Option on Bailey Property - Letter from Mr. J. B. Rieman

Dr. Woods reported to the Board that a letter under date of May 2, 1949, from Mr. J. B. Rieman, Chief Engineer, Division of Engineering, Department of Finance, Frankfort, stated that the requested allotment of $11,500.00 to be used to purchase the Bailey Property adjacent to the college was brought before the Building Commission and, after considerable discussion and consideration, it was decided that the price was much too high for the property involved and no decision was taken in the matter.

The Bailey Property

After considerable discussion concerning the Bailey property, it was suggested that the President and Business Manager contact Mrs. Onie Bailey and see if it would be possible to secure an option on the Bailey Property valid through July, 1950.
