Resolution and Agreement for Dr. Kurth

Mr. Lanier stated that the resolution and agreement for Dr. Kurth, referred to an agreement which would bring about Dr. Kurth's relinquishment of the duties and responsibilities of the office of president as of March 31, will grant him a sabbatical for April 1, 1994, to June 30, 1994, and commit to other details relating to that separation.

Mr. Lanier moved the ratification by the Board of Regents of the agreement signed by Chairman Butts on behalf of Murray State University and by Dr. Kurth with the insertion in paragraph A.4. of the word "actual" before the word "moving" so that the university agrees to pay actual moving expenses for Dr. Kurth up to an amount not to exceed $8,000.

Acting President, appointed

Mr. Easley stated that there is a provision in the faculty handbook that states that the acting president shall be the provost; however, it may very well be that the intention of that would be for temporary type positions. Plan of Evaluation of the President, postponed

Mr. Matthews moved, seconded by Mr. Easley, the postponement of any discussion on the Plan of Evaluation of the President because of the lateness of the hour.
Renaming of the Rifle Range, approved

Dr. Kurth stated that the Committee on Naming Facilities has unanimously endorsed the naming of the rifle range the "Pat Spurgin Rifle Range."

Mr. Van Horn moved that the Board of Regents, upon the recommendation of the President of the University, approve naming the rifle range at Stewart Stadium the "Pat Spurgin Rifle Range." Dr. Julian seconded and the motion passed.

Directions to Acting President

Mr. Lanier moved that the Board of Regents, by the adoption of this motion, instruct the acting president to commence immediately a review of all programs -- academic and non-academic -- toward a re-shaping of Murray State University for the future, including a determination of resources available for salary increases when such resources become available. Dr. Julian seconded and the motion carried.

Mr. Easley moved that the acting president be instructed to immediately freeze all administrative positions that become open for the purpose of scrutinizing those positions and filling only those that are most critically needed in an effort to create a pool of dollars that may be reallocated primarily to faculty and staff salaries and that any positions be first filled from within if that be possible at all. Dr. Julian seconded and the motion carried.
