Fine Arts Building - Installation of Refrigeration or Air-Cooling System - Bids to be Advertised on Basis of Attorney General's Opinion

Mr. Wrather read a letter from Honorable A. E. Funk, Attorney General of Kentucky, under date of April 21, 1948, which was in reply to his letter of April 1, 1948, which requested opinion on the legality of the Board of Regents to permit expenditure in amount not to exceed $27,000.00 for installation of a refrigeration or air-cooling system for Fine Arts Building.

Attorney General Funk's letter is as follows:

Commonwealth of Kentucky
ATTORNEY GENERAL'S OFFICE
Frankfort, Ky.

A. E. Funk
Attorney General

April 21, 1948

Mr. M. O. Wrather,
Assistant to the President,
Murray State Teachers College,
Murray, Kentucky

Dear Mr. Wrather:

This acknowledges receipt of your letter and our conversation of some time ago relative to the purchase of refrigerating and cooling equipment to be added to your present air circulating equipment in the fine arts building. You enclose a copy of an opinion of this office, dated February 4, 1947, relating to the same question. In 1947, it appears that you had a balance of $22,851.90 in the fine arts building account and you desire to expend $15,000.00, to be charged against that fund for the cooling or refrigerating system which was not constructed at that time. The cost for construction now amount to approximately $27,000.00 and you have a balance on hand as of June 30.
of more than $45,000.00, and on June 30, 1949, more than $58,000.00.
Your question is, of course, may you now construct or add to this refrigerating system to the amount of $27,000.00?

We believe that this amount is properly chargeable against this fund, and we believe that the opinion of February 4 of the Attorney General should stand, since the only difference in the situation then and now is a question of figures. You have a greater balance and the charge will be greater, although the expense is amply covered by the funds on hand. We would advise that you may expend an amount up to $27,000.00, as suggested in your letter of April 1.

Yours very truly,

A. E. FUNK
ATTORNEY GENERAL
