been an incredibly crazy year, but I’m very proud to say that both fraternities (technically all three fraternities) have persevered and come together to take on the challenge of a production the size of *The Wizard of Oz*. We considered doing a smaller show, sort of the "less is more" attitude, but we didn’t want the tradition of excellence and constant striving to improve that has made Campus Lights what it is to suffer just because of a couple of curve balls.

On a personal note as a brother of Phi Mu Alpha, I’ve seen the incredible support we have from our alumni and would like to take this opportunity to thank each of you for your letters, prayers, and concerns. I would also like to thank the ladies of Sigma Alpha Iota for their patience and understanding during an extremely difficult time for us. Suzan, I love you very much.

My hope is that this production will be a shining “emerald” gem that can be a celebration of what Campus Lights is about: music, fellowship, and fun. So enjoy and we’ll see you again next year.

Thanks,

S. Scott Hamrick
Chairman
Board of Producers
From the Director...

Dear Patrons, Alumni, and Friends,

It is with great pride and excitement that we present our 64th annual production, *The Wizard of Oz*. I would like to begin by thanking you for your support throughout the many years. I never dreamed that I would have the honor and privilege of directing the "Oldest Running Student Produced Musical in the South."

With a cast and crew of over seventy talented individuals, I would like to thank all of you who helped make *The Wizard of Oz* truly come to life. Without your dedication and support, Campus Lights would not exist. I thank everyone in the cast and crew from the bottom of my heart.

So, prepare to be swept away for a night of entertainment you will not forget. I hope you leave tonight not only entertained, but proud that you contributed to this wonderful organization. Please continue your support for this outlet of culture and the arts.

Sincerely,

Christopher Thornton
Director
From the Conductor...

Hello! And welcome to the Campus Lights production of *The Wizard of Oz*. It was truly a great honor to have been selected as the 2001 Pit Orchestra Director. An even greater honor, however, has been working with an outstanding cast and highly talented pit orchestra.

Although the chosen field of most of these performers are teaching and/or performing, producing a Broadway-caliber show solely through student efforts is nevertheless difficult and challenging. The process of actually producing the show has been exciting, challenging, and overwhelming, and for most, it has been the most valuable experience that we have had here at Murray State University. All the elements for the production, acting, singing, playing, and building, are all rehearsed and worked on separately so bringing the production together has been a truly magical experience.

So sit back, relax, and let the cast, orchestra, and crew take you through the magical land of *Oz*. As always, thank you for your support of Campus Lights and the fine arts.

Sincerely,

Jennifer Speciale

Synopsis of Story

The Wizard of Oz opens in Kansas with little Dorothy Gale who, like so many other girls her age, dreams of what lies over the rainbow. One day a twister hits her home and carries Dorothy and her dog, Toto, over the rainbow and into the dazzling land of Oz. Filled with playful Munchkins, enchanted forests, and endless surprises, this dream-come-true world is one great adventure after another. But the most wondrous adventure of all begins when Dorothy and her newfound friends, the Scarecrow, the Tin Man, and the Cowardly Lion go in search of the kingdom's mysterious wizard to give them all what they desire most.
The show's over.

But now you get to go to McDonald's. *

we love to see you smile™

Dear Friends,

Greetings! On behalf of the sisters of the Iota Beta chapter of Sigma Alpha Iota, I warmly welcome you to the 64th annual Campus Lights and this year's production of *The Wizard of Oz*. Many long but wonderfully productive hours have gone into preparing this show for you. We are most glad that you are attending this year's performance.

The sisters of Iota Beta work very hard in conjunction with the brothers of the Gamma Delta chapter of Phi Mu Alpha Sinfonia every year to make each Campus Lights memorable for everyone involved. It is only through your support, however, that this tradition remains strong year after year.

On behalf of the cast, crew, musicians, volunteers, Producers, staff, sisters and brothers, I extend a huge Thank You! Now, on with the Show!

Best Regards,

Stephanie L. McCarty, President
Iota Beta Chapter

Dear Friends, Family, and Alumni,

On behalf of the Gamma Delta Chapter of Phi Mu Alpha Sinfonia, I would like to welcome you to this year's Campus Lights Production of *The Wizard of Oz*. This is the fourth Campus Lights that I've been involved with. I've had the opportunity to work on the Production Staff, be in the cast, and serve on the Board of Producers. This year I will be playing with the orchestra, so I fully understand the hard work and dedication it takes to produce a musical of this scale in a month's time.

It's so wonderful to see the students of the university with different backgrounds, interests and majors come together to work for the common good of one goal—Campus Lights. Through this hard work, a worthy student of music will be awarded with a scholarship.

This has been a rough year for the Gamma Delta Chapter. We have been put on suspension, expelled, and then finally reinstated. But through it all, with the dedicated work of the ladies of Sigma Alpha Iota, the Campus Lights tradition managed to live on in the halls of Murray State University.

Once again I would sincerely like to thank you for your continued support and welcome you to our annual Campus Lights Production. Please sit back and enjoy this year's musical, *The Wizard of Oz*.

Sincerely,

Mark A. Sauerbrunn, President
Gamma Delta Chapter
Phi Mu Alpha Sinfonia
Greetings Family, Friends, and Alumni:

Sixty-three years of tradition, scholarship, and fraternity continue to fill Lovett Auditorium’s walls. Campus Lights is a special time for the Murray community, the alumni, and the students. It has been my pleasure to serve as the Assistant Director of this year’s production, *The Wizard of Oz*. This show takes us back to a place in childhood when make-believe engulfed our thoughts and emotions, when finding the place “over the rainbow” gave us a sense of pride and spirit. I hope you enjoy the show.

Phi Mu Alpha Men’s Music Fraternity continues to grow and prosper and find it’s way “over the rainbow” as well. This year has been a bit rough, but somehow we have managed to maintain a brotherhood filled with love, tradition, and spirit. Thanks to all who assisted in our reinstatement efforts. A special thanks to our Department Chairman, Dr. Brian Runnels, Faculty Advisor, Mr. John Fannin, and our Attorney, Kerry Harvey. We would also like to thank all alumni who gave their time and energy during this process. Gamma Delta’s mission is to maintain a close-knit brotherhood, filled with the true spirit of Sinfonia.

Please sit back, relax and allow us to take you to the Land of Oz. Thanks again for your continued love and support.

Sincerely,

Stephen D. Keene

The Campus Lights

The campus lights come gleaming one by one
From out the dim recesses of our minds,
And each one lights a scene of yesterday,
A scene that really was, or might have been.
And in each scene we see ourselves go by.
We catch a glimpse of laughs, of sighs, of tears.
And e’re this fleeting dream is gone, we fill
Our minds with memories that never die...

Our vision fades. The campus lights grow dim.
Our hands reach out to grasp and hold each scene,
That passes, never to return except
In fleeting dreams of cherished yesterdays.
Our days of laughs and sighs and tears are gone.
Guarded with jealous care through passing years
We keep a golden shrine of memory
Safe locked within a treasure-house of dreams.
