MINUTES OF THE MEETING OF THE BOARD OF REGENTS
MURRAY STATE COLLEGE
July 31, 1962

The Board of Regents of Murray State College, at Murray, Kentucky, met in regular session on the 31st day of July, 1962, at 10:00 a.m., at the office of the President of the College, on the Campus in the City of Murray, Kentucky. Chairman Wendell P. Butler was absent, and the meeting was called to order by Vice Chairman, R. H. White. Upon the roll being called, the following members of the Board answered present: R. H. White, H. Glenn Doran, C. H. Hall, Bob Treas Long, Max J. Blythe, O. B. Springer. There were absent: Wendell P. Butler, Chairman. The Secretary of the Board, Miss Patsy Rowland, was present and duly recorded the minutes.

Agenda

President Woods presented the following Agenda:

AGENDA
for
MEETING OF BOARD OF REGENTS
MURRAY STATE COLLEGE
July 31, 1962

I. Minutes of the Board Meeting held on June 4, 1962

II. Report of the Committee on Credits, Certification and Graduation

III. Resignations

### VII. Contract for Publishing the College News--1962-63

### VIII. Report on Construction

1. Business and Education Building--The Business and Education Building has been inspected all except the heating and air conditioning. All but a few pieces of furniture are here. There is little question about it being completed and ready for instruction during the fall semester.

2. Franklin Hall--Construction was held up somewhat because of the failure of the manufacturer to deliver windows. Every effort is being made to complete the dormitory by September, but it will be a touch-and-go proposition.

3. Cafeteria--It is probable that the cafeteria can be completed by the middle of September. It will not be available by the first of September.

### IX. Report on Project No. Ky-CH-66 (D), Men's Dormitory No. 4 and Girls' Dormitory

### X. Report on Application No. Ky-CH-69 (D), 48 Student-Faculty Apartments

### XI. Purchasing 76 - 80 Acre Farm

A land contract has been signed with Don Tucker for the purchase of a farm 1.1 miles from Five Points on North 16th Street. There are not fewer than 76 acres but there might be 80 acres. The reason for attempting to buy this farm is so that the poultry and hog program can be moved to it and thereby make Orchard Heights more completely for dormitories and married housing. The purchase price for this farm is $18,000.

### XII. Clarification with Respect to Fees Charged and Used in Retiring Consolidated Educational Buildings Revenue Bonds

In order to clarify the action of the Council on Public Higher Education with respect to fees being charged and used in retiring Consolidated Educational Buildings Revenue Bonds, a resolution was approved by the Council on Public Higher Education at its meeting on July 9, including the following applicable section:
"Section 2. The authority and discretion of said Board of Trustees and of the respective Boards of Regents of said State Colleges is hereby recognized (a) to allocate, set aside, pledge, and encumber for academic building program purposes and for debt service requirements (including reserves) of Revenue Bonds which may be issued for academic building program purposes all of said Student Registration Fees, or parts thereof from time to time; (b) to segregate and retain the Special Fees and apply the same to any proper purpose or purposes; or (c) to allocate, set aside, pledge and encumber for building program purposes (whether the building or buildings involved be for academic purposes or for any other proper educational purpose), and for debt service requirements (including reserves) of Revenue Bonds which may be issued to finance the same, all of said Special Fees or parts thereof from time to time."

I ask your concurrence in the recommendation made by the Council on Public Higher Education in this matter.

XIII. Council on Public Higher Education Policy on Student Motor Vehicles

Attached hereto is a copy of the action taken by the Council on Public Higher Education.

XIV. Request of Bunk Gardner, Jr., Concerning the Installation of a Vending Machine for Issuing Accident Insurance.

Mr. Gardner has requested that we permit him to install one of these units in the Student Union Building. Your advice, guidance, and action on this matter will be appreciated.

XV. Report of the Thomas P. Norris Student Loan Fund

XVI. Report of the National Defense Student Loan Fund

XVII. Report of the Business Manager

XVIII. President's Annual Report to the Board of Regents

XIX. Resolution Providing for the Sale and Award of $1,469,000 of Murray State College Housing and Dining Hall Revenue Bonds of 1961, Dated September 1, 1961, and Fixing the Interest Rate for Said Bonds.

XX. Other Matters that Need to Come Before the Board.

A. Biological Station on Kentucky Lake.
B. Loan Agreement on Project No. CH-Ky-66 (D)
C. Allot $600 additional student labor to Richmond Hall and $600 additional student labor to Franklin Hall in order to take care of keeping the office open an additional 3 hours per day.

Respectfully submitted,

/s/ R. H. Woods
President

Minutes of the Meeting of the Board of Regents held on June 4, 1962, Approved

Mr. Springer moved that the Board dispense with the reading of the Minutes of the Board Meeting held on June 4, 1962, and that the Minutes be approved as submitted. Mr. Doran seconded and the motion carried unanimously.

Report of the Committee on Credits, Certification, and Graduation, Approved

July 30, 1962

To the Board of Regents
Murray State College
Murray, Kentucky

As per the duties assigned to the Committee on Credits, Certification and Graduation, we report as follows:
For those applying for degrees for August, 1962, we recommend that said degrees be granted as of August 10, 1962, contingent upon the completion of all the requirements.

/s/ Donald B. Hunter
Chairman, Committee on Credits, Certification, and Graduation

Mr. Doran moved that the Board approve the Report of the Committee on Credits, Certification, and Graduation, and authorize the presentation of diplomas and the conferring of degrees on August 10, 1962, to those completing all requirements. Mr. Long seconded and the motion carried unanimously.

Resignation, Accepted

Mr. Long moved that the Board accept the resignation of Mr. T. C. Miller. Mr. Springer seconded and the motion carried unanimously.

Leave of Absence, Granted

Mr. Long moved that the Board grant a leave of absence to Mrs. Clarice Jacob from June 20, 1962, through September 15, 1962. Mr. Springer seconded and the motion carried unanimously.

Adjustment in Salary, Approved

Mr. Long moved that the Board approve the adjustment in salary for Mr. Elvis L. Dick as stated in Item V of the Agenda. Mr. Springer seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

Employment, Approved

Mr. Long moved that the Board approve the employment of persons as stated in Item VI of the Agenda in keeping with the President's recommendation. Mr. Springer seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

Adjustment in Budget, Approved

Mr. Long moved that the Board approve increasing the Capital Outlay Account for the Registrar's Office in the amount of $340 for the Fiscal Year 1962-63, in keeping with the President's recommendation as stated in Item Va of the Agenda. Mr. Springer seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

Contract for Publishing College News during 1962-63, Awarded to Ledger & Times

The following bids were submitted by the Murray Democrat, Murray, Kentucky, and the Ledger & Times, Murray, Kentucky, for publishing the College News during the 1962-63 school year.

June 29, 1962

Murray State College
Board of Regents
c/o President Ralph H. Woods
Murray, Kentucky

Gentlemen:

The Murray Democrat Publishing Corp. submits the following bids for publishing of the College News according to the specifications submitted:
4 page paper, 6,000 copies $267.00
$2.00 per hundred more or less

6 page paper, 6,000 copies 383.00
$3.00 per hundred more or less

8 page paper, 6,000 copies 499.00
$4.00 per hundred more or less

May I again thank you gentlemen for the privilege of participating in the bids and accept my best wishes.

Sincerely yours,
/s/ Kerby Jennings
KERBY JENNINGS
Director of Publications

June 29, 1962

Murray State College
Board of Regents
c/o Dr. Ralph H. Woods
Murray, Kentucky

Gentlemen:

In compliance with your request for bids on the College News, the daily Ledger and Times is pleased to submit the following quotation.

6,000 copies, four page paper $220.00
$2.00 per hundred more or less than 6,000

6,000 copies, six pages 315.00
$3.00 per hundred more or less than 6,000

6,000 copies, eight pages 440.00
$4.00 per hundred more or less than 6,000

Your consideration will be appreciated. Thank you.

Sincerely,
/s/ J. Williams
James C. Williams
Publisher
Ledger and Times
Murray, Kentucky

Mr. Hall moved that the Board award the contract for publishing the College News for the 1962-63 school year to the Ledger & Times and that those submitting bids be so informed.

Mr. Sprinker seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

Report on Construction

President Woods reviewed the statements in Item VIII of the Agenda regarding the progress of construction of the Business and Education Building, Franklin Hall, and the Cafeteria, and added that it now appears that three floors of Franklin Hall may be ready in September and that the Cafeteria will be completed in September.

Report on Project No. CH-Ky-66 (D), Men's Dormitory No. 4 and Girls' Dormitory

Dr. Woods stated that plans for the Men's Dormitory are almost complete. Preliminary plans for the girls' dormitory located on the Baptist Picnic Ground have been completed, but approximately six weeks ago, a meeting of some of our staff was held and the decision was that it would be wise to locate the girls' dormitory on Orchard Heights to insure full use of the cafeteria.
Dr. Woods showed the preliminary sketches of the girls' dormitory to be located on Orchard Heights to the Board.

Motion was made by Mr. Long that the Board approve the action of the President in requesting that the girls' dormitory to be built under Project CH-Ky-66 (D) be built in Orchard Heights between Chestnut Street and the Cafeteria. Mr. Springer seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

Report on Application No. CH-Ky-69 (D), 48 Student-Faculty Apartments

Dr. Woods reported that the preliminary plans and final application for 48 Student-Faculty Apartments have been sent to the Housing and Home Finance Agency.

Purchasing 76 - 80 Acre Farm

Dr. Woods reviewed the statement in the Agenda regarding the purchase of a 76 - 80 acre farm.

Mr. Hall moved that the Board approve the action of the President in attempting to purchase the farm from Don Tucker. Seconded by Mr. Blythe, and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

Clarification with Respect to Fees Charged and Used in Retiring Consolidated Educational Buildings Revenue Bonds

President Woods reviewed the statement in Item XII of the Agenda regarding fees.

Mr. Blythe moved that the Board concur in the recommendation made by the Council on Public Higher Education as stated in Item XII of the Agenda regarding the fees charged and used in retiring Consolidated Educational Buildings Revenue Bonds.

Mr. Hall seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

Council on Public Higher Education Policy on Student Motor Vehicles

President Woods reviewed the following statement of action taken by the Council on Public Higher Education.

COUNCIL ON PUBLIC HIGHER EDUCATION POLICY ON STUDENT MOTOR VEHICLES

The following policy is adopted by the Council on Public Higher Education at its regular meeting on July 9, 1962, for the purpose of providing equitable and uniform standards throughout the state supported institutions of higher education in Kentucky. The objective of this policy is to strengthen the academic standards through enhancing the academic performance of the students through the critical freshman and sophomore years. The basis of the policy is found in studies conducted in several institutions throughout the country which reveal a significant relationship between academic achievement and the use of a motor vehicle while attending college. It is the recommendation of the Council that the six public institutions of higher education in Kentucky develop a uniform code of general procedures to implement this policy. It is understood that nothing in these provisions shall negate existing policies which conform to or exceed this policy.

I. STUDENT OPERATION OF MOTOR VEHICLES

A. Beginning September 1, 1962, all students registered as freshmen, regardless of the number of years they have attended college, are forbidden to possess and/or operate motor vehicles within prescribed geographical limits as determined by the respective institution.
B. Beginning September 1, 1963, this policy will apply to both
freshmen and sophomores. At that time all students registered
as sophomores who have an overall academic standing of "B" or
above may be granted the privilege of operating motor vehicles
at the institution.
C. Effective September 1, 1962, all students on academic probation
or disciplinary probation, regardless of their classification, are
forbidden to possess and/or operate motor vehicles at the institution.
D. Exceptions to these regulations will be granted only with
special permission of the appropriate institutional authority in
order to avoid hardship based on physical handicap, necessary
commuting to classes, use of car for essential work, and other
proven need.

II. REGISTRATION OF STUDENTS' MOTOR VEHICLES

No student may operate a motor vehicle at the institution
until he has registered it and has met the conditions prescribed
below:
A. A student desiring to register a motor vehicle must present a
valid operator's license, and must show that when he is driving the
vehicle, he is insured against public liability and property damage
in an amount not less than the minimum (amount) recommended by the
Department of Insurance of the Commonwealth of Kentucky. If the
operator's license should be revoked or if the insurance is permitted
to lapse, the permission granted by the institution for the student
to operate a vehicle will be revoked.
B. If the student is under 21 years of age, the application must
be accompanied by the written consent of his parent or guardian
regardless of the ownership of the vehicle. Exceptions may be made
only by the appropriate authority as designated by the institution.

III. GENERAL POLICIES ON PARKING AND TRAFFIC CONTROL

A. Each institution shall promulgate rules and regulations
concerning the driving or parking of motor vehicles by eligible
students.
B. Each institution shall determine the penalties to be assessed
and enforced for violation of regulations concerning motor vehicle
possession and/or operation.
C. Each institution shall promulgate such other policies, regu­
lations and rules as are deemed necessary to carry out the intent
of these regulations, or deemed necessary or desirable for the
proper control of motor vehicle traffic.

Mr. Springer moved that the Board of Regents comply with the policy
of the Council on Public Higher Education regarding the possessing and
operating motor vehicles at Murray State College with the understanding
that the President appoint a Committee to consider unusual or hardship
cases and recommend equitable adjustments. Mr. Long seconded and the
roll was called on the adoption of the motion with the following
results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long,
aye; Mr. Springer, aye; and Mr. White, aye.

Request to Install Vending Machine for Issuing Accident Insurance

Dr. Woods stated that Mr. Bunk Gardner, Jr. has requested that he
be permitted to install a vending machine for issuing accident
insurance in the Student Union Building.

Following discussion, Mr. Hall moved that the Board authorize
President Woods to investigate the desirability of installing a
vending machine to issue accident insurance on campus and that, if
Dr. Woods after investigation deems this desirable, he be authorized
to negotiate with representatives of insurance companies and contract
for the installation of a vending machine for issuing accident insurance.

Mr. Blythe seconded and the roll was called on the adoption of
the motion with the following results: Mr. Blythe, aye; Mr. Doran,
aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White,
aye.
Report of the Thomas P. Norris Student Loan Fund, Accepted

Mr. Springer moved that the Board accept the report of the Thomas P. Norris Student Loan Fund. Mr. Long seconded and the motion carried unanimously.

Report of the National Defense Student Loan Fund, Accepted

Mr. Springer moved that the Board accept the Report of the National Defense Student Loan Fund. Mr. Long seconded and the motion carried unanimously.

Report of the Business Manager, Accepted

REPORT OF P. W. ORDWAY, BUSINESS MANAGER TO THE PRESIDENT AND BOARD OF REGENTS OF MURRAY STATE COLLEGE July 31, 1962

The following report is submitted for the information and consideration of the President and Board of Regents of Murray State College:

Comparative Statement
June 12, 1959 – May 31, 1961 Profit 58,023.12
June 15, 1959 – June 2, 1960 Profit 5,166.98
V. CANNERY STATEMENT - July 1, 1961 - June 30, 1962

**Receipts:**
Canned Products and Fees $4,001.76

**Expenditures:**
- Salaries & Wages $1,642.22
- Repairs to Equipment 414.16
- Commercial Supplies 3,143.53
- Rental of Equipment 105.00
- Miscellaneous 21.17

Total Expenditures: $5,326.08

Expenditures in Excess of Receipts $1,324.32

VI. FARM STATEMENT - July 1, 1961 - June 30, 1962

**Receipts:**
- Farm Garden Produce $297.57
- Tobacco 1,757.88
- Eggs 8,608.86
- Poultry 383.70
- Dairy Products 20,274.34
- Livestock 9,466.29
- Show Premiums 146.00

Total Receipts $41,414.16

**Expenditures:**
- Salaries & Wages $20,438.46
- Veterinary & Testing 1,264.90
- Travel 21.68
- Utilities 1,271.91
- Repairs to Vehicles & Equipment 2,930.69
- Maintenance of Buildings 1,822.11
- Feeds 12,801.74
- Motor Fuels 871.72
- Heating Fuels 491.49
- Medical Supplies 318.71
- Commercial Supplies 144.97
- Agriculture Supplies 4,143.20
- Seed & Fertilizer 1,433.94
- Insurance 1,604.19
- Miscellaneous 80.00
- Machinery & Implements 4,059.56
- Buildings & Fixed Equipment 1,152.34

Total Expenditures: $54,201.61

Expenditures in Excess of Receipts $12,787.45

VII. INSURANCE

The buildings, equipment and livestock have been insured in the Fire and Tornado Insurance Fund for the 1962-63 fiscal year. The certificates of insurance have been received and the premium amounts to $22,375.40.

VIII. AUTOMOBILE LIABILITY INSURANCE

Housebill No. 113 was passed by the Senate and House in the 1962 Regular Session of the General Assembly authorizing the purchase of liability and indemnity insurance against the negligence of operators of motor vehicles or other mobile equipment owned by the state-supported institutions of higher learning.

The Commissioner of Insurance has notified us that General Accident, Fire and Life Policy No. CA 21-963-35 has been issued by Purdom & Thurman Agency, Murray, Kentucky to cover the vehicles owned and operated by Murray State College for the period July 1, 1962 - July 1, 1963 with an annual premium of $1,794.14.

X. ACQUISITION OF REAL ESTATE

A. The following real estate has been acquired during this fiscal year. The four tracts listed below were purchased from funds allocated by the Commissioner of Finance for the purchase of land.

1. Calvin P. Morris and Jane Morris Reaves Tract
   This tract of land runs from Chestnut Street to Payne Street and the approximate size is 140 feet wide and 618 feet deep, is located East of the Baptist Picnic Ground, and was acquired January 27, 1962 for $15,500.00.

2. Quertermous and Newton Land
   This tract faces on Payne Street and is 165 feet wide and 200 feet deep and was acquired from Dr. John C. Quertermous and wife and Euen Newton and wife on January 26, 1962 for $7,000.00. This tract is immediately East of the Morris tract.

3. Pitman Tract
   This tract of land was purchased from W. J. Pitman and wife and is 73 feet wide and 618 feet deep and extends from Chestnut Street to Payne Street and is East of the Quertermous-Newton tract. This land was purchased January 22, 1962, for $8,000.00.

4. Ellis Tract
   This tract was purchased from Alton A. Ellis January 27, 1962 and is 147 feet wide and 215 feet deep and faces on Payne Street. It is East of the Pitman tract and was purchased for $5,000.00.

5. Public Road
   Mr. Wells Overbey, Attorney at Law, Murray, Kentucky, was employed to initiate the proper legal action to close a public road between the land known as the "Baptist Picnic Grounds" and the Morris property. This road was 20 feet wide and 618 feet deep and runs from Chestnut Street to Payne Street. Mr. Overbey was paid a legal fee of $300.00 for getting this road closed. The necessary deed was executed by the Court and the Secretary of State of the Commonwealth of Kentucky has the original deed on file.

To summarize the acquisition of real estate, we have acquired 644 lineal feet of land on Payne Street which includes the five above listed tracts of different depths.

B. Purchase of Real Estate by Murray College School Company
   (Which is a holding company for the acquisition of real estate for Murray State College)

The College will pay the Murray College School Company rental for the property as follows:

The description of the property which is located at 804 Waldrop Drive is as follows:
"Brick house located in the City of Murray, Calloway County, Kentucky at 804 Waldrop Drive. The house has three (3) bedrooms, living room, dining room, kitchen, bath, utility room with half bath and garage with overhead doors, and of brick veneer construction. Size of lot 75 feet by 190 feet.

The above land was acquired from Charles D. and Burlene Brewer on March 22, 1962 and the purchase price was $14,100.00.

C. Option on Land

We have an option to purchase a tract of land from Donald R. Tucker and wife consisting of approximately 78 acres located on North 16th Street for the sum of $18,000.00. The necessary papers have been filed with Mr. Guyles E. Sutton, Property Utilization Officer of the Commonwealth of Kentucky and he is having this land appraised and the purchase consumated. This land will be used in connection with the Murray State College Farm Program, as it will be necessary to move the poultry and livestock from the Orchard Heights area to another location.

REPORT OF JAMES A. ROGERS, TREASURER
TO THE PRESIDENT AND BOARD OF REGENTS OF MURRAY STATE COLLEGE
July 31, 1962

BONDED ACCOUNTS - Statements of June 30, 1962

Loan Agreement on Project No. CH-Ky-66 (D)

Mr. Hall moved that the Board accept the report of the Business Manager, which is an integral part of the President's Annual Report. Mr. Doran seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; Mr. White, aye.

Loan Agreement on Project No. CH-Ky-66 (D)

Mr. Long presented the following resolution and moved that it be adopted:

WHEREAS, the Board of Regents of Murray State College has authorized R. H. Woods, the President of the College, to sign the Loan Agreement and other necessary documents in connection with Project No. Ky-CH-66 (D), and

WHEREAS, said Loan Agreement, Contract No. H-302-901, was signed on July 31, 1962,

NOW, THEREFORE, BE IT RESOLVED that we, the Board of Regents accept the Loan Agreement and approve the action of the President in affixing his signature to the Loan Agreement.

Mr. Hall seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

President's Annual Report to the Board of Regents

President Woods presented the following report to the Board of Regents:

THE PRESIDENT'S ANNUAL REPORT FOR FISCAL YEAR 1961-62

To the Board of Regents
Murray State College
Murray, Kentucky

Gentlemen:

I am submitting herewith the Annual Report of the President for the fiscal year 1961-62.
ENROLLMENT

As may be seen below, the College enrolled 3674 students during the first semester. This was an increase of 649 students over the Fall Semester 1960-61 or a 21 percent increase. During the second semester the enrollment was 3425, an increase of 505 students over the second semester of 1960-61. The enrollment during the 1962 summer school was 1571 or 15 students fewer than were enrolled in the summer 1961.

The figures below show the full time enrollment by men and women and the part time enrollment by men and women for the first semester 1961-62, second semester 1961-62, and the summer school 1962:

<table>
<thead>

</tr>
</tbody>
</table>

The enrollment for the summer session is an all time high. In the kindergarten and the first six grades there are 195, Junior High 58, Senior High 180, for a total of 433. This represents a 10 percent increase over the summer of 1961.

In addition to the foregoing, there were two workshops in Art: one for high school students in Painting and Drawing from July 2-13 with an enrollment of 25 and one in Three Dimensional Art from July 23-August 3 with an estimated enrollment of 20.

Degrees Granted

Since July 1, 1961, degrees have been conferred upon 597 students. The distribution of degrees is as follows:

<table>

Registrar's Office--Progress Report

Admissions Procedure

Due to the increased number of college applicants, the revised procedure is now as follows: the applicant requests an application or information on admission; then a status card is filled out on the applicant, with the name, address, expected date of attendance, and high school or college attended; the card is then sent to the data processing and takes appropriate action; after transcripts and medical forms have been received by the admissions clerk, the decision is made and admission or rejection notice is then sent to the applicant. Application is then sent to data processing for coding, and status card is put in hold file; student's master card is then cut and permanent record is made; letter of information is then sent to all freshmen.
Three application forms are used and identified by color. They are:
yellow—graduate; green—re-admission; and white—freshmen or trans-
fer students. The graduate form serves as a candidacy for a degree,
either accepted or rejected after satisfactory completion of nine
graduate hours. The health form is not a part of the application.
The application has been shortened and unneeded information is no
longer required.

Permanent Records
All permanent records for students presently enrolled in college were
remade to allow for machine posting. All permanent records that are
remade now show the overall standings, cumulative hours attempted,
cumulative hours earned, and cumulative quality points earned as of
the spring semester.

Revised Course Numbers
Beginning September 1962, the revision of course numbers will go into
effect as follows: 100 courses—open to freshmen, undergraduate credit
only; 200 courses—sophomore classification required, undergraduate
credit only; 300 courses—and 400 courses—junior classification
required; undergraduate credit only; 500 courses—junior classification
required, undergraduate and graduate credit; 600 courses—graduate
credit only. This will help to more accurately identify the courses
and allow for the expansion in the academic program, so far as course
numbers are concerned.

Student Numbers
Each student enrolled during the school year of 1961-62 has been
assigned a student number. These numbers permit the Data Processing
Unit to mechanically alphabetize and more accurately identify each
student. The assignment of numbers is controlled by the Data Processing
Clerk.

We also have advisors assigned to all students, which is handled by
the Data Processing Unit.

Freshmen Testing and Parent Orientation Program
We are in the process of establishing a Parent Orientation and Fresh-
men Testing Program to be held during the summer months, starting
July 14, 1962. As part of this, we are asking each parent of fresh-
men to visit the campus on the date with the applicant during the
summer. At this time, the parent will be given an Orientation to
Murray State College.

Application for Degree
Application for degree must be made one semester before graduation
is expected. This procedure has been inaugurated to allow for long
range course planning on the part of the student and his advisor.
During the second semester of his junior year, the student along with
his advisor plan the remainder of his college courses. This plan is
submitted to the Registrar and upon approval becomes a contract between
the College and the student. Upon successful completion of the
requirements on the contract, the student receives his degree.

Mid-Semester Grades
Mid-semester grades are mailed to the parents of all undergraduate
students, and each student is given a copy of these grades. We also
send a copy of grades of all undergraduate students to the high school
from which they graduated. Each advisor is furnished with a copy of
his advisee's grades for counseling purposes.

Vault Progress
Microfilming all the information cards and program cards of all students
for the protection of records and greater efficiency in filing is
underway.
Study Centers

Nine regular study centers were conducted with a total enrollment of 261. Murray State College continued to participate in the Madisonville Cooperative Extension Program. Five of our professors offered courses at Madisonville: Miss Bobbie McCarter taught Sociology, Mr. Philip Tibbs--Business, Dr. Franklin Fitch--Psychology 101, Mr. V. W. Parker taught Business during the second semester and Dr. Kenneth Harrell taught History during the second semester. In these five courses there were enrolled 79 students.

The financial report of extension classes shows that the excess of income over expense of $1,987.47.

Correspondence Courses

During the year, 1136 different students enrolled in correspondence courses, 626 were enrolled as of June 30, 1961 and 510 additional people enrolled during the year. The active enrollment in correspondence courses as of June 30, 1962 was 527. 423 students completed or dropped courses during the year ending June 30, 1962.

Science Institute

During the summer of 1962, Murray State College is conducting its sixth Summer Science Institute. The enrollment is 63 and the amount of the grant is $63,800. In addition to the institute for teachers, Murray State College has a High School Institute for high school students who have not had an opportunity to get many of the science courses that they need and want. In this institute there are 117 high school students. Nine states participated in the high school institute and 12 states in the teacher institute. The high school institute grant is $23,520.

DEVELOPMENTS, ACHIEVEMENTS AND IMPROVEMENTS
IN INSTRUCTIONAL DEPARTMENTS

Dean of the College

Dr. William G. Nash, Dean of the College, is a member of the National Senate of the Beta Club, Chairman of the Judiciary Committee of the Ohio Valley Conference, and he is also serving as Chairman of the Murray Municipal Housing Commission.

Department of Agriculture

The enrollment in the freshmen class in the Department of Agriculture was 64, an increase over the preceding year and it is of interest to note that Murray State College had the largest freshmen enrollment of Agriculture of any college in the state last year.

One new class has been added which is Advanced Soil Fertility, Emphasis in all courses has been changed to correlate with present day farming. In 1962-63, courses in Floriculture, Ornamental Horticulture and Landscape Gardening will be offered.

The nursery on the College Farm which was established in the Fall of 1960 will have more than 2000 shrubs and plants ready to transfer to the College Campus this fall. During the past spring the U. S. Department of Agriculture and the American Jersey Cattle Club announced that Murray's Royal Design Jeweler, a bull produced at the College Farm, is now recognized as the best Jersey bull in the United States. Farm buildings and fences have been improved. The crops on the College Farm in the summer of 1962 are the best in the history of the farm. The productivity of the farm is indicated by the fact that during 1961 the farm had 35 acres of corn that averaged 133 bushels to the acre.

Department of Biological Sciences

During the 1961-62 academic year 23 different courses were offered in the Department of Biological Sciences. The enrollment in these courses was 1455 or an increase of 334 students over the year 1960-61.
Due to the increase in the enrollment and the anticipated additional increase for 1962-63, it has been decided that General Biology will be limited to one laboratory period per week instead of two as has been the practice during the past several years.

Three new courses were added in the Department of Biological Sciences. Invertebrate Zoology was actually activated and Modern Genetics and Radiation Biology were also offered. An effort is being made to modernize the courses in Biological Sciences even though the names may remain the same.

Dr. A. M. Wolfson, Head of the Department of Biological Sciences, was elected Director of Region V (Southeastern States) of the National Association of Biology Teachers.

One additional faculty member has been employed for the coming year. He is John C. Williams. Dr. Williams has his Doctor's Degree from the University of Louisville. Mr. Pitman is continuing to work on the Doctor's Degree and it is hoped that he will be able to complete his dissertation in approximately another year. Miss Evelyn Cole is working diligently on her dissertation and hopes to complete the Ph.D. at Vanderbilt in the near future.

Department of Business

The enrollment in the Department of Business during the fall semester was 1906, an increase of 13.3 percent over the previous year. Enrollment in the spring semester was 1720, an increase of 15.2 percent over the previous year. More than 700 students majored in Business during the 1961-62 school year. Business Administration is growing most rapidly.

Three courses for graduate students only are being taught in the Department of Business during the summer session 1962.

The American Accounting Association national examinations are being administered to accounting students who have completed as much as one year in accounting. Senior accounting students on the above mentioned tests ranked from 67th to the 93rd percentile on the national rating. This is well above the national median.

Approximately 100 students with majors in Business were graduated from Murray State College during the academic year 1961-62. These graduates have been employed in management, teaching, government, office management, and secretarial work. A number of the graduates are engaged in graduate study.

Miss Chapman has been on leave of absence studying toward her Doctor's Degree. Mr. Ferrell and Mr. Pinson are going doctoral study this summer. Nine faculty members in the Department of Business have attended one or more professional meetings during the past year.

Department of Chemistry and Geology

Class enrollments in all courses have increased. There was an increased enrollment of 25 percent in Beginning Chemistry. The lack of laboratory space is becoming acute as during the academic year 1961-62, 192 auxiliary equipment lockers had to be installed in the halls. Plans are underway for 96 more to be used during the fall semester 1962.

Courses in Physical Chemistry and Organic Chemistry have been revised in an effort to make them valuable to a wider clientele. This course in Instrumental Analysis has been thoroughly modernized which was made possible by the fine equipment obtained under the ACE grant.

New courses in Chemistry include Radiochemistry which will utilize the new Radiation Laboratory. An effort has been made to reorganize and revitalize certain courses to make them suitable for graduate work in Chemistry. Illustrations of this development are Advanced General Chemistry, Principles of Chemistry, Recent Developments in Chemistry, and Polymer Chemistry.
The introductory course in Geology has been modified so as to include laboratory experience. Two new courses in Geology; namely, Kentucky Geology and Geomorphology have been added. Both of these courses are 500 courses.

Dr. Panzera is now serving as Chairman of the Kentucky Lake Section, American Chemical Society. Mr. Christopher is continuing to serve as Secretary. Dr. Karl Hussung served as Chairman of the Chemistry Section of the Kentucky Academy of Science during the current year. Dr. Blackburn has been selected as a Visiting Scientist to visit high schools for 1962-63.

Two additional faculty members each of which is completing the Ph. D. at Vanderbilt have been employed for the coming year 1962-63.

Department of Education

The Department of Education has been exceedingly busy in revising courses, activating procedures for admitting sophomores and juniors to teacher education in keeping with the standards suggested by the National Council on Teacher Education.

Miss Rubie Smith has served as Editor of the Southern Association Self Study Report and also for the National Council for the Accreditation of Teacher Education Self Study Report. Miss Smith has served on the Science Curriculum Committee for the State Department of Education and as consultant to numerous workshops.

Dr. Sparks has served as a member of the Committee to study the Revision of Kentucky's Foundation Law, served on the KEA Committee to present the Bill for the Professional Practices Commission, served as Chairman of the sub-committee of the Kentucky Advisory Council on Higher Education for the preparation of Library Science for Teachers and administrators, evaluated a number of high schools and made many addresses.

Dr. Mary Elizabeth Bell has served as consultant and discussion leader at many work conferences and professional meetings.

Dr. Brunner has served as chairman of section on "evaluation" for revision of State Guidance Services Bulletin.

Dr. Robert Alsup has served as Chairman of Teacher Education and Professional Standards Commission of Kentucky and has served as Consultant for evaluation of the McCracken County Elementary Schools, the Murray Elementary Schools, held numerous workshops in reading and has been very active in the Elementary Principals Association of the State.

Dr. Tesseneer has continued to do an outstanding job in teaching and counseling. Mr. Charles Homra, who was added to the Psychology staff has done an excellent job of teaching and for the coming year Miss Lottye Suiter has been transferred from College High and Dr. Charles Halcomb has been added to the Psychology faculty for the coming year.

Department of Fine Arts--Art

The enrollment in Art has continued to increase. More than 600 students were enrolled in Art courses during the 1961-62 school year. The number of majors in Art increased 50%. Four graduate courses are being offered in the summer school in Art.

The staff will be increased this fall by the return of Mr. William Boaz. Two members of the Art faculty have resigned and accepted other positions: Mr. Frank Gunter and Mr. William Walmsley. To replace these staff members Mr. Thomas A. Walsh has been employed in Sculpture and Design and Mrs. Elizabeth Del Donna has been employed in Art History and Art Appreciation.

Each member of the Art staff has participated in a number of professional art competitions. Three members of the staff have had many exhibitions in the country total 10 in all.
The Annual Art Alumni Invitational Show was held in connection with Homecoming in October.

Miss Clara Eagle has served as Art sub-chairman on the State Curriculum Study and also as President of the Kentucky Art Education Association.

Mr. Jackson has served as Secretary-Treasurer of the Kentucky Art Education Association.

Drama Division

Instruction and a full time schedule of major productions were maintained along with the Children's Theatre production and an evening of student directed one-act plays. An effort needs to be made to interest more students in Drama and more emphasis should be given to publicizing major productions by the Drama Division.

Music Division

There was a slight increase in enrollment in Music during the regular year. There is an increase of 30% in the 1962 summer session over the 1961 summer session.

The following graduate courses were added:

Music 301 - Foundations of Music Education
Music 319 - Advanced Orchestration
Music 315 - Seminar in Organ Literature
Music 310 - Theory Seminar
Music 324 - Choral Techniques and Literature
Music 333 - String Techniques
Music 340 - Piano Pedagogy

Contemporary Arts Festival: This was the fourth year for this activity. It involves all three divisions of the Department.

Campus Lights: This year marked the 25th Anniversary of this all-student production. It is written, directed, and produced by the students and plays annually to approximately 4,000 people.

Children's Concerts: Concerts designed especially for children were presented by the band, orchestra and choir. Elementary children from the city and county schools were brought to the campus for the concerts and between 1,500 and 2,000 children attended each concert.

Quad-State Festivals: High School students from the four-state area of Kentucky, Tennessee, Illinois and Missouri are selected to form the organization of a band, chorus, and orchestra. They are held at different times throughout the year, and have proved to be of significant value in our relations with these students and the schools they represent.

Band Tour: In April, the band, under the direction of Professor Paul Shahan, presented concerts at Madisonville, Providence, Henderson, Morganfield, Louisville (Seneca, Eastern), Bardstown, and Russellville. These concerts were of value to our students and helpful in public relations.

Robert K. Baar continued to do an excellent job in directing the A Cappella Choir, one of the ten best choirs in the United States. Josiah Darnall continued to serve second term as President of KMEA, represented Kentucky at national convention of MENC in Chicago.

David J. Gowans composed Sonata for French Horn and Piano written and given premier performance in Contemporary Arts Festival, wrote two vocal compositions performed by the Murray A Cappella Choir.

Roman Prydatkevych received commission to compose a Cantata for Men's Choir, Soloists and Symphony Orchestra from SURMA Men's Choir in Chicago. Paul W. Shahan was elected to second term as Kentucky State Chairman of College Band Directors Association. John C. Winter--First Vice-President of Kentucky Music Teacher's Association.
Department of Health and Physical Education

The enrollment continued to increase and there were during the spring semester 419 students majoring in Physical Education. Thirty-one seniors were graduated at the June Graduation exercises.

New Courses added: Physical Education 301, Athletic Injuries, two hours; Physical Education 330, Advanced Sports (Fundamentals, rules, strategy and procedures in tennis, volleyball and badminton), two hours; Physical Education 331, Advanced Sports (Fundamentals, rules, strategy and procedures in football, basketball and handball), two hours; Physical Education 509, Tests and Measurements in Physical Education, three hours; Physical Education 525, Developments in Physical Education, Recreation and Athletics, three hours; Physical Education 530, Intramurals and Interscholastic Athletics, three hours; Physical Education 600, Philosophical Bases for Physical Education and Recreation, three hours; Physical Education 625, Mechanical Analysis of Motor Skills, three hours; Hygiene G-598, (formerly G250) School Health, three hours.

In addition to the staff in Health and Physical Education last year, Mr. William Furgerson, the Track Coach, who taught part time in College High will give full time to coaching and teaching in Physical Education. Dr. Chad Stewart, who has his Master's from Indiana and his Doctor's from Florida will teach advanced courses in Health and Physical Education.

Department of Home Economics

The enrollment in Home Economics continued to increase. More than 850 students took Home Economics courses. There were 42 freshman majors and 21 graduating seniors.

During the summer a special graduate course in Family Relations and Child Development was offered with the regular staff and with the assistance of Dr. Harold Christensen, a Sociologist and Family Life Specialist from Purdue University.

Miss Simpson continued to participate in a research program sponsored by the State Department of Education. She is giving approximately one third of her time to the research program for which the College is being reimbursed. Throughout the year the Home Economics staff has analyzed procedures and evaluated course content in light of the social and economic needs of the present day family and society.

Department of Industrial Arts

More than 1200 students were enrolled in courses in Industrial Arts in the 1961-62 academic year. A graduate level course in Curriculum Development in Industrial Arts has been added. Extensive course revision has taken place in areas of drafting, electricity and electronics.

Many new items of equipment have been added such as two complete acetylene welding stations, two A. C. arc welding machines, nine Oscilloscopes, 15 sets of drafting equipment for high school classes, and numerous other items of essential equipment.

Mr. Joe Cowin served as President of the Western Kentucky Industrial Education Association. Dr. H. L. Oakley spoke at the annual meeting of the American Vocational Association. Mr. G. T. Lilly was a program participant at the American Vocational Association in Kansas City, served as a member of the Curriculum Committee for Industrial Arts Teacher Education, and took an active part in the Kentucky Industrial Education Association.

Dr. Eugene Schanbacher served effectively since joining the faculty in September 1961. Robert W. Jones has served on the Program Committee for the Kentucky Industrial Education Association. Paul Lynn served as judge for Industrial Arts Fair at Eastern Kentucky State College and each of the members of the faculty of this department have carried on many activities throughout the area and in the state related to the effective development of Industrial Arts programs.
Department of Language and Literature--English and Foreign Languages

Two of our graduating seniors, Jerry Herndon with a major in English and Norris Lacy with a major in French were awarded Woodrow Wilson Fellowships. A third senior, John Brevitt, received Honorable Mention in the nationwide fellowship competition. Murray State College produced more Woodrow Wilson Fellows in proportion to its size than any other institution in the four state region.

Ernest Williams was selected as outstanding English major. He did not enter the Woodrow Wilson Fellowship competition but chose instead to accept a fellowship to Princeton Theological Seminary.

Dr. Sidney Moss' book on Edgar Allen Poe was accepted for publication by the Duke University Press. Dr. Moss also has published an article on Hawthorne in the magazine known as Nineteenth Century Fiction.

Dr. Ralph Slow had an article on remedial college English published in The Journal of Educational Research. Dr. Slow completed his work for the Ph. D. degree at Southern Illinois University. Dr. Peterson completed the Ph. D. in English at the University of Minnesota.

Two additional faculty members were employed in English in the fall of 1961 and three additional faculty members have been added to the English staff for the fall of 1962.

Journalism

Alpha Phi Gamma, a national honorary fraternity for journalism students, granted a charter to the Collegiate Press Club. A formal installation of the Murray State Chapter was held in January.

The College News has been a credit to the College. The Columbia Scholastic Press Association made this comment: "Its coverage of news is quite extensive, and the presentation is generally crisp and to the point."

There was an increase in enrollment in Journalism during 1961-62 over the preceding year and there are yet opportunities for further increase in enrollment.

Speech

A total of 609 students registered for Speech courses during the 1961-62 scholastic year. This was an increase of 91 students over the preceding year. Thirty-one students represented the College in various speech activities during the school year.

The Fourteenth Annual High School Speech-Debate Workshop was held on the campus December 2. Fifteen high schools from Kentucky, Tennessee, and Illinois participated.

The tenth Annual Program of Speech Assemblies was presented in twelve Kentucky high schools before a total audience of 3400.

A debate team from Cambridge University of England was our guest for an audience debate on November 18. The topic of this debate was, Resolved: This House would rather be Red than Dead. The Murray State team of Ben Underwood and Royce Blackwell won a close audience decision over the British team.

On March 17 the Department sponsored an Invitational College Debate Tournament. This meet was attended by Vanderbilt University, University of Mississippi, Western Kentucky State College, and Southern Illinois University. It is hoped that this meet will become an annual event.

Members of the Murray State debate squad participated in forty-three non-decision debates at home and away.

The Varsity tournament squad participated in seven tournaments, taking part in seventy-four decision debates. Murray State College has been honored by the Southern Region of Eta Kappa Alpha by being selected as the host school for the Regional Tournament next November 16-17. LSU, Alabama, and Duke have been the last three host institutions.
Department of Library Science

The Library Science Department has grown in numbers and in effectiveness. The number of students have doubled since last year. Perhaps this increased number is due to the great demand for elementary librarians. One new course, for graduates only, has been added this summer. Nineteen students are in this course. The great need for elementary librarians has created a need for emphasis in this field. Approximately one-half of the content of Library Science courses is now directed toward the twelve grade librarians.

The Library

Physical Plant: During 1961-62 a third floor was added to the stacks with adequate shelving to hold another 60,000 volumes.

The Library has been used more fully and effectively than in any other year in the history of the College.

Miss Herron is on leave teaching this summer at Drexel Institute. Mrs. Ikerd is continuing on her graduate work at Peabody College. Dr. Woodbridge has been chosen for inclusion in Who's Who in America. He has contributed reviews in the past year to the Kentucky Folklore Record, Journal of American Folklore, Papers of the Bibliographical Society of America, Hispania, and The American Book Collector. He has also contributed to American Speech.

Miss Wiggins has continued doing a fine job as editor of the Bulletin of the Kentucky Library Association.

Acquisitions: 4,652 books were purchased in 1961-62.

Reference: new sets of Collier's Encyclopedia and the Encyclopedia Britannica have been purchased and cataloged. The Book Review Digest for 1908-1926 has been added to the reference collection.

Periodical sets added: Journal of the science of food and agriculture 9 vols.
Thought, 27 vols.
Germanic Review, 18 vols.
Transactions of the American Fisheries Society, 13 vols.
Middle Eastern Affairs, 13 vols.
Russian Review, 15 vols.
Human Biology, 31 vols.
North Carolina Historical Review, 38 vols.
261 vols. of back issues of psychology journals.

Binding: approximately 500 books were rebound and 1,300 volumes of periodicals were bound.

Microfilm additions included:
The New York Times, 1900-1919, 1945-1953

Department of Mathematics

The enrollment for the first semester of the year 1961-62 was 1035, an increase of 30 percent over the first semester of the preceding year. The enrollment for the second semester of the year 1961-62 was 901, an increase of 17 percent over the second semester of the preceding year.

Courses in Abstract Algebra and Set Theory have been added to the offerings in Mathematics.

Mrs. Parker is attending an Institute at Bowdoin College in Maine; Mrs. Cowin is attending an Institute at the University of Illinois; Mr. Wilson will be on leave for the 1962-63 academic year attending an Institute being given at Washington University in St. Louis; Mr. Miller is studying at the University of Kentucky this summer.
Mr. Charles Cleaver will be an additional member of the staff beginning in September. Mr. Leo Burns will replace Mr. Wilson while he is on leave next year.

Department of Military Science

The ROTC enrollment in September 1961 was 1145 compared with an enrollment of 927 in September 1960. This was a 23 percent increase in enrollment. A total of 33 lieutenants were commissioned during 1961-62.

Responsibility and accountability for all government property, weapons, uniforms, etc., were transferred from the College to the PMS in August. This transfer relieved the College of responsibility for approximately one-fourth million dollars of government property.

The Murray State College ROTC Rifle Team had an outstanding season, winning 12 of 13 shoulder to shoulder matches. The Department of the Army's selection lists for promotion included Lt. Col. Joseph G. Fowler, PMS, promotion to full Colonel and Captain Thomas E. Kingery, promotion to Major. Promotions will be made as vacancies occur. Sgt. Kaiser was promoted from MSG E7 to MSG E8. The following additions and losses in the staff of the Military Department are listed below:

**Additions**
- Captain Frederick N. Mudge
- Captain Vaughn C. Ross
- MSG E8 Robert A. Kaiser
- SSgt E6 Frank R. Heroux

**Losses**
- Major Alerd S. Lampe
- Captain Frederick N. Mudge
- MSG Carroll M. Forsyth
- MSG Drane Shelley
- SFC Berlin R. Patton
- Sgt. Robert P. Taylor

Department of Nursing

Twenty-five beginning nursing students for the Owensboro-Daviess County Hospital School of Nursing were enrolled in September 1961. This was a decrease of about ten students for this hospital.

The Jennie Stuart Memorial Hospital School closed with the graduation of the class of 1961. No new students were admitted for that school. There were five pre-nursing students enrolled. Five graduate nurses were working part time for a degree with a major in nursing. One student received her Bachelor of Science degree in January and another in June 1962.

Two six-day workshops in Supervision in Nursing were conducted under a grant received from the Department of Health, Education, and Welfare. In September 1961, twenty-five graduate nurses from the fields of administration, supervision, or teaching in nursing attended the workshop. On a repeat of the course in April 1962, there were twenty-two in attendance.

An additional grant has been received to conduct a course, The Learning Process and Methods of Teaching in Nursing. This six-day course will begin July 25, 1962. Traineeships were received for thirty students.

Miss Patsy Wilkins, Registered Nurse, Bachelor of Science Degree, Murray State College, and Master's Degree at the University of North Carolina, has been employed in the Department of Nursing.

Plans are being made to improve and expand the nursing program.

Department of Physics

Ten new courses have been added to the offering in Physics. Two lower division courses will permit introductory work to be spread over the freshman and sophomore years. Three upper division laboratory courses in Modern Physics have been added. Five additional courses designed primarily for teachers of science may be taken for graduate credit.
Facilities: additional storage space has been made available in the basement of the Science Building. The advanced electricity and magnetism laboratory has been improved. A new telescope has been added for the use of science courses for elementary teachers.

The Physics faculty has been increased to five for the coming year and include Dr. Read, Professor Canon, Professor Stephens, Mr. Faughn, and Mr. Gillespie. Dr. Read is taking a summer sabbatical and attending a National Science Foundation Institute at American University in Washington, D. C.

Eight seniors in Physics will attend leading graduate schools in the United States during 1962-63. Each of these graduates received assistantships ranging from $2200 to $4400. Cornell University provided an assistantship to Eddie Wells in the amount of $4400.

Department of Social Science

The total enrollment exclusive of Philosophy was 2325 during the first semester and 2240 during the second semester and 515 during the summer. This represents an increase of 36 percent during the first semester, 23 percent during the second semester, and 12 percent during the summer.

New courses added are Political Science 543 and 544 entitled, Structure and Function of American Government; History 302 and 303 are graduate courses designed especially for elementary teachers; History 301 is a graduate course for History majors only.

Professor E. James Clark had an article in The North Carolina Historical Review entitled, "Aspects of the North Carolina Slave Code, 1715-1860." Dr. Lee Dew presented the featured paper at the Southern Historical Association Convention in Chattanooga, Tennessee. The paper was entitled, "The Question of Negro Suffrage in 1866: A Radical Dilemma." Dr. Dew also presented a paper before the Louisiana Historical Association, the title of this paper was "The Fourteenth Amendment and School Segregation: A Reappraisal," Dr. Dew also published in the Kentucky Library Association, Bulletin an article entitled, "The Great Centennial Flood."

Dr. Will Frank Steely prepared a report for the 1962 edition of the Encyclopedia Brittanica on "Newport, Kentucky."

Division of Philosophy

Courses in Philosophy were first offered during the 1960-61 school year. The enrollment has continued to increase. A minor is being offered in Philosophy.

Professor Robert Perkins in addition to his teaching and counseling and speaking deserves a lion's share of the credit for the development and carrying out of Murray State College's Rousseau Contest. The Contest was divided into four areas: Rousseau and Modern Education, the winner was Dr. R. H. Eliassen, Dean of the Graduate School of East Tennessee State College; Rousseau and Modern Political Thought, the winner was Donald R. Burill, Northland College; Rousseau and Modern Literature, the winner was W. Ajami, Bryn Mawr; and Rousseau and Modern Theology, the winner was William Reichert.

The French Government provided suitable medals for each of the four winners. Dr. Eliassen's medal was presented on June 28 at the time he spoke to faculty and students at Murray State College. The medals presented had the following inscription in French: "I propose to set before my fellowmen a man in all the truth of nature; and this man shall be myself." This is a quotation from Rousseau in his publication entitled, Confessions.

Mr. Perkins had articles published in the Kentucky Teachers Association Bulletin, the Murray State Alumnus, and in the American Book Collector.

Murray College High

A Language Laboratory was installed and has proved its usefulness and effectiveness as a learning aid.
A semester of advanced mathematics entitled, "Introduction to Analytic Geometry and Calculus" has been added to better equip students who plan to major in science and mathematics in college.

Mr. Eugene Smith, Mr. Leo Burns and Mrs. Lois Sparks have done additional graduate work on the campus during the 1961-62 academic year. Mr. William Taylor, who has been on leave has completed an academic year of graduate work at Washington University in St. Louis. Mr. Burns taught for Mr. Taylor during his absence. Mr. Darnall is continuing work on his dissertation which he should have completed possibly by the end of summer and is looking forward to receiving his Doctor's Degree from Indiana University.

Mr. Eugene Smith has served as state sponsor of the Future Business Leaders of America. Mr. Josiah Darnall has served as President of the Kentucky Music Education Association. Mr. Wilson Catt has served as President of Kentucky Unit of the Association of Student Teaching.

The total College High program has been most effective throughout the year.

National Defense Student Loan Program Annual Report

The National Defense Student Loan Program has served most effectively. Dean J. Matt Sparkman has administered the loans with the help of a committee made up of Dr. Thomas Hogancamp, Dr. Robert Alsup, and Mr. Vernon Shown.

Norris Loan Fund Annual Report

The Thomas P. Norris Student Loan Fund was established many years ago by Mr. Thomas P. Norris of Elkton, Kentucky.

As of June 30, 1962, the Thomas P. Norris Student Loan Fund capital is as follows: Notes Receivable--$7,378.45; U. S. Government Bonds--$9,000; Cash on hand--$527.99, Total $12,906.44.

During the fiscal year 1961-62, thirteen fewer loans were made to students from the Thomas P. Norris Loan Fund than for the previous year. Below is given a breakdown on loans made during the year.

73 loans made from July 1, 1961, to June 30, 1962, to 48 students. Amount loaned--$4,481.00. Average amount of each loan--$61.38.

Campus Housing

Men Students

There was much crowding in the dormitories the early part of the academic year in that Clark Hall was not finished and occupied until December 14, 1961. The dormitory capacities for this fall are Richmond Hall, 246; Clark Hall, 284; Franklin Hall, 330; and Swann Hall, 68. If Franklin is ready for complete occupancy by September 17, the situation should be relieved this fall but there is likely to be as many as 1100 men living out in town.
Married Students

As of January 30, 48 new apartments were completed. These apartments are most attractive and are much in demand. The apartments are completely filled and according to the best estimates there will only be two vacancies between now and September. There are 64 people on the waiting list. An application has been submitted to build 48 more apartments south of the present apartments.

The little houses are being moved. Twenty or more have already been moved and are being reconditioned, putting in hard wood floors and many other improvements. Some of these are now occupied and all 32 of these will be occupied during the fall semester. An effort is being made to continue to use 5 of the temporary apartment buildings which will accommodate 40 families until the second 48 apartments are completed.

Girl Students

During the fall semester of the 1961-62 academic year Woods Hall housed 546 girls, Ordway 170 and Swann 97. Girls were moved from Swann into Wells and the overflow in the other dormitories were permitted to go to Wells. Therefore, the second semester Woods Hall housed 424, Ordway, 108, Wells 222.

Two new staff members in the women's residence halls were added last fall. Mrs. Brooks Cross, assistant in Woods Hall, and Mrs. Mary Barry, assistant in Wells Hall. Mrs. Cross began work on September 1, and Mrs. Barry on October 15.

During the summer Ordway Hall is being used for families in the Science Institute. Woods Hall has 266 occupants during the 1962 summer school.

Freshmen Orientation

An orientation program for freshmen was inaugurated last year. Dean Sparkman and Dean Tate cooperated with the program as did a number of members of the faculty. The lion's share of the responsibility for carrying it out fell to Mr. Wayne M. Williams, Executive Assistant to the President. In this matter he did an excellent job.

Student Health Service

For the school year, 1961-62, ending with the spring semester, students made 10,310 visits in the Student Health Service offices. Seventy-eight patients were kept in bed in the infirmary for a total of 228 days of confinement.

The new remodeled facilities in Wells Hall were occupied January 28, 1962. The new facilities consists of waiting rooms, doctors and nurses office, five examining rooms, supply and utility rooms, patient rooms, and apartment for nurses.

The bed capacity of the infirmary at present is fourteen beds for men and ten beds for women with adequate space for expansion in epidemics.

One full time nurse and two part time nurses are employed to care for the students on a 24 hour basis.

Improvement in Physical Plant During 1961-62

Construction during the year included an addition of 41 feet to the Field House which provided much needed shower room and locker space underneath the bleachers as well as additional seats. The money for this was provided by Capital Outlay allotments from the Department of Finance. The total cost of this improvement was $159,500. This should relieve the need for locker space since this has been an acute problem for the last 2 or 3 years. A contract was awarded to put a new roof on the Fine Arts Building and on the Library. In addition to this a completely new air-conditioning and heating system has been installed and will actually be completed by August 1.
Administration Building
1. Installed air conditioners in Business Office
2. Built Telephone Office and Information Office
3. Built addition to Dean of Students' Office
4. Installed new aluminum doors to the President's Office and Dean's Office
5. Redecorated President's Office
6. Built room for IBM equipment

Wilson Hall
1. Installed attic fans on 3rd floor
2. Installed new electrical distribution panels

Wells Hall
1. Built Infirmary
2. Purchased new furniture for lobby and parlors
3. Purchased new patio furniture
4. Purchased new furniture for house mother's apartments
5. Installed new kitchen units in 2nd and 3rd floor apartments
6. Purchased and installed headboards for all beds
7. Installed new 500 K. W. transformers
8. Reworked electrical service.
9. Installed new underground cable.

Library Building
1. Added new stacks for 3rd floor
2. Installed fluorescent lights for 3rd floor stacks
3. Installed new 500 K. W. transformer
4. Reworked electrical service
5. Installed new underground electrical cable
6. Installed new roof on center section
7. Poured new front steps
8. Tuckpointed all stone work on outside of building.

Auditorium Building
1. Installed new stage curtains
2. Removed and replaced shrubbery in front of building
3. Built new telephone equipment room

Student Union Building
1. Installed new service for milk dispenser
2. Relocated ice maker
3. Installed aluminum entrance to director's office
4. Placed new parking curbs on the east side of building

Industrial Arts Building
1. Reworked main offices
2. Reworked offices occupied by instructors
3. Installed new metal doors at rear entrances

Science Building
1. Installed air conditioners in Agriculture Department
2. Installed air conditioners in Home Economics Department
3. Purchased new heat controls for building
4. Planted new shrubbery on north side of building
5. Placed new parking curbs on north side of building

Ordway Hall
1. Built kitchen for guest room
2. Built new bathroom for guest room
3. Installed new doors on six bathrooms

College High School
1. Installed fluorescent fixtures in halls
2. Installed Vinyl Floor Tile in Library
Home Management House

1. Complete redecoration inside
2. Bought new draperies for living room
3. Installed two air conditioners

Swann Dormitory

1. Tore out all galvanized pipe and replaced with copper tubing, replaced all shower heads
2. Installed new ceramic tile on walls in showers
3. Installed Vinyl Tile in all rooms
4. Installed venetian blinds in all rooms
5. Painted hallway, shower rooms and bedrooms

Campus in General

1. Poured concrete walks at Clark and Richmond Hall
2. Bought and erected new steel pole for Stadium
3. Installed new press box at Stadium
4. Painted outside of stadium walls
5. Installed fence around parking lot at Maintenance Shop
6. Installed new underground electrical feeder line for Wells Hall and Library
7. Installed new Whiteway Lighting
8. Moved and renovated 32 white houses in Orchard Heights
9. Built overhead electrical line for white houses
10. Laid new 6" water main for white houses
11. Built Radiation Laboratory in Laundry Building
12. Redecorated President's Home
13. Planted some shrubbery at Clark and Richmond Hall
14. Bought new playground equipment for College Court
15. Bought twenty new concrete benches for campus
16. Installed new storm doors and windows at President's Home
17. Bought new shop equipment for Maintenance Department

* Financed by special allocations from Capital Outlay fund of Department of Finance

Scholarships

The following students were given $100.00 scholarships at Murray State College during the 1961-62 school year:

Alderdice, Donna Dale 1 & 2
Anderson, Mary Eunice 1 & 2
Bolton, Joyce 1 & 2
Brindley, Darlene 1 & 2
Brown, Betty Lou 1 & 2
Burns, Judith Gayle 1 & 2
Clark, William Morgan 1 & 2
Crittenden, Peggy Ann 2
Cook, Susan 2
Cunningham, Donald Elbert 1 & 2
Daniel, Linda Kay 1 & 2
Daniel, Peggy Gayle 1 & 2
Davis, Kay Susan 1 & 2
Ford, Brenda Louise 1 & 2
Gough, Victoria Elaine 1 & 2
Gregory, Nina Kay 1 & 2
Hargis, Henrietta Joyce 1 & 2
Hendon, Jerry Edd 1 & 2
Housley, Linda Jean 1 & 2
Hurt, Larry Grady 1
Johnston, Carol June 1 & 2
Kindred, Barbara Laverne 1 & 2
King, Carol Lee 1 & 2
Knight, Joyce Nell 1 & 2
Alumni Association

Of the more than 6000 graduates of Murray State College 1293 were credited with paying alumni dues during the 1961-62 fiscal year. Even though the number paying dues is small it is larger than at any time in the history of the school.

The annual Homecoming program and the annual Alumni Banquet were highlights of alumni activities on the campus. Annual reunions and get togethers for Alumni were held in Nashville and Memphis, Tennessee; St. Louis, Missouri; and in Owensboro and Louisville, Kentucky. The meetings at Owensboro and Louisville were especially well attended.

A faculty-staff Alumni Club has been organized on the campus with Dr. Thomas B. Hogancamp and Miss Rubie Smith as co-chairmen. The first meeting of this Club was held on December 14, 1961.

The Alumni Association continues to maintain addresses for mailing the College News. Perhaps the most outstanding accomplishment of the Alumni Association during the year was the publication of the Alumni Magazine. Three editions were published. It is a 16 page publication and Joe T. Erwin has served as Editor and has done an excellent job. Other members of the Public Relations staff and other members of the faculty assist with the Alumni Magazine.

Field Services

Mr. Vernon Shown has done an effective job in the area of field services. Senior classes in 136 high schools were visited. The importance of taking advantage of educational opportunities was pointed out to them. Approximately 3955 high school students were contacted in a personal manner. It should be pointed out that most of the 136 high schools visited were visited at least three times. Mr. Shown in addition to his duties in Field Services has supervised student teachers at Sedalia and Farmington, supervising a total of 15 student teachers.

Publications and Publicity

During the 1961-62 school year approximately 1500 news stories were mailed from the Publicity Office. These were mailed to home town media in all the areas from which Murray State students come. Approximately 500 pictures were made each week for publicity purposes, the College News and the Shield. Stories of all major events concerning the College are telegraphed to the Louisville Courier Journal, Paducah Sun Democrat, Nashville Tennessean, and of course, calls are made to the Ledger and Times, the Murray Democrat, WNBS and other radio stations.

Murray State College Foundation

The Murray State College Foundation continues to grow. The Foundation is handling the funds for the various National Science Institute programs. The grants from the Atomic Energy Commission were handled through the Murray State College Foundation as were the grants from the Department of Health, Education, and Welfare which provided funds for special nursing programs. Also a grant of $1000, from the Gulf Oil Company was handled through the Foundation. This grant was made for special study in the area of Psychology and Guidance which is being made by Dr. Ralph Tesseneer.
Placement
As the College grows, the activities in the Placement Office increase. More calls have been handled for teachers this year than any year in the history of the College. Registration is not compulsory in the Placement Office, but we do encourage it. More employing agencies visited the campus this year than any previous year.

The staff in Public Relations along with other faculty and staff members works with the PDEA, the Kentucky State Fair, Leadership Conferences, special festivals, High School Senior Day and assist many other organizations in promoting activities on and off the campus.

Needs and Plans for Additional Physical Facilities
Two new dormitories will be needed by the fall of 1963, and we have information that our application for a loan has been approved in the amount of $1,800,000 with which to build dormitory number 4 for men and a new dormitory for women.

Additional married student housing is badly needed and application has been made for a loan with which to finance 48 additional apartments. If and when the 48 apartments are built they will not meet the total need of the College. We shall need to look forward to building more married student apartments.

An additional classroom building to house Agriculture, Home Economics, and Industrial Arts is badly needed so that Biological Sciences, Chemistry, and Physics may expand in the present Science Building. It is estimated that this new building may cost as much as a million dollars.

We badly need a Maintenance Shop. The President of the College has been endeavoring to secure funds with which to construct a Maintenance Shop for two or three years, and I shall continue to work on this matter. As has been reported to you, the College purchased trusses for a building 80 feet wide and 200 feet long. We have program plans indicating that the Maintenance Shop would cost $122,000 by using the above mentioned steel.

There are many improvements that need to be made. One of the larger ones is to put aluminum windows in College High. This will probably cost $32,000. The windows are in a bad state of repair.

The College Auditorium needs to have the seats covered and the building needs to be painted and redecorated throughout. The needed repairs in the Auditorium will cost $25,000.

The Library needs to have central air conditioning installed. This will probably cost as much as $90,000.

The Administration Building should have central air conditioning as soon as funds can be secured for this purpose. The air conditioning has been left out of Franklin Hall and if there is any way on earth it can be installed, it should be done. This has been mentioned to the Department of Finance, the Division of Engineering of this same Department and it is a question of finding the money.

Clark Hall and Richmond Hall are air conditioned and Franklin could have been air conditioned for $28,500.

State Appropriation for Murray State College
The Appropriation for 1962-63 is $2,235,445. The appropriation for 1963-64 is $2,471,530. This is about 82% of what the College desperately needed but it is up to us to do the best we can to advance academically, professionally and otherwise with what funds we have available.

Expression of Appreciation
May I express my deep appreciation to each of you for your interest and untiring efforts in behalf of Murray State College. The College is growing in effectiveness. The faculty is being strengthened each year.
For the 1962-63 fiscal year we have employed a number of excellent people, 8 of which have the doctor's degree. With the continued support of the Board, the cooperation of the faculty and staff, the students and the public, Murray State College will continue to grow not only in numbers but in effectiveness.

Respectfully submitted,
/s/ R. H. Woods
President

Mr. Doran moved that the Board accept the Annual Report of the President. Mr. Long seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

Biological Station on Kentucky Lake

The following report was submitted by President Woods for the Board's consideration.

Site for the Development of a Biological Station on Kentucky Lake

In order to further develop our present offerings in biological sciences and to make it possible to expand our offerings by developing new courses, it is time for us to make plans toward the eventual establishment of a biological station by Murray State College on Kentucky Lake. In addition to increasing our offerings as I have mentioned above, such a station could possibly make a contribution to the resource development of the Tennessee and Cumberland Valleys.

A biological station should have a minimum of 25 acres of land situated on Kentucky Lake with a well protected cove for the construction of a dock. The station would necessarily need to include a reasonable amount of shore line.

Shore line on Kentucky Lake is getting more difficult to procure and in all likelihood there will come a time in the not too distant future when it will be almost impossible to secure desirable property for our purpose.

Securing a suitable site will involve negotiations with the Tennessee Valley Authority and with various departments of our own state government.

I ask your approval and authority to proceed with the negotiations to procure a site for the establishment and development of a biological station on Kentucky Lake.

Mr. Doran moved that the Board authorize President Woods to proceed to procure a site for a biological station. Mr. Hall seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; and Mr. White, aye.

Additional Allotment for Richmond Hall and Franklin Hall

Mr. Doran moved that the Board approve an allotment for the 1962-63 Fiscal Year in the amount of $600 for additional student labor in Richmond Hall and $600 for additional student labor in Franklin Hall in order to take care of keeping the office open an additional three hours per day.

Mr. Long seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Long, aye; Mr. Hall, aye; Mr. Springer, aye; and Mr. White, aye.

Resolution Providing for the Sale and Award of $1,469,000 of Murray State College Housing and Dining Hall Revenue Bonds of 1961, Dated September 1, 1961, and Fixing the Interest Rates for Said Bonds.

(See Attachment)
Southern Association Report

President Woods presented the Board with copies of the Southern Association Report.

Mr. Blythe moved that the Board accept and approve the Self-Study Report by Murray State College to the Southern Association of Colleges and Secondary Schools, and express appreciation to the President, the Steering Committee, and all faculty and staff members who have served in the preparation of this Report.

Mr. Hall seconded and the roll was called on the adoption of the motion with the following results: Mr. Blythe, aye; Mr. Doran, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Springer, aye; Mr. White, aye.

Adjournment

Thereupon, a motion was made by O. B. Springer, seconded by Bob T. Long, and unanimously carried that the meeting be adjourned. Whereupon the meeting was adjourned.

Vice Chairman

Secretary
The Board of Regents of Murray State College, at Murray, Kentucky, met in regular session on the 31st day of July, 1962, at 10:00 a.m., at the office of the President of the College, on the Campus in the City of Murray, Kentucky. Chairman Wendell P. Butler was absent, and the meeting was called to order by Vice Chairman, R. H. White. Upon the roll being called, the following members of the Board answered present:

R. H. White  
H. Glenn Doran  
C. H. Hall  
Bob Treas Long  
Max J. Blythe  
O. B. Springer

There were absent:

Wendell P. Butler, Chairman

The Secretary of the Board, Miss Patsy Rowland, was present and duly recorded the minutes.

Thereupon, the Vice Chairman called it to the attention of the members of the Board that pursuant to proceedings had by this Board on April 17, 1962, the hour of 11:00 a.m., C.S.T., on this 31st day of July, 1962, had been fixed as the deadline for the receipt of bids which might be received for the sale by the Board of Regents of the College of $1,469,000 of Murray State College Housing and Dining Hall Revenue Bonds of 1961, dated September 1, 1961, or any part thereof, authorized by a Trust Indenture, dated September 1, 1961, approved on the 26th day of January, 1962. He reported that the authorized Notice of Sale had been duly published in accordance with all legal requirements. He then declared that the deadline for the receipt of bids had expired, and the Secretary then produced all of the sealed bids heretofore received. The bids were then publicly opened, read and studied, and the results of the opening of such bids were incorporated in a resolution which was introduced and caused to be read in full by member Glenn Doran under the title:
Project No. CH-Ky-58 (DS)
Murray State College
Murray, Kentucky

Board of Regents of Murray State College
Office of the Secretary
Murray State College
Murray, Kentucky

Reference is made to the $1,469,000 Murray State College Housing and Dining Hall Revenue Bonds of 1961.

The Government hereby bids par plus accrued interest at the rate of three and one-half per centum (3-1/2%) per annum for the entire issue, or for any block or combination of blocks of the Bonds as advertised.

The bid is submitted subject to the provisions of the Loan Agreement dated August 1, 1961 between the Board of Regents and the Government, and in particular to the provisions of Section 3 thereof.

This the 27th day of July 1962.

By
Acting Regional Director of Community Facilities Activities

cc:
Mr. Joseph R. Rubin
400 Marion E. Taylor Building
Louisville 2, Kentucky
"RESOLUTION PROVIDING FOR THE SALE AND AWARD OF $1,469,000 OF MURRAY STATE COLLEGE HOUSING AND DINING HALL REVENUE BONDS OF 1961, DATED SEPTEMBER 1, 1961, AND FIXING THE INTEREST RATES FOR SAID BONDS."

Member Glenn Doran then moved that all rules be suspended and that said resolution, a copy of which is attached to the minutes of this meeting, be adopted. Said motion was seconded by member O. B. Springer. The Vice Chairman then put the question on the motion, and upon the roll being called, the vote on such question was as follows:

**Ayes for the Motion**
- R. H. White
- H. Glenn Doran
- C. H. Hall
- Bob Treas Long
- Max J. Blythe
- O. B. Springer

**Nays Against the Motion**
- None

Whereupon, the Vice Chairman declared the motion duly carried and said resolution duly adopted.

(Seal of Board)
RESOLUTION PROVIDING FOR THE SALE AND
AWARD OF $1,469,000 OF MURRAY STATE COLLEGE
HOUSING AND DINING HALL REVENUE BONDS OF
1961, DATED SEPTEMBER 1, 1961, AND FIXING
THE INTEREST RATES FOR SAID BONDS.

WHEREAS, Notice of Sale of $1,469,000 of Murray State
College Housing and Dining Hall Revenue Bonds of 1961, dated
September 1, 1961, of the Board of Regents of Murray State
College, has heretofore been given in strict compliance with
the orders of this Board, thus enabling everyone interested in
said bonds to present a proposal in connection therewith; and

WHEREAS, all bids received for said bonds have been
considered and are as follows:

1. Bidder | Interest Rates | Maturities | Amount Bid for the Specified
Equitable Securities Corporation | 3 1/2% | 1964-65 | ($176,000)
Nashville, Tennessee | 3 1/4% | 1966-71 |

2. Interest Rates

3. Recent Interest Payment Date

4. Net Interest Cost

3.275%

WHEREAS, the matter of which bids are the most advantageous,
and with the most favorable net interest cost to the Board of
Regents, has been sufficiently considered,

NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED BY THE BOARD
OF REGENTS OF MURRAY STATE COLLEGE, AS FOLLOWS:

Section 1. That upon being advised in the premises, it
is hereby determined that the bids for the purchase of
$1,469,000 of Murray State College Housing and Dining Hall
Revenue Bonds of 1961, dated September 1, 1961, maturing on
September 1, of the years 1964 to 2001, inclusive, as advertised
and authorized by the resolution heretofore adopted on January 26,
1962, as set out in the following subsections of this section,
are the best bids received, with the most favorable net interest
costs to said Board of Regents, and that said bonds be and are
hereby awarded to said respective bidders set out in said subsections, as being the best terms and for the best interests of said Board, said bids being as follows:

(a) That the bid of Equitable Securities Corporation, Nashville, Tennessee, for the sale of $176,000 of said Bonds of 1961, dated September 1, 1961, being bonds maturing in 1964-71, be accepted and confirmed, the said bid being at a price of $176,000 for said $176,000 of bonds, which bonds would bear interest, payable semi-annually, at the following annual rates:

<table>
<thead>
<tr>
<th>Rate</th>
<th>Maturities</th>
</tr>
</thead>
<tbody>
<tr>
<td>3 1/2%</td>
<td>1964-65</td>
</tr>
<tr>
<td>3 1/4%</td>
<td>1966-71</td>
</tr>
</tbody>
</table>

said bid being a bid at an average net interest cost to the College of 3.275% per annum for said maturities of said issue, said bid being hereby determined to be the most advantageous and with the most favorable net interest cost to the College for said maturities of said bond issue.

(b) That the bid of Housing and Home Finance Agency (U. S. Government) for the sale of $1,293,000 of said Bonds of 1961, dated September 1, 1961, being bonds maturing in 1972-2001, be accepted and confirmed, the said bid being at a price of $1,293,000 for said $1,293,000 of bonds, which would bear interest, payable semi-annually, at the following annual rates:

<table>
<thead>
<tr>
<th>Rate</th>
<th>Maturities</th>
</tr>
</thead>
<tbody>
<tr>
<td>3 1/2%</td>
<td>$1,293,000</td>
</tr>
</tbody>
</table>

said bid being a bid at an average net interest cost to the College of 3 1/2% per annum for said maturities of said issue, said bid being hereby determined to be the most advantageous and with the most favorable net interest cost to the College for said maturities of said bond issue.

Section 2. That the Secretary of the Board of Regents is ordered to hold the good faith check of the Equitable Securities Corporation in accordance with the published Notice of Sale.

Section 3. That said Bonds shall be delivered by the President of the College and/or other proper College officials to said purchasers as soon as ready in accordance with the proceedings authorizing said Bonds.

Section 4. That the acceptance of said bids subjects the College to no liability if for any reason it is unable to obtain
the final approving legal opinion of Mr. Joseph R. Rubin, Municipal Bond Attorney, Louisville, Kentucky, or if said bonds shall be subject to ad valorem taxation by the Commonwealth of Kentucky, or the interest thereon shall be subject to income taxation by the Federal Government or the Commonwealth of Kentucky on the delivery date of said Bonds, and the purchasers shall not be required to take up said Bonds without the final approving opinion accompanying said Bonds, or if said Bonds or the interest thereon shall be subject to taxation.

Section 5. That all resolutions or parts thereof insofar as same may be in conflict herewith be and the same are hereby repealed.

Passed and approved on July 31, 1962.

Vice Chairman
