7. ROTC Application Disapproved

8. Military Service as It Affects College Enrollment

Eighty-eight young men have volunteered for military service. Additional boys are in the Reserves; and have been and will be called.

9. Planning for the Year Ahead

A. What shall we do with a faculty sufficient to take care of 1,500 students if the student enrollment is precipitously reduced?

B. Authorization to attempt to secure military training units to be housed on the campus

10. Approval of the Action in Granting Credits to Persons Who Have Volunteered To Join the Armed Forces

Immediately following the holidays, we found that so many young people were leaving the campus to join the armed forces that a meeting was called of the Committee on Entrance, Credits, Certification and Graduation, along with the Heads of the Departments; and the following motion was unanimously passed:

"Mr. Doyle moved and Dr. Lowry seconded that a student who is called or volunteers and enters the military service will be allowed full credit for those courses in which he has been enrolled for at least twelve weeks and making a passing grade at time he leaves college for military service. Passed."
I ask your approval of the action of the President and the aforementioned of the faculty and staff in granting this credit.

11. Authorization To Request Funds from the Governor and To Increase Salaries in Keeping with Funds Available on or after February 1

12. Progress on Remodeling Administration Building and Other Capital Improvements

A. Administration Building

Satisfactory progress is being made on remodeling the Administration Building. We hope to complete most of the work on this building within the next forty days.

B. Heating Plant

The Heating Plant is complete except for a few minor adjustments. The contractor is experiencing much difficulty in installing the heat lines because of the unusually cold weather. By using the old heat lines, we are getting along satisfactorily; and I understand that most of the materials are on the grounds and, weather permitting, the heat lines should be finished in the late spring.

C. Industrial Arts Building

Some of the brick have already been put on the Industrial Arts Building, and the work is progressing satisfactorily.

D. Culverts

It has been impossible to start work on the culverts because of the weather; however the materials have been ordered and construction will start as soon as weather permits.

14. Report of the Veterans Housing Manager

15. Report of the Thomas P. Norris Student Loan Fund

Respectfully submitted,

R. H. Woods
President

The President called to the attention of the Board the fact that the application of Murray State College for an ROTC unit was not approved.

Military Service as It Affects College Enrollment

Motion was made by Mr. Price that the Board of Regents suggest to the President that he grant leaves of absence to those members of the faculty who might want to be away for advanced study during the critical international situation while students are serving in the armed forces; that he carefully appraise the situation as it affects the college enrollment between now and the April meeting of the Board; and, further, that the President be authorized to attempt to secure military training units, if such be available, to be housed on the campus. This motion was seconded by Mr. Franklin; and the roll was called on its adoption with the following result: Mr. Price, aye; Mr. Franklin, aye; Mr. Winslow, aye.

Approval of the Action in Granting Credits to Persons Who Have Volunteered To Join the Armed Forces

Reports of the Business Manager, Veterans Housing Manager and Custodian of Thomas P. Norris Student Loan Fund Presented, Accepted and Filed

Mr. P. W. Ordway was called before the Board of Regents to make his report as Business Manager; and in submitting the report, he went into further detail in discussing some items.
Next, Mr. J. Matt Sparkman was requested to submit to the Board his report as Veterans Housing Manager.

Then, in addition to filing his written report as Custodian of the Thomas P. Norris Student Loan Fund, Mr. Sparkman stated that he had not been able to do much collecting of old debts due this fund. In discussing the Report of the Custodian of the Thomas P. Norris Student Loan Fund, the Board authorized and directed that those persons whose notes are overdue be notified again and, further, that another notice be given those who refuse to make payment to the effect that the notes will be placed in the hands of an attorney for collection. This procedure was approved by common consent, without formal action, since it was stated that similar official action had been previously taken by the Board of Regents and certain signers of notes for loans secured from the Thomas P. Norris Student Loan Fund had refused again and again to repay their loans even though they had been warned that suit would be filed for collection of the debts.

Motion was made by Mr. Franklin that the reports of the Business Manager, the Veterans Housing Manager and the Custodian of the Thomas P. Norris Student Loan Fund be accepted and filed. This motion was seconded by Mr. Price; and the roll was called on its adoption with the following result: Mr. Price, aye; Mr. Franklin, aye; Mr. Winslow, aye.

Adjournment

Motion was made by Mr. Price, seconded by Mr. Franklin and unanimously carried that the Board adjourn.
