**Installation of Partitions in Library Basement**

President Wells reported to the Board that it was necessary to install some partitions in the basement of the Library Building for convenience in operating the College News office, the post office and the bookstore.

Motion was made by Mr. Winslow, and seconded by Mr. Ordway, that the President and Business Manager be authorized and directed to build the necessary steel and plaster partitions in the basement of the Library Building. This motion was unanimously carried.

**Acceptance of Library Building**

Mr. Grayson Jones, representative of the Raymond Contracting Company who had charge of the construction of the Library Building, advised the Board of Regents that the building had been completed according to plans and specifications and approved alterations, additions and extra construction, and that on behalf of the contractors, he desired to present the building for the acceptance of the Board. The Board of Regents advised with Mr. G. Tandy Smith, Jr., architect, as to the completion of the contract and he advised the Board that the Raymond Contracting Company had complied with the terms of their contract, so far as he was able to judge, and advised the Board that the building was ready for acceptance.

Mr. Winslow moved that the Board accept the Library Building as its property from the hands of the Raymond Contracting Company, contractors, and receive the keys to said building as having been completed according to plans and specifications and in accordance with the contract, and that final settlement for said building be made at a convenient date and the balance due said contractor for the construction of said

Extras on Library Building

President Wells reported to the Board that we have moved into the Library Building since it was approved by the architect, G. Tandy Smith, Jr., and accepted by the Board of Regents. He advised the Board that he had authorized the Raymond Contracting Company to make some changes in the finishing of the stairways of this building and had approved an account of $192.50 for said extras, and recommended that the Board approve his action. The Board unanimously approved the action of the President in authorizing the account of $192.50 for extras.

President Wells called the attention of the Board to the account of Raymond Contracting Company for $1,520.00 for extra filling under the Library Building. Mr. W. H. Raymond of the Raymond Contracting Company and Mr. U. C. Starks were called before the Board to advise in reference to this account.
After considerable discussion of this account and the necessity for doing more filling than was originally specified, motion was made by Mrs. Mason, and seconded by Mr. Ordway, that the Raymond Contracting Company be paid the sum of $1,520.00 as extras for filling under the Library Building. The roll was called upon the adoption of this motion with the following result: Mrs. Mason, aye; Mr. Ordway, aye; Mr. Winslow, aye.
