### X. Adjustment in Budget for 1966-67

Increase the Department of Biology--Salaries Account in the amount of $2,400.00 to allow for two additional graduate assistants.

### XI. Fees for Stella Hung

I recommend that out-of-state fees be waived for Stella Hung, a student from China, and that she be permitted to pay fees as a resident student.

### XII. Contract No. TV 28277A with the Tennessee Valley Authority for Personal Services Regarding Land-Between-the-Lakes.

### XIII. Student Insurance Proposal for 1966-67
XIV. Other Matters that Need to Come Before the Board.

A. Mr. Roy Stewart is retiring from his position as Professor of Health, Physical Education, and Recreation and Athletic Director effective July 1, 1966. In light of this situation, I recommend that Cal Luther now head basketball coach be made Athletic Director and Head Basketball Coach and that his salary be increased from $950.00 to $1,000.00 per month effective July 1, 1966. In this organization, Mr. Luther will report directly to Dr. Chad Stewart. It seems wise also to promote James Frank from Associate Professor to Professor and Head of the Division of Health Education of the Department of Health, Physical Education, and Recreation and that his salary be increased from $850.00 to $900.00 per month; and W. W. Furgerson as Assistant Athletic Director with a salary increase from $816.66 to $833.33 per month.

B. Our policy has been to grant summer sabbatical each four years. There is this year a research institute to be conducted at the University of Kentucky which will influence materially the opportunity for Murray State to participate in this Government financed research program.

I, therefore, recommend that we grant a summer sabbatical to Robert L. Hendon and Clifton D. Lemons, both who will be eligible next summer, and in granting this that we point out that it will be necessary to have five summers elapse before either of them will be eligible for another summer sabbatical. This does not change the policy, but alters it only due to the circumstances this summer.

C. Selective Service System—You have no doubt read in the papers that in some institutions objections have been raised to having a standing in class reported to the Selective Service System. Thus far, we have had no such request. We feel that it would be desirable to proceed within the next 45 days and send the information to the Selective Service System; however, if anyone objects to having his rank in class sent to the Selective Service System, we will honor his request not to send them. It is our interpretation that the Selective Service Board can request this information and force the school to supply it. This will be the case even though the individual objects.

D. We have been requested by the Constitution Revision Assembly to offer a seminar dealing with the old and the new constitution. The course will be directed by Dr. C. S. Lowry, and he will be assisted by selected members of the Constitution Revision Assembly. We expect to offer the Seminar at 7:00 p.m. on Tuesdays, June 13 – August 5, 1966. It can be taken without credit or if there are those who desire to enroll for credit, credit can be granted for one semester hour.

Respectfully submitted,
/s/ R. H. Woods
President

Student Insurance Proposal, Accepted

Dr. Woods stated that the Insurance Committee chaired by Dr. Thomas B. Hogancamp reviewed the three proposals submitted.

Mr. Powell read the following report of the Insurance Committee:

Dr. Ralph H. Woods, President.
Murray State College
Murray, Kentucky

Dear Dr. Woods:

In accordance with your request, the Insurance Committee has this date studied the proposals submitted by all companies seeking to provide student health insurance coverage for the school year 1966-67.

This committee unanimously recommends that Plan II submitted by Higham, Neilson, Whitridge & Reid, Inc., represented locally by the Purdom & Thurman Company, be awarded the contract to provide student health insurance. The Higham, Neilson, Whitridge & Reid, Inc., proposal provides the identical coverage included in the present student health insurance contract at the price of $24 per year.

The proposal submitted by the only other applicant, Zurich-American Insurance Company, is priced at $25 per year and provides lower hospitalization coverage, no accident only coverage, and lower coverage for medical expenses resulting from mental illness. Although the Zurich-American Company is presently providing our student health insurance, their new proposal reduces the coverage substantially and the premium has been increased from $20 to $25 per year.

In view of the foregoing, the Insurance Committee unanimously recommends that the insurance contract be awarded to Higham, Neilson, Whitridge & Reid, Inc., represented locally by the Purdom & Thurman Company.

Respectfully submitted,
INSURANCE COMMITTEE
/s/ Thomas B. Hogancamp, Chairman
Dr. Robert Alsup
Mr. E. B. Howton
Mr. P. W. Ordway
Dr. Frank Steeley
In view of the Committee's recommendation, Mr. Springer moved that the Board accept the proposal submitted by Higham, Neilson, Whitridge & Reid, Inc., represented locally by Purdom and Thurman Insurance Agency, and further authorize the President of the College to prepare a letter and give to the Agency so that they may send it to parents.

Mr. Powell seconded and the motion carried unanimously.

Cal Luther named Athletic Director

After careful consideration, Mr. Hall moved that upon the recommendation of President Woods and Dr. Chad Stewart, Head of the Department of Health, Physical Education, and Recreation, we approve the designation of Cal Luther as Athletic Director and Head Basketball Coach and that his salary be increased from $950.00 to $1,000.00 per month effective July 1, 1966, and that in the organizational line he report directly to Dr. Stewart.

Mr. Blythe seconded and the roll was called on the adoption of the motion with the following voting: Mr. Blythe, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Powell, abstained; Mr. Springer, aye; and Mr. Hart, aye.

Mr. Powell stated that he could not vote for the motion because he would be voting against W. W. Furgerson; therefore, he abstained to find out the opinion of the Board, and he now changed his vote to aye.

Mr. Springer moved that the Board accept the recommendation of President Woods and Dr. Stewart in designating James Frank as Head of the Division of Health Education, from Associate Professor to Professor and that his salary be increased from $850.00 to $900.00 per month effective July 1, 1966; and further approve the designation of W. W. Furgerson as Assistant Athletic Director with a salary increase from $816.66 to $833.33 per month effective July 1, 1966.

Mr. Blythe seconded and the roll was called on the adoption of the motion with the following voting: Mr. Blythe, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Powell, aye; Mr. Springer, aye; and Mr. Hart, aye.

Sabbatical Leaves for Robert Hendon and Clifton Dale Lemons, Granted

Mr. Springer moved that the Board grant sabbatical leaves to Robert Hendon and Clifton Dale Lemons as recommended by President Woods and outlined in Item XIVb. of the Agenda.

Mr. Powell seconded and the roll was called on the adoption of the motion with the following voting: Mr. Blythe, aye; Mr. Hall, aye; Mr. Long, aye; Mr. Powell, aye; Mr. Springer, aye; and Mr. Hart, aye.

Mr. Long seconded and the motion carried unanimously.

Adjournment

Mr. Long moved and Mr. Springer seconded that the meeting be adjourned. Motion carried unanimously.
